Com. Issac Lenaola: Uko na dakika zako kumi tafadhali tuhesimu saa.

Michael Suntai: Kwa jina naitwa Michael Suntai, kutoka area Kojong'a. mimi nimekuja kwa niamba ya Kanisa Katoliki kutoka sehemu ya Kojong'a. Yaani kwa niamba ya wa-Kristo wezangu. Maoni ya kwanza ni kama ifuatayo. Sisi tungetaka Raisi wa Jamhuri ya Kenya asiwe tena mwenyekiti wa chama chochote cha kisasa. Awe wa kila Mkenya.

Jambo la pili tungetaka Makamu wa Raisi awe akichaguliwa na raia lakini sio Raisi.

Jambo la tatu, mwenyekiti au Meya yejote wa udiwani ama County Council tungetaka awe akichaguliwa na wananchi.

Kuhusu usalama wa nchi, ama wa sehemu tulioko kwa wakati huu, hatuna usalama wa kutosa ambapo tumeishi bila usalama na tungetaka usalama kamili.

Kususu ardhi, tungetaka kila Mkenya awe na shamba kwa sababu zaidi ya nusu wa-Kenya hawana hata kaburi.

Tungeomba pia Raisi wa Jamhuri awe Raisi wa nchi peke yake. Asiwe na mamlaka zaidi ya mawili.

Tungetaka vile vile makao yetu ya mashamba yawe ikihusishwa katika bei inayofaa kusiwe na watu wengine wanaoagisha vyakula ama mazao katika nchi ya ngambo.

Kuhusu mahakama, ningeomba ya wana Commissioners wetu ama Mhesimiwa ma-Commissioners wetu, mahakama ifuatiwe uhuru kamili wa kujiamulia mambo yao wenyewe. Ikiwa ni kuajiri, ma-Judge, na wawe wakijiriwa na Mkuu Wa Sheria.

Ikiwa ni Bunge ningeomba ikiwa ni ma-Waziri wetu, wawe wakiteuliwa na Bunge. Kwa hayo mimi sina mengine ni hayo tu, ningeomba tu kuwashilisa barua ambayo nipewa na wezangu kutoka wameenda mazizi huko Nakuru.

Com. Issac Lenaola: Nilisahau kusema kwamba baada ya kutoa maoni yako, nenda pale jiandikishe uwe na memorandum, uwe na maneno, jiadikishe pale tu. Asante. Jiadikishe kule kwa Pauline. Asante sana.

Translator: Ore ta peaku endipa aitayu duat inono nilo eneti enda kerai ainger nena duat inono teine niregister teine wueji..

Com. Issac Lenaola: Dr. Punyua.

Dr. Daniel Punyua: Thank you very much, Commissioners, my names are Dr. Daniel ole Punyua. I come from Buseria. And I am going to make a presentation on behalf of a book called (inaudible).

Certificate of Registration is available. It is a registered organization. And it was incorporated and has a restricted membership to the Keekonyokie Maasai of Narok District. Basically the objectives will be social, cultural and economic activities.

The members of the class have discussed the issues raised by the Review Commission. They agreed on most conservation and presented in a memorandum that I present here.

However, I wish to account some specifications which obviously are happier able briefly but in various specifications. The first one as I said, every issue we have included our (inaudible) in the memorandum but the specifications I am talking about includes the sketchers and systems of Governments. We are of the opinions we should resign the present system of Government. We however strongly feel that powers should be devolved to the lower level of Government especially Local Government Authorities.

We wish to propose the creation of what we call Local Authorities Service Commission. This is similar to the reason being created to the Parliamentary Service Commission or the old Public Service Commission which has been relinquished. .

Functions of these Commissions shall includes things like to determine the terms and conditions of Service for Local Authorities Employees which includes Chief Officers, Councillors and other Employees. Depending on which authorities liabilities to pay. The Local Authorities Service Commission will advise the Ministry of Local Governments on the performance of each and every individual in Local Authorities specifically through maintenance of operations records like monthly reports and other special reports.

Local Authorities Service Commission will be in-charge of discipline of the Chief Officers and Councillors. For example there is aspect where we are being asked whether to community may wish to recall a councillors and even a member of Parliament. This Service Commission will have that responsibilities of advising the electorate on the report of the performance of this councillor. It will also maintain regular conduct to the individual Local Authorities and they may be called upon to run and dissolve the Local Authorities until another one is reconstituted. There are several other functions that this Service Commission

may be called upon.

The other one is the Legislature: Parliament should get all appointments to all Constitution positions. All Chief Executives of Parastatals, all chairman of the same, being a member of Parliament should be a full time job, this will increase the accountability and performance. The Parliamentary Service Commission should be include non members of Parliament in its membership in order to have public representation who can monitor the performance of individual membership in Parliament. This may assist them when need arises to recall an MP.

MPs will be required to read the monthly reports and programmes for PSC to access their performance. The PSC should be empowered to regular and discipline members of Parliament outside Parliament because we are aware the Speaker does this when inside Parliament.

The third one is Electoral Systems and Process: We propose that we should retain the present representative in Electoral System. A 2/3 or a 65% majority rule should be adopted as the basis of winning an Election, failure to which there should be a reason. Although we wish to retain the present graphical constituency system we propose that we be allowed more constituencies. We want to give Narok District as an example whereby we say 65,000 votes scattered over a large area which is absolutely necessary that we have a chance to have another constituency.

On basic rights the Constitution should provide for compulsory and free **Basic Primary Education**.

Land and Property Rights: The Constitution should advocate for clear land policy. This should address some of the following:-

The smallest allowable for economic unit of agriculture lands according to Psychological results.

The lowest permitted grazing land stock units: Range lands should be allowed for crop farming only under specific conditions.

We should prohibit cultivation along river banks and slopes.

Specific crops should be cultivated only suitable zones.

The land use policy should address many other issues which obviously we have, going into details in our memorandum.

The Constitution should not simplify the lands sale system. In this regard we are proposing that the Land Control Board should start at locational level advancing to divisional and district level.

The Independent Land Treaties Agreement involving the Maasai should remain in the Constitution until such a time that a legal decision is given through a court basis. We have equally addressed these matters in details in our memorandum.

The Maasai, like any other Kenyan communities greatly values their culture. The Constitution should allow the communities to preserve, protect, and even promote the preceding valubles as their own cultures. And indeed if they do, they should be allowed to get rid of it at their own phase.

We are aware that these Constitution should be able to delay in force and should be able to protect and service the Kenyan Community for the next if possible 500 years. And during this period the Maasai will most probably have reached certain level of development in education like most of other communities in the World. And it is then that they will be able to determine what may right and what may not be right and how to get rid of it, or how to promote it. It is therefore steamily important that the Maasai should be allowed to retain their culture, most fiercely until they themselves agree that they don't need one culture and dispose it. With that thank you very much.

Com. Issac Lenaola: Thank you Daktari. There is a question for you.

Com. Okoth-Ogendo: Dr. Punyua, the Parliamentary Service Commission is not an employeer of MPs . Is it.

Dr. Daniel Punyua: It is not.

Com. Okoth-Ogendo: The people employ them, why should the Parliamentary Service Commission determine their salary?

Dr. Daniel Punyua: We are proposing indeed that they should be a watchdog on behalf of the communities or on behalf of wananchi. Wananchi have no mechanism to determine or to decide on behalf of the MPs. So the Parliamentary Service Commission is and that is why I am proposing that the Parliamentary Service Commission should have a representation from outside Parliament and this representative will then be able to operate on behalf of the Wananchi.

Com. Okoth-Ogendo: My second question that the infamous Treaties of the Maasai I think it will mean that
(inaudible) relax. Is that right.

Dr. Daniel Punyua: Yes.

Com. Okoth-Ogendo: They have never be part of the constitution. What do you mean that they should remain in the Constitution.

Dr. Daniel Punyua: Because we believe they were omitted erroneously and it is only in that, in those parties that we can be

able to guarantee that they will be able to remain there until such a time but the legal system of the Government or the Kenyan community will be able to determine the set of such treaties. I am aware I can give examples of some treaties in places like Australia or America which were not determined for 200 years some of them were just determined recently. And if they were gotten legal those early days I can assure you by now those people would have forgotten but whatever they benefited from would not have been there and these are community rights not individual rights. The communities are there forever.

Com. Alice Yano: Dr. Punya you said that there should be a limit to ownership of may be present lands. What should be upper limit.

Dr. Daniel Punya: I do not want to be specific here because I am basically an Ecology. Ecological Zones determine the economic unit. One economic unit what we call an economic unit tuna Highlands is not necessary the same economical unit in a lowland or in a dry land and that will be determined by the professional, the experts who would say that in Ecological says on six which is a dry land you would have an economic unit of probably say a hundred acres. While if you went to zone one which is in the high mountains you would possibly do with only half an acre there and you survive... (inaudible). I would not be able to determine here.

Com. Issac Lenaola: Thank you Daktari for your views. Please register your memorandum and also your details. Thank you very much. Solomon Montet. Highlight the way Daktari has done very good. Highlight the most plain point you have.

Solomon Muntet: Thank you very much Commissioners and all participants. My names are Solomon Muntet and speaking on behalf of the Oitei Community (inaudible) and my views probably will concentrate on the issue of lands. It is my view or I believe that they were some treaties that were signed by our leaders of the past with the Colonial Government concerning the Maasai lands. It is my view that these treaties can be preserved in our Constitution, reason why if that the most of the Maasai lands have been occupied by people whom the Maasai believes it was the Native lands, and if these treaties are preserved in the Constitution of Kenya, then the Government would in place of that is privy now may decide to give the Maasai their land or to compensate for their lands. For example there were firm treaties that were signed by the Colonial Government with Laibon like Lenana and some of that land now have been given by the Government that took over from the Colonial Government. And even the present Government we have no seen any compensation that have been done to the Maasai. It is the request of the Maasai People that these land to be compensated to them.

Second point that I would like to point out is on Education. The Maasai People are pastoral dope and they have their cultural beliefs and we feel that they are not in the same level with other communities and we wish that if the Constitution or we propose that the present Constitution can consider the Maasai people as people who needs preference because of their cultural which probably has retained them or has made them to lag behind in Education. For example we would like to request for a quarter system of Education. That a student studying or a pupil taking his or her primary education, we must say that in a rural land that

some arid lands that it is very hard for Maasai children to get access to most of their academic facilities. And we cannot compare that child, the child that is studying on a pastoral lands and an arid land with the child that is in Nairobi or in an urban area. Because quite a number of things a child will probably complete class eight when he doesn't even know what is a computer, he only know by name. And if that child, that is in pastoral area will report in a same (inaudible) with the child in the urban area, I don't – I can't believe that we are being just. So we wish that in Education that if there are colleges, then their children will be given much preference. Thank you.

Com. Issac Lenaola : Bwana Solomon there is a question.

Com. Okoth-Ogendo: I have read and I have studied the Maasai Treaties and I have written a book about it. I don't see an useful in those treaties that you should want to preserve in the Constitution. What is it that you want to preserve in the Constitution.

Solomon Muntet: Like those Treaties that were signed that was between 1904 and 1911. that is concerning the bordering of the lands. And now the Maasai People still don't – those bordering they don't reach – they don't own lands or on those bordering. They have been pushed. There much on the arid lands. So that – we wish that if these treaties remain in the Constitution that is the only time we can fight for compensation.

Com. Issac Lenaola : That the question that Professor is asking you is this, if it is true that infact you living outside the areas of the Treaty, why would you want to sustain the problem. If it is a problem of a 100 years, why do you want to work for another 100 years.

Solomon Muntet: because I believe that if the moment let say if we want to actually chase say in court, if that cities is for longer in the Constitution then what I am I going to say that our land reaches such and such a place.

Com. Okoth-Ogendo: You know the Court rejected those Treaties. You know that. The British Court said they were not Treaties, they were really meaningless. Now you are saying that those Treaties defined the borders of the Maasai of Lands are you now saying therefore all the areas that were taken out by the European Settlers should remain part of European Settlers, and what I heard yesterday is that you want to go back to the original conditions before those Treaties was signed, not after.

Solomon Muntet: We do not want to go back to the previous conditions. What we are saying is like there are some social for our lands, like lets say where we belief like the Naivasha Lands, where the Delamere farm is that was Maasai lands. But now we have been pushed and those Treaties were signed between the Maasai leaders of that time and the Colonial Governments. But when the Kenyan Government took over, they never considered the Maasai to have back their lands.

Com. Issac Lenaola : So let me ask you Solomon. What do you want to happen now regarding the land, you want

compensation, you want to go back to the land or do you want to stay the way you are?

Solomon Muntet: Now if, like, our Government can be just to us, they can either- it is same to say which is more the civil:

.....

Com. Issac Lenaola : What do you want us to do.

Solomon Muntet: We have to be compensated our lands.

Kasirimo Punyua: Yangu ni sukrali kwa ma-Commissioners siku ya leo kuja hapa, yangu ni kutoa maoni kwa niamba sisi wa-Masaai hapa katika Wilaya ya Narok ukoo wa Keekonyokie. Yangu tuna shukuru sana ma-Commissioners kuja hapa juu ya kubadilisha Katiba. Maana Katiba ya miaka sabini ya utawala wa Uingereza, ananyanyasha sisi wa-Maasai sana. Na pia mika thelathini na nane ya uhuru, sisi tumenyanyashwa sana. Naninasema hivyo kwa sababu wakati wa Ucolon, Uingereza alitunyanganganya ardhi kubwa bila agreement, bila kukodiza, bila kuushia, na akakumbusha kina baba zetu kwa bunduki. Baada ya uhuru, ya Kenya, hakuna mafaa hata moja anapata hata amezeeka ya hiyo ardhi. Na makabira ingine kubwa kubwa anapata mashamba kubwa kubwa.

Ya pili kuhusu ardhi hii kwa sababu wakati wa uhuru, wakabira wengine anapata mashamba na sisi wa-Maasai hajapata mashamba. Na kutoka siku hiyo ardhi mpaka sasa, hakuna moja wetu ambayo anapata. Naninataka Serikali ikubaliwe sisi ardhi hiyo hata kurudi ardhi kwa sababu mashamba kadhaa kama Longonot, ka wingineyo, hakuna mtu hata waleo, Serikali ya leo au Katiba ya sasa hakubali wa-Maasai pia vile wanakubalia makabira ingine mashamba hayo.

Upande wa utawala, tunaomba Katiba ibadilishwe kwamba makabira kubwa hapa Kenya yamelalalia makabira dogo. Ni kila mtu anajitetea. Kujadilia kwake ni hii tunaomba Serikali iruhushu mtu yejote amabyo anakodesha shamba ha Masaai-ini au kununua shamba hapa Masaai-ini iwe kuenda kupiaga kura kwao baadala anakuja kuchukuwa population ya watu wao kesho unakuta mtu ambao anasoma makaa ako na councillor. Amechaguliwa kwa sababu ya wengi wa watu. Na wa-Maasai wenyewe ni wachache. Tunaomba hiyo kura kila mtu hapa Kenya iende kuchukuwa kura kwao nyumbani achaguwe kiongozi yake na hata sisi wa-Maasai tunachaguwa kiongozi wetu.

Ya pili Bwana Commissioner, tunaomba pia hapa Kenya sisi wa-Maasai ni kabira moja dogo, nani watu wanalaliwa kutoka Samburu mpaka mwisho ya Kenya. Nanilisema kwa sababu ukiangalia saa hii wa-Maasai ambayo wanasemekana ako nyuma, nyuma yuko, na ni malalio analaliwa ki-biasara unakuta saa hii Wilaya ya Narok hutaona hata wa-Maasai moja, unaweza kuta watu wakutoka nje anakuja kuchukuwa majina ya wa-Maasa anasema mimi ni ole Naiyara kumbe yeje ni mtu kutoka Nyeri, mtu kutoka Kiambu na anataka kuchukuwa jina hiyo liwe iwekwe Katiba. Maana watu kama hawa ndiyo wametunagamisha. Na hiyo tunaomba Serikali ibadilishe iwe sheria mtu akija kama ni Mkikuyu au Mjaluo akaye kama Mjaluo. Kama mimi Maasai naenda huko nje ya Wajaluo mimi nikaye kama Maasai. Kama mimi naenda huko Kiambu, nikaye kama Maasai. Lakini sio kuenda kusema mimi ni Kinuthia na sio Kinuthia.

Mimi naomba tena ma-Commissioner ambayo walikuja hapa leo division hii ya Mau, sisi naomba ile kitu tunachunga ardhi iwe Serikali ya Jimbo ya kutawala ya Majimbo, halafu kama mkwaa wa ile anachukuliwa na Uingereza, Governor yake in Masaai. Kama ni Nairobi inaitwa gala Nairobi governor yake Maasai. Hata kama ni makabira kumi na izi. Kwa sababu ni mkwaa yetu. Na hiyo ni mkwaa wa Maasai. Na mkwaa huwo isimamiwe na Governor la wa-Maasai.

Ya pili tulisema kwa sababu gani ambayo upande wa Majimbo iundwe kitu cha kuchunga ardhi ya wa-Maasai sababu wa-Massai wengi wamenyanyashwa kununuliwa mashamba kwa njia hata wengine wanapatiwa kairacy kununuwa mashamba. Ichungwe kwanzia sub-location yanzishe Control Land Board kutoka Sub-location Serikali iwajiri watu watano na pia mwenyekiti wake ni Assistant Chief. Mtu akitaka kuuza shamba azishe hapo. Wale ya sub-location a transfer up to location. Mwenyekiti wake ni Chief a transfer mpaka division mwenyekiti wake ni DO. A transfer mpaka Wilaya mwenyekiti wake ni DC. Hiyo nilisema kwa nini, nilisema kwa sababu yule mzee kama anakunyuwa kairacy anataka kuuza shamba hakuna uwezo sana ataulishwa maswali mpaka anachoka anarudi nyumbani bila kuuza ile shamba, kunyanganya watoto. Hiyo ndio naomba Commissioners na Serikali na kuingiza Parliament shamba hiyo iwe sheria kwa sababu wa-Maasai wengi wanapotesha ardhi kwa sababu ya kuuza bila sababu yoyote. Thank you.

Com. Alice Yano: Councillor umeongea juu ya hii shamba – ardhi ya wa-Maasai na ungesema pahali pengine mngetaka kupatiwa compensation na sehemu zingine mngetaka mrundishwe hiyo shamba kama Dabibi. Ningetaka ama tungetaka kujuwa ni kutoka upande gani mpaka upande gani ndiyo umesema, nimesikia wezako wakisema pengine Longonot wengine wamesema Naivasha, Laikipia, Nairobi, Nakuru, tungetaka kujuwa hashwa hii mashamba ni gani, ni kutoka wapi mpaka wapi.

Councillor Tilal Sankuyia: Iko mpaka ilikatwa mnapita mbele ya Maai-Mahiu unatokea Nairobi, ukaenda mpaka huko Laikipia, Samburu huko, mipaka ambayo inatumiwa na Chief wa-Maasai ama Mganga anaitwa wa-Lenana. Kwa hivyo kuanzia Laikipia, Nakuru, Naivasha, hata Nairobi ni kwetu, area yote ya Maai-Mahiu, mpaka hapa Longonot.

Com. Issac Lenaola: Asante Councillor. Enda unjiandikishe pale tumeshukuru kwa maoni yako. Nichoas Koleyaa (Assitant Chief).

Nichoas Koleyaa: My names are Nocholas Koleyaa an Assitant Chief from Suswa Sub-location. I must thank the Commissioners for having come here to take and to listen our views. I have not come here to represent anybody but I have come here because of my own views and my feelings as an individual. It is my feeling that as a Maasai people, we are marginalised and segregated as a group. And all the people come from different Nationalities we have different cultures. It is my feeling that our culture and our attire as a Maasai people should be given protection and immunity.

I also feel that the only thing that the Maasai have is land and the domestic animals. But I feel it very unfair if the domestic animals they have and the land has been stolen in a way may be though cohesion and intimidation. I feel that this land of theirs should either be brought back to them and if not possible they should be compensated their land.

Concerning the leadership, the kind of leadership we have whether Parliamentary or councils or provincial administration I feel as

an individual that it is not fair enough that as other people are represented by educated people then the Maasai of other people are not presented by educated people because it is difficult for them to expound Government politicies. So in that respect I am saying that the Maasai should or any other community should all the educated people are the ones who are supposed to be in the leadership position.

A form person is educated to that level is educated. He can meet. I am certain each and expound some of the Government policy.

Another thing I would like to say is concerns children. We Maasai coming from a ecologically prime of environment, I find that our children are not rich. The rural child is not rich. And it is important that their Government or the Commissioners we have can take this with a lot of seriousness because we also need our people rich. Most of the people or some of the community are blamed like the Maasai. They are blamed for challenging development. I am certain that they don't sell from development but because of the marginalisation and most of the properties have been tilted away from them. They have not been given an opportunity actually. To be in the same phase with other communities when it comes to development.

For example education facilities, we do not have enough education facilities. And I believe that a child who is in this rural area and a child in Nairobi cannot be compared. But when it comes to engaging them in examination, they are engaged the same. It is better for the Government or the Commissioners to recommend that we should be given preference as a people who are marginalised.

Com. Alice Yano: Imarginalised how.

Nichoas Koleyaa: Free Education, when it comes to education, they should not be put in the same level.

Com. Issac Lenaola: Bwana Chief hatuna swali jiandikishe pale. Embu nisema hivi.

Com. Issac Lenaola: Mwalimu sema majina halafu tuendelee.

Elizabeth Ndirai: kwa majina, jina langu ni Elizabeth Ndirai. Mimi ni mwalimu. Mapendekezo yangu ambaye ningetoa

kwanza nataka kuaza na Elimu – Education. Education nataka kupendeleza ya kwamba tupewe free and compulsory education up to the age of 20 years. Kwa sababu tunaona ya kwamba watoto wetu wanaenda shuke wakiwa wakubwa na hadi miaka hiyo huwa hawajahitimu katika elimu ya shule ya msingi. Kwa hivyo napendekesa ya kwamba Katiba ingechukuwa kama the age of the child 20 years.

Pia tungetake tuwe na facilities equally katika shul zote. Kwa sababu katika District yetu hatuna shule za kutosa na pia waalimu hakuna. Kama kuna sheria inasema ya kwamba waalimu wawekwe kwa mashule wa kutosa tungetaka hiyo sheria itekeleshwe vizuri na kikamilifu.

Pia nataka tumbaki na kitu kinaitwa quarter system. Kwa sababu watu wetu hawa kuelimika ya kutosa kwa sababu ya jinzi ilivyo basi tumbakai na quarter system jinzi kwamba wanawesa kupewa special preference.

Kuna kitu kinaitwa Education Board. Katika Education Board kawaida huwa DC ndiyo Chairman, tunataka kupendekesa ya kwamba ni vizuri kama Education Board ingekuwa na community members ambao wanaelewa shinda ya watoto katika community level.

Katika land: katika land kuna kitu ambacho kimenyanganya akina mama na watoto mashamba na hii inaitwa Land Control Board. Iko katika District level, mahali ambapo mama hawezi kufika hata akitaka. Kwa maana akina mama ni wakumbaki kule nyumbani na watoto wao. Kwa hivyo tunapendesha ya kwamba hii Land Board inje katika community level. Mahali ambapo pia mama anawesa kupata habari ya kuwa mzee ako njiani akiuza shamba.

Katika Control Board kuna kitu kinaitwa Special Land Board na hiyo napendekesa itolewe kabisa. Sijui iko katika sheria lakini kama iko iondolewe kabisa. Kwa sababu hiyo inasadia mwenye pesa kunyanyasha yule ambao hapa pesa.

Pia katika Lands, kuna sheria ya land inasema ya kwamba katika section kama demarcation imefanywa, na watu hawatapa title hadi kukosekane maramiko ya mtu ambaye mmoja. Na hiyo imetuweka kwa miaka mingi bila title deed hiyo sheria. Hiyo napendekesa ya kwamba sheria hiyo iseme ya kwamba “Ikiwa mtu hana malalamiko katika section, ama two-third hawana malamiko wasiwekwe kwa miaka ishirini kukosa title juu ya watu wachache.”

Nikiingia katika Judiciary, ninapendekesa hivi, tunajuwa mila zetu ni lazima ziwe protected. Na katika western style kuna vitu kama contract marriages. Na tunaona divorce imelekea kuwa nyingi sana katika community. Hivyo nina pendekesa kuwe na family courts ambazo katika family courts, na iwe katika constituency level iwe mwenye kuketi pale awe ni qualified woman or man councillor ambaye anaweza kuzungumsha na watu wale kabla ya watu kufikilia kupata divorce.

Katika Wildlife wengi waliokuja mbele yangu walizungumsha juu ya wildlife. Wameshema wanyama wamemaliza wanyama

wetu na hata watu. Lakini wamependekesha kwamba pia malipo itolewe. Mimi nataka kupendekesha hivi, malipo itekeleshwe kulingana na culture ama kitamaduni ya watu. Katika kitamaduni ya wa-Maasai, mnayma kondoo atalipwa na ngombe wawili, na ngombe tisa, na kama ni ndume atalipwa na ngombe watano, ni kama ni uhai wa mtu ngombe arubaine na tisa. Na hii itekeleshwe katika market price ya wanyama wale kwa wakati huwo. Kwa sababu kwa sasa tunaona ni 30,000/= kwa kila mtu. Na hayo ndiyo mapendekesha yangu.

Pia katika title deed tunapendekeza ya kwamba iteokezee katika title sheria inasema mwanaume yule ambaye ana shamba kwa sababu ni mwanaume ndiyo ako na title yake, anapewa absolute what— anakuwa yeye ndiye mwenye lile shamba kabisa. Hivyo basi unaona mama ameachwa nje kwa watoto wake. Katika ile title napendekesha majina ya mama itokezee na pia baadhi ya watoto.

Com. Issac Lenaola: Asante Bwana Punyua. Lepose Kodonyo.

Lepose Kodonyo: Honourable Commissioners, my names are Samuel Lepose ole Kodonyo and briefly to talk about lands. You all know that the pastoral community has always taken lands the most sacred thing in their lives. But since 1904, 1911, agreement the Maasai community in particular have felt victims of this dubious agreement. Thus today that I propose to this Commission that even though that it may not be possible for the Maasai Community to reclaim all their former ancestral land, some compensation must be done and the land that still not sub-divided into small units like Kedong Ranch shall be either be made to be bought by the Maasai Community by raising some sums or their entire land should be given to the community as a sum of compensation.

Secondly Honourable Commissioners, I would like to talk about the Land Control Board. I think the Land Control Board has robbed us mainly of our most vital land because the Maasai Community largely are ignorant about land issue. Thus today we propose to this Commission that the Land Control Board should be taken back to the sub-locational level. These is to make the land transfer more complex and the entire community shall be involved in the transfer of lands.

Wildlife: Honourable Commissioners since independent, the members of the Maasai Communities has always co-existed with wildlife. But unfortunately the Kenya Wildlife Services which is the body that protects and take care of the National Parks, and other Games Parks, have discriminated the Maasai Community through the sharing of revenue approved from these animals. Today we propose that unless an action taken, the Maasai Communities has not only lost their life through these animals, but even they have lost their crops entirely. That the Kenya Wildlife Services must establish community pace projects in the areas in question so that the Maasai community or the community living in those surroundings shall also benefit through these revenue accrued from the Tourism Industry.

Through compensation today the KWS pay a mere 30,000/= for every life lost through these animals. I think this is the greatest joke in the current history. We are urging that the compensation as one of my colleagues said shall be determined on the cultures of every particular community. For Example when I kill my colleague in my culture I am supposed to pay 49 cows as a way of cleanishing. Since we are co-existing with these animals, and we are not seeing the possibilities of parting with them, let the law be enacted to allow us to be compensated basically on our cultural values.

Lastly but not least, I would like to talk about the Trust Lands. Ladies and Gentlemen we have heard a very big problem in the grabbing of land in these country. And most of the grabbed lands has always been Trustlands because there under the hands of the Local Authority. You find that most of the councillors in this local authorities have no basic know about the act of Trustlands. So most senior officials like the clerk and others have always used the Trustland Act to give their friends, to give out of the lands that are they are supposed to hold in trust on behalf of the community. So we are proposing today that the Land Trust Act shall amended so that the community in question shall be the sole owner of such Trustlands.

Com. Issac Lenaola: Thank you very Bwana ole Kodonyo, there is a question for you. Please go this way. Please you can register. Dr. Punyua we need you back. There is a question that is bagging on the table. Tungependa Dr. Punyua maana kuna swali ambao tungependa afafanue kidogo juu ya hiyo.

Com. Prof. Okoth-Ogendo: Dr. Punyua this is a question I should have asked Hon. Ntimama yesterday. But I want to ask you because you have made a very strong submission on the Maasai Treaty. The Maasai did not find the independent of women in the issue of land. 38 years later the Maasai can now say let us go back to the 1904, 1911 in between they have done nothing to keep that Treaty alive. Why is it arising now and why has it not arisen for the last 38 years?

Dr. Punuya: The reason that I know, Mr. Commissioner, is that the Maasai has not abandoned that issue. They have been saying it, I am aware that during the Independent days and need after independence that issue was pursued by leaders of the Maasai, then leaders of that time and the Colonial Government deliberately before independence, deliberately ignored the issue and of course I am aware that was not the present issue at that time, it was independence. Then after independence other things took this industry and that is how that issue has been shelved and that is why we are now saying it. This is the time we don't want to let it rest. We want it remain alive we want to be given that opportunity to pursue it to its logical conclusion. If it takes us another one thousand years. Thank you.

Com. Issac Lenaola: Thank you Dr. Punuya, we were very worried about the question but thank you for your response. Nimeomba nimpatie mwalimu Veronica Karei nafasi ilizungumshe arundi shule. Karibu mwalimu.

Veronica Karei: My name is Veronica Naikotunyi Karei. Asante sana Bwana Commissioners, nitaongea kwa lugha ya Kiswahili. Yangu point ya kwanza hi hali ya title deed. Ningeomba sisi wanawake wa-Maasai tuwe tunawekwa katika title deed za wazee wetu kwa sababu kulingana na sasa hatukuwangi tukiwako na ndiyo maana mashamba yanaushwa, hatujui vile inauzwa. Tunakakuta tu imeushwa na zimenda.

Ya pili kamati zote kutoka juu, nikiimanisha juu ni kutoka hata Parliament mpaka chini cha nyumbani. Wakina mama ni wachache sana hata wazee wa vijiji tukiulizwa ni akima mama gani ni mama wa kijiji hatuna. Na hiyo ndiyo mambo mengi ambayo inatendeka pengine ni mvulugano wa mama na bwana na hakuna mama ambaye anawakilisa akina mama katika hizo kamati zote za nyumbani. Kwa hivyo tungeomba tuwe tumewakiliswa kabisa sisi wakina mama wa-Maasai. Tuwe tuewakilisha katika kamati zote.

Ya tatu Shuka wa Maasai: Sisi nafasi yetu ni shanga. Na wakati tunasoma hizi shanga tunajuwa maana yake. Na sasa katika ulimwengu huu hizi shanga zimekuwa za biashara. Unakuta shanga imewekwa mahali ambaye haistahili msichana anafaa shanga ambayo inafaliwa na mzee, yeche anafaa kwa sababu ni maridadi. Kwa hivyo tungeomba katika Katiba hali ya cultural ornaments zitushwe za wa-Maasai kama ni hizo shanga ijulikane kwa nini anafaa na kwa nini anapeleka kama ni ngambo kuuza unfaa wazungu wanafaa ovyo na hawajui iko namna gani. Inatumiwa wakati gani kwa sababu masaa mengi beads ornaments sina tumika wakati bali bali.

Ya nne ni hali ya cake ya uhuru: nchi imekuwa huru na wengine kama sisi nasema kama sisi wa-Maasai hapa kuna mashimo. Hapa Naire Kiangare tuko sasa. Haya mashimo mtoto ambaye alitumbukia wa kwanza mimi nujuwa nikiwa shure 1960 alikufa. Na hii mashimo mpaka sasa ndiyo tumatumia sisi. Watu wametumbukia zaidi wamekufa zaidi watu arubaini, kwa hivyo tuwe na haki ya kupata maji. Serikali ilikuwa imesema kufikia mwaka wa elfu mbili nchi yote katika Kenya watapata maji safi. Bado sisi tunakunyua hayo maji na bado inakufia, na hata sasa junzi kuna kijana ametolewa junzi, wa ambaye ameaga. Kwa hivyo tuko haki ya kupata maji safi sisi wakina mama wa-Maasai.

Habari ya masomo, tunaomba masomo yawe free kabisa. Mijengo, vitabu, yote kila kitu kwa sababu mtoto Mmaasai msichana hakuna tofauti ya kusomesa mtoto Mmaasai. Hata mkinangalia kwa enrolment wasichana ni wachache sana. Kwa maana mzee hataki kuuza mali ngombe kwa sababu ya msichana. Bado wanachukuwa msichana ni wakuushwa wa kupoozwa, kupeanwa , kwa hivyo tungeomba masomo yawe bure kwa kila mta ili huyu mtoto Mmaasai msichana apate nafasi naye ya kusoma masomo.

Ya saba akina mama wawe na haki yao,. Ukiangalia katika hii mkutano, wapi akina mama. Kwa sababu hatuna haki yetu, hatutajuwa haki zetu, wa-Maasai sisi akina mama tunawachwa, sisi ati tuna bado tunaitwa ati ni watoto. Tumaniswa na watoto sisi wakina mama na ndiyo maana unaona hata katika mkutano kama huu hakuna akina mama wameenda kutafutia watoto chakula na wazee ndiyo unaona wazee ni wengi hapa. Kwa hivyo tunaomba hiyo tuwangaliwe katika Katiba mpya.

Katika ingine tunasema mtoto msichana asirundi kupeanwa kwa nguvu. Kuchaguliwa bwana. Awe na haki ya kuchagua bwana yule ambaye anataka. Kwa sababu taabia yetu sisi wazazi mtoto tunampeana kwa ule bwana ambaye tunamjuwa. Wengine ako na wanawake wanne, ako na wanawake tano, sasa huyo mtoto hata kama nimemsomesha amesomeswa na baba yake mama anapeanwa kwa akina mama wazee wako na bibi watano.

Ya mwisho citizenship: na maana naongea hivyo kwa sababu niko na watoto wako ngambo au rafiki zangu wako nazo. Ambao wameowa wasichana wa nje. Mtoto huyo amezaliwa ngambo. Wameenda wakaowana wakazaa mtoto, huyo mtoto hana haki ya kuwa ni citizen wa hapa na baba yake anapatiwa na shamba ni baba yake hapa, lakini huyo mtoto hana haki ya kuwa mtoto Mmaasai wa Narok. Asante sana ni hayo tu.

Com Issac Lenaola: Ashe oleng bwana leshongo. Nimeomba nimpatie Bwana Kamwaro nafasi maana anaenda Nairobi kwa mkutano.

Bwana Hassan Kamwaro: I want to take this opportunity

Com Issac Lenaola: Your names for our record.

Bwana Hassan Kamwaro: May names are Haasan Marimbo ole Kamwaro. I am a local leader, I was the Chairman of Narok Country Council and recently I worked with the TLB – Transport Licencing Board. I want to register Honourable Commissioners our appreciation for your patience, we know you have gone without lunch, you sacrificed your lunches, your tea, and your break to make sure you take our views and we want to register our appreciation for the commitment and determination on your part.

I have been requested to give my views in Kiswahili simply because we want to feel that we should incorporate all them.

Jambo la kwanza ninasema nimeobwa niseme jana nilipeana maoni yangu kwa Kiingeresa lakini ni liambiwa haingekuwa vizuri nipeane kwa Kiswahili. Na niko na mambo ma inne tu Bwana Commissioner Wahesimiwa na mtaniruhushu nimalize.

Jambo la kwanza ni kweli jambo la ardhi katika nchi ya Maasai ni jambo kubwa sana. Nanimekuwa ni ugonjwa “a thorn in the fresh” for the Maasai Community na ambao mpaka itakayoshuruhiswa hatutapumzika. Hata inje miaka elfu moja, hata inje

miaka ngapi kama mwezangu mwingine alivyosema hapa hatutapumzika mpaka tufuate haki yetu ipatikane.

Hata African Black American walipigana miaka sijui miaka elfu ngapi na hata sasa mambo yao imesikika, kwa hivyo hata sisi wa-Maasai tunasikia ni lazima tupiganie haki yetu maana ni haki yetu, ya baba zetu, ya babu zetu, na Muungu alitupa sisi ardhi hiyo.

Ni kweli historia ya nchi ya Maasai na tukirudia si vibaya Commssioners ili mpare kuelewa umuhimu wa hilo jambo. Historia nchi inanza 1904 na 1911 wakati Laibon moja alipoenda kuweka sahihi ile Treaty na Waingereza – wa-colony. Na kwa kimila ya ki-Maasai Laibon si kiongozi, Laibon ni mtu tu ya Mganga, si kiongozi, kuna wale wanachaguliwa. Laibon (inaudible) ameteuliwa kutoka utoto wake huyu ndiyo anaweza kuwa mamlaka say katika mambo ya kuhusu jamii ya wa-Maasai. Alienda kuweka hiyo na tukapotesa ardhi nyingi na tunasikia hiyo ardhi ni lazima irundi. Hiyo ardhi hatutapumzika, hatutatulia maana Serikali ya uingereza ilifanya hivyo na 1962 wale viongzi walienda Lancaster House walikataa kuweka sahihi katika hata ukienda katika hiyo viongozi walikataa kuweka sahihi simply because haki ya wa-Maasai haikuwangaliwa.

Ndiyo tunasema nchi ya Maasai kutoka Railway line upande wa North ukienda ukisema Laikipia, Nyandarua, Nakuru, Eldoret na Kitale, na hata Nairobi hii ni nchi ni yetu. Ni nchi yetu na tunaamini majority, nchi kubwa katika Rift Valley in ya wa-Maasai na hatutakubali, na hatutanyamasha milele na milele ama ni nchi yetu.

Hata ukitazama laikipia ni jina ya Maasai, Kinagop ni Kinogo, Nakuru ni jina la Maasai, Gilgil, Naivasha, Kijabe Lodwani, Eldoret, Kitale ni nchi ya wa-Maasai yote hiyo na hatuta pumzika tuirundishe nchi yeoyote.

Ilie White Highlands yote, Wabeberu walichukuwa na Serikali zilizofuata baada ya uhuru wamekataa kisikisa sisi wa-Maasai, tumekuwa marginalised all the way long, na hatutanyamasa kuwa tena kuwa marginalised wakati wa Ucolonial na wakati wa Serikali uyetu.

Tunataka kuungana na ndugu zetu wa Samburu na wale wakutoka Baringo, Lake Baringo, hiyo ni yetu, wale (inaudible) ni wetu na tunataka tuungane na hawa mere speaking community tuwe pamoja baadala ya kugawanywa ili tupate kutawaliwa. Maana ni divide and rule na hatutakubali katika Kenya huru.

Nikiendelea nchi ya wa-Maasai hata ikiwa ni kubwa, kama mzee mwengine alivyosema hapa, wengine wanaionea uivu. Kwa nini wa-Maasai wana nchi kubwa hiyo ni nchi ya baba baba yao na nchi ya mama yao ni nchi amba walipewa na Muungu. Ukiona ngombe wanawe, ngombe yao kama Maasai ana ngombe elfu moja atakula wapi, anaweza kutosa nne, acre nne, kama vile mzee alisema. Nchi ni yetu, na sasa wa-Maasai wame-elefuka, hata umesikia wale hawajasoma hata kidogo vile presentation wanatoa, wa-Maasai wako na akili, IQ yao iko juu kabisa kabisa na wamelefuka, na hata kama hawajasoma wamejuwa kufuata haki yao na hawa tanyamasa mpaka haki yao itimishwe.

Nikija upande wa land Control Board, Land control Board tunaka iwe scrapped. Ile sasa iko. Ambayo inakaliwa mwenyekiti ni DC ambaye anatoka nchi ingine. Tunataka hiyo Land Control Board iwe katika Masinani Location mpaka na mwenye viti, wawe ni watu wakuchaguliwa wakutoka community ya wa-Maasai maana ndiyo wanawesa kuangalia masilahi ya wa-Maasai. Tunajuwa ni hiyo kwa sababu kwa sababu mwenyekiti ni District Commissioner. Hata ardhi yetu imechukiliwa kwa njia isiyo halali. Wale Land Control Officer wanakuja wanajigawia, wanagawia ma-DC, wagawia themselves, wanagwia their fellow workers, wanagawia ma-dugu zao , wanagawia wengine, maana ku-exploit ignorance ya wa-Maasai na hatutakubali hiyo, tunataka hiyo ardhi iwe nullified hata ile title deed ilipatikana kwa njia isio halali iwe nullified mpaka tufanye mambo ya haki maana wa-Maasai haki haitalala hata ukifika haki hundred feet under the earth itatoka siku moja, na tunaamini ukweli wa Masai na haki yao itasimama.

Nataka kusema kwamba kusema kwamba adjudication imeenda pole pole katika nchi ya wa-Maasai na tunanamini ni hawa Land Officers wanafanya hiyo deliberately kuzuia ili ma-kesi ianze kuja ndiyo wapate nafasi ya kugawanya. Ukienda Land Office hakuna hana shamba katika kila adjudication section. Hatutakubali hiyo tena.

Provincial Administration hiyo ni jambo la tatu – la pili sorrym tunasema hiyo iwe scrapped iondolewe kabisa. DC na ma-DO hawana nafasi hiyo ni pesa inatumika ya ulipa kodi ya bure. wacha ichukuliwe na nafasi Tanzania tumeona kazi vizuri maana kiongozi yule anachaguliwa nikutoka katika wilaya hiyo atajuwa namna ya kuongoza na mila ya wa-Maasai na hataongoza kwa njia – na awe akichaguliwa na kura. Hata ma-Chief wawe wakichaguliwa na kura. Hata sijasema ma-chief wondolewe, ma-Chief wana kazi muhimu sana. Wakiwachiwa Provincial Commissioner, na ma-Chief tunakubali hiyo.

Nikirundia katika system ambayo tungependa, ni system Federal System ya Majimbo. Maana tunaona hiyo ndiyo itatusaidia sisi wa-Maasai. Hatutaki kufunikwa, tumelaliwa miaka miaka miangi na hatutakubali kulaliwa, tunataka iwe iende, ifuate ethnic - wa-Maasai katika nchi zote za wa-Maasai tunganishwe tuwe na region yetu na tuweshe kusimamia resources, na tuseweshe kujisimamia wenyewe, maana tumekuwa marginalised, hatuna barabara, hatuna nini, hatuna ma-deep, hatuna ma-hospitali, national cake ikigawanywa sisi hatuna nafasi katika hiyo. Hata barabara yetu mumeona hata hapa ka-barabara kidogo kama hii, ni barabara imeenda some district na mmeona vile – sehemu nyingine ni namna hiyo.

Com. Issac Lenaola: Last one.

Bwana Hassan Kamwaro: Nikienda kuwa karibu mwisho tunasema.....

Com. Issac Lenaola: Summarize.

Com. Issac Lenaola: Niko tu na mbili Bwana Commissioner tafadhali, Briefly I am going to summarise. Local Authorities iwe strengthened. Ipewe iwe autonomous, iwe na nguvu yote, chairman na mayors and chairman wa country councils na wa town

councils wachaguliwe na wananchi ili wawe answerable to the Electorate. Hiyo tunataka wachaguliwe namna hiyo. Ma-councillors wachaguliwe kama kawaida kila mmoja kutoka kila location, na elimu isiwe ni kikwaso katika – ningependa elimu ingawa maoni imetolewa katika Kenya nzima kwamba O'level form four lakini nchi ya wa-Maasai, Turkana, Pokot na labda to some extent Somali, hawa ni watu wako nyuma katika Elimu, na tumewekwa nyuma kabisa deliberately tuwenze - tungeomba hiyo ishiwe kikwazo maana hapa kuna brain ambayo mtu alizaliwa nayo na hangefaa kuzuiwa kuongoza.

Tungetake President achaguliwe na awe na running mate. Deputy President sio Vice-President Deputy President ili awe anguvu.

Ma-Ministers pia wawe, ma-Ministers wachache na wawe na deputies, si assistant minister, deputy.

Nikija jambo lamwisho ni Judiciary. Judiciary Officers, department ni moja ya muhimu karika nchi. Ukipata shinda unaenda haki katika – ndiyo inatakiwa kumpa mtu haki ukinyanyazwa ukiwa na shinda mkikosana na mtu mwengine hapo ndiyo unaenda kulilia kuwa – na ikiwa corrupt ama ikiwa haindelei vizuri then hakuna unaweza – nasema hivyo wawe wakichaguliwa iwe na Commission amba o inawateuwa hawa ma-judges na hawa wengine na promotion na ningesema kwamba iwe na Judiciary Commission ya kuwachaguwa na si Law Society kama mwengine alivyosema jana, la, hatutakubali Law Society ichaguwe tunataka Judiciary Commission ambaye ndiyo itafanya hiyo kazi. Hata kama President atakuja finally kuchaguwa, lakini iwe ini hawa. Iwe na Judges, na iwe na Supreme Court ambaye ni Court of Appeal akimuwa kuna ambaye another step ambaye ni ya mwisho ambaye ni ya Court of Appeal. Kwa hivyo kwa hayo machache nashukuru sana .

Com. Isaac Lenaola: Asante Bwana Kamwaro. Thank you very much.

Com. Okoth-Ogendo: Bwana Kamwaro you want Majimbo. But you also want to strength the Local Government, is that a contradiction.

Bwana Hassan Kamwaro: It is not a contradiction Bwana Commissioner Hourable commissioner because here we are saying we strengthen a Regional Government and make sure Local Authority, council, the leadership, the region.

Com. Okoth-Ogendo: You want Local Government within the Region.

Bwana Hassan Kamwaro: Within the Region.

Com. Okoth-Ogendo: Okay.

Com. Isaac Lenaola: *Ashe oleng ole koilel.* Daleli ole Punya. Jamee ole Muntet.

Kalo ele? Jamee ole Munteti. Sema jina halafu endelea.

Jamee ole Munteti: Honourable Commissioners, we are very grateful for this opportunity that you have given us to air our views on the current Constitution views. As a Maasai Community, I have to summarize because I don't need to talk a lot of

time. On Land issue: I am of th opinion that our land was grabbed, it was taken by th Colonial Government. The Government that followed it did not do anything to compensate us or return it back. The current Government which is now in place alos negretted us o I am for the opinion that we demand reasonable compensation or the land should be given back to us. And just to mention an example, we have Kingdon Ranch that we can still return it back, we have Delamere Estate, we have all the Ranches in Laikipia District and we have parts of ADC in Nakuru District. So we demand those lands.

Then on land tenure, or land ownership, we believe that the land we have is not idle as being claimed by others. The space we have in our lands is enough to cater for the following and we recommend it in the current – in the new Constitution to be recognized respected and honoured. We have enough land for large scale farming which is not, we have wildlife that we requires enough space to roam around to be able to survive for their own natural habitants. We also have livestock that needs enough space for grazing. So on the issue of land I totally support my colleagues in all the Maasai Districts that we demand our land back.

Then on culture: As you very well know that our cultural heritage is very rich and it has to be appreciated, it has to be accepted, and also respected by other ethnic community. We demand that the pattern laws should be established to protect and safe guard our cultural heritage from being exploited or being comercialized by other communities that do not even appreciate neither respect it but they just exploit it for commercial gains. For example the wood calvings. You move around all the curios in the country, you find a Maasai Warrior holding a shield or an old man holding a stick being exhibited or displaced for commercial gains or for sale. No cent, no penny comes to the Maasai. I actually request the current sitting or this sitting to develop that pattern laws to protect our culture that is material culture from being exploited.

Then our other cultural or customary laws should be also respected. Because we find that a nation without a culture, a nation without a clan, a nation without a family unit is not complete and we cannot see it and just watch our cultural heritage being exploited or being loaded.

Then coming to the wildlife: We should have full autonomy to utilize maximum profits from the wildlife. We therefore believe that the wildlife and us are one. They graze on our lands, they consume the water that we conserve from the dams, they loam around, damage our crops, kill our livestock, and kill human. And we don't get any profits from them. So from now henceforth, we demand that full autonomy, the full utility and full use of the revenue earned from the wildlife. Failure to that then I will be very sorry that then it will have to result either to finish them or to use it. We have to eat, the meat, if we are to eat the meat , sell the skins, if we are to sell the skins, because KWS has really exploited us. For example the health gates. In the health gates there is a vibline derun there, the water pipeline runs through the health gates that the Maasai that are neighbouring there denied access to go and tap water from the tap just because it is a wildlife tap. While it is the animals in that wildlife in that park roam in our land and finish all the grass, finish all the water go back to the park when we pursue to go and such water we are being shot, we are being harrassed, and we have been even threatened.

Com. Issac Lenaola: Last point.

Jamee ole Munteti: My last point is on Education. My last point on Education is that we would really appreciate and we would want free and compulsory in Primary School and free education in all the institutions.

Com. Issac Lenaola: Thank you very much for your views. There is a question for you.

Com. Alice Yano: Jamee you have touched on a very important issue concerning your culture and I would want from you, have you tried it or if you tried it and failed what could have been the problem.

Jamee ole Munteti: The problem is on, because I am a cultural by profession, I am a cultural man, and I have been in most cases have travelled out of the country and I get those items being displayed for sale. My photograph personally, I even recover some that are being sold in London on the streets. Calenders are developed, when I spoke trying to protect it or to demand a reason why are they doing this? Then that we are doing it because we need it, its commercial, we need money, we make money out of it.

Com. Alice Yano: Have you tried facilitators.

Jamee ole Munteti: Not yet.

Com. Issac Lenaola: Why don't you pursue it as you register your name there. Thank you very much. Veronicah Silohtoi I have called you earlier na ni kukupita, Mwalimu. Halafu ole Punya utafuata huyu Madam.

Veronicah Silohtoi: My names are Veronicah Solohtoi. A teacher at Musori Primary School. Thank you very much for this chance I have been granted. I come here to present my own interest and the interest that I hope will provide for all Kenyans and I hope that it should be considered in the coming Constitution of Kenya. The most important thing I want to talk about is about the marginalized groups in Kenya that have been neglected, ignored and forgotten almost. These are the women, the disabled, the child, and the youth.

There are some things that have to be considered if we have to hope for a better Kenya for us we have seen these are the people most of them that do much in the participation, in the building of this nation. And if the coming Constitution will consider them, I hope that the following things will be considered.

That it will enhance principles of democracy in which every Kenyan is equally varied and allowed to participate in the Government by the State regardless of a (inaudible) gender, disability, economic status, registry, religious and political

orientation.

Enhance the human rights and political advancement of women of Kenya, may be by strengthening areas that affect them mostly. Especially in this area here we could pray that the Constitution will consider building, KCCs where our Maasai women can sell their milk instead of just dumbing them down here in town at a very low price that we should call a throw away price.

It should promote a gender sensitive and non violence society in which every woman, man, boy, or girl shall lead a sustainable and dignified human life according to the values and principles.

It should fully recognise our common history of struggle and common future for the prosperity of these nation.

Another area that I would wish to consider is the area of the Ministerial Divisions. You find that in Kenya there are so many ministries. These ministries have been evidenced to most of us some of them very dormant or may be a long time dead. I feel that they are some ministries that have lost even their glories. Therefore they should therefore be abolished or absolved in the active and meaningful ministries to allow for better terms of service to the productive ministries and development in the nation. In my opinion the Ministry that are still producing something are: Education, Health, States and Agriculture.

Infact those are the backbone of the country if the Ministries were minimized then these people working in these Ministries could get better salaries, and would avoid conflicts among the workers, and the Government like the one prevailing now with the teachers and Government.

The last thing that I would like to talk about is Education in Kenya. I would pray that Education be made free from Primary Level to Secondary Level and as it is being made free it should also be made mandatory that every parent should bear the burden of taking the child to school and if a parent is found retaining the child at home, then it should be considered as a crime. This will enable the poor parent who have been neglected and left to have equal chances with those people who have money and who are very rich. These one will help in reducing the gap between the poor and the rich which is ever growing and which ever and reachable and unbuilt. With those few remarks I beg to submit another memo that I was given by another person.

Com. Issac Lenaola: Asante Bwana Keruti. Hatuna swali jiadikishe pale. Antonio ole Segei. Antonio ole Segei. Stephen Selel.

Stephen ole Selel : Jina langu ni Stephen Lesope ole Selel, natoka area ya Edingi. Yangu ni mafupi sana. Ya kwamba waremavu wamesaulika kabisa. Katika kikazi, katika shughuli sote za Serikali. Hawaku shughulikia waremavu. Kwa hivyo tunahitaji nikiongea ninaongea kwaniamba ya walemavu katika Kenya nzima, iwe Narok iwe wapi. Ni kusema ya kwamba

walemvu wamesahaulika kikazi na hawaonekani katika Serikali ya kwamba wao ni watu. Nikusema hivyo ni kisema kwa nini. Manyumba ile wamejenga katika Nairobi ukitaka saa hii kutimiziwa kazi, mahitaji yako hauwezi. Unaaza kuwambiwa mambo ingine, mambo ya rift, rift ha huwezi. Kwa hivyo mimi ni kusema katika hii Katiba watu wote wawe sawa.

Ya pili ni kusema ya pahali ya ardhi wa-Maasai tukiwa wa-Maasai tumenyanyashwa kabisa. Nikusema hivyo mtu kama mimi saa hii ni kiwa mlemavu tukiwa na kesi katika kotini, kila saa ninaenda, na ukweli hautaki kufuatwa. Ni kusema ya kwamba hiyo mambo yote tunaweza kuletewa sisi wananchi wa sehemu ile ambao inahusika watatuwe na mkae na imani. Sio kusema tupeleke maneno kotini. Kwa hivyo hiyo upande wa Board mnatunyanyasha tukiwa walemvu, tukiwa wananchi wote katika Wilaya ya Narok.

Tunataka ya kwamba chakula ambayo tunalima sisi tumenyanyashwa kabisa. Barabara haipitiki, n hiyo chakula inalisha mpaka Nairobi. Tukiapendelea Serikali ituangaliwe kabisa Katiba ipitishwe ya kwamba ma-barabara kwanza iwe safi. Nafikiri mimi nimefikisha.

Com. Issac Lenaola: Asante sana Stephen. Jiadikishe sote tumesukali. Mwalimu Amos Leshinka.

Amos S. Leshinka : My names are Amos. S. Leshinka. Profession I am a teacher. First of all I thank Honourable Commissioners for giving me this opportunity for giving this opportunity to air my views and those of other Kenyans.

First of all I am going to start with the Structure And System of Government. Kenya being a country of 41 tribes I feel that we need a Unitary Government of where it will be headed by a Executive President. Then we also need the creation of a Prime Minister where the Prime Minister will be a leader of Government Business.

On the Executive, the election of the President, we feel that the President should be elected by the people and should not be a member of the Parliament. We also feel that the Vice-President should no longer be called the Vice-President, but a Deputy Vice- President where he should be a running mate. He should be elected by the people.

The President of this country according to the current Constitution have a lot of powers. Some of these of powers should be devalued taken to Parliament because Parliament is the watchdog of the people and we fill that the appointment of Minister even of Minister even that of Prime Minister and the Assistant Minister including the top brass of the security organs these people should be appointed by the President but vetted by parliament. If we do that if the Constitution is going to consider that we feel that eradication of tribalism in this country is going to be eradicated.

I would like to comment on the Judicairy System in this country. The Attorney General or the appointment of Attorney General or even the Minister of Justice and the Chief Justice this one should be done by the President but vetted by the Parliament or

approved by Parliament. The Judicial Service Commission should be given fully independent too to appoint people in the level system. And these people should be competent people, free of corruption and other social evils.

Local Government, Mayors and Council Chairmen we feel that they should be elected directly by the people and the Local Authority should also be given fully autonomous to mandate their resources. And in the Remuneration of the Councillors, these one should be done by a Commission.

The Electoral System, the current electoral system and prose, we as the Maasai we feel that we have been marginalised as far as representative in the National Assembly is concerned. We are in verse constituency and you can say that our electoral boundaries have not ever been reviewed for the last two times, or from Independence. The one to be declared President Elect, we feel he should score over 51% of the voted votes to be declared the President.

The Political System- being a country of so many tribes, we feel that we are divided on tribal lines. It is my view that we should have two political parties. Basic rights it is the responsibilities of the Government of ensure that all Kenyans enjoy basic rights such as security, health, water, education, food and even employment.

Basic Rights: It is the responsibility of the Government to ensure that all Kenyans enjoys

These is concerning the Land Property: The local community should have ultimate ownership of the land including public utilities and the Maasai agreement between Lenana and the British of 1911 should be honoured that all lands South of the Railway lines now the differred ADC farms should be returned back to the Maasai Community. Thank you.

Com. Issac Lenaola: On your last point are you saying that contract to what others are syaing we only go back to the South of Railway not on the North Railway.

Amos S. Leshinka: That is my (inaudible) since the one is may be difficult.

Com. Issac Lenaola: To go North of the Railway. Thank you very much. Please register. Amos Maloi.

Amos Maloi: I am Pacha Amos Maloi. Honourable Commissioners I am much jubilant to take this time to present my views in the current Constitution Reviews. First of all I want to say that Education in Kenya has not been distributed equally. For example you find students in Narok Districts of somewhere else bears facilities are not available, may not be able to compete with students may be studying in Starehe or Alliance or any other qualified school. So I am taking this chance to propose they should be given or they should be treated differently from those students.

For example at the current situation the University Admission is taking B which is 60 points as a cut points. To take an example lastly about five students in Narok District have qualified to join the university. At this rate I want to say that the Maasai Community will remain back as it has been if this rate is going to remain the same. For me I want to say that they should be treated specially so that the cut of points for this arid areas should be low than those of students studying in qualified schools.

Secondly I want to propose that anybody asset should not be interferred with hence the Constitution should protect anybody asset. For these I want to say the community assets should not be under the hands of the Local Authority or the Government. The community assets should be protected by the community itselfs and anybody else.

Thirdly it concerns leadership: I want to say that to take an example Solomon David were both given leaders and to say that leaders should be elected according to their level of education is quite wrong according to the Maasai. I want to say that they are not educated and should this happen, it will be to endorsing of wrong people to leadership. So I want to tell you that they should be given a chance to elect their leaders whether illiterate or literate.

My last proposals are about the President in this and every any other leader. The powers of the President should be trimed. For example we find that the President has powers over the Judiciary, the Legislature and the Executive. Ministers at the same point are appointed by the President and this has led the country into the Economic myhem due to the endorsing of wrong people. So it is my proposals that the MPs should take in hands the election of Ministers to ensure the right persons are elected in respective Ministries where they qualify to take part.

Com. Issac Lenaola: Thank you very much Amos your last point.

Amos Maloi: Concerning the title deeds they should include the names of the wife and husband to avoid any form of appropriate piece of land i.e. in this District the man or husband has taken full control of land i.e. selling it without a concern of the women hence leaving the children in the hands of the women without any care. Thank you.

Com. Issac Lenaola: Thank you Amos, please register thank you for your views. Komentai. Sema majina yako mzee.

Com. Issac Lenaola: Asante sana Eunice nenda pale ujiandikishe asante kwa maoni yako. Peter Ntai ole Tumanka. Samson Nti Kuisa.

Samson Nti Kuisa: Kwa majina mimi naitwa Samson Nti Kuisa. Na nina wasalimu sana kwa sababu mumekuja hapa na mu-metusaidia sana. Yangu ya kwanza mimi ningeomba Katiba mpya ambao inakuja tusiwe na mtu mmoja ambaye yuko juu ya sheria. Kila mtu afikishwe kotini na mahakama iwe huru.

Ya pili ya juu ya uchaguzi. Sisi hapa kwetu wa hajasoma sana. Na kwa hiyo tungependa sisi wenyewe kuchaguwa mtu ambaye anawesha kuongoza sisi bila kusema ati hajui kusoma. Kwa sababu kuna wengi ambao wamesoma na hawezi kuongoza.

Ni juu ya wa-mbunge. Wa-mbunge ambaye tunawao wachagua wawe na kipimo kwa Serikali mpya kwa Katiba mpya. Ikiwa ye ye hadhulii kikao za mbunge na hazaidii wananchi ambao walio mchaguwa afutwe na Speaker halafu kiti yake itangashwe wazi, ichaguliwe mtu mwengine ambaye angewesa kuwasaidia.

Ya tatu ni hali ya masomo. Masomo mimi ningependa masomo iwe kutokea darasa ya kwanza mpaka darasa la nane iwe bila malipo kwa sababu hapa wasichana hawasomi kwa ajili ya pesa. Na tungependa vijana na wasichana wote wawe sawa na wasome. Na karo hii ya chini wengi hawajui kuwandika hata vijana. Na huyo sasa a kikosa kusoma, a kikaa mtoto naye wakanana bila kusoma. Kwa huyo ningepeda kwa Serikali kwa Katiba mpya iwe na upatanisi huyo. Nafikisha hapo.

Com. Issac Lenaola: Asante sana mzee nenda ujiandikishe pale. Hebu tumshikie Samson Kikwesa. Majina yako halafu endelea mzee.

Samson Kikwesa: Mimi ni huyo mnasikia anaitwa Samson Kikwesa. Nilizaliwa hapa Lelonganot mwaka 1936. Kwa hivyo wakati ya Emergency mimi nilikuwa hapa tu. kwa hivyo mimi naelewa na mambo ya hapa kulingana na kuzaliwa. Yangu ya kwanza ni mambo ya ulizi. Ningetaka Serikali ya Kenya iongeze ulizi kwa sababu katika Kenya hakuna ulizi.

Ya pili sisi wakati tulipata uhuru ilishemekana tutapata maji. Na sisi katika nchi hii Keekonyokie au mambo ya Maasai hapa, hatuna maji tungetaka Katika ile itatengenezwa sisi tupewe maji tukiwa Keekonyokie hapa.

Ya tatu ningeuliza Katiba ile ya Kenya itatengenezwa mambo ya wa-Maasai iangaliwe kulingana na mashamba yao yaliyo hapa iheshimiwe. Wasiingiliwe na mtu kutoka mahali popote. Kwa sababu wakati ya Emergency kulikuwa na wafasi - Maasai-pasi. Kwa sababy hiyo Maasai pasi iliondolewa tungetaka wa-Maasai wapewe ulinzi nchi yao isingiliwe na mtu bila hawa kukubali.

Mambo ya Local Government, tungeulisha Mayor na wa-ndogo wawe wakichaliwa na wananchi straight.

Ya pili Local Government, wale watu tumechaguwa kama Naire Enkare hatuoni tangu tupate hiyo uhuru kuna wanyama wanalipwa, kuna soko inalipwa, kuna ma-duka inalipwa na Katiba ile iko itengeneshwe Katiba yaani mambo ile itakuwa ikitoka hapa kama ni hiyo kodi tunalipa inarundishiwa wenyewe wale wanye hapa na Naire Enakere warundishwe kwa sababu ile pesa yote inaenda hakuna kitu tunapata.

Ya tatu tungetaka kuchaguwa mtu yule tunchaguwa tuongezewe kwa sababu hapa tuna watu wengi zaidi. Kwa sababu tungetaka mjumbe mwingine. Hapa tuongezewe hapa kwetu.

Tena hali ya masomo tungetaka councillors kama vile hatuwezi kurundisa masomo nyumba. Tungetaka hata yule atachaguliwa awe na elimu hata kama ni standard eight.

Nyingine watoto wetu wa-masomo kama hapa Naire Enkare ambayo iko Keekonyokie, wako nyuma, tungetaka Katiba ile

itatengeneswa watoto wetu iwekwe walashimizwe wasomeshwe, watengenezwe secondary iko hapa iongezwe watoto wa-Maasai waingizwe kwa wingi bila kuchaguwa mtoto, kijana au msichana. Wawekwe wote. Tuna-mashamba ingine ya wa-Maasai imekuwa hapa Suswa au mahali ingine inatokwa hapa huko juu mlima Enoosupukia au mahali ingine. Tungetaka hiyo nchi isichuliwe na mtu ingine irundishwe wenyewe na wenyewe wakae na isingiliwe na mtu ingine kutoka ingine, ikiwa mwenyewe, hatwezi kubali mtu ingine kutoka mahali ingine anakuja kuchukuwa hapo.

Com. Issac Lenaola: Jambo la mwisho.

Samson Kikwesa: Jambo lingine ni ya mbunge ya ulinzi – usalama. Usalama wa ndani umepewa Rais. Na hii tungetaka mamlaka hiyo ya Raisi iwe chini ikatwe iwe kidogo. Na mtu akufungwa kupelekwa ma-gerezani awe hana hatia na amewachiliwa uhuru na amefungwa na amepigwa kiboko awe akilipwa kuliko kupelekwa amewachiliwa bure anaonekana hana hatia na tena ameumia na halipwi na serikali, ningetaka Katiba itengenezwe hiyo mtu akiumishwa na akifungwa huko na arundishe appeal ioneckana hakuwa na makosa alipiwe kwa sababu watu wanaumia.

Com. Issac Lenaola: Asante sana Bwana.... tumewashukuru kwa maoni ya mwisho.

Samson Kikwesa: La mwisho.

Com. Issac Lenaola: La mwisho kabisa.

Samson Kikwesa: La mwisho kabisa tungetaka Makamu- wa- Raisi awe akichaguliwa raia. Na kama wakati wauchaguzi kama leo imfikia iwe serikali inasimamiwa na Attorney General. Na Bunge irundishiwe mamlaka zaidi iweze kutawala Kenya. Mamlaka mengi irundishiwe ya wambunge wale tumechaguwa.

Com. Issac Lenaola: Asante sana, asante kwa maoni yako jiandikize pale tumeshukuru. Selina.....

Com. Issac Lenaola: Lazima ndiyo naona uko nayo andikisha nayo pia. Ukiwa na barua umeadika memorandum lazima utuachie baada ya kuzungumsha.

Com. Isaac Lenaola: Asante sana mama enda pale ujiadikishe. Shaitara ole Kurusiru. Siia ole Punyua. Joseph ole Nteka.

Joseph ole Nteka: Honourable Commissioners, my names are Joseph Moipei ole Nteka. Professionally a teacher. My feelings are that in the first thing ID cards, most of the three quarters of the ID cards are wrongly sent. And as such very important documents like title deeds, like any other schools testimonials, are not even bearing the proper names for the proper person to that effect. We are requesting for a – I am strongly saying that those who register us should be people who understands and who can write the proper spellings for every individual and I am requesting those ID cards to be reviewed.

On the matter of leadership: Leadership indeed in the Maasai Community should purely be for those who are educated. Simply because an illiterate leader, the leadership that is illiterate totally dilute the meaning of Education and the taste of Education simply because an illiterate is after all in the Government payroll. My feelings are that anybody in the leadership should be somebody who has gone to school to be able to interpretate the Government policy.

Com. Issac Lenaola: Up to what level.

Joseph ole Nteka: O'level that is secondary school education.

Tradition : About the tradition, our culture should be totally respected not be abused or commercialized by people who are not even belong to that culture. I want to say that most of the people are outside to make money because of our culture and they go one even abusing our community by going naked simply because they are Maasai. We have refused that and our ornaments should be totally for us and we own them and if it is a matter beautiness we be paid or we do it ourselves because we are also after money.

About Land ownership: our land is long gone taken away without any proper agreement, and it was done so many years ago and when the Colonial Government was here our grandfather, our grandparents were made home guards, such that education was not there and so everything, every property that benefit out community is taken away. We want our land back and also – some places that are not going to be possible, should be compensated and my feelings are in this way that Education – they should be compensated in a way that every Maasai child anywhere either Samburu or any other community, should be educated freely for about a number of fifty years to come. Because may we cannot anymore acquire the lands like that one, but those which are still idle and is till near to earth so much that we can acquire, it should be given back immediately.

About employment many people comes with the name of the Maasai and take the opportunity for the Maasai child. Many are employed in the name of the Maasai but they are not Maasai. We want employment to be- may we should be given a certain percentage, half of employment or three quarters should purely for the indigenous people so that the chances may not be taken away by those who come from far whose chances are there in their homes.

About the wildlife, wild animals are more valued than a human beings. I am happy in this hall that we are we can see the drawings of the elephants and the lions and in most cases some people cannot even go next to that photo. They think it is a real animal. And so we are with these animals, they are destroying our crops, they are eating our animals, they are killing our people, and we want totally to own them. They are totally in our lands and any time of foreign money that come to this country, we should have the right share because they belong to us and it is our property and sometimes it is not even easy for them to be taken to the general reserve.

Land Cases: The Land offices, the land officers are totally making a lot of money because of cases. For example if we want to separate two men who have a land case there is a clear map which can be followed, he is not the one who drawn, it is there, but he keeps on having a lot of delay tactics so that he keeps on calling asking for money to do that, and everything is postpone until those people fight or the stronger one to take the share instead of giving the right.

Com. Issac Lenaola: Give us the recommendation.

Joseph ole Nteka: My recommendation is that the Land Control Board should be brought closer and to the people and the people themselves should know because the DC cannot know Mr. Deka and Mr. Sopia. He doesn't know but because I have alot of money I will take the Sopia's share, so the Control Board should our own people to man it.

Com. Issac Lenaola: Thank you very much please register and thanks for your views. Peter Nyagah. Halafu councillor Surum akuye tayari.

Peter Nyagah: Mimi naitwa Peter Nyagah. Nashukuru Mungu kukuwa hapa. Na vile mimi nasema, mimi baba yangu alikuwa Maasai, na mama yangu ni Kukuyu. Kwa sababu walikuwa wanashikana hapo mbeleni wakati waliacha kujuana. Na mimi sasa ni namna hiyo. Nafuata amri ya baba. Ni mzuri kuangalia wale ambayo wanasoma. Mimi bado some baba yangu a likuwa mzee lakini nafurahia masomo ni mzuri. Lakini nataka wafikilie sana wale wamesoma, wale wanafikilia vyoo bali bali kwa sababu msahara yao ni kubwa lakini hawakumbuki wale ambayo wanaandika hata akikuwa ni mtoto ana anaadika kwake, akumbuke ni kama mtoto kama wake.

Tena mashamba hata mahali mimi na adikwa kipande, hakuna hata mahali, kwa sababu wa-Maasai walikuwa waku hamahama zamani na alikuwa bado juwa kukaa na shamba yao. Basi huko kuna shinda. Hata kuna wengine, kuna wengine wakati pombe

ilingia hii ya kuuza, zamani kulikuwa hakuna pombe ya kuuza.....

Com. Issac Lenaola: Tulisema hivyo asubuhi ukiwa na jambo ambalo ungesema, tupe mapendekezo. Mambo ya masomo ungependekesa nini, mambo ya mashamba ungependekesha nini, tupe mapendekezo tafadhali.

Peter Nyagah: Mapendekezo yangu ni hayo tu kuwangalia hiyo iwe sawa ndiyo mambo yote iwe sawa hata mashamba. Na mimi ninafikisa hapo asanti. Kuna mengi nilikuwa nataka kusema lakini yalisemwa na wale walikuwa mbele yangu.

Com. Issac Lenaola: Asante Bwana Nyaga, jiandikize hapo. Councillor Surum.

Councillor Korema ole Surum: Kwa majina, ni Korema ole Surum, Councillor, Keekonyokie Ward, Chairman wa Narok Country Council na pia member wa Land Control Board katika Mau Division.

Yangu hansa ni mambo ya ardhi, vile wezangu wa mbele waliongea, wa-Maasa walinyanyanzwa sawa sawa, kwa sababu nchi kama Kedong Ranch, nchi kama Nakuru, nchi kama Ngong, nch kama Eldoret, ni mahali ya wa-Maasa, bado Rumuruti. Na tulipata kusikia kwamba iko viongozi watatu wa Kajiado na Narok District na Transmara kwamba alienda Lancaster House 1962. Na alienda kujadiliana na wazungu mambo ya ardhi hilo ya wa-Maasai ikiwa alikataa ku-sign ardhi hiyo ya wa-Maasai waende na Serikali aliokuwa wakati huwo ali-ignore kwa sababu mashamba hiyo alivyo wazungu kuongea kwamba mwaka thelathini agreement akiisha, wali-ignore kwa sababu wengi wa hizo mashamba, wale wako Serikali hiyo ndiyo walikatakata na kupeya nyakenyu na walipewa wakumbwa wengine kila mkubwa katika Serikali alipewa mashamba kama hata Kiambogo utawesa kuta mashamba ya wazungu wamepewa Brigidier fulani kutoka hapo na wengine wakubwa. Kwa hivyo mimi ningependa kusema ardhi ya wa-Maasai walipewa wakubwa na warundishiwe kwa sababu kama Kedong Ranch iko saa hii wakubwa wale iko na hiyo ni Kedong Ranch alikuwa ni Suswa inasikana na Kidet Group Ranch.

Com. Issac Lenaola: Kedong ni nani.

Councillor Korema ole Surum: Sasa hivi na pata habari iko Margaret Kenyatta, na Njonjo, wale waketi saa hii na Kedong Ranch ni mahali ya wa-Maasai wale Suswa hata wale Keekonyokie ya Suswa ndiyo inasikana. Na tunataka hiyo shamba mpaka Longonot kama wale wamepata ma-title hadi Longonot warundishwe wa-Maasai wako tayari wako tayari wana ninia ya kungangania kupeleka ngombe zao na kuendelea kule na tunaomba Katiba wapitishwe warundishiwe hiyo area yao yya ngombe.

Mambo ya ardhi kutoka Lenana Location, vile wa-Maasai wanauwana wenyewe, kuna ukabira kama tano tuseme wa-Maasai hapa Narok wako Hildamat, Keekonyokie, na Pulko, ukienda pengine Kajiado utakuta makabira karibu saba wa-Maasai. Ile kitu inafanya wa-Maasa wapigane katika location mimi nikipendekesha ako na chief na chief ndiyo wajuwa yako na

kitambulisho yake, hawa ndiy watakuwa registered katika ardhi ya kila location yao. Kwa sababu wa-Maasai wanatoka katika Location ingine, pengine wana mtu anaambia endeni pengine ardhi ya area hiyo ni mzuri, watu kutoka location or Group Ranch wana hamia Group Ranch ya wengine. Ningependa kusema wapitishwe ile wa-Maasa naye asishipigane ovyo, ovyo wala wa location ambao chief ndiyo ako na kitambulisho yao, hawa ndiyo watakuwa wenyewe hiyo shamba.

Na tena kuhusu tu hiyo mambo ya mashamba, Land Control Board anzie katika location ambayo ni Land Control Board – Chief awe Chairman na pia wazee wachaguliwe awe ndiye atasimamie mambo ya wale wanausha ardhi. Halafu ende tena kutoka hapo mpaka division. Kwanza division achaguliwe pia na wazee wa division hiyo au Kikuyu wa area hiyo au Baluiya ya area hiyo awe ni mzee ambayo sio mtu wa Serikali.

Pia kufika district mambo ya Land Control Board, kama angewezekana, awe MP ndio Chairman ya Council yaani ya kabira hizo, watu hapo, ambao hatakuwa DC hata kuwa mtu wa Serikali. Pia mambo ya Land Control Board, ningependa tu kuhimisha mambo ya title Deed kama ingewezakana , tunaweza amini watu kumi kati ya watu mia. Wengi wao wamehalibiwa na pombe na ulavi ya kukula pesa. Ashikanishwe title deed na mama ambao kama bibi ni tatu kila mzee awe na title deed yake na andikiwe bibi zake wote watatu.

Pia mambo hiyo hiyo tena tu ya ardhi sisi kama wa-Maasai na kabira zingine hatukazawi mtu kuja kununua shamba akita lakini apitiye njia ya kawaida, kwa sababu ardhi kununua tutaenda hata sisi tununue kila mahali, kila Kenya mtu apewe huru lakini apitie njia hiyo. Na wale hajapita njia hiyo mimi ningependekeza title deed zote ambao wa-Maasai hata Narok amemeshwa wanyanganywe hiyo ma-title deed awe ni kitu awe nullified kwa sababu ni title alinunua na mwagine na mtu chini ya miti hizo mashamba irundushiwe wenyewe.

Mambo ya uongozi na malisha ardhi ni ardhi ningendelesha tu kusema tusaidiwe hiyo. Mambo ya uongozi kuanzia wenyekiti wa Council kama Chairman vile amechaguliwa na wananchi, asiwe anasema ni mtu wa degree. Kwa sababu degree inawesha kuta watu watatu hakuwa na degree, mtu mwagine ni mtu wa changaa ingine moja ni mtu waina ingine amepata degree lakini hawana uwezo ya kuongoza, awe form four, mwenye kuchaguliwa au mwenyekiti wa Narok County Council, achaguliwe tu na raia lakini awe na form four.

Pendekeso langu tena kwa wale wanaenda Parliament kugombea kiti ya Parliament awe pia form four kwa sababu tunaweza pata mtu ya form four na hajapata diploma, hajapata degree na yeze ni kiongozi anaweza shinda ile ako na degree, awe tu pia form four aende Parliament.

Pia Raisi, asitakiwe akikosea kama vile nasitakiwa Mawaziri. Akikosa ashitakiwe. Na pia hata Raisi, nawesa sema tu awe na diploma au form four. Kwa sababu degree nawesa kuta Raisi watu kumi na tena Raisi achaguliwe Raisi asiwe tu amechaguliwa kama mbunge. Pendekemo yangu achaguliwe mtu yejote ambaye hajachaguliwa kama mbunge, labda chama achaguwe, kama

chama ya DP, au chama Ford au chama nini, atoe tu mtu yao katika chama yao wachaguliwe kama Raisi sio wasimame mbunge.

Maoni yangu ingine nafikiri ni mambo ya wa-Maasai kusoma vile wazee wanasema. Mimi ni Councillor ya 15 years hapa na ningependa kusema hapo kwa Maasai bado wale 70% iko na percent chache sana kwa wale hawajasoma na ni viongizi kama wale wazee wazamani unajuwa tu wanaweza uongosa hata bila kuenda shule. Kwa hivyo sisi tupewe miaka 20 tuendelee, vijana wetu waendelee awe wengi ndiyo raia apate ile anachaguwa ambayo watawesa.

Ya mwisho, mambo ya Maasai kuvinywa. Tumevinywa pia na Serikali hii kwa sababu kama hapa Natok hii barabara ni ya beruberu ni ya wakati wa Colony. Kama maji, wa-Maasai hajawahi kupata. Nafikiri hata Samburu, hata Transmara, hata kila mahali, wa-Maasai wajaliwe pia kwa mambo ya maji, na mambo ya masilahya barabara na ma-hospitali.

Nayo watu ya hospitali ningependa Serikali aweke muhuri madawa yao kwa sababu madawa yeote ya hospitali inaenda kuhuswa na chemist, na ma-hospitali yote ya kufanya biashara yao, hiyo madawa itafute njia ama muhuri ya hospitali asipatikane tu kuusa hivyo hivyo.

Com. Issac Lenaola: Ya mwisho.

Councillor Korema ole Surum: Ya mwisho ni mambo ya kufananisha mashamba. Mambo ya ashikubaliwe awe sawa. Kwa sababu kuwa sawa iko tangu zamani iko na watu amba si lazima afanane, hata kwa mashamba, hata kwa ngombe, hata kwa kila kitu. Sisi wa-Maasai tujaliwe watu ya kuhama hama kwa sababu sisi watu wa kuhama hama tunaenda kutoka hapa (inaudible) tunaenda mpaka Kajiado, tunaenda mpaka mahali popote nyazi inaenda. Sisi tujaliwe sheria yetu asimamiwe kwamba watu wa kuhama hama ako na nafasi bata tu tusikizane na wale marafiki ambayo tunahamiya sehemu yao. Tupewe nafasi hiyo wahama wahamaji wapewe ruhusa ya kuhamia mahali popote mvua iko. Asantini sana.

Com. Issac Lenaola: Asante sana tumeshukuru. Ole Monik. Kuja ujibu maswali ya wale.

Selaela ole Monik: Basi asante sana waheshimiwa Ma-Commissioners. Nashukuru kwa kazi hii tena, ilikuja kwa sababu mimi ni mtu wa hapa vile vile rafiki wa watu na pia kiongozi nilikuwa nanyi Narok , nikaweza kuzungumsha na kupeana memorandum ilioandikwa na nashukuru kwa nafasi hii kusema jambo moja au mbili. Sitachukuwa muda ili wezangu waendelee na kupata nafasi ya kuzungumsha.

Jina langu kwa majina ni Selaela ole Monik. Nilisema hivi ndivyo ilivyo mimi ni mkulima, kwa bahati mzuri mimi pia ni Trustee katika Board of Trustees wa KWS na kidogo pia ni aspirant wa Parliament wa Narok North mwaka huu uchaguzi utakapokuja.

Basi nitachukuwa nafasi hii kuchungumzia mambo machache tu kidogo na nikianzia kwa hali ya wanyama kwa bahati mzuri mimi ni Director or Trustee katika Board of Trustees of KWS. Na jambo ambalo linanguzia maisha ya watu ha haswa Maasai kwa sababu tuko kwa wanyama, na wanyama wako ndani yetu. Nilipendekeza kwa memorandum kama sehemu ambayo inahusu mambo ya umilikaji wa ardhi. Nataka kurudia hapa na kusema kwamba mimi ninaona kwamba hiyo ni kweli kabisa. Kuna shinda, mzozo kati ya bindamu na wanyama. Na mara nyingi imeonekana kwamba wanyama ni muhimu kuliko binadamu. Kwa ajili watu wa KWS ni watu mahushuri kwa kazi, na hawa jukumu yao ni kulinda wanyama na wana haraka kila wakati kulida wale wanyama. Hiyo ndiyo jukumu waliopewa na Serikali.

Upande ule mwingine mtu akiwawa na mnyanyama ni jukumu la Serikali kufidhia na kulinda watu wake. Kazi wakienda (inaudible) siwezi kulaumu kila place, si kwa sababu niko kule, kazi yao ni kulinda wanyama na kazi ya Serikali ni kulinda maisha ya binadamu na pia hata kufidhia ni Serikali.

Kwa mkutano huwo ningelipenda kusema hivi, na iweze kuangaliwa iwe ni jambo la ki-Katiba kwamba mashamba yale yote ama reserves, National Reserves, I am going to say that land and land resources ikiwemo ni raslimali ya wanyama, mashamba yale yote, kwa mfano Amboseli, na Rasha hapa, ardhi hiyo irundi kuwa ni ardhi ya jamii inayo miliki ardhi ile, ama iliokuwa inamiliki ardhi ile. Na wamiliki ardhi hiyo pamoja na wanyama wao iwe ni mali ya watu wale. Kwa mfano, hata Tsavo, Tsavo ni dunia kubwa kubwa. Lakini wenye ile Tsavo na wanyama wao irundi chini ya Local Authorities, ndiyo ile raslimali irundi kwa watu wenyewe. Kwa sababu sasa hivi si bure hawa watu wanaliwa. Wanyama wale haonekani kama ni ya watu, lakini inapaswa kuwa mali mali ni ya watu kama vile ngombe walivyo.

Lakini kwa sababu hakuna moja wetu ambao angetaka apewe hiyo ni yake, iwe chini ya Local Authority. Kama Narok Country Council saa hivi ile Mara ilivyo, kwa sababu hata kama yule Kajido, Amboseli ni ya Serikali. Na hili tu ilikuwa ni ardhi tu ya wake wa-Maasai mpaka juzi juzi, kwa hivyo napendekeza National Persons Reserves to revert to the Communal ownership through the Local Authorities.

Na wakati huo huo, fidia, ile compensation ambao imatolewa kifidhia maisha ya binadamu, naona imekuwa ni kitu mbaya kabisa

ya kukera sijui kwa nini. Imechukuwa Bunge letu la Kenya miaka hizo zote. Ile shilingi elfu thelathini nafikiri iliwekwa na wa-Colony. Hapo wanatudthamini wa-Africa. Na baada inaendelea mpaka leo. Sijui ni kwa nini imechukuwa Bunge letu mpaka wakati huu bila kubadiliza. Ikiwa basi ile haitakuwa mara moja, hata itakuwa chini ya Local Authorities, fidia iziwe chini ya million tano. Hataka kama pasi itakuwa kwa council, awe iwe kwa nani lakini iwe ni five million kuku-compensate maisha ya watu.

Nafikiri watu wakimiliki hiyo mambo ya wanyama hakutakuwa na shinda. Wanajuwa ni wao. Hata ngombe wakati wengine kwa bahati mbaya inaweza kujaruhi mtu lakini hiyo ni mali yako, hata ikifanya nini utausha hata hiyo ngombe. Wacha wanyama waje wakitushumbua sana tunawauza kiazi na kuwesa kufanya yale ambayo zaidi.

Jambo lingine la pili ni malishe. Nataka tu kugushia kidogo juu ya mtindo conduct ya uchaguzi ujao kama utafanyika 2003, 2002, hiyo ndiyo maombi yetu sisi wengine, wanaotafuta miti, njia rahisi ya kufanya uchaguzi, na iwe fair, na transparent, ni kwamba kutapofanywa uchaguzi, kuna hali ya kwanza ya nomination ya parties. Na mimi na sahau kupendekeza Electoral Commission of Kenya, ipewe nguvu, ya kuwesa kuweka standard setting hivi kwamba hata kwa mzijo ile wa mlolongo, mlolongo itupiliwe bali, na watu wapewe secret ballot kwa sababu hiyo inanyima watu haki na hata haswa akina mama. Kuna hii hali ya ununuzi wa pesa na mambo ya kununua kura hii. Mtu akinunuliwa kura yake hawezi kuenda kupiga mlolongo. Ama hawezi tena – ataenda kwa yule aliye mununuwa kinyume na mawazo na matakwa yake ya roho yake. Kwa hivyo nataka Electoral Commission ipewe kusimamia hata uchaguzi wa parties ili kwamba kitu kama mlolongo igushe tufanye secret kwanzia mchujo mpaka General elections. Nimalishie hiyo kidogo, uchaguzi ufanywe kwa kila kituo, na kura iheshambiwe pale pale kituoni na kutiwa sahihi na wale ma-agent pale pale. Hata kufanya hivyo hakutakuwa na gharama ya petition, kwa sababu hakutakuwa na masanduku inatupuwa mtoni. Itakuwa pale pale. Halafu ile hesabu tu ndiyo inakusanywa at a central point.

La mwisho haki za bindamu: Nataka tu kupendekeza kwamba, ile sehemu ambao inasema mtu akipatikana kwa violence na naini, haki ya kuishi, nataka kusema Katiba ishiruhusu sheria ambayo sisi ndiyo tunatunga ishiruhusu penalty ile ya kifo. Kusiwe na hukumu kwa kifo. Mtu akiwa amekosa zaidi hiyo kuuwa, ama nini, iwe ni kifungu cha maisha. Kwa hivyo the Death Penalty should be abolished in our Constitution.

Com. Issac Lenaola: Thank you very much.

Selaela ole Monik: Mahitaji ya maji, Health Care, na Education, Chakula na Shelter, vitu hivyo pia ziweshe kuwekwa kama baadhi ya haki za bindamu. Ndiyo hata maji kama ni maji Serikali iwenye kuona kwamba hata Suswa kuna maji kama ilivyo kule Nairobi na kuingeneko Mombasa, na kuingeneko, iwe haki kupata maji. Asante kwa sababu ya muda sitaki.....

Com. Issac Lenaola: Asante Bwana Monik. Nashukuru. Jana nilikuwa na muda kwa hivyo leo tunapitie special privilege. Jiandikishe pale. Peter Surum, Peter ole Surum.

Peter ole Surum: *Ore enkarna ai na kaji Peter ole Surum.*

Peter ole Surum: *Na nagas airoroki naduo kituak lang oingua Nairobi tenebo oltipunganak otabautwa pooki.*

Peter ole Surum: *Ore nainei na uni ake.*

Peter ole Surum: Aishu ta nanu nainei.

Translator: Kwa hivyo nimemalisha.

Com. Isaac Lenaola: Sante Bwana Surum. Enda hapo ujiandikishe. Salim Kindi, Muturi Mburu, Jackson Karui.

Jackson Karui: Kwa majina yangu ni Jackson ole Karui. Councillor kutoka sehemu inaitwa Enoosupukia Ward. Na langu la kwanza ni kushukuru ma-Commissioner ambayo wamefika hapa. Lakini ninakuja hapa kutoa maoni yangu kuhusu Katiba. Na kama vile tunavyojuwa, hivi tunasema tuko nchi huru. Na kwa maoni yangu ninaona uhuru ulioko uko kwa watu wachache, sio kwa Kenya Mzima. Kwa sababu niseme nini? Kama sehemu moja ya Katiba ina chama, mwananchi ako huru kuishi pahali popote. Inaonekana ni watu wachache wako na uhuru wa kuishi pahali popote lakini wengine hawana uhuru wa kuishi pahali

popote.

Kwa mfano kama juzi kulikuwa na kiangazi, ngombe yetu ilitoka hapa ikaenda mpaka Kirinyaga, na hatukuwa na haja na ardhi tulikuwa na haja na malisho kufuata nyazi. Lakini wakati tulioipa sehemu hiyo tulifamiwa, ngombe yetu ikakatwa na wachungaji wetu kuumizwa. Na baada ya hiyo, Serikali ilinyamasha kimya kwa hivyo inaonyesha hiyo Katiba inasimamia watu wachache hazimamii watu wote. Kwa hivyo tunataka, kwa maoni yangu kama mwananchi ako huru ya kuishi mahali popote hata nazi tuluhushiwe kuishi sehemu sote kwa jamhuri ya Kenya.

Ya pili ninasema Katiba haijatusimamia ukweli kwa sababu niseme nini kama wakati wa uhuru uliopatikana mashamba ile ilikuwa inamiliwi na wazungu, wakati wazungu waliondoka hiyo mashamba irundiswa mikononi mwa-Africa. Na ukiangalia hiyo mashamba ilikuwa ya wa-Maasai na hakuna shamba moja Maasai walipatiwa kuwambiwa kama ni share kata hii share yangu mugawanye hii shamba hata vile iliendelea mahali wa-Maasai waliishi kama kwa mfano saa hii kuna wa-Maasai wana keti na wa-Kikuyu wa Nakuru pahali panaitwa Ingambani. Hawa watu wanasema mkapa wa Nakuru pahali imefika hiyo shamba ni lao. Kwa sababu walinunua hiyo shamba na share.

Kwa hivyo tunataka kusema sisi turundishiwe ardhi yetu na Serikali pahali ambaye ni ya Serikali tupatiwe. Kwa mfano hatujapatiwa uhuru ya kutosa. Kwa mfano nimesema hatujapatiwa uhuru wa kutosa, kama juzi wa-Maasai walienda pande inaitwa Dabibi, Serikali ilienda huko na wakafamia Maasai na wakapiga ngombe zao kwa bunduki. Kwa hivyo hiyo ni uhuru gani ambayo tunaye. Kwa hivyo mashamba hiyo ya ADC, mashamba kama Kingdon, ninasema kama ni uhuru tuko, hata nazi tulipiganie uhuru, hata nazi tuliakilishwa na uhuru wa Kenya tupatiwa hiyo mashamba iliobaki, yale ambaye Serikali inashikilia wakati huu. Asante. Maoni yangu ni hayo.

Com. Isaac Lenaola: Asante Councillor. Jiandikishe pale. Tipyaya Sar babi.

Tipaya Sar babi: Asante ma-Commissioners wote. Kwa jina naitwa Tipaya ole Sar babi. Nani nimependeshwa kusema machache kuhusu Katiba. Ile ya kwanza, President mwenyewe tuwe na chaguliwa na wananchi kwake kwa jumla Kenya mzima. Deputy President sio Vice-President pia vile vile. Chairman ya Council ichaguliwe na wananchi ya district sio ma-Councillors. Ma-Councillors vile ichaguliwe na wananchi ya district sio ma-Councillors. Hiyo ni ya kwanza.

Ya pili naongea juu ya wa-Maasai kuhusu ardhi yao. Kama Kenya mzima ilikuwa yao na wamenyanganya haijaushwa na wakati wazungu walienda hawakulindishwa ardhi mimi nasema irundishiwe na kama inawezekana iurishwe wale wazungu walinyakuwa na kwa nini waliuzia watu fulani. Bona hawarudishwa wenye kama walinyanganya na bunduki ama na shilaha popote. Hiyo ya kwanza kunyanganya haki yao.

Ya pili naongea tena ya hii na-agency kama ADC ikuwe nchi yetu, kama ilikuwa ardhi yetu, na wakati huu ipate hii ya Dabibi. Wakati inasemekana Enoosupukia clashes wakati wa-Maasai wanapigania haki yao, hiyo ardhi ilichukuliwa na ma-DCs, ma-PCs na other officials of the Government big bosses hata wa-Maasai hawa japatowi hata hawa ma-squatters kama Dorobo, wale wemeji hawajapatiwa huko Dabibi na tena ilikuwa yao.

Ya tatu nakuja kwa title deeds wakina mama wamesema. Tunajuwa ya kwamba sasa tunafuata kiti kinaitwa Western culture. Sa hiyo title deed ama akina mama lazima wakosane na ma-bwana na hiyo sheria iwekwe, kwa wazee ama wao wenye familia si sheria ya kwenda kotini, kwa sababu hiyo pesa inatumika hata pengine mwenye pesa ndiyo – mwenye haki kwa Kenya siku hizi sio sheria iliohaki.

Nasema hivi Powers of the President ana mamlaka ya kiongozi kubwa huwe sheria ndiyo iko nguvu kushinda watu wenye mamlaka. President ashitakiwe kama amekosa, na akapelekwa kotini, tuwe basi tuweke sheria nguvu manani vizuri na tukaye vizuri.

Ya mwisho, ardhi ya ma-Towns tumiliki kidogo kwa wazee, sio Councils ndiyo sasa kama anapitia, apatiye percent, au apatiane percent fulani, sio kuchukuwa ardhi yote mzima na kupatia, sasa wale watu wanaishi huko atakalia wapi. Na hiyo tegemeyo yetu.

Com. Issac Lenaola: Asante Basi umemalisha.

Tipaya Sar babi: Nimemalisha.

Com. Issac Lenaola: Tumeshukuru Bwana Tipaya jiandikishe pale. Gideon. Jina lako la pili hatukupata sema tu. Niliona kwa list lakini sema jina lako mwenyewe.

Gideon Habu: Asante Commissioners waliofika hapa. Na waskuru Commissioners waliofika hapa. Jina langu ni Gideon Habu. Na yangu ni machache kidogo. Ya kwanza ni kulisha Katiba ya leo tukishahau na yale yaliyo tangazwa au ile Katiba ilikuwako mbele ya kwamba ma-Province na ile shinda imeleta hii shinda wale wazee walizungumsha hapa ni kwa sababu ya Province kama hii ya Rift Valley ni kubwa sana. Ukinagalia kutoka hapa mpaka, mpaka wa Sudan na mpaka, mpaka wa Tanzania ni PC moja. Na sisi wa-Maasai nikijiweka hapo sisi tumekuwa askari ya mwisho na mwisho. Ukinagali upande wa North, unaona ni wa-Samburu wako, ukiangalia upande wa chini ni Loita na wengine ndiye wako.

Lakini cream ya Central ya Rift Valley iko katikati ya Nakuru na Eldoret. Huko ndiko mafuta iko. Lakini sisi wa-Maasai tunawekwa huko jangwani ya juu na jangwani ya chini. Ningelisha ya kwamba Rift Valley ikatwe mara mbili iwe na North na South. Ili wa-Maasai wa chini waweze kukarimbiwa na huyu PC anayegawa hii mafuta. Kwa sababu kile kina kula sisi hapa

wale wazee wote wanazungumsha hapa ni ya kwamba wamenyanyaswa sana. Nani kwa sababu sisi tumekuwa askari ya mwisho ya Province na mwisho ya Province. Lakini cream iko katikati. Kwa hivi ningependekeza mipaka ya Province igawanywe mara mbili. Tuwe na South na North.

Ya pili District mipaka ya district ihesimiwe. Kwa sababu tukiangalia pahali M-Maasai napata cream yake ndiyo ihamiwa na wengine kutoka Kericho, wale wengine wanahamia kutoka upande wa nchini, sisi tuna-shindi kusukumwa jangwani. Kwa hivyo ningeomba mipaka katika Katiba hii mpya ihesimiwe kama vile ilivyo. Pia ya location na sub-location ihesimiwe na mamlaka iodolewe au iwe kidogo kutokana na administration. Kwa maana administration ndiyo wale watu wanaumiza wakaaji wa kila sehemu yao. Kwa sababu hawajui culture ya Maasai na hawajui culture ya wale wanakuta pale. Kwa hivyo ningependesha kwamba mipaka iheshimiwe na Rift Valley ikatwe mara mbili.

M-Maasai amekuwa ni mtu anayechongwa kwa ile vitu ya curio. Sijaona Mkamba amejichonga mwenyewe. Sijajiona Mjaluo amechongwa mwenyewe, sijaona. Kabilia ile inachongwa ni M-Maasai. Utoke hapa unakuta hiyo michongo, au hiyo michoro iko katika German, iko Europe, iko wapi, nchi za ngambo sisi tumekuwa tume hasabiwa kama Wildebeest. Hiyo kitu ikwame katika Katiba hii. Ya kwamba hatutaki picha ya M-Maasai kuodolewa katika nje.

Lingine langu la kusema ni kwamba sisi wa-Maasai tunaoa wake wengi. Unakuta hata wengine wako na kumi na moja. Na sherehe ile yetu au ceremonial ile yetu haihesimiwi kama nyinyi watu wa kistaraabu mnaenda kanisa mnapewa certificate ya bibi moja. Tunataka Katiba hii ichukuwe wake wale, Polygamist wako na wanawake wengi, wawe wakipewa certificate ya kuishi na bwana wao ili wasiwe wanatengwa kado.

Education kama imeshungumziwa kweli imezungumshiwa na wengi lakini hiyo tungesema wa-Maasai wapewe free education and especially Turkanas, Maasai, kwa sababu kile nimesema cream ya Rift Valley inakuliwa na wachache sisi tumewekwa upande ule wa juu wa Samburu na upande wa nchini lakini ma-shule yetu hakuna. Wengine hata ma-shule yao iko milangoni, lakini kwa upande wa wale watu wameachwa nyuma hakuna kitu wamehesabiwa nacho.

Com. Issac Lenaola: Na mwisho Bwana Habu.

Bwana Habu: Ya mwisho au sio ya mwisho kwanza

Com. Issac Lenaola: Karibu na mwisho

Bwana Habu: Ningependesa ya kwamba President awe ana chaguliwa na wananchi. Pia Vice-President awe anachaguliwa na wananchi.

Judiciary au ma-Judges wawe wako huru hawako chini ya President kabisa au Serikali kwa sababu hiyo ndiyo inaharibu ukweli wa nchi hii. Kwa sababu ikiwa nime haribu na mimi ni mkubwa, ninafichwa na ile kotini. Na mimi ndiyo niaumisha yule mdogo. Kwa hivyo Judiciary ingefanywa free ishiwe inatawaliwa na mtu yeoyote katika Parliament.

Com. Issac Lenaola: Mwisho kabisa.

Gideon Habu: Kwa ardhi ningesema ya kwamba Land Control Board tuwe na Sub-Land Control Board katika Division ili yule mtu anataka kuusha shamba, yule anataka kununuwa, yule anataka kubadilishia mtoto wake, yule anataka kubadilishia mama wake, awe anajulikana katika ile Location kwa sababu yeye mi mzaliwa wa huko. Kwa hivyo ikirundi iende katika District Level hawa watawala watakuwa wamejuwa ya kwamba hiyo maneno ni ya kweli kwa sababu imekuwa imepitishwa.

Com. Issac Lenaola: Asante Bwana Habu

Gideon Habu: Haiwezekani kwa sababu nipe moja .

Com. Issac Lenaola: Bwana Habu nilikupatia nafasi mbele ya kila mtu shukuru bona nilikufanya hivyo enda ujiandikishe pale.

Bwana Habu: Moja pia .

Com. Issac Lenaola: Tafadhali enda ujiandkishe pale. Asante sana. Reuben ole Koilel.

Com. Issac Lenaola: Asante Bwana Koilel . Alex ole Pelle. Tom ole Sankei.

Tom ole Sankei: Honourable Commissioners my names are Tom ole Sankei. I am a teacher and I have a few recommendation to make to the Review Commission. First and foremost is on the Executive. The recommendations are: -

During the General Election, the President and the Vice-president should be elected directly by the people. That is the Vice-President should not an appointee but should be a running mate of the President. This one will make the Vice-president not just a shamba boy as it has been there in the past.

The other recommendation still on Executive the Minister should not be members of Parliament. The Ministers of these country should be appointed by the President from other group of people outside Parliment so as they may be able to believe her without considering the places where they come from.

The other point on Executive still is that the word Assistant Minister should be scrapped from our Constitution so as to read Deputy Minister because they deputize for the Ministers.

The other point still on the same is that the President of Kenya should be given full term of five years each and I recommend that we should have a Unitary Government but not a Majimbo Government.

Legislature: A law should be put in place in a new Constitution whereby members of Parliament are enabled to dissolve

themselves when their time comes not the President to dissolve Parliament.

The other point is also the Ministries should be reduced may be to eighteen because they are too many and tax payers are being taxed heavily.

Bill of Rights: As far as the Basic Rights – my recommendation are that every employee in this country should have a right to join a trade union and the union used to be deducted from the source and also every employer should have a scheme of service for the employees so as when you retire, you are able to benefit not after retirement of 20 years after 20 years you retire poor and you go and die.

And on Education: Education in this country may be compulsory, and more so girl – child education. And here in Maasai lands our girls are being removed from school now and then and even some of them are removed by the Provincial Administrators. Something should be entrenched in the Constitution so as to protect them to continue in Education.

About Roads: I feel here Roads should be made a basic right in this country so as it may be able to be provided with passable roads for all weather roads.

About Lands: The Maasai lands was grabbed by the Colonial Government, the Maasai lands was also given out by the following Government and upto date the Maasai Lands is till being kept on by other outsiders but not Maasai. It is my feelings that th Constitution should empower the Maasai to claim for compensation or less the Constitution should allow us to go back there so as we may claim what is rightful ours. Because we are in the arid areas whereas most of the Maasai lands which was taken has running waters whereas we are always having problems of water here and there.

The other point is about appointments. It is my recommendation that men and women who are married should be given chance without considering tribal or places of where one comes from.

About Local Authority: Mayors of this country and Chairman of County Councils should be directly elected by the people and also they should also be men and women of good education and that is why it is my recommendation that for every – this country has been independent for the last 39 years and there is no location in this country which cannot be produce a form leaver, who can be a councillor or a chief. And therefore lets us have a limit for a youth to be a councillor let him be a form four leaver with a good pass that is.

Also because I believe we have all men and women who have reached that standard, and then the Provincial Adminstration after all the same years it is my recommendation that we should be appointed chiefs and assistant chiefs who are able to interprete the Government policies very clearly without taking letters of the District Commissioners, to other people to read because we have able men here in Maasailand, I don't agree with anybody saying that we are so much backward that at 39 we

cannot produce an Educated Chief in every Location in this country.

Com. Issac Lenaola: Recommend, recommend, mwalimu recommend.

Tom ole Sankei: I recommend that every Chief and Assistant should be a form four leaver and with a pass, with a good pass that is.

Com. Issac Lenaola: Make your last point; I know that you have a memorandum

Tom ole Sankei: The Maasai people deserve better treatment in security. Protect them from the wild animals, protect them from grabbers of our land, and the quality of willing buyer, willing seller should be removed from our Constitution. It should be – we should not be allowed – the Maasai should not be allowed to sell their lands just harshadly that is why we have even thieves and thugs coming to buy land here.

Com. Issac Lenaola: Thank you very much mwalimu we have no question for you. Please register. Moses Modolo. Joseph Nguku huko utafuata. Douglas Nyakaka. Endelea.

Com Issac Lenaola: Joseph ole Nguku, halafu Gedion Sidiyo yuko, ole Kiruti. Utifuata hii.

Joseph Malesua ole Nguku: Jina langu ni Joseph Malesua ole Nguku. Na nataka kutoa maoni yangu juu ya Katiba ambayo inakuja sio ile ambaye ilipita. Ningetaka kusema ya kwamba ni asante kwa ma-Commissioners ambao wamefika kuturuuhushu wakati huu tutoye maoni zetu.

Ningetaka kusema ya kwamba kwa upande wa uchaguzi kama Raisi ama wale wanafuata yeye, wanawesha chaguliwa na watu.

Na pia Makamu wake awe running mate wa yule Raisi ambaye amechaguliwa.

Pia Mawaziri wetu wasiwe ni wale ambaye ni wamechaguliwa na watu. Wawe tu na members senators, lakini wasiwe Mawaziri. Raisi awe na nguvu ya kuchaguwa watu ambao wataita secretary of states au ma-secretary wale wengine ambaye hawatakuwa wakiulishwa umetufanyiwa nini katika mbunge.

Pai katika Judiciary, Judiciary iwe ikipele kabisa. Isiwe ni Judiciary ambayo itakuwa chini ya mtu au Raisi au nani au Parliament. Iwe inawesa, iwe na sheria yake ambayo itasimamia. Pia katika elimu, hasa hata katika U-Maasai-ni nimesikia wezangu wengi wakisema ya kwamba sisi tupatiwe muda ingine ya miaka ishirini. Mpaka sasa baada ya miaka thelathini na tisa, hatuna mtu wa form four tunao. Mtu ambao anatakikana kuwa chief au assistant chief au councillors, ni lazima awe afikisa kiwango ya form four level ili apate kuwa ni mtu ambaye ana hatajuwa. Kwa maana wale ambaye area zile zingine watu wamesikia ya kwamba watu tumekapaguliwa na maji, barabara na ni vizuri tujuwe ya kwamba mambo mengine ambao yamepatikana katika mahali pengine, imepatikana katika juhud ya wale watu ambaye wako pale kuzikizana na viongozi wao.

Kwa hivyo wamekuwa motivated. Kwa hivyo kama sisi hatutapata viongizi ambao atatu –motivate, tupate felt needs zetu au to achieve our goods basi itaonekana ya kwamba sisi tutakaa nyuma kila wakati. Kwa hivyo nasema ya kwamba masomo ni muhimu. Na sasa tuko na watu ambao watu tuongoza.

Ningetaka kusema juu ya ardhi: Ardhi – kwa ajili ya kutojuwa kwa wale ambao wako uongozini, ma-chiefs na ma-councillors,

ndiyo sasa unaona ya kwamba public utilities, au public lands wanaruuhushu inyakuliwe. Na hawa ndiyo wananyakua, kwa niamba ya wale watu. Kwa maana hawajui kutumia mamlaka ambaye tako. Kwa hivyo ningesema ya kwamba lands kama ni title deed basis iwe ni mtu moja.

Wildlife nasema ya kwamba – na toa pendekesho include five million iwe compensated kwa mtu.

Constituency – watu watafikia kiwango fulani kama ni elfu kumi, na ndiyo wapate constituency au wards, hata sisi tuwe tukipata kwa maana wards kama hizi ni highly populated na tuko na councillors mmoja. Asanteni.

Com. Issac Lenaora: Asante Bwana Nguku. Ole Sidio. Ole Kiruti. Paul Kitiko yuko, utafuata huyu mzee.

Opuku Kiruti : Mimi naitwa Opuku ole Kiruti. Mimi ni mkulima katika area hii. Na nimekuwa na ma-Commissioners ile ya Amani katika Narok District. Kwa hivyo sasa mini nashukuru Mungu kwa kufikisha nyinyi hapa, tuje tuonane na tuongee. Napendekesha hali ya Katiba mpya. Jambo langu la kwanza ni kunyanganya mtu mmoja mamlaka akuwe ya kuenda chini ya Katiba. Kwa sababu yule akiwa namna hiyo anweza kuharibu dunia kama roho yake ni baya. Hana huruma na watu.

Langu la pili katika Katiba, nataka haki, Katiba(inaudible) itoe haki ya kila mtu katika Kenya. Haki ya kusimamia mali ya mtu ikiwa ni shamba, ikiwa na mali ingine kama ngombe, ikiwa ni ma-plots, ikuwe ya Katiba ya kusimamia haki ya bindadamu.

Jambo lingine ni hali ya ardhi. Kuna khabla nyingi katika Kenya, tunasema wa-Kikuyu, wa-Jaluo, wa-Kamba, wa-Somali, lakini hiyo jina hakupewa na mtu, ilitokana na mwenyezi Mungu. Naye ardhi haki ya mtu akuwe vile vile kama hiyo jina. Tusikumbaliwe mtu aje anyanganye wewe kitu yako ambayo ulipatiwa na Mungu. Kwa sababu kama ardhi, tulipewa na Mungu tukiwa watu walikuwa sehemu yao. Tusipokwa ni wazungu walikuja kusukama wa-Maasai kutoka Kinagop, Laikipia, Nakuru, Naposha , wakasukuma pande hii. Hata ikiwa nchi hiyo ilikuwa ya wa-Maasai, lakini nchi yao ilikuwa kubwa, wakachukiwa ile sehemu kubwa waka sukuma sisi..... (Inaudible) kwa hivyo nataka pia ijulikane ni mali ilikuwa ni mali ya wa-Maasai, na wakati tulinyakuwa uhuru, wa-Maasai wahe sabiwe katika wazo ya Kenya ambayo wange pata, kitu hapo, kama ilikuwa mali yao, ilichukuliwa na wengine. Lakini ilikuwa Serikali ya haki, wangegawa, wengine wachukuwe hamsini, wengine thelathini, wengine sitini, sehemu hiyo, na isikuwe ichukiliwe na watu kabila moja.

Kwa hivyo nataka ardhi ijulikane nchi hiyo yote ni ya wa-Maasai, na ile tuko, ishimamiwe, ishiwe mtu akija hapa na dege ati anaona, hapa mbugani hakuna boma. Hakuna boma lakini iko wenyewe. Sababu hii ndiyo kitin ainaongoshwa watu. Mtu akifika kama hii barabara ya Suswa aone sehemu kubwa kama maili mbili hakuna boma anasema nchi hii ni ya wanyama tu. Lakini iko ba wenyewe. Lingine ni jakavu yanatakasa watu kukaa. Ukavu wa nje. Wanakuja kusangana sehemu fulani ambayo ndiyo iko maji, ndiyo iko baridi, kwa hivyo nataka hiyo Katiba mpya isimamie haki ya kila mtu.

Jambo lingine ni hali ya elimu, elimu tunasoma, ama sisi tukiwa ni watu wakiingia mbunge tunayo. Hata kama wa-Maasai hawajasoma, tunaye. Uwongozi mimi napendelea. Wale wamesoma wamefika form four, wakalie uongozi. Sababu hii mambo mengi na vita sisi, na vile juu ya elimu. ma-Councillors walikuwa mbele, hawajui kusoma. Kitu inapita sisi ipitishwe huko. Kwa hivyo nataka wale wamesoma waendelee kupewa nafai kidogo mpaka tufikie wakati wetu.

Jambo lingine ni hili nchi kama sasa hii, kuna sehemu miaka ya juu, na miaka ya chini, na kuna misitu, tunaka hii msitu, kama ni sehemu ya Keekonyokie ikuwe Keekonyokie, kama ni ya Mbugo ikuwe ya Mbugo wasimamie wenyewe. Kama ni ya Namaki, ikuwe ya Namki, wasimamie wenyewe. Watu wasitoke sehemu ingine kuja kuingilia, kunyakuwa kwa sababu wengine kuna mamlaka, viongozi wako ndani saidi ya Serikali. Wana mumnyangoa maji ya watu wa (inaudible).

Jambo la mwisho na jina lake ikwe dani ya title wanakuja kugawanya. Shamba ikuwe ni ya wazee isipokuwa bibi anweza kupinga kama Bwana anataka kuuza.

Com. Issac Lenaora: Asante sana ole Kiruti tunashukuru sana. jiadikishe pale. Samuel Nguku yuko, Paul Kipiko.

Paul Kipiko: Kwa jina naitwa Paul Kipiko. Nimetoka pahali panaitwa Lengongo, katika area hii ya N/Enakare. Langu la kwanza ningependelea zaidi kuzungumsha juu ya title deed katika area. Katika Title deed imetusumbwa kwa muda mrefu sana kwa sababu area ile hasa mimi ninakaa au ile tunakaa, nina miaka ishirini na tano tangu ndipo ilipo ingiwa na idara ya survey. Na hata waleo, hatujapata title deed. Hasa tukiuliza zaidi ya title deed, tunaambiwa ni kwa sababu ya ma-kesi ambayo watu wamestakana, na pendekezo langu, wale ambayo hawa ma-kesi wapewe hali yao. Wale walio na ma-kesi waendelee na ma-kesi yao.

Ya pili ni hali watu amba wanashikwa ka kupelekwa katika shell. Pendekezo langu hawa watu wanawekwa zaidi kwa mwezi bila kupelekwa kotini. Na hiyo ni kuonyesa ya kwamba ni kusumbuwa wananchi. Ningependa watu wakishikwa wapelekwe mara moja kotini na kuhukumiwa kama wakipatikana na hatia.

La tatu, nikizungumsha zaidi habari ya umaskini, kusema ukweli katika Kenya yetu, maskini ni viwete wale watu hawajiwezi hawa hesabuwi. Inaonekana ya kwamba hawa watu wanafinywa zaidi maana yake, hata katika budget inaposomwa kila kitu kina hesabiwa na maskini hawa hesabuwi au viwete.

Ya mne ni habari ya Serikali yetu ya Kenya. Kuna sheria amba zimengumziwa zaidi na zinaendelea na hazifanyi kazi. Kwa mfano kama ni habari ya ile, tuseme kama ni waalimu hivi kuna mambo mengine wanajitetea wanasema kwamba misahara yao walipwe na inawekwa sahihi tena ile pesa inarundi kuwa kesi. Wale walimu tunaona wanacheleweshwa watoto wetu kwa mgomo watoto wanakosa nafasi yao ya kusoma. Na ile mambo wamekwisha pitishwa na wakaelewana.

Jambo la mwisho katika Kenya hii yetu kuna sheria ambao ndiyo inasubuwa watu zaidi na kusema ya kwamba kuna mtu ambaye anakuwa juu ya sheria top of law. Hiyo pendekezo yangu zingelipendelea kuwe kuna mtu ambayo iko top of the law. Maana yake hakuna mtu atakayebisana naye yule yule tu mmoja akisema amesema. Kwa hivyo iangaliwe.

Com. Issac Lenaora: Asanti Bwana Kipiko. Jiadikishe pale. George Meshoko.

George Meshoko: My introduction: My names are George ole Meshoko. I am a contestant of Suswa Civic area. My presentation to the Commission are as follows:-

First and foremost the structure and system of Government that should be followed by Kenya is an authority that divorce power to the lower levels where the local Mayors and Chairmans are vested to the Executive of the Authority, so as to give wananchi through their representatives the power to govern themselves.

On the Presidents issues, I would like to say that the President should win a 51% of the total national votes. He or she also have a national outlook of having a certain percentage in a minimum five provinces. The President should always be below the law where he can also be subjected to Court proceedings. Parliament should also have the powers to impeach the President in case of long doing dealings of his tenure of office.

I also propose to the Commission that the Vice-President be made a Constitutional office and should also elected directly by wananchi.

The Legislature: Parliament should have the power to oversight Presidents decisions. It should be the power to vett all National Appointment by the President. The concepts of nominated MPs be retained. But it should be miused by the President or other top Government officials but should be given to special interest groups such as the disabled, women and the youth and professional groups so as to help Government in Proffesional matters. I also propose that the Constitutional should permit a collision Government where the most representative prosecution of Kenyans is represented in the Govenment.

The Local Authorities: There is a need for direct election of Mayors, Council Chairmans, and their Deputies. They should also not be elected councillors.

I want to purge a powerful hole to the proposals made that illiterate councillors be elected to the councils. I want to say and I believe that after 39 years of uhuru also the Maasai several hundred if not thousand of educated men and women. And if we are to compete with other tribes, then I suppose who are going should be educated to manage themselves, and to manage the people who elect them and therefore they should be form four level as the basic requirements .

The issue of nominated councillors should also be used to give special groups representation in the councils. I want to tell the Constitution letters that any man or woman who losses an election should not be nominated to the council.

On the land line I want to say that all the parcels that were given out by the British or showed out to the shareholders on the door of indepedence should compensated to the Maasai and the ones that are near like Kingdon and Naivasha should be reverted back being it fully or be it showed by shares we should get our lands back.

I want to also say that Kenyans should be given the right to education, health care and security.

Con. Issac Lenaola: That is your last point now.

George Meshoko: Ya I am making the last point now.

George Meshoko: On environment I wish to say the government should categorise all compensations made by wild animals such as for a goat 20,000/=, a cow 50,000/=, a person five million.

Con. Issac Lenaola: Thank you very much or you want – that point is very clear. Thank you much Meshoko, please register and thank you for your views.

George Meshoko: Thank you for the chance you have given.

Con. Issac Lenaola: Welcome. Wilson Mungai. David Tobiko, Simon Kathii, Erastus Mosut, mzee ndiye Erasmus. Mzee nimgani. Okay endelea.

Erastus Mosut: Asante. Jina langu ni Erastus Murunya ole Mosut. Yangu ni shukrani kwa Commissioners ambayo wako hapa. Mimi nina mambo matatu. Ya kwanza, ni jambo la Narok North. Narok North ni kubwa. Ningaliomba nyinyi mnavyo fanya hivyo, kwa Katiba mtuwezeshe kupata mjumbe, wanjambe wakiwa wawili. Katika Bunge, naongea tena, yule mtu mvivu ambayo atekelezi mwazo yetu wale walimchagua naomba nyinyi afutwe wakati wote analete uzembe katika mbunge. Afutwe bila sababu kwa sababu hateleki matakwa yetu.

Jambo langu la pili ni wizi. Wizi umezidi hapa Kenya si kwetu Narok peke yake. Wizi wa mapavu afadhali nyinyi mkiwa Katiba mwizi afungwe maisha ili tupoe uharifu.

Jambo langu la tatu: Si tukiwa watu wa-Maasai hapa Narok, tumenyangazwa kwangalia upande wa ardhi. Na tunyanyanzwa na mtu asiyo Maasai. Kwa hivyo mtusaidie kwa njia hiyo tafadhali.

George Meshoko: Jambo la mwisho ni hili elimu hapa kwetu Narok ni haba mtu saidie kwa sababu tuko nyuma saidi. Na hayo ndiyo yangu.

Con. Issac Lenaola: Asante Bwana Mosut tumeshukuru jiadikishe pale. Asante kwa maoni yako. John Mark Koisabak. Sema jina lako vile.

John Mark Koisabak: Thank you Commissioners. My names are John Mark N. Koisabak. I came here with the alot of views and I would like first of all to mention something on constituency. I would like to say constituency is a guideline to law. Such that a constituency should be made a constituency to stay for along time and not to be changed now and then to serve the wananchi.

And my second point is the Treaty of the long time ago about the Maasai lands. Now it was a reason why the land of the Maasai was grabbed by the white. That was when the discoverers came to Kenya and men like Lodwig Krapf, men like David Livingstone, and the rest, they refused to start education in Maasai lands so that they get chance to grab their lands and therefore as such we would like that the Maasai lands which has been grabbed by the white, and after they have gone other tribes have taken it to be a back to the owners. And if it is possible any land which is not settled by now should come directly and first to the owners.

Now I come to the Education. I also term the Maasai as one of the group which is said to be marginalised group. Now education in Maasailand is poor simply because the Maasai lands are moving people, they follow the pastures and therefore their children do not get enough time to go to school. When elections are made for secondary schools or universities, they should be considered and should be given a certain percentage and of course the points should not be you know graded as other groups which have gone far in Education so that they can as well as come up in education.

About the Natural Resources like the wild animals, like the forests these should be entirely be managed by the owners of the places. Let say for example the wild animals. We know that really that the wild animals in the Maasai lands are free, they are not been detapped and of course they kill the Maasai they graze on their land, they use the water and when they kill a person of course the Maasai is not for the man, he is not compensated in the way he should be. But otherwise – but therefore way know that traditionally we the Maasai when one person kill the other one we compensate by paying 49 animals like cattle or 249 sheeps. Therefore these person should be compensated by being paid five million or even over.

Now I come back to Trustlands. The Trustlands I feel they should be owned by the people of the area. Lets say like the forest, let be owned by the people of the areas lets say like the forest, let be owned by the people of the area, let the Keekonyokie own their own land, own their own forest, because if they not done so, then the Local Government or the Government will get the chance to grab it and take it the middle men.

Culture – is spoken alot about culture, we Maasai are proud of our own cultures because our own culture is not polluted, it is still original, and this is why other tribes have admiring it and have used it to apprehend their ride and their lives. Therefore we are not ready to see the picture of Maasai being on the calender or people calving of the Maasai or people putting on the Maasai uniform and then they gun of being taken pictures to evict themselves.

Something about selling and buying of land. It is true to buy and sell the land. but since the Maasai have not yet known the use of the land and has not yet known how to utilise their lands, of course the title deed should bear the name of the family, the name of the husband, or the head of the family, plus the wifes and even the children, if it is possible. And of course the Land Control Board should be started right from if possible right from the family ground up to the national level to stop the selling of this.

Lastly, I would like to talk something about baggling. Baggling in our Maasai land should be highly respected simply because we have other big men and even leaders who incite people to come into other people lands because they don't respect the baggling. They continue even to tell them that the title deed is just a mere paper. But I am sure Kenya as a whol has its own title deed and it is respected by other countries around it, Therefore our local baggling should be respected. Thank you.

Com. Issac Lenaola: Thank you Bwana Koisaba. Please register. Francis Mathenge, Francis ole Mathenge, I did call Kasii where is Kasii. Are you here Simeon Kasii endelea.

Simeon Kasii: Mine are brief. Thank Commissioners. I am Kasii Simon. Nawashukuru sana. Kwa maana nimewatarajia, na tunaomba maombi ya nyinyi kutwambia kwamba, kabla sijapeana maoni yangu ningeulisha, kama muna mpango wa kuenda Bibrion ama ndani ya Suswa.

Yangu iko hapa nina shinda. Tunaona kwamba mali ya uma haitumiki ilivyo. Tuna barabara hapa, tuna hata si need mambo ya barabara mtu ameongea. Kuna simu ilikuja hapa, kuna stima ilikuja hapa, na hajifika mwisho wake. Ni mali yetu yetu ilitumika kwa njia isiofaa kwa hivyo tunaomba Katiba hii itusimamie.

Pili ya barabara yanapewa wapi wanakunja wanakula tu na hawa simamiwi mali ya uma, mali ya wananchi tunataka mtusimamie Katiba hii mpya.

Tatu ukanisa – mimi yangu ni mafupi sana. Tuwe na uhaki wa Kanisa iwe na ardhi yake shule ziwe haki zao kwa Katiba. Mtusimamie tunaomba sana.

Nne mamlaka yagawe. Tunaona kama ni mwalimu anapewa headmaster, mwenyekiti wa kila kitu tafadhali, na hiyo imeongewa na wezangu hapo awali kama ni President, President afanye kazi ya President, lakini sio ya Vice-President. Na ndiyo tunaanza

tunasema mwalimu akiwa ni headmaster, afanye kazi ya Headmaster. Kama ni Deputy afanyanye. That one is very important. And there should not be (inaudible).

Ya in Province: Hii mambo tumelema, tumelema, na sijui hii Katiba mpya kama itatusimamia.

Mambo ya kinua mgongo kitu kidogo kidogo, kitu kidogo hatutaki. Katiba mpya isimamie. Ione ya kwamba hatufanywi hivyo. Mtu akiuiza shamba mti kwake shambani afuatiwa hatuna haki mtu ako na title deed na huna haki. Kwa maana unafuatwa. Mpaka waoje mpaka wanyue. Nini hiyo ni haki ya mtu.

Nina moja mambo ya uchaguzi. Tuepewe uhuru wa kujitawalia uchaguzi iwe ni Councillor, iwe ni nani, tuwe na uhur. Katiba mpya tunaomba, ihushike na itusaidia. Tunaomba kwa Mungu atawasaidia na tunafika Mungu awasaidia. Mtuundiwe ulewewano wa watu, tushiwe na mipako, tuwe na uhaki wa kila mtu.

Com. Issac Lenaola: Asante Bwana Kasii. Josepha Kamau. Bwana Kasii enda ujiandikishe. Joseph Kamau, Soitcita Nkukuu. Edward Payii.

Samson Soitcita Nkukuu: Kwa jina naitwa Samson Soitcita ole Nkukuu. Nina washukuru sana kwa kutufikia, na maoni yangu ni machache tu kwa sababu mengi hamesemwa. Ni kuhusu land. Tukisemema habari ya nchi ya wa-Maasai ilichukuliwa na kulikuwa na ma-Agreement yaani Treaty ya 1904 na 1911. Wakati huwo kuna nchi ya wa-Maasai ambayo iko karibu tu wale ambao wako hapa. Yaani hapa Suswa mapali wanaita Kingdon ama Akila Ranch. Nchi kama Akila yaani hiyo shamba kama akila, katika mwaka wa arubaini na tano, 1945, Wakati Wa Second World War ndiyo wachungu walikuwa wakija wanatukuta tukichunga karibu Longonot, Mliluya, kwa sababu kuna majina mawili iko Mliluya na Longonot. Wazungu wanakuja pale tukiwa tunakwenda kurisha ngombe mpaka (inaudible) siku hizi tunaita Helshgate. Wakitukuka pale wanatwambia kwamba kama sisi tukikuta nyinyi kesho, tutashika ngombe yenu, tutashika mbuzi yenu, kwa hivyo tunaka mhame hapa. Kwa hivyo sasa kama hiyo, hiyo haikuwa na Treaty kwa sababu yale ni juzi juzi tu.

Tukisema hii ya (inaudible) ambayo mahali mnaona hata tukitembea na motakaa, kutoka mpaka the last town kuenda hivi, mtaona kwamba hiyo mbugani yote hakuna mtu na kwa sababu wazungu walichukuwa mwaka wa hamsini na mbili, ndiyo wakati walipoachwa walipokuja wakati wa Emergency ndiyo wakati huwo mzungu alikuwa akija akisema ya kwamba tukiwakuta kesho hapa tutakama nyinyi. Kwa sababu sisi ni watu wa kuhama hama, wakati tulishi upande wa mbugani huko chini tukielekea upande wa Magadi, tunaacha hapo sehemu hiyo. Tukikuja kesho yake tunakuta hao wamesha kuja Rumuruti. Sasa kitu ambayo ilioko ni ya kwamba wazee wengine wanasema kwamba hiyo kitu tungetaka tununue ama tuchange pesa na wakati mwingine ndiyo ikiwezaka. Mimi kwa mimi singesema kwamba tuchange, kwa sababu yake hata wale ambao wamechukuwa wakati huu, wale ambao wamepewa ma-hospitali ya juzi, ile ambao liyoko, viongozi walikuwako, hakuna kitu walinunua. Hiyo shamba hakuna senyenge, hakuna senyenge ambao inaweza kusema kwamba tunafanya nini.

Upande mwininge umepaa wanyama, kwa hivyo hakuna senyenge, kuna kuwa na guarantee hiyo ilikuwa Trust Lands mahali sehemu hapo. Nasikia kuna moja alikuja kuchukuwa title deed karibuni tu sisi wa-Maasai kwa sababu wana hama wakati tunafuata ngombe – tunafuata nyazi, kwa hivyo nchi kama hiyo, isiwe na nini – tunatana irundishiwe wa-Maasai.

Point ya pili ni kwa wanayma. Wanyama wanatuwa kweli. Lakini wanatuwa kwa sababu wazungu yaani Serikali iliyokuwako wametufinya, wamechukwa nchi yetu, mpaka wanyama sasa wanakuja hapa karibu, mahali ambao sisi uko wenyewe. Na hiyo wenyewe tunataka iwe shamba ya wanyama kama hii ya Longonot. Kwa sababu inaitwa Iruwa tunanataka tupewe wenyewe, hiyo sisi tuwe tuna manage.

Jambao la tatu, tunataka kuwambia ya kwamba wa-Maasai na tafadhali sana ingewekwa nini, tunaona kati ya kila mahali wa-Maasai wakienda wanakuwa na shilaha. Ma-saa yote akienda nakuwa na shilaha. Hiyo shilaha si ya kupiga mtu hiyo shilaha ni lazima Maasai ambembe kwa sababu yake mahali unapita ni msitu ambao kuna wanyama, kuna kila kitu, na tungetaka sana hiyo iwekwe Katiba kwamba Maasai yote akienda mahali yoyote, tafadali asishumbuliwe kwa sababu hawapigani naye, wa-Maasai wenyewe wana sheria wenyewe kwa wenyewe mtu hawezi kupita mwininge kwa mkuki, ama kwa mshale, isipokuwa ni vita ile kubwa kabisa kuna mishale. Kwa hivyo tafadhali kitu kama hiyo wa-Maasai wapewe haki.

Ya mwisho ni lands: Mahali ya hii mashamba tafadhali sana iwekwe kwa sheria, kwa Katiba ya kwamba wakati mashamba yakigawanywa, wale watu wa land demarcation, kuna wa-committee ya wazee, na kuna wale wa land demarcation members wa Serikali. Tafadhali kuwe nyuma yao saa hiyo tu kuwe na wale watu wa survey wenyewe, wale wanaweka ile miti nyekundu ile ambao iko na alama, yaani mzee akisema ni hapa, waweke hiyo beacon. Asante.

Com. Issac Lenaola: Tunakuja maoni straight hapana historia mrefu. Maoni yako tafadhali.

Sane ole Poreka: Katiba hii ya nchi hii tumesema nchi hii ya Kenya imekuwa hata mambo ya Katiba ipitishwe hasa kwa mambo ya corruption. Sababu corruption ya nchi hii imekuwa zaidi. Hata katika wizi ya pesa ya Serikali imekuwa zaidi. Wa-Kenya wengi sasa hakuna namna ambayo wanawenza fanya kwa sababu corruption imezidi. Nakuta watu wengi wako na magari kama hizi, wengine wengi hawajiwezi. Na hiyo agenda kama hiyo hata kama ile kamati ya Bunge imechaguliwa kusimamia ufisadi hawahi kuchukuwa hatua ya kukamata wale ambayo wamehusikana na ufisadi.

Viongozi sasa wanasmekana wanafaa kuingia katika usukani sasa na wamekasifiwa na kasifa ya goldenberg. Hawafai kuingia katika Serikali. Wale wamehusikana na kasifa ya nchi hii.

Jambo la pili mambo ya kusema mambo ya masomo – mambo ya masomo ni vizuri sana lakini hata wale saa hii ambao tuko nayo katika masomo au katika Bunge, bado ni wezi. Na ni wa wakora. Kwa hivyo hata masomo ikisemekana ni masomo ni

masomo ambaye haina maana kwa sababu ni wezi bado.

Kwa hivyo hii Katiba tunasema Katiba hii itakuwa reject kama IPPG. Hii itaendelea ni kijua inatumia pesa ya nchi bure. Hakuna Katiba ni reject hii Katiba ya Yash Pal Ghai in sawa na IPPG.

Com. Issac Lenaola: Sawa sawa, asanti Jiadikize pale, sign the register, please come and sign. Michael Kukutia. Mitia Kipatoi, Felista Tanyasis, njoo uzungumshe. Sema jina halafu uzungumshe.

Felista Tunyasis: Kwa majina naitwa Felista Tunyasis, na mimi kwangu ni hapa, ni mwenyeji wa hapa. Sasa kwa maoni yangu ya kwanza ni kwamba sisi ni wazazi tuna watoto ambao tumepeleka shule, tunawaosomesa kwa shinda, na baada ya watoto kumaliza shule, wanaturundia tuwasaidie na wamemalisha shule, tumewasomesa, ndiyo wapate kujisaidia. Kwa hivyo tunaona hapo ni hili watoto wetu wakimaliza wanapatiwa nafasi ya kazi ili wajipatie mapato au wapate kujisaidia.

Lingine ni kwamba tunaomba kwamba tuna toa kodi ya Serikali kwa kila njia, hasa kw vyakula, tukinunua chochote, ina hiyo kodi ya Serikali.

Na wakati tunagojeka, mtu akiwa na ugojwa bado huwezi pata matibabu bil pesa, lazima upate matibabu na uwe na pesa. Nafasi zingine huna chochote, umekuwa mgonjwa, ama watoto wamegojeka huwezi kupata msada, saa ingine umeteseka tu mpaka unadhofika, kwa hivyo pendekezo ni kwamba Serikali iweze kutusaidia, kuweza kujuwa kwamba tutaweza kufanya nini ili tuweze kupata matibabu ya bure kwa sababu hata tunatowa hiyo kodi ya Serikali hakuna mahali hatutolewi.

Pia watoto wetu wapatiwe kazi. Ndiyo wapate kujisaidia, kwa sababu tumetoa pesa miangi chungu zima kwa kusomesa school fees ni kubwa lakini hawapati kazi, wanaturudia tu manyubani.

Jambo lingine ni kwamba tunapata shinda sana hata sisi akina wamama, wakati tuna shinda ya maji. Maji ndiyo shinda yetu saidi. Ha hasa sisi kama wakulima. Tunalima vyakula na hatupati soko ya kuuzia, au ina nunuliwa kwa bei baya ambaye unalima unatoka mikono mitupu. Mwaka nenda rundi leo mwaka huu unalima mwaka mwingine ukienda kwenye begu ni bei ya juu, madawa ni hiyi ya kuweka kwa vyakula kwa sababu ya pengine ya wadudu bei ni juu. Kwa hivyo tungependa hata Serikali iangalie hapo ili tuweshe hata kupata bei nafuu kwa upande ya kilimo. Nafikiri nifikishe hapo.

Com. Issac Lenaola: Jiadikishe pale tumeshukuru. John Nairraba.

John Nairraba: Kwa majina mimi naitwa John Nairraba nani na wakilisha Kanisa la ki-Katoleki hapa N/Enkare. Basi tungepitia kwa maoni yale ambao labda tungetaka Katiba ambao tunatarajia kuirekebisa sehemu ambao tunaka iangaliwe sana ni juu ya aedhi. Kila mtu apewe ardhi yake na kila mtu awe na haki katika ardhi yake. Pia tunaona wakati ardhi inagawanywa

tungetaka iyeleze kama ni viwanja vya shule, vya hospitali, viweze kuwa vikitengwa kado kusiwe na mfarakano baadaye maana yake tunaona vitu hivi vina sahaulika kabisa kabisa na zinaleta shinda.

Pia tungependa Katiba iiyeleze hati za kumili ardhi ziwe zikitolewa baada tuseme muda miezi sita baada ya ardhi hiyo kugawanywa na kupewa mtu. Tunkiangalia katika upande wa biashara tunaona ya kwamba cess ambayo tunaipata katika masoko yetu ambayo inaenda kwa County Council, tungeomba iwe ikitumike mahali pale badala ya kupelekwa kwa Serikali ya Wilaya na iwekwe kiwango fulani tuseme kama 20% ishirini kwa mia iwe ikiwa ikipelekwa kwa Serikali za Wilaya, ingine inatumika kusaidia wale wananchi wa hiyo area.

Pia tunayo wizi, wizi wa mifugo. Katika sheria ya wizi ya mifugo, tunaona wezi ya mifugo huwa wanafungwa tu miaka saba, miaka kumi na nne, na ila hali mtu huyu wakati anapokuja kuiba, anakuja na silaha za kukuua. So tungeulishe Katiba ieleshe na ikuwe under the Hanging Act, iwe ni ghadhabu ya kifo, maa huyu mtu nakuja kule na ako tayari kukuua kwa hivyo sijui ni kwanini Katiba hailezei hapo.

Pia tuwe na uhuru wa masoko, kwa sababu mara mingi wakati na tunalima tunapata wale wakubwa wakubwa wameingiza vyakula kutoka upande ya nje na vyetu vinakosa bei katika nchi hii.

Pia upande vya viongozi tunaona ya kwamba kama ma-Chief wawe wakichaguliwa ni raia moja kwa moja sio Serikali vile ilivyo sasa. Maana yake wanaitwa kufanya interview lakini yule chief ambaye mnatarajia sio yeye hamumpati. Na kila kiongzi kama ni chief apatiwe afanya kazi yake. DO afanye kazi yake, kila mtu awe na uhuru wa kazi yake na mamlaka.

Tukiangalia upande wa Elimu, tunataka sheria iangalie hapa zaidi maana yake elimu inasemekana ni ya bure, lakini imekuwa ya juu zaidi watoto wengi ndivyo wanazurura mitaani, maana yake wazazi hawawezi kulipa kato ambayo inapanda kila siku.

Tukinagalia upande wa kazi tunaomba kama ni wakati kazi inapeanwo, katika Serikali yetu ya leo kazi imekuwa ni ya jamii fulani, jamii zingine hazina haki ya kazi. Tungependa kila mtu awe na haki ya kupewa wanapotokea nafasi katika Serikali.

Pia kama ni uchaguzi kila chama kipewe uhuru wa kueleza mwongozo wake, kushiwe na vyama ambavyo vinazuiliwa vipewe uhuru ziweze kuingia kwa wananchi na kuwaeleza vile wanavyotaka kuongoza.

Pia tukiwa kama ya mashule, tunauliza shule Katiba inangalie zaidi, shule zipewe hati ya kumliku ardhi ambayo hapa kwetu hazina hata kidogo na imekuwa dipo wanapokaa kama ni Local Authority wanakuja kugawanya hizo viwaja na kuzipewa wananchi na kunyanganya shule. Hiyo shinda tumekuwa nayo hapa zaidi.

Pia tungeuliza Katiba iya address juu ya maskini. Tunayo maskini wengi ambaao hawana pahali ambapo wanawenza kupeleka

malalamiko. Tungeomba kama ni Serikali iweke special office ya hawa watu ambapo wanaweza kupeleka malalamiko yao.

Pia katika sheria ya uridhi, tungeomba kuwe na usawa. Tumeona ya kwamba juu ya uridhi siku hizi kumekuwa na farakano mzee anapokufa unapata mama amekatashwa kumridhi mzee wake. Kumekuwa watu wengine ndiyo wanakuja kumridhi. Tungependa sheria hii iyangaliwe zaidi.

Pia tuangalie juu ya wa-mbunge tungependa Katiba iya address wa-mbunge wasiwe wa uhuru wajiongeza mshahara wao laini kuwe na tume maalum ambayo itakuwa ikiangalia juu ya msahara yao. Lakini sio wao kukaa chini na kujiongezea mshahara.

Pia tungetaka kuangalia katika uhuru wa kuambudu. Uhuru wa kuambudu ungefaa tena unchunguzwe zaidi maana umelete mambo ambao sio mazuri, maana yake hapo ndio tumewesa kupata ndini ambazo hata hazimwabudu Mungu na tunasema sisi ni taifa wamcha Mungu tungependa Katiba hii iangalie zaidi maana kumetokea na madini mengi ambayo mengine ni kumwabudu shetani.

Mwisho tungetaka kuwe na free medical services for all Kenyans. No cost-sharing, the Government itupati services kamili katika ma-hospitali yetu. Asanteni.

Com. Issac Lenaola: Asante mwalimu kwa maoni yako. Jiadikize pale. Nyekerei. Kuna mtu mwengine hajazungumsha angependa kuzungumsha. Watu utatupatia maoni yako. Okay baada ya huyu tutafunga na maombi.

Vicent Tekerei: Asante sana ma-Commissioners kwa kunipatia hii nafasi. Mimi nafikiri nitaongea mambo mawili moja ambaye. Jina langu ni Vicent Tekerei. Na mimi ni coordinator wa disabled people hapa Narok. Na ni maneno mawili tu nataka kusema. Ya kwanza ni ya kwamba uchumi wetu ni lazima tuutushe na njia ya kuituza ni to resustate formal market, through parastatals, tuna NCPB, DC zote vile vitu ambazo raia wana mahali pa kuuzia chochote. KMC hizo organizations ambazo zinapatia raia market. Ndiyo uchumi wetu utakuwa. Hizo zikiisha na sisi tukushe.

Kitu cha pili ni mambo ya ardhi. Kwanza nchi ya Pastoralists ina shinda sana hapa Narok kwani nchi mahali pa-kubwa pame-chukuliwa na watu tofauti tofauti. Na njia ya kujaribu kuwapatia hawa jamii hii haki hiyo kwanza hii district au district pastoralists iwekwe under cross districts. Ndiyo wapate kutengeneza mambo yao ndani, wakisaa yatengeneza hapo ndani ndiyo basi mambo ingine itawesa kundelea.

Kitu cha pili ni ya kwamba title deed za nchi za pastoralists, zizitumie kama corruption kwa ma-benki. Kwa sababu wanapewa ile inaitwa referral interest kubwa sana na baada hiyo interest kubwa hiyo nchi inaenda kuushwa. Kwa hivyo ni njia ya kuongesa umaskini.

Kitu kingine ningependa kusema ni ya kwamba kwani ni sababu gani wa-Maasai hawa kusign hii Independent Constitution ya 1962, hiyo ni kwa sababu hali ardhi haikuwa imekubalika. Kwa hivyo hii Constitution ambaye iko hapa sasa, kwa kweli kwa wa-Maasa as far as land is concerned hakukubaliana nayo. Kwa hivyo hiyo sheria ya ardhi vile inahuwa wa-Maasai sio ukweli. Sisi bado tuko vile tulivyokuwa zamani. Kwa hivyo ningependa yaani tujuwe ya kwamba – mapendekezo yangu hiyo ni ya kwamba ile ardhi yoyote katika hii district ya Narok ambaye imekuwa title deed hizo vitu zinfaa kuwa revoked kwa sababu kwa Lancaster House Conference ambayo hii Constitution iliazishwa wa-Maasai hawaku sign kwa sababu ya hiyo mambo ya ardhi na bado ya hawaja kubaliana hata sasa na hakuna kikundi cha wa-Maasai viongozi wameketi na Serikali.

Kitu kiingine ambacho mimi ningependekesha, ni ya kwamba ili hawa watu pastolarists wapate haki yao ya ardhi hata kwa siku sinjazo ningeomba tafadhalini muweke katika Katiba yale ya marshati, au ile sheria ya United Nations Draft Declaration of the Rights of the Indigenous people. Asante.

Com. Issac Lenaola: Vicent jiadikishe pale. Benson Torom. Ulikataa kuzungumsa asubuhi, sasa uko tayari toa maoni yako, sema jina na uendelee.

Benson Torome: Kwa majina yangu naitwa Torome Benson. Mimi maoni yangu ni kuhusu vijana. Sisi kama vijana tuko na shinda kubwa sana kwa maana huwa tunamalisha shule, hatupati pesa za kuendelea, kama wazazi wetu hawana pesa za kuendelea. Pendekezo langu hata sisi kuwa vijana tushiangaliwe mashilahi yetu.

Lingine ni kuhusu watoto wetu. Watoto wetu siku hizi, wazazi wao hawa shughuliki kwa sababu ya masomo hata saa ile wanakosa pesa watu wanaenda sokoni kupata kazi zao. Kuna kazi wanafanya huko sokoni. Pendekezo naomba hiyo Katiba itawesha kuangalia hiyo maneno.

Jambo la tatu tunaomba hata Keekonyokie uwe na Mbunge.

Jambo langu la mwisho ni kuomba hata pia wamama wetu hata wao wajaribu kuangaliwa kwa maana ile mazao wanapata wakipeleka sokoni imekuwa ni kama hasara. Asantini.

Com. Issac Lenaola: Mzee kuja Bwana Ngaruiya. Sema majina halafu tuendelee.

Amos Ngaruiya: Jina langu Amos Ngaruiya. Ninalotaka kusema ni kuunga mkono neno la wizi. Kenya ina taabu kubwa kwa ajili ya wizi. Hakuna mtu, watu si maskini Kenya lakini huwezi kuweka biashara, mali itakuja kuchukuliwa usiku. Huwezi kufuga ngombe itakuja shukuliwa usiku. Sasa watu wanakuwa maskini. Nimeskia mama mwingine anataka creameries hapa ya maziwa. Lakini hii ni kama kutoa pesa kumpa mtu bure. Maana itakuja kuchukuliwa. Kwa hivyo sisi – hiyo ninasema kama ingewezekana Serikali ingelinda mali ya wa-Africa kama walivyokuwa – polisi wakilinda mali ya settlers. Maana settler

akipiga simi hivi polisi wanakimbia mara moja. Sasa mimi nikiita polisi si waoni.

Wizi wangombe kama ilivyo Katiba ya kiasili ni kuuwa. Mwizi auwawe asiwachwe. Maana akiwachwa kesho atakuja kupiga tena. Hii ni Katiba inafaa kuchukuwa na Serikali hapana shauri ya tutikuhe hiti keri. Hapana si hiyo hapana mzuri. Kusema at si fisi mara mbili. Na wizi wamesidi. Na hii inaletwa na ulevi ya pombe kama alivyosema mtu mwingine ulevi wa pombe unazidi dani ya Kenya. Na ndiyo inaleta ugonjwa wa wizi. Na ulevi wa dawa za kulevia inaleta taabu ya wizi, na mwizi akinyongwa moja mbili sisi sote tutaogopa. Asante sana.

Com. Issac Lenaola: Tumefika mwisho. Asante kwa maino yako tumefika kikomo cha kikao hiki tungependa Bwana Sombe atuombee halafu tufunge.

Prayers. Basi naomba tu tusimame, wale wana kobia wanawenza kutoa ili tupate kuomba tafadhali. Tuombe. Baba wetu aliye Binguni tunakushuru, tunainuwa jina lako, tunasema ni asante, kwa ajili Muungu wetu utaingia hapo awali tulipokulisha utuongoze na utulinda. Muungu umekuwa pamoja nasi na ma-Commissioners wa-Katiba pamoja na wananchi wote wa N/Encakare, wametoa maoni yao, na Muungu wetu unaonekana kwamba wewe ulitusaidia kwa njia yoyote ile ambaye tulikuwa naye. Na sasa Mungu wetu tukimalishia tunaomba ulizi wako, maana wanatembea na magari, na hata sehemu ile wanaenda Mungu wetu uwe mbele yao, na hata uwe dani yao kwa kila hali na hata hawa wengine watambaki Mungu wetu undelee kumbaki nao na hata kuwalinda. Tunaombea amani nchi yetu, viongozi wote walio katika uongozi, na hata nchi hii ikapate amani mara kustawi kwa kila jambo. Tunaomba haya tukijua kwamba yote (inaudible) jina safi ya Yesu Kristo Mkombozi wetu tunaomba. Amen.
