**Rev. Thagana:** Thank you so much. Riu thutha wa kurikia kuhoya ni turi na kahinda ga kumenyana.

Ningetaka kueleza kwa mambo machache. Commissioner yuko hapa pamoja nasi, Wanjiku Kibira na ako na kudi lake kuchukua maoni. Ningetaka kueleza vizuri commissioner amekuja na kudi lake kwa sababu ya kuchukua maoni. Mala nyingi sisi tumekuwa tukisurura kusomesha watu na kuna maswali mengi na maoni mengi watu wamekuwa wakitaka kupeana. Sasa huu ndio wakati wa sisi kutoa maoni. Nimeangalia karatasi nikaona kuna watu wengi ambao wameonyesha kwamba wana maoni ya kutoa na wengine ambao wanaonyesha hawana maoni. Sisi zote tumekaribishwa kukaa either kuzikilisha ama kutoa maoni. Na tutapatia kila mtu dakika tano ambaye atasimama kuongea kwa niamba yake. Ikiwa unataka kuongea kwa niamba yako mwenyewe utatumia dakika tano. Ikiwa unaongea kwa niamba ya kudi fulani yaani karatasi imeandikwa kwa niamba ya kudi fulani, tutakupa dakika kumi. Kwa hivyo ukisimama ni vizuri ukumbuke mda wako ni dakika tano au dakika kumi kulingana na yule unawakilisha siku ya leo.

Mahali pa kuongea ni pale. Mahali yule Father amesimama vile alivyosimama na kuongoza kwa maombi. Hapo ndipo tutatumia hiyo microphone iko pale kwa sababu ya ku-record au kunakili mambo tunayosema. Kwa hivyo ukienda tumia microphone, iko pale, simama pale, halafu toa maoni yako na utumie dakika tano au dakika kumi.

Upande huu, nani hawezi kuongea Kiswahili au Kikuyu ama kusikia? Naona karibu kila mtu. Kwa hivyo sisi tuna uwezo wa ku-translate yale ambayo mmeongea. Kwa sababu tunaona sio vizuri usome Kingereza na watu hawa wote hawaelewi ni kitu gani unasema na wako hapo. Wanasikiliza, hawaelewi. Kwa hivyo ni vizuri uongee kwa lugha ya Kikuyu au Kiswahili kwa niamba ya kazi ya hapa kuna mtu wa kunakiri au ku-translate yale ambayo unasema. Kwa hivyo wale ambao wameandika memorandum, ukisoma, soma kwa Kikuyu ama Kiswahili. Naona tuko tayari sasa tulikuwa tunangojea hapo. Ndio, tunaweza kuanza.

Tutatumia kengere ili kukubusha kwamba mda wako umekwisha. Ukisikia nimefanya (kengere) unjue dakika zako zimeisha na ujaribu.

Okey. Niwakubushe tena. Ukimaliza kuongea unazunguka pale unamuona huyo ameinua mkono. Make sure umemuona. Na kabla hujaanza kuongea, sema jina lako ni fulani. Kama unaakilisha fulani. Kwa mfano sema ‘jina langu ni Andrew Muiruri

Mburu. Nimeakirisha Kinangop Youth Association”. Natoa mfano wa mmoja wa wale ninajua. Kwa sababu ya recording sema majina kwa sababu kuna shida wakati mwingine mtu hatujui jina. Instead of interrupting you asking for the name, say the name, say what you represent and then go ahead. Kwa hivyo sasa nataka kumkaribisha commissioner aanze kuita majina, atueleze tutaendelea aje, halafu tuanze.

**Com.Kabira:** Muri ega? Ke njuge ni ngenete muno tondu wa guka Engineer na gukora inyothe mwikuo riu rucini. He commissioner ungi tugukaga nake no ndekuiguaga wega. **Com. Kabira:** Thank you very much Mr. Maina. Please come through here. Just go and register. Andrew Muiruri. Na thutha wa Andrew we shall have John Njenga Ngatia.

**Muiruri:** Mimi natarajia nitakua faster kwa sababu niko na points kadhaa wa kadhaa. Kwa majina ni Andrew Muiruri Mburu. Niko hapa kwa sababu ya chama cha Kinangop Youth Association ambayo mini ni patron wake. Na tuna points kadhaa hapa. Tunasema tungekuwa tunataka kiongozi ambaye sio wa chama chochote – a partyless President. Tungetaka pia Vice President awe anachaguliwa na kila mtu. Asiwe anakuwa appointed na President ndio sisi tumpe powers za kuwa anatutumikia kama vile tungetaka. Pia tungetaka election ya President isiwekwe pamoja na zile za councillors na MPs kwa sababu wao ni watu wa muhimu sana. Tungetaka President na Vice President wawe wanafanya campaign as a President and a running mate. So that yule anakuwa running mate automatically becomes the Vice President when the President wins. Tungetaka pia mambo muhimu yaondolewe kwa President. Kwa hivyo hata tunasema some powers be removed from the President.

Kama education sector, tungetaka kama chancellor asiwe President. Hii ni sector muhimu sana na tungetaka mtu ambaye mda wake wote unatumiwa kuangalia mambo ya masomo. Huyu chancellor awe ndiye atakuwa anaangalia mambo ya masomo kuanzia primary level to university level. Pia tungetaka the age bracket of the President to be between 35 years and 80 years. Pia tungetaka President azizindize two terms of 5 years each. Tungetaka pia sisi wananchi kuwa na nguvu ya kumuita our MP or to recall our MP. Kama tulimchagua na asifanye vile tulikubaliana afanye kazi, we call him back and we elet somebody else. Na wale MP tunachagua wasiwe kazi yao ni kwenda Bunge. Wangekuwa pia wanakuja kwa citizens wanatusomesha mambo muhimu kama ya Katiba ndio tunazidi kuyajua saa hii. Pia tungetaka viongozi wote kuanzia President mpaka councillor wawe watu wa good morals. Hatutaki watu ambao tabia zao sio nzuri. Kwanza ni lazima ahakikishie kuwa mtu tunachagua anakuwa example kwa sisi kwa tabia. Na pia tungetaka kila mtu awe tayari kusema huo utajiri wake ameupata namna gani. We don't want criminals, ama thieves. Kwanza tujue mtu ametoa hiyo mali yake wapi. Ndio tuhakikize tuna viongozi wamejitafutia mali na wakiingia pale hawatazidi kuimba mbali watatuongoza vizuri.

Pia tungetaka President awe ni mtu amesoma. Hatutaki President ambaye hajasoma. The least level of education iwe ni a degree level and above. Chiefs and sub-chiefs tuwe na nguvu ya kuwachagua. Tusiletewe chiefs na sub-chiefs. Sisi wananchi tujichagulie kwa sababu ni sisi tunajua ni nani anaweza kutuongoza vizuri kati yetu. Mtu asiletwe kutoka huku ama pale aanze kutuongoza. Constituency pia tunasema hatutaki constituency in area. Tunaita MP ako na area but there are no people in that area. Kuwe ni MP ambaye ni representative of a people lakini sio MP kwa sababu amewekwa kiasi fulani cha area kimetengwa awe MP ndio awe anatumikia yule ametenga hio area.

Employment na recruitment must be on merit only. Responsibilities lazima ziwe spread out. Nasikia kuna mtu mmoja hapa ana cheo kama kumi ndio kunakuwa na so much unemployment. Unasikia huyu ni director hapa, chairman pale vile vile and we

have so many other people who can take up such responsibilities. Our MP should be declared a winner only if he has garnered 25% in 75% in all wards in his constituency. Sio kama hapa kwetu wakipata taabu kabisa hajapata kura hapa kwetu tuseme he is a winner, he is not a winner. We want an MP who can represent South and North equally. There also should be seats for our ladies. We would want 10 seats in parliament for our ladies, 10 seats for our physically disabled people, so that mambo yao iwe inaangaliwa vizuri.

Tungetaka pia tuwe na nguvu ya kuchagua mayor. Na awe pia ni mtu amesoma. Pia kuwe na mambo ama project ya ku-tap youth talent. Talent ya vijana inapotelea kwa sababu there is no government funded youth project. Tungetaka hiyo sana iangaliwe ndio vijana wetu wawe na pahari ya kupeleka their talent.

Exportation of agricultural produce at the expense of our agricultural (tutafute sasa ile importation ya ile vitu tunakuza). Kama kitu tunakuza, kuziwe kuna mtu analeta hiyo vitu kutoka nje.

Communication system iimarishwe katika area ambayo is agriculturally productive. Pia tungetaka kila mtu awe na uwezo wa kukaa popote nchini bila mtu yeyote kumwambia this is not your area. You have a right to stay where you want.

Pia tungetaka our law to be applied to everyone of us with fairness. Siyo kuona ati matajiri hawaguzwi na law, wale wanyonge tu ndio laws ina-apply kwa wao. We want a law that is applied to all, whether he is learned or not, we want a law that is fair to all.

The Constitution should also see that we have a right to remove the President if he does not do the duties appointed to him. Kama ameshidwa na kazi yake tusiwe tunangojea all those terms to end while he is not doing a good job for us. To make a bill pass through in Parliament we suggest that we have 75% support not the current 65%. We want a higher percentage so that there is proper support to that. If one crosses the floor or defects, immediately the Electoral Commission should declare that area vacant and come back to us to allow us to appoint somebody else.

President should be made answerable for crimes he has committed against his people. Akitoka tu pale, tunaanzana na yeye, kwa sababu akijua hio, he will conduct himself in a good manner.

Citizenship - Kila mtu awe na uwezo wa kua citizen kama amezaliwa na mwananchi wa Kenya. Pia wawe watu kama Chief Justice, High Court Judges, Appeal Judges, judges wawe wanakua appointed by the Parliament. Sio President appointed. Kwa sababu hapa inaonekana they will be loyal to the one who has appointed that. We want parliament to do that job.

Pia tungetaka, kwa sababu wana youth ndio wengi, kuwe na Department of Youth. How do our government deal with us youth? Kuna mambo ya Maendeleo ya Wanawake. Kuna mambo ya watoto. We haven't had something to do with the

youth. We also want a Department of Youth, ndio government iwe ina liais na sisi youth, kujua matatizo yetu na vile tunashirikiana. Hayo maoni ni kutoka kwa wana-youth na imekusanywa na patron wa hiyo Kinangop Youth Association and it is in written form. It is going to be handed over. Kuna mambo mengi nimeacha kwa sababu sina muda but I am sure they are going to be taken care of. Thank you.

**Com. Kabira:** Thank you very much. Ukugite ati Bill cia Parliament no muhaka ihutukagio ni 75% of the vote. Icio ni Bill kana ni Constitution?

**Muiruri:** When they are passing a bill in Parliament. How much support is needed to make a bill pass or sail through?

**Com. Wanjiku:** Imwe ni hitukagio ni simple majority no angikorwo ni Bill ni racenja Katiba no muhaka makorwo na 55% to change the Constitution.

**Muiruri:** We want it to be 75% so that it has a proper support of the majority members who are seated.

**Com. Kabira:** Io ti bill ni gucenja Constitution.

**Muiruri:** Yes.

**Com. Kabira:** Kiuria kingi, nimurenda MP arega kuruta wira etwo, nimucirite egwikwo atia? How do you get the right of recall? In other words, ni vote-of-no-confidence kana ni concensus ya constituency kana egwitwo atia.

**Muiruri:** There will be a forum to make that follow up so that we go to the authority and say we have no confidence with our MP. We want to call him back so that the Electrol Commission provides for proper election for another MP.

**Com. Kabira:** Muri andu aigana? Ndui andu eri matingiuga tutirenda MP.

**Muiruri:** Yes, there will be collection of signatures. How many people support that revision. Should I add something else. Just a single thing I would want to say.

**Com. Kabira:** You have done a good thing kurikia utahuriirwo ngengere.

**Muiruri:** Ningetaka pia MPs wetu wasiwe wanaenda Parliament wakati wanajua they have an interest they want to pass in Parliament. Kungekuwa na watchdog committee ambayo inaona our MP goes to Parliament as a responsibility not only wakati wanajua kuna kitu muhimu hasa kinawahusu kutaka kupitisa. Kuwe na watu wanaona wanafanya kazi ya Bunge kulingana na

vile wanatakiwa. That is a watchdog committee to keep them on their toes. Thank you very much.

**Com. Kabira:** Thank you. Turie John Njenga.

**Njenga:** Thank you very much. My name is John Njenga Gatiri and I speak English language. I know most of you will understand. I'll mainly dwell on the so called elections. In the first instance I would like this problem of bribes when the voting is being conducted to be treated very seriously. I would also like to say that instead of counting the votes at night, let them be counted during the day. Something else there. Instead of bringing Kenya Army, the police and army in the counting hall, let that not be done even if it means the security will be bad. That is what they say. So please I would urge this section to be looked into very seriously.

The other case is about political meetings. Let them not be licensed and let them not cancel the licenses at the eleventh hour. The other area that I would like to talk about is the area of development. The main thing in this country that would bring good development is communication network. Let them consider the areas that are very productive and then they improve communication network, especially the roads.

The other thing I would like you to bring into account is accountability. I would like you to tell them that in case things get into problems, let them not blame everybody. Let the person concerned get himself or herself blamed. That is on the side of accountability.

The freedom of worship - This one is becoming almost a nuisance in the country. Supposing a group of a church split. Then the group, if possible, let it retain the same heading that it had formally and where possible. We are getting a lot of problems with these things they are calling the kesha. At times we are not able to sleep because of the machines they are using at night and they are within our vicinities.

There is a problem that comes up with harambee. I would like to say or you to tell them that let them not take the harambee to the President. All harambees are controlled towards the President. The money that goes there is not known where it goes. So please do that.

The other thing is that these delegations that go to the President consumes a lot of money. Let them be reduced or done away with because some of them are not very important. The other thing I would like you to tell them or to note is that we have the KBC. This one is in the communication network in the air. In fact it is very sad that all we hear is about one end, that is KBC. Yes, it is true we have the others but the freedom is very controlled. Let them not control the freedom of air. This one is very serious. There is something else I would like to say. Let them not have the so called monopoly. They have the monopoly of controlling almost everything that goes in the air. So most of the public are not informed of what is going on. Something is

happening at Naivasha, somebody in Kinangop does not know that thing is happening at Naivasha. This one is very serious.

I would like to say that let the administrators stick to their jobs. If it is the PC, let the PC remain a PC and let him do his job. Do not allow the DO or the chief to interrupt the DC. Let the President take his part so the job should not be interrupted. Thank you very much although I had not finished but I'm happy I have aired my points.

**Com. Kabira:** Thank you. Can we hear Isaac Githua.

**Isaac Githua:** Thank you very much. My name is Isaac Githua from Kangunyo, Githima area. I have got a lot of points but I'll be very brief.

1. Appointment of people – I'll start with Attorney General, Auditor General and so forth. This should be left to certain people to do that and not the President who normally chooses the people he want. They should also have security of tenure, that is, they should stay there whoever comes in the power. We have Amos Wako or whoever you might be changed any time because there is no security of tenure. And therefore he is afraid to do the work he is supposed to be doing.

Presidential election –Io ndiroiga ikagwo ii iki, ndigekagwo hamwe na ici ingi. Ota uria muthuri ucio ungi ekugite. Ikorwo ii separate hamwe na Vice President magathii hamwe. Magathuragwo hindi imwe na nigwo mageka campaign thiini wa country yothe magacagurwo ni andu othe ti gucagurwo ni mundu. Na gutigakorwo ati akorwo ni wa Nyandarua, eguikara ee wa Nyandarua. Aca. Kuu oima niatigana nakuo. Kuu gukorwo kwina mumbunge wa kuu. Ngwiciria point ino muthuri ucio niekugite na noyo na nii ndirenda ku-empasize ati acagurwo ewa Kenya hamwe na Vice President. Kwoguo Vice President macaguragwo ni muingi. In case hindi iria kungikorwo President matinagia na vote iria igwitikirwo na ndanagia na 25% na nii ndiroiga 25% guthii guothe 8 provinces akorwo ena at least 25% . No total votes ikorwo cii 50%. Akorwo ni ekugia na 80 kuria kungi agie na minimum ya 25 no ciothe ciatarwo – not less than 50. If they are less than 50 makorwo na run-up na mundu uria ungi uma hakuhi nake. Mangiaga gukorwo matiragia na proper majority, then we come here tuthondeke thirikari itagwo ya coalition. Na coalition nayo ithondekwo uria ukorirwo na vote nyingi muno akorwo niwe President na uyu ungi atuike niwe vice. Ministers nao-ri ni atia uhoro wao.

Ministers marathondekwo every time kuringana na mundu uria arenda uguo ti wega. Niithondekwo ciirwo ni 10 tukwenda kana ni 30 tukwenda na iture hau uguo kinya riria bunge ikoiga nikwenda kuongerera niundu wa undu muna. Kwoguori akorwo ni ministry iikare uguo na iikare na minister wake na aheo wira ucio. Today tutiri na minister. We have the President as the minister of all the ministries. Kwoguo ni tukwenda minister we mwene akorwo ni wa ngirigacha, arute wira wa ngirigacha na munyinyi wake. Otherwise ministers aria mekuo, they are what we call toothless dogs. Ekuga uu na kwagia undu ungi ni undu ungi. Kwoguo lets have a country where we have a minister who is responsible for what he is supposed to be doing.

Qualifications ngugite at least gukorwo kwina qualification ya form 4. Gitumi ni kii? History yakwa inyonagia mundu ta Churchill could not pass even form 4 but he was one of the best Prime Minister thiini wa Britain. Tondue he knew his work. Kuoguo-ri ti qualification important no ningi niguo aigie uria kurerwo no muhaka agie na githomo kiu.

**Finances** – Mundu wothu ukwenda gutuika President akorwo e mutongu. Welfare nayo ithondekwo na njira njega. Trips cia President ituike reduced. Arathii every time na mbeba turoiga tutiri. Thank you.

**Com. Kabira:** Thank you. Now we have Lawrence Ruiga.

**Lawrence:** Wazalendo wenzangu, hamjambo? Kwa jina mimi ni Pastor Lawrence Gitonga Ruiga wa kanisa ya adventista eneo hili la Kinangop. Nimekuja hapa kwa ajili ya kuakilisha memorandum ya makanisa yetu katika eneo hili na namkalibisheni mueze kuyazikiza hio memorandum.

Ningetaka kuanzia kusema ya kwanza kanisa la adventista ilianza mwaka wa 1863 kule upande wa marekani na headquarter yake ulimwenguni mzima iko sehemu inaitwa Michigan na kwa sasa walipata kufanya transfer mpaka Takome Park Washington DC, mwaka wa 1903. Na hio ni machache. Tunaona ya kwamba linaoperate zaidi ya mataifa 209 ulimwenguni mzima. Na liko na zaidi ya washiriki 50 million. Na kwa hayo ni introduction tu.

Ningetaka tuelewe hapa kwetu Kenya missionary alikanyanga mara ya kwanza mwaka 1906 pande ya Ngendia Karachuonyo. Hiyo ni introduction kidogo. Sasa hebu niweze kuingia katika recommendation zetu kwa ajili ya kuokoa mda.

Uhuru wa kuabudu – Wa adventist wa sabatu wana-recommend ya kwamba Commission hii iweze ku-ensure ya kwamba Wakenya wote uhuru wao wa kuabudu umelindwa na kuheshimiwa. Tunapoangalia tunaona ya kwamba tuko na makundi mengi ya kidini hapa katika taifa letu la Kenya. Na wakubaliwe uhuru upate kulidwa na wakubaliwe kuwa wanaabudu bila kusubuliwa, kila mtu kulingana na dhamili yake mwenyewe. Matendo 17:26-27. Na uhuru uendelee kulindwa kiasi ya kwamba watu watakuwa kufundisha wakisuhudia imani yao bila kuingiliwa au kusubuliwa na kiube chochote.

Siku za ibada - Kila Mkenya na akubaliwe kuwa anaabudu kulingana na uchaguzi wake mwenyewe wa ile siku ataka kuabudu. Na tunapoendelea kidogo pale tunaona ya kwamba kama ni mambo yanahusu kupiga kula, isiwe inawekwa siku ya kuabudu maanake wengi wananyimwa haki ya kupiga kula. Kama vile ilipata kutokea upande wa Taveta. Iliwekwa siku ya Jumamosi na ilipata kufanya kama tuseme kwa mfano wadventist wasiwe na haki ya kupiga kula katika jina la democracy.

Recommendation number 3: Nataka kupitia hivyo kwa sababu hii karatasi nitaipeana. Tukiangalia recommendation no. 3 ni juu ya sababu ya sabato. Siku ya Jumamosi iweze kutangazwa lazmi hapa katika taifa letu la Kenya kama siku ya kupumzika na kuabudu. Waadventista wa sabatu wanapendekeza kwa nguvu kabisa kikatiba iweze tutabulikane hapa kwetu Kenya iwe ni

siku ya kuabudu na kupumzika. (interjection) Ndio nimesema imeudwa na wa-adventist wa sabatu. (interjection). Hebu tuendelee tu wapenzi kutoa maoni. Hebu niharakishe. Na zangu dakika mbili zimeenda. Basi asante. Tumeshukuru.

Recommendation no. 4 ni juu ya hii kitu tunaita equal opportunity employers. Hapa tunapendekeza ya kwamba institution zote za serikari ziweze ziwaajiri Wakenya bila kujali mambo ya ukoo, ndini, nepotism, disabilities and political affiliation.

Recommendation no. 5. National resources protection. The adventist recommend that in our new Constitution, the environmental and natural resources should be properly utilized and preserved at all cost for the future prosperity of our nation and people in accordance to Gods gift on earth. Gen. 1:26-28.

Recommendation no. 6. District quota system of education. Wanafunzi wetu waweze kukubaliwa kuingia shule yeyote ya serikari bila kujali mipaka ya wiraya, yaani district. Kwa hivyo tunaomba ya kwamba kikatiba hilo jambo liangaliwe maanake ni kunyima watoto wetu haki kama ametoka district hii at least akawa wa kuingia district ingine. Shule zote za kitaifa ni zetu. Kengere inaendelea kulia nami naendelea kuharakisha.

Recommendation hio ingine ni juu ya God serving, moral and head clothe recognition. Tulitabua ya kwamba serikari zote ulimwenguni utawala wake umewekwa katika zile amri za Mungu ziweze kutabulikana kama sheria ambazo zinalinda haki zote za mwanadamu.

Recommendation ya mwisho – ndio hii. Structure and management of the next government. Tuna-recommend ya kwamba Rais ambaye atakuwa amechaguliwa katika serikari yetu ijayo aweze kuwa Rais ambaye ni mcha Mungu sio mtu mlevi wa dawa za kulevia. Na awe mtu ambaye ako tayari kutumikia wakenya wote bila kujali rangi, kabila ama ukoo. Tunapojua ya kwamba hivi karibuni Yesu yuaja kusimamisha ufalme wake.

**Com. Kabira:** Asante sana Pastor Lawrence lakini nikuulize swali moja tu.

**Pastor Lawrence:** Karibu dada yangu.

**Com. Kabira:** Ulizungumzia juu ya equal opportunity for every community, sindiyo? I wanted to know whether men and women are to be treated as equals.

**Pastor Lawrence:** Equal opportunity employers. The adventist recommend that the government and all state institutions to be equal opportunity employers as none shall be denied or favoured employment in such institutions on grounds of ethnicity, clan relation, nepotism or political affiliation.

**Com. Kabira:** Thank you. Peter Mwangi, are you there? Ok.

**Peter Mwangi:** Thank you very much commissioners na wananchi kwa jumla. Maoni yangu ni kama haya. Kwa upande wa jera the abolition of death penalty to a life sentence. So kwa majera kuna watu wanahukumiwa kufa lakini badala ya hivyo Katiba amboyo tunatengeneza sasa hivi tunataka hio offence iwe imembadilizwa iwe ya mtu kufungwa maisha depending on the offence committed. Regular medical check up, wale wafungwa wakiangaliwa kiafya mara kwa mara wote. Especially after every 2 weeks. Tena wale wafungwa wawe wakipatiwa mawaidha at least everyday. Halafu katika upande huo wa jera serikali ifanye wale wafungwa ambao wanaweza fanya kazi nje ama nje ya nchi wanaweza pelekwa huko na wawe wakiletea serikali mapato. Pia wale wafungwa ambao wamekaa tu kwa jera, wanatakiwa wawe wakifanya kazi ya serikali kama upandaji wa miti, kutengeneza barabara ama wawe wakifanya kazi kwa mashamba ya serikali kama upandaji wa miti etc. Na serikali ikifanya hivyo, nchi itapata mapato. Wengine wamekuwa hard cores wakati wako huko jera. Kwa vile hawana kazi wanafanya wanakaa tu. Badala ya wao kuwa rehabilitated wanakuwa hard cores. Wakitoka huko wanakuwa very hard.

Upande wa demonstration ama maandamano – serikali inatakiwa iwe ikitumia vyombo vya kisasa. Si zile rungu mtu anapigwa halafu unaachwa with physical disability. So wanatakiwa ama Katiba ile iko ama ile tutatengeneza kuwe na sheria ambayo pahali serikali inaenda kununua hizo siraha wawe wakinunua siraha ambazo ni recommended world wide.

Upande wa pesa – tunataka ile Katiba tunatengeneza ile pesa ambayo itatoka isiwe na picha ya Rais ambayo atakuwako wakati huo. Kuwe na kitu kingine ama something unique si ati niya yule Rais atakuwako. Hapo tutakuwa tunaokoa ama serikari itakuwa inaokoa fedha ambazo zinaenda wakati wa kutengeneza hizi pesa kumbadiliza mara kwa mara.

Creation of jury – tunataka ile Katiba ambayo tutatengeneza kuwe na jury kama zile za America. Na hio it will be debated in parliament and passed by simple majority. Not two-thirds at this juncture but simple majority. Tunataka the supremacy ya Bunge iwe ndio inachagua hawa jury wakati wa macase.

Twende upande wa environment – tunaona misitu mingi kama imekatwa sana. So the gazettment ya hizi misitu inafanywa na mtu binafsi ama ministry ndio inafanya hii gazettment. So gazettment ya misitu yetu inatakiwa iwe passed by two-thirds or simple majority depending na umuhimu ambao uko wakati huu kama settling of squatters. The chief conservator ama mtu ambaye anachunga misitu hatakiwi kukaa mahali moja kwa mda wa miezi 6. Anatakiwa awe akibadilizwa mara kwa mara anapelekwa katika msitu mwingine. I had another point about criminority – a suspect should not shot – he should not shot to kill or summary justice. Na kwa hayo machache.

Another point, ama point ya mwisho ilikuwa hii. Nguvu za umeme. Our tarrifs ama zile tarrifs zimewekwa kwa nguvu za umeme ndiposa unaona hizi vitu zinatoka nje, zimekuja mingi sana kwa sababu tariff yetu, it does not allow our home industry to grow because of the taxes. Ukitaxiwa na Kenya power, halafu na serikali tunaona hio ghalama ya kuproduce what you want is too high so our tarrifs should be minimized.

**Com. Kabira:** Ngwiciria ugwika uguoi, utuhe recommendation clearly tondu twina andu aingi muno. So that we shorten utuhe recommendation.

**Rev. Wanjau:** That is what I am arriving. So, reluctance iria ngugaga ya ruling party kwaga ku-accept multiparty democracy in view ya maundu maria ngwendaga kugweta ni provincial administration igakorwo ikihuthirwo ni thirikari na machinery ya kumapopularize na he maundu maigana una.

1. Recommendation iria ndiri nayo wa mbere ni ati gutigakoragwo kwina zone ya kiama fulani na kiama kiria kingi gigatwika outlawed kuo na ti undu wa Katiba ni undu wa mundu. 2. Kindu gigwitwo Constitution iria tukwandika iria igukorwo i kuo I-admonish provincial administrators ma-exercise equality thiini wa service yao na matige kuharass andu na andu may be ni kindu gigwitwo party affiliation.

Undu uria ungi ni kindu gigwitwo coverage. Kugie na coverage njiganu ya broadcasting cooperation iria ingikorwo irugamiriirwo ni tax payers money. Uhoro uria ungi ni gukorwo gugiparticipatwo kwa provincial administration during the grassroot makorwo mena kindu gigwitwo guthomithia muingi, andu aria matoi uhoro wa democracy na maundu macio mangi. Io yuma point ya mbere.

2. Undu uria ungi, President niagaga kuheo gitio ni undu wa gutuika ni leader wa party fulani. Ingirecommend kugie na Prime Minister. Prime Minister akorwo athuritwo ari mutongoria wa kياما kiria kina andu aingi parliament no President akorwo e ceremonial na a-act ta unifying factor thiini wa bururi wothe. Kuoguo aheo gitio na aheo gitio ndagatongorie kياما uguo uhoro wa partisan ukorwo utari ho. Na thiini wa Katiba iria tugukorwo turi nayo tugie na clause yugite the President is not above the law.

3. Referendum – Thiini wa 1970 October nituthomaga tukaigua ati ni kwari na kindu gigwitwo uhoro wa kugarura Katiba na 1982 gukigia na uhoro wa ugaruruku wa Katiba, in 45 minutes gukigarurwo Katiba iki-review na gukoongererwo uhoro wa kugia na one party. Sure enough history niratuonia ati 1982 constitution ammendment ndiari njega na ndiagiriire. Nikwagiriirwo na gukorwo na kindu gigwitwo referendum. Kenya ni democratic state iria tugaga ati democracy ikirwo ati ni the rule of the people by the people for the people. Owing to the fact that andu othe matingihota guthii mbunge nitukwenda kugie na kindu gigwituo referendum hindi iria turagia na major change thiini wa Constitution kana hindi iria kwina decision major irenda ku-makwo thiini wa bururi kana thiini wa uturo kana Katiba ikigarurwo.

4. Santify of human life – Niturathoma magathiti-ini tukaigua tukagia na great concern ya andu makiuragwo, niturathoma uhoro wa robbery with violence, killing of innocent people, car jacking, rape na nitungienda Katiba iria iguthondekwo gugie na kindu gigwitwo kuhe gitio uturo wa mundu. Kana ni criminal niatwarwo aheo trial iria imwagiriire. Undu uria ungi ni violation of human rights ati tutiri thiini wa emergency ati muthigari niekuraga mundu ati tondu niamukora ati tondu niehitie. No muhaka a trial.

5. Final point, ni kindu gigwitwo rights cia arimi ndiagiriirwo ni kuninwo. Tondu turi na na arimi nio aingi thiini wa Kenya na nimaracoontribute to the economy ya bururi kuoguo-ri, nimagiriirwo ni ku-guadwo ni constitution. Ni uhoro wa cheap importation na hindi iria irio cikuihura guku murimi niegutuika frustrated ni tondu ageria kwendia indo ciake iria ciumite nanja igoti riacio ti inene cigakorwo ciina raithi. Na Constitution niyagiriirwo ni ku-out law importation ya such commodities nigetha murimi atuike murimi wina wiyathi wa kwendia indo ciake kuria ekwenda. Ti eragwo uria ekugurirwo to uria twiragwo uria ukugurirwo. Na uhoro ucio ugukorwo wiwa betterment ya economy itu ta uhoro ucio wa murimi. Na nitui uhoro wa kindu gigwitwo ati kwina thina wa global economy no ona ithui turi na kuria turi na thina wakuo. Hena mundu witiirwo haha etwo middle man. Middle man niwe urehete thina muno makiria. Na nikipio turerwo murimi akuria kindu ndareka kumuria uria arendia aroka kuria muragura atia? Thank you very much.

**David:** Njitagwo David Wambugu na nguthii na ihenya tondu indo nyingi iria ngwandikite haha niingwetetwo. Wa mbere ngwambiriiria chapter one ya Constitution iria twinayo. Chapter 1 – Republic of Kenya is run by Constitution. This is a very important document iria ikwenda gucenjio handu ha Katiba ika-amendwo na 25% of the members in the house. Na before

ituike amended kugie na referendum andu makaheana views igacoka yathii in the house igacenjio. Katiba ta ringi thiini wa schools ithomithagio. Ingienda Katiba ithomithio all classes yambiririe form 1 ithii igithomithagio chapter 1, chapter 2 uguo nigetha tukamenya uhoro wa Katiba tondu andu aingi matiui uhoro wa Katiba.

Then chapter 3 ya Constitution yagiriirwo ni gukorwo na Upper House na Lower House na andu aria meguthii kuo those houses makorwo mena a record of responsibilities. Nigetha makorwo makiunderstand maundu maria marathii kuu thiini wa Parliament. Na ningugite in the Parliament gukorwo na 2 houses Upeer House na Lower House. Na Parliament ikorwo I independent body tondu matihotaga gwika maundu ni gwigira Executive.

In case of citizenship, ingiuria gutuika atiriri, mundu agituika citizen wa Kenya tondu ni by birth, no hari andu mahinyiriirio ta atumia. Mutumia angigurwo ni muthuri wa kuma America muthuri ucio ndangituika citizen wa Kenya. Mutumia angigurwo ni muthuri wa America, muthuri ucio ndagiriirwo gutuika citizen wa Kenya. Tukwenda watho uthondekwo nigetha mutumia agurwo ni muaustraria kana muchinese kana nuu, acio eri magatuika automatic citizens.

Then Public Service niyo ikuite police, armed forces, prison whatever. Kundu guku andu makandikagwo na merit, no ti because of who knows who but the person who has education. Ni getha akorwo ni minister wa health agathuragwo mundu uria uthomete that field, no ti kwandikwo anybody. Gwathuranwo President agakorwo na 51% na ti 25% in the constituency na Electoral Commission ikorwo ii independent andu magacaguragwo ni ciama kana andu nigetha magakorwo mategwitigira kundu kungi. Registration of voters ikorwo i continuous na akorwo nita Vice President agacagurwo ni andu na voting ituike computerised ni undu wa kuavoid rigging. Lastly let the country honour its heroes. Thank you.

**Com. Kabira:** Ni thengiu muno Mr. Kamau. Zacharia.

**Zacharia:** Mbere andu ni kwamba kumenyana. Ninjiguire witagwo Prof. Kabira na nii nindakigweta ndita Zacharia Kiratu na in the first place I take this opportunity to extend my admiration to you as an individual and a few other commissioners. And I would take this opportunity again to send a message to the commissioners to all commissioners through you because there is infighting which is making us lose some confidence with the commissioners. In the first place, all Kenyans had a lot of confidence with the Constitution Review Committee and seeing that now you people have internal fighting is putting us years back before the commissioners. Therefore this is a message I would like you to take to the commissioners and let them know how to handle these affairs without we people knowing what is happening there because every Kenyan has total confidence and this is what is very important.

Secondly, I would like to take this opportunity again to say that this Constitution is a very vital document which should not be considered for coming general elections. It should be taken seriously that is a document that is going to affect offsprings that will come 20 years to come and therefore I personally do not see the reason why we should take this document because the elections are just near the door. It is a document and therefore for this reason I would personally take this time to ask that this should be delinked. Elections and Constitution should be totally separated because it is a very vital document and that is what I

find very important. Let me now come to the points that I have and present them. The present Constitution

Mambiriirie na Tume ya uchaguzi. Makoiga Tume ya uchaguzi inafaa kuwa huru na haki bila kuingiliwa na mtu yeyote hata Rais wakati inatimiza wajibu wake. Iwe ikimaliza kazi yake baada ya miaka 5 halafu ichaguliwe Tume ingine miaka mingine. Wanakamati wa Tume ya uchaguzi wawe wakichaguliwa kulingana na makubaliano ya vyama vyote vya siasa.

2. Uchaguzi wa Bunge – Bunge inafaa kuchaguliwa kuakilisha wananchi wasio pungua

10,000 maana tunachagua wabunge kuakilisha watu wala sio wanyama au miti. Hivi sikusema sehemu dogo ilio na watu wengi iwe na wajumbe wengi kulingana na wingi wa watu. Na sehemu kubwa isio na watu wengi ipewe wajumbe wachache hivi ni kusema mjumbe anapelekwa bunge na kula ya watu sio kula za wanyama au miti. (b) Mtu akiwa anataka kuchaguliwa bunge lazima awe anajua kusoma na kuandika na ajue kuzungumza lugha ya Kingereza na Kiswahili na sio shahada za degree. Hata councillor wawe wanachaguliwa wametimiza mambo hayo, hayo wakitaka kuchaguliwa.

3. Uchaguzi wa Rais. Rais awe akichaguliwa na wingi wa kula wala si mikoa (b) Rais

Asiwe juu ya sheria kama ilivyo Katiba ya sasa. c) Rais awe chairman wa board ya ulinzi wa nchi badala ya kuwa kamanda mkuu wa majeshi yote. Board hio iwe na wanakamati hawa – Rais awe chairman, chairman wa chama cha upinzani awe vice wake, chairmen wengine wawili wa chama cha upinzani wawe member wa board hio. Majemadari wote wa nchi kavu, maji na wa hewa na commissioner wa police na PC wote wakitawala hio board ya ulinzi.

Rais awe akihudumu vipindi viwili, vya miaka 5 kila kipindi na si zaidi ya hio. Akiwa na kashfa yeyote na iwe wazi anafaa kujiuzuru mwenyewe kwa hiari yake. Rais akivunja bunge kwa uchaguzi ama awe amechaguliwa amewacha wadhifa wake wote na akatazwe kwa 240 apizwe. Vyama vya kisiasa ili visiwe vya isiwe kikabila viwe vyama vitatu tu katika nchi.

Wanawake wawe wakichaguliwa kama wanaume wasimame kwa wingi ili waombe kula. Chama kile kitashinda wakati wa uchaguzi iunde serikari ikiwa kina wajumbe wa kutosha na ikiwa hakina wajumbe wa kutosha kitavuja viama vingine waunde sherikari ya msheto (coalition government). Ngoja niende ingine ile nilitumwa nayo ya Jua Kali.

Ufundi – nchi hii iko nyuma sana kwa ufundi. Elimu ya ufundi iwe ya lazima kutoka primary hadi secondary ili watoto wakimaliza shule wapate kazi. Mafundi wa Jua Kali wawe wakitengewa uwaja kwa miji mikubwa na miji midogo ili waweze kufanyia kazi huko na wategewe peza za kukopeza kama 5,000,000. Lakini sikumaliza. Asante sana.

Thina uria wikuo munene muno nitukwenda uguo niguo ndaigua hathomwo memorandum ya miceni ya kuria gugwitwo Magumu. We want a sovereign nation, ti bururi uri cukumagwo uguo ni the international organization ati you, we want you to liberalise this today, mukaliberalise. We want you to go global, mugeka. We want you to do this, as if we are not sovereign on our own. Tukwenda bururi wina sovereign ta bururi wa Ghana. Bururi wa Ghana marerirwo maliberalise cocoa industry, mararega, maroiga we cannot libralise our cocoa industry because its our life line. Riu umuthi uyu bururi wa Ghana ni mwega muno tondu cocoa ni maregire kumineana kuri mang' auro maya ma international community – gutiri mundu ungiama New York oke eciria uhoro wa mundu wi Kinangop no ecirie.

Andu aya mokire riu tugitikira tondu tutiri sovereign turetikira turahenio turaliberalise industry itu ya iria, riu iria ni guitwo riraitwo. Tondu ni twa liberalisire industry. Riu-ri idea ya andu aya yari twaliberalise hindi iria turigia iria ritu riingi handu ha guthia ritu na kiganda gitu gi kundu gwitagwo Nanyuki tukariita kuara magaturehera mutu wao ni getha mone mbiacara kundu guku. What are we doing to our country? Point iria yaririo ni andu a mission iria ya Magumu ya sovereignty no kinya ikorwo ii very much entrenched in our Constitution that we should not be dictated by the international monetary fund. Njiguaga magiitwo international mother and father – i for international, m for mother and f for father but I don't think they are international mother and father, tondu ni matuhinyiriire muno. Ni undu these globalization na liberalisation ya economy ati nigetha andu maheo tubeca twa musaanda, ni mahinyiriire andu aya muno tondu riu guku bururi uyu ti andu aingi marathomithia ciana. Because of that element of lack of sovereignty, that we can tell them 'no' riu ni iria turaita. Uhoro ucio ni turaigua ukiario ni andu acio muno, tondu tariu ungiigua makiaria muno umuthi no gukorwo ritinagurwo. Dairy industries iria iragura iria guku, maroka rucini rumwe makouga tutikugura iria, cokai nario. Makera andu thiini mwanirire makanitha, kiumia giki tukugura iria thiku ithatu, na inya multe gutiri undu mareka na iria riri. Niundu wa that issue. The government must be governed by its own rules and regulations but not actually allowing its economy to be controlled by the vagaries of nature. Ati gutigira economy yanyu weather. Ona weather ndikipredictikaga ukaigua ati ruciu ni gukoira. No riu twina thirikari ona utangimipredict. A good manager in management, is a manager you can predict – we cannot predict this government because it doesn't have any control.

**Com. Kabira:** No ona andu a weather nimatwirage nigukura na gukaaga kuura.

**Mwangi:** Anyway ndikwendaga gukiria hau tondu onanii ni ngwenda thikiririe ni getha ona nii njuhohige na uria mukiugaga tondu turathii kumurepresent uria mukwenda no ni ngwendaga gukimwira uguo. Ucio niwira munene wa kwirutira tondu andu angi ni mangiugire thaa ni ciathira, thaa ikumi na imwe ni meguthii, muhuriire karuhi. Ona ira tondu niturari na commissioner ungi witagwo Wambua, ithui turathire lunch na Wambua turamutiga aikariire giti o giki, na ndiracoka ndirouma ngithii Nairobi ndiramugiga aikariire giti o giki – riu ni mundu uraruta wira wega na Katiba angikorwo ikwandikwo ni andu dedicated ta aya, we expect a good document.

Hindi iria Katiba ino ikwandikwo, ninjui kwina maundu maingi andu mararia – Katiba ino anga ndikurika, aya marauga uu, aya maoiga uu – reke nyamu ino yambe yandikwo tondu yandikwo ni mugucokerio. Nana tiguu amwirire? Muthomerwo muone uguo niguo mwoigira kana ti guo – mungikora tiguu mwoigire-ri, ni mukamiregera handu hau. Ni igathii kinya national constitutional conference, igigacoka kurehwo mbunge na mutikamakio ni iyo bunge icidentally hau hibi niho mutekweiritwo.
