Lenaron: Kwa hivyo mabibi na mabwana tunataka kuanza. Ya kwanza nataka kuwajulisha kuwa ile siku tulikuwa Tukingojea sasa imefika kwa sababu tumekuwa tukiwangojea hao makamishina halafu tupate kutoa maoni yetu. Kwa hivyo hiyo siku imefika, mungu ametufikisha na kwa hivyo sasa tunataka kuanza na kuanzia na kazi hii nataka kuanza ku-introduce wale wazee wangu wa committee, wa constituency constitutional committee na bwana chairman na Bw. Leikum hapa, Peter Luhayo, kuna Bw. Wilson Lekipaloi(Samburu) kwa hivyo wengine watafika. Kwa hivyo hao ndio wazee wa committee yetu na ya peilie nataka kuwajulisha hawa makamishina. Com. Kavetsa Adagala ni kamishina na tena ni mwalimu na Bw. Mutakha Kangu, tena ni wakili na mwalimu wa shule university. Kuna mwingine bado atakuja tunaongojea Bw. Tobiko kwa hivyo hawa ndio commissioners watakuja kusikia maoni yetu. Na tuna Solomon Mukenion huyu ndiye programme officer, na sasa wacha nimpe Mukenion awajuliske vile tutanza kazi.

Mukenion: Basi asante bwana Saidimu, tumejisikia nyumbani vile umetukaribisha. Sasa wananchi kabla sijapeana kipindi kwa makamishina, ningependa tu kuwajulisha wale kutoka secretariat ya CKRC ambao tumekuja nao kwa ajili ya kufanya kazi. Mara moja kwa upande wangu wa kushoto hapa ni Regina Obara yeche ni kazi yake kunasa sauti zenu, tutaenda kusikiza hizo sauti na yale mambo mmesema tutaandika na kisha iwe ripoti. Hapo ni bwana Ochieng' anaandika kila kitu ile mmesema na mwenzake Dan Kimutai anafanya hiyo kazi ya kuandika. Mwenzangu programme officer Jane Mbao pale na mimi ni Solomon Mukenion, kiongozi wa kikundi katika secretariat. Asante sana sasa nitapisha kipindi kwa kamishina mbele yangu hapa.

Com. Adagala: Asanteni sana tumefurahi kufika hapa na Nashukuru kwa maombi mmeomba na pia ningependa kumkaribisha nyinyi kwa kikao cha tume ya kurekebisha Katiba na tuko hapa kama vile tulisema mimi ni Kavetsa Adagala na huyu ni Mutakha Kangu commissioner. Tumefika hapa vile tulitangaza na vile tulipanga ili tuchukue maoni yenu. Maoni yenu ya kurekebisha Katiba.

Tukiwa kwa kikao cha kurekebisha Katiba hapa, ningependa kumkaribisha nyote na kumwambia mtu yoyote ambaye anazungumza mbele ya tume ya kurekebisha Katiba anafaa azungumze akisikie kama anazungumza na uhuru bila uoga bila

kutetemeka au kuangalia nyuma yake kusema oh watanifanya nini au itakuwaje. Hivyo ndivyo tunatarajia kenya mpya itakuwa bila uoga. Na kila mtu atakuwa anazungumza mambo ya ukweli na ya haki.

Sasa kuna njia ya utaratibu ya kuchukua maoni yenu, mbeleni nafikiri mlikuwa na civic education na sisi ndio tulikuwa tunazungumza. Commission ndiyo ilikuwa inazungumza lakini sasa nyinyi ndio mtazungumza. Hii ni nafasi yenu ya kutoa maoni na maoni haya ni pendekero au proposals vile kutengeneza Katiba yetu mpya. Tunataka kila mtu ashirika kwa hii. Sasa tukitaka kila mtu ashiriki, tunamaanisha, wazee, akina mama, walemvu, watoto, kama kuna kabilia ya watu wachache hapa, wao pia washiriki, wafanyi kazi wa Serikali, na watu wote, nataka washiriki kwa sababu hatutaki kutengeneza Katiba mbaya itawacha mtu ye yeyote nyuma. Ukiwacha mtu ye yeyote nyuma basi haitakuwa tena Katiba ya watu wote.

Mkifika hapa, mtakuwa mnajiandikisha pale ili tufuate orodha na tufuate hiyo orodha. Tuna orodha tunafuata na mbele ya tume kila mtu ako sawa. Hakuna mtu ambaye ako mkubwa kuliko mwengine wala mtu ambaye tutapendelea, tuliapa kwa kazi yetu hatutakuwa na uoga na kupendelea. Sasa hivyo ndio tunaendelea na kazi yetu. Mkijiandikisha pale halafu utakuja na kuketi hapa, ni hapa na kuzungumza, presentation yako, mazungumzo yako itakuwa kwa commission, unajua hapa kuna watu wa umati, lakini sio baraza, sio mukutano wa siasa, sio mukutano wa kanisa, ni mukutano wa tume ya kurekebisha Katiba. Sasa hiyo itakuwa najua wengine tuko sharp na tunataka kuwa councillor au MP lakini hiyo tuweke kando tuchangie Katiba kwa sababu Katiba tunayoitengeneza, ni ya miaka hamsini, ya miaka mia moja, miaka mbili ijayo. Sio ya uchaguzi huu peke yake lakini ni ya vizazi na vizazi.

Sasa pia tukiwa hapa, tungependa ukizungumza, uzungumze kwa lugha inakufaa. Kama ukipenda kisamburu, sawa na tutakuwa na mtu atatutafsiria. Na tutaandika. Ikiwa Kiingereza, sawa tutakuwa na mtu atatutafsiria umati, ikiwa kiswahili, pengine watu wanaelewa au la pia tunaweza kutafsiri. Hiyo ni kwa sababu lugha pia kuchagua ambayo wewe mwenyewe unataka ni haki ya Katiba. Pia, ukimaliza hapa kuzungumza utapita na kwenda hapa kwa register, (pale nyuma Jane, tukirudi huko) kwa ku-register jina lako kwa vile umechangia kwa Katiba na hayo itakuwa kwa kumbukumbu ya tume ya kurekebisha Katiba jina lako litakuwa hapo na pia tunaandika sisi wenyewe, commissioners, kuna vijana hapa pia wanaandika, kwa njia ingine tofauti, na hapa pia tunanasa kwa tape. Sasa unajua ukisema mambo yako hata kitabu chako kikipotea itakuwa kwa tape, na hayo mambo iko kwa tape kwa mtambo huu itachapishwa kwa typewriter na itarudishwa hapa kama report ya vitu vilitendeka hapa samburu west.

Nafikiri ni hayo tu lakini kile ningependa kuwalishwa mzungumze mambo yenu kwa kutoka kwa maisha yenu kwa sababu Katiba ni maisha na maisha ni Katiba. Hivyo ndio tunataka tutengeneze isiwe kama ile Katiba ingine walitengenezea mbali hata mpaka leo watu hawaijui ni nini, au mabadilisho ilikuwa kwa bunge na wananchi hawaijui, wala hawaijui ni nani alibadilisha lakini mwishowe tumefika kwa hali ya kutengeneza sisi wenyewe, kushiriki sisi wenyewe na ni siku muhimu tungependa watu wengi waje. Na tungependa kamati chairman wa kamati ako wapi? Tungependa hapa kuweko na walemvu, kuweko na akina mama, mahali ingine tumekwenda tumekuwa na fifty fifty akina mama na wazee, na watoto na watoto wa shule wafike kama

hamjafanya hiyo mipango, mfanye iweko afternoon kwa sababu watoto ndio wataishi na hii Katiba miaka zaidi kuliko sisi. Na wao ndio watabeba historia.

Ukizungumza mwenzangu amenikumbusha, tuna njia tatu ya kutoa memorandum ama kutoa maoni. Ya kwanza ukiwa na memorandum yako umeiandika lakini unajisikia hauna nafasi ya kuketi hapa unailete tutafanya vijana wataichukua na waiandike chini na tutaenda nayo Nairobi na kuiweka kwa file ya Samburu west.

Ukiwa na memorandum na umeiandika na unataka uketi hapa na uzungumzie wewe mwenyewe, pia ni muhimu kwa sababu tunataka uje hapa lakini kwa sababu imeandikwa utadondo tu juu juu, utamulika juu juu highlights ili tujue maoni sasa lakini tutaisoma pia Nairobi, sasa hakuna haja ya kuisoma yote. Tupati nafasi pengine zaidi wale wamekuja na maoni ya mdomo na ukiwa na maoni ya mdomo utatoa maoni yako kwa dakika kumi lakini saa ikiyoyoma na watu wanakuwa wengi tutapunguza huo wakati.

Ukiwa na written memorandum ile umeandika, utapatiwa dakika tano ya kutujulisha tu ni nini iko ndani yake. sasa hivyo ndivyo tutaendelea halafu tutakuwa tunauliza maswali hapa na pale kama hatujaelewa vizuri, kufafanua zaidi. Sio kubadilisha maoni yako lakini kufafanua tu na kulinganisha hili jambo na lile na saa zingine kama tumeelewa kila kitu umesema tutawacha tu na tukushuru. Tunamshukuru nyinyi nyote kwa kufika na tungependa kuanza.

Pia, kukiwa na kama mlemavu tutampa nafasi mbele ya wengine au mama mjamzito au mgonjwa. Sasa kuna mtu hapa ambaye ana mgonjwa na anampeleka hospitali na nafikiri ni sawa tukimpa nafasi sivyo? Adamson Lenyasunya keti hapo na uenze.

Lenyasunya: Okey, my names are Adamson Lenyasunya, I work as a programme manager, with an NGO called Samburu Youth / and here I am representing Samburu district NGO development forum and there are also other presenters who will come.

Recently we sat as a member of the Samburu district NGO forum and we divided sections as far as the questions are concerned from the small red booklet and the rest will represent during the day. So, I am just presenting five topics from that small booklet and because I have written a memorandum, I will just request to take about only ten minutes and read without taking elaborations.

Com. Adagala: You don't read, you will highlight if they are matters you have discussed, just highlight it will take more than ten minutes.

The government should also establish their bursary schemes to support pastoral groups, educational system and other marginaly groups like orphans disabled and others.

Lenyasunya: As concerns food and employment, we say that the constitution should support production of food and also for livestock and crops. The government should also provide aid in terms of drought or during time of stress and I want just to emphasize on development of pastoralism production system whereby we are proposing that the production of livestock should be looked into and especially even to create employment for the people and income, we said that marketing strategies should be emphasized in arid areas.

Like now, restructuring of the Kenya Meat Commission, reviving of livestock marketing division should be revived and structured and even laws to be given to associations, training and establishment of small industries like refineries, hides and skins, tanneries, all these issues that will promote marketing of livestock and their property in the pastoral areas should be emphasized. Lastly we said that Kenyans should have access to information and this should be done through civic education and should also be considered in the formal education curriculum.

Com. Adagala: And on that I want to know whether there is an equivalent in traditional samburu society who do people counsel when they have nowhere to go.

Lenyasunya: Thank you very much. Although it is contained in the document I have just presented, you said that currently I have few players in the government. We have the provincial administration and we have the local authority and we said that the we should have one structure which should implement development of our programme within the country and we said that the highest level we should have the national planning secretariat just from the treasury.

The second one that stucture now, we should have the ministrial offices for education, health and so on and then down from there we do away with the provinces and at the district level we have district secretariat under the local authorities and the composition of such secretariat will include the elected chairman of the counsel which should be educated, which development officer and other members from the other development agencies.

Then, from there we go to the location level where we have an elected person and that person should... his education should go up to college level and from there he should be linked with the community development committees for water, health and so on. We said that the ombudsman offices should be set at the locational level and these offices it should have a maybe a /. Maybe one officer and a secretary and from there the community can air their views directly to that person and we said that if the other sectors do not provide the services for education and so on because we said that the community should have access to information and it means they will know the functions they should create.

So from that ombudsman's office, we should also have another office of the elected person now it should take the activities to that office and this ombudsman's office can link to other arms of the government to air the communities complains.

Com. Kangu: So, should it be nearly an investigation office that they investigate the complains by the members of the public or will that ombudsman have some powers to take action?

Lenyasunya: It doesn't have powers as far as the implementation of development programmes are concerned but just to... but it should be given some kind of legal authority to have the power to maybe have a complain and even confuse some legal process to those who are oppressed in the community. What we said is that we should have a structure which should implement community programmes and incase these services are not provided then these office can take up the complains.

Com. Adagala: Any equivalent in Samburu?

Lenyasunya: No, we don't have at the moment, because it is even like uncomfortable.

Com. Adagala: I am taking into some tradition. So we also want to build our tradition. So we also want to build our tradition. We want to find out if there is a connection.

Lenyasunya: We don't have a connection because initially, the communities are just living in a divisional manner and we don't have any development programmes and even currently in the interior places they don't even know what they are supposed to be provided by their councilors or whoever is there.

Com. Adagala: I am talking about the traditional samburu society maybe there is someone older who can be but I wanted to bring to your notice that when you ask for a president who is a graduate, infact I don't know why people are asking for this but they are asking, the educational level should also gear to that. Otherwise you are taking up presidency for an exclusive group. You don't have to answer now, I am just saying that everybody is up for it but I think there is only one constituency where they were saying that they want everybody to be a graduate. Let me not dwell into that now. Thank you very much. I would like to

recognize the presence of the district commissioner.

Hii ni nchi huru, tunawaambia kila siku, na ofisi yangu na ofisi ya commission ikiongozwa na bwana Saidimu tumeshirikiana sana kwa sababu watu wamejitokeza kutoa maoni na tunesema kwamba mtoe maoni bila woga wowote, hata mkiona DC hapa msiogope kusema kwamba provincial administration ina maana ama haina maana.

Muwe very free maanake tunataka kujenga nchi ambayo ni bora. Institutions zile ambazo hazina umuhimu museme hazina umuhimu, zile zina umuhimu museme zina umuhimu. Kwa hivyo msiwe na woga hata kidogo kwa sababu DC yuko hapa au nani hapa. nimekuja tu kusikiza maoni yenu kama mkenya, kama DC wenu na sikuja hapa na nia nyingine yoyote. Kwa hivyo muwe very brief asanteni.

Com. Adagala: Asante bwana DC tumefurahi. Tungependa kusikia Richmond Lekashira. Do you have memorandum we are going to be very strict on time. You will highlight a written memorandum, kwa sababu umeiandika unajua the proposals. Proposal ndio muhimu, maelezo sio sana. kwa sababu sote ni waKenya sivyo.

Com. Adagala: Oh, you are representing them all.

Lekashira : Yes, I am representing them.

Com. Adagala: Did they vote for you.

Com. Adagala: Asante sana. Sajilisha jina lako ndio ujulikane ulikuwa hapa, asante kijana. John Metsuk. Njoo utupe maoni

yako. Asante.

John: Jina langu ni John Metsuk.

Com. Adagala: Endelea. Sorry tulikuwa tunazungumza mambo ya mitambo hapa kidogo.

John: Jina langu ni John Metsuk. Maoni yangu ni haya. Kwanza kuhusu wilaya yangu ya Samburu tumeona kwamba kama sisi raia wa wilaya hii kila mmoja wetu tunataka kuwa na title deeds ya mashamba zetu.

Com. Adagala: Tunataka mashamba ikatwe kila mmoja awe na kipande chake cha shamba kwa sababu unaona kama kiongozi kila mtu iko na shamba lake na sisi kama raia wengi kumiliki hatuna mashamba sisi wenyewe. Tuko na group rights. Maoni yangu naona ya kwamba hatufaidi sana na group ranch kama wale wananchi wa kenya wengine wako na title deeds ya mashamba zao. Hata tukitaka kuweka title deed labda pengine ukitaka loan hatutapata kwa sababu hatuwezi kupata loan kwa sababu hakuna cheti cha kumiliki ardhi ambayo inaweza kusimamia sisi.

Ya pili, maoni yangu ni kutaka kwamba rais wa jamhuri ya kenya asiwe na uwezo kabisa kabisa, sheria yote kuwa mikononi mwake. Kuna maofisi yote ya kisheria Katika taifa letu iwe mikononi mwa president.

Ya tatu, haki ya taifa letu iwe kwa kila mmoja wetu. Kama haki haitekelezi, kifungo cha pili cha wimbo wa taifa inasema haki iwe ngao na mlinzi basi kama haki hakuna iondolewe. Nasema hivi kwa sababu gani, zamani nilisikia ... mimi sikusoma lakini nilisikia (inaudible) hiyo nafikiri ilikuwa wakati wa ukoloni. Tunataka haki kwa maskini iwe sawa na tajiri.

Ya nne, sheria kuhusu traffic, matajiri hawawezi kuandika tajiri mwingine kuendesha gari lake. Matajiri wanaandika maskini kuendesha gari. Tajiri akikosa kununulia gari pass, driver anaandikiwa (inaudible) licence ya dereva na kuchukuliwa driver licence.

Tajiri asipoweka gari yake barua ya barabara, driver anaenda kotini. Hivyo basi ninaona ya kwamba kwa miaka tatu, tajiri mmoja anaweza kuchafua licence ya madereva kumi. Sasa maoni yangu naona kama dereva akiwa mtu maskini inainua haki yake sababu dereva anaenda kotini, tajiri haendi kotini. Ingefaa sheria zirekebishwe. Kama tajiri hawezi kuweka gari yake licence na kuweke pass mpya basi ye ye apelekwe kotini badala ya driver kwa sababu gari ni yake sio ya driver.

Com. Adagala: Endelea.

John: Jambo la nne ambalo ni la mwisho ningetaka sana Serikali iweke sheria kwa upande wa kilimo kwa sababu uchumi taifa letu linategemea kilimo na naona ni kama Serikali ina/ sheria kwa upande wa agriculture kwa sababu bila chakula mtu hawezi kusoma, bila chakula mambo mengi hayafanyiki. Kwa hivyo naona kama upande wa agriculture hasa hata wilaya ya samburu

haiwekwi maanani sana na kama ni uchumi wa taifa letu la kenya mbona inarejea kwa sehemu fulani?

Pia, sisi kama wa Samburu, tunapata Serikali ilete machine kama saba na watu ambaye ni wataalamu na tuko na wataalamu wa agriculture lakini wataenda wapi kama hakuna kitu ya kufanyisha kazi. Tungetaka Serikali sababu inasema inainua hali ya umaskini wa watu. Serikali ijaribu kuwaweka watu kuinua agriculture kwa wilaya hii kwa sababu tegemeo letu ni kilimo na mifugo. Mifugo hakuna mahali ya kuuzia, KMC imekwisha na ndio uchumi wa Ulaya ya Samburu. Michanga yetu tunaweza kulima / tractor za kulima hakuna kabisa kabisa, tractor za agriculture labda ni tatu na officer wa agriculture hatanunui yao kwa hivyo tunataka Serikali iangalie sana pande ya wilaya hii kwa mambo ya kilimo ili sisi wasamburu tupate keki ya taifa letu kama watu wengine vile wanavyovuna.

Com. Adagala: Ungependa vipi kwa upande wa mifugo?

John: Ningependa pande ya mifugo kama / ipanuliwe, ichukuliwe tena ama kuna watu ambao wanapeleka nyama nje ya nchi hii. Kama kuna uwezekano samburu wako na ng'ombe na tuko na viongozi, wangechukua hatua ili hata sisi kwa wiki ishinde ng'ombe na iende ng'ambo tupate pesa kama vile watu wengine wanapata pesa ya pyrethrum na maua hata ile inakuja hapa unapata.

Com. Adagala: Na upande wa KMC ungependa ikuwe vipi, unasema ipanuliwe. Unajua, tumekuja hapa ili wewe utuambie kwa sababu wewe ndiwe mfugaji. Sasa ungependa iwe vipi kuna wafugaji wa maasai, kuna wafugaji wa Somali na kuna wafugaji wa Turkana, wa Pokot, wa Marakwet na wa huku. Ungependa KMC ikae vipi?

John: Ningependa Kenyan commission ikae karibu na wananchi kwa sababu Serikali inasema maendeleo iwe karibu na watu.

Com. Adagala: Ungependa iwe vipi?

John: Ningependa ijengwe Kenyan .

Com. Kangu: This issue of free from religious organizations, In other places people are telling us that nobody should be exempted from paying tax and of course the evidence in the ground now shows that a lot of corrupt people when they want to bring in / tax, they register funny religious organizations and they steal from the people by claiming their religious organizations, they should be given tax exemptions when infact they are bringing things in for business. Don't you think we will be leaving that will continue being abused and in any case freedom of worship has made us allow everybody to start anything. We will end up with everybody bringing in things claiming he has a religious organization.

Medo: Infact right now, there are so many people who are avoiding paying tax can do us capable. So, likewise maybe even that one the government should be very strict then maybe at the checkpoint, where checks are entering the country, if only they

propose maybe those people who are not corrupt, then nobody should avoid that.

Com. Kangu: It is said that we have too many corrupt people and we are trying to fill the loophole. So if we leave this thing of religious organizations we would have left the room for them to sneak through. They will be telling us that they are religious.

Com. Adagala: You are saying that places of worship should be free of nuisance and some people are saying some places of worship are a nuisance. Especially me from western Kenya I know what they mean but religious worship is very /. But you see what I mean that some people think being woken up at five in the morning with a loud speaker and other street people singing in the night is a nuisance even devil worship. So you need to kind of ... but I understand what you mean only that you I have followed it is important. Now I want to ask you about the Kenyan week. How will it look? How would you want to be because we have to put all these together. There will be the Muslims with Friday or holiday, Seventh Day Adventist with Saturday or holiday and the rest of the Christians on Sunday or holiday. How will we work out our work with these?

Com. Kangu: We are not sure that it may end up that. Muslims might say theirs is Thursday. Another one may say that his is Wednesday.

Medo: You know we are taking into account constitutional rights and problems because actually it has happened that their holiday is Friday and we are required to observe the prayer as from 7th...

Com. Adagala: We know all these. We want to know we are all Kenyans, what will it mean between work and worship for all of us. We even have Christians the same way. What does it mean for all of us. Okey, you don't work on Friday then you work on Saturday and Sunday, the SDAs will not be there, supposing it is one organization and then the SDAs are not there on Saturday and then the other Christians are not there on Sunday. So we want to know whether we should have a seven-day work week with everybody taking their religious freedom or we have a four-day work week.

Medo: These are not actually in mind; we are saying at least up to 3p.m, you can report back after you have completed your prayers, that is not the whole day.

Com. Adagala: Asante sana kwa maoni yako. Geoffrey Macharia, yuko? Itika na sauti ili tujue.

Macharia: majina yangu ni Geoffrey Macharia. Yangu nataka kama coordinator. Mimi nitaongea na kiswahili yangu ni maoni yangu na kama kuna mtu atasikia kwa ofisi yake nimegusa, mimi siko against kwa mtu yeoyote.

Com. Kangu: Zungumza tu, tumesema uko huru kuzungumza yote unataka, nobody will harass you from here.

Macharia: Sasa maoni yangu ya kwanza mimi ningetaka Katiba ile itatengenezwa kila constituency iwe na ofisi ya mbunge yule atachaguliwa na hiyo ofisi iwe na karani, iwe na office messenger na security. Mbunge atengewe siku yake ya kuona watu. Awe anaona watu kwa mwezi mara mbili kwa ofisi yake na hiyo ofisi ijengwe na Serikali sio mtu binafsi.

Yeye naye awe na ma-committee wake wa kumwambia tutakutana siku fulani. Yangu ya pili, mbunge ni lazima azungumze hali ya mbunge, mbunge ni lazima atafika kenya apate kura hamsini na tano kwa mia, 55% ya zile kura zilipigwa. Na yeye naye tuko na shida mingi sana katika kenya. Kama ni msamburu anafanya kazi au unafanya biashara katika central province yule mbunge ako huko haamini yule mtu ametupea yeye kura. Akipeleka malalamiko yake hachukuliwi kama mtu. Kama ni mkikuyu ako hapa, mbunge yule ako hapa, yule akipelekwa mara mingi yake yeye hachukuliwi kama mtu. Watu wengin tuna shika hapa Nairobi, msamburu au yule mwengine mkabila akipata taabu huko hawezি kupeleka shida kwa yule mgonjwa pahali anakaa kwa constituency hiyo. Mpaka alalamikie Serikali. Yangu ya pili ni haya ya mishahara ya ma-councillors. Councillors tafadhali

waangaliwe wako chini sana. Watoe angaa fifty thousand shillings na wawe na. Wakitoka huko mtu akimaliza kipindi ya pili, akichaguliwa anamaliza miaka kumi basi huyo awe na.

Ya tatu, ni ile ya president wa kenya hii. Sizungumzi juu ya mtu. Nasema president asikuwe asiwe yeye ndiyo mwenyewe anajua hali ya election. Yeye binafsi, kukiwa ni siku ya elections inafika tupewe muda kama ya miezi tatu na posters zizazwe na whole country tujue tutafanya elections siku gani. Na yeye apate hamsini kwa mia kwa kura zote ziko katika kenya. Na apate 25% kwa ma-province yale yako.

Ya nne, president asiwe ametoka constituency yoyote. Na kama mtu anapigania kitu cha president, akishaanguka automatically apewe nomination kuingia parliament. Na yangu ya mwisho, ni kusema kuwe na commission ya kuchunguza wale watoto wote wazazi wao wamefiwa au wazazi walifariki kutokana na ugonjwa wa AIDS. Kuwe na commission ya kuangalia hawa watoto watasoma namna gani, watapata chakula namna gani kwa sababu iko wengine wazazi wao wakikufa baba amekufa, mama amekufa, hawa watoto wanaachwa /. Hakuna masomo hakuna chakula. Yangu ni hiyo.

Com. Adagala: Asante sana. Kuna swali kidogo hapa.

Com. Kangu: Mzee unasema mbunge apate kura hamsini na tano kwa mia 55%. Na tukienda kwa kura na tupate ten candidates, mwishowe hakuna yule amepata 25% tutafanya nini. Swali la pili, umesema president asiwe mbunge ama candidate anapigania presidency asipiganie uhuru na yule ameanguka apatiwe awe nominated kuingia bunge. Bunge itakuwa na wabunge wangapi kwa sababu ukisema hivyo na mimi nataka kuingia bunge, kitu cha rais kufanya ni kujifanya nataka kuwa president. Najua nitaanguka tu lakini naingia tu. Tuta-limit namna gani?

Macharia: Hapo ningerudia na nitakujibu. Kama yeye hatapata 35% ya kura ile imepigwa the whole country asikuwe nominated kuwa parliament.

Com. Kangu: Ile ya kwanza ile ya 65%.

Macharia: Hiyo ni ya mbunge. Nasema ya president.

Com. Kangu: Niliuliza tukienda kura na tupate hakuna yule amepata 55%, tutarudia kura ama namna gani na ikiwa tunarudia, itakuwa ni kama pengine tutarudia nchi mzima, tuna pesa ya kutosha kufanya kura mara mbili, tatu, nne.

Macharia: Ningesema, nchi yetu sio maskini. Number ya kwanza na ya pili warudie.

Com. Adagala: Ulilalamika sana kuhusu ubaguzi upande wa mbunge kama wewe ni mtu ambaye anatoka sehemu ingine.

ikipatiwa hatia kama hiyo kwa mbunge nini ifanyiwe lakini sio kulalamika tu kwa sababu hiyo ni ubaguzi, discrimination. Na ni jambo ambalo sio nzuri kwa Katiba kuwa na discrimination. Tufanye nini kwa hilo.

Macharia: kwa ile ofisi nilisema kuwe na committee yake, kuwe kuna mchanganyiko ya makabila ya kupeleka malalamiko kwa huyo mbunge na yeze atachukua hatua aone namna gani kwa nini watu wanalamika.

Com. Adagala: Hatua gani,

Macharia: yeze mwenyewe akiletewa malalamiko, kamiti itajua ni hatua gani itachukua.

Com. Adagala: Asante sana. kwa maoni yako.

Macharia: pole, iko mahali nilikuwa nimesahau bwana commissioner. Nilisahau kusema Kenya tuwe na election ya mabunge kwanza. Separate.

Com. Kangu: separate, asante hiyo ni point

Macharia: na ya pili tufuate ya present. Okey asante.

Com. Kangu: okey tumeandika, sijalishe hapo. James Muita. James ninona umebebana na makaratasi.

James Muita: nime kuja na makaratasi bwana commissioner. Kwanza nawasalimu sana hamjambo.

Com. Adagala: hatujambo, uta highlite.

James Muita: okey nita highlite.

Com. Adagala: ile tulifudishwa kwa shule ya highlite. Na una dakika tano.

James Muita: okey sawasawa, kwa majina ni James Muita Kabera ingawa mliniandika hapa Muita Kabira, na yangu maoni yangu ya kibinagsi.

Yangu kwa katiba tunataka katiba ambao tutaandika iwe ni katiba ambao tutaandika iwe ni katiba itawaunganisha wananchi wakenya kukaa mahali moja bila chuki yejote.

Ya pili, mimi ninataka bunge iwe tu ya kuchunga katiba lakini si wabunge wawe watu wa kutunga katiba. Katiba iachiwe wananchi. Mimi ninasema hatutaki aguze hata sehemu moja bila kuwa julisha wananchi au hata kuongeza. Tuliona kama vile walivuta sehemu ya 2 cap. Ya kwanza, vile waliguza. Vile vile tunataka katiba iandikwe kwa lugha rahisi ambayo kila mwananchi anweza kuisoma na kuelewa vizuri.

Vile vile ningetaka katiba ya Kenya ifundishwe kutoka shule ya msingi na kuendelea hadi chuo kikuu. Kuhusu elim, lazima serikali ichukue jukumu ya kuwapa elimu watoto wote wa Kenya elimu ya bure kutoka ya msingi mpaka ya chuo kikuu.

Kuhusu afya, lazima serikali igharimie mahospitali na matibabu yote ya mwananchi.

Kwa upande wa uchaguzi tunataka katiba iandikwe na tuwe na watu wanakuwa independent candidate maana mambo ya chama saa ngine inatuletea shida, tunataka kuwa na independent candidate kuanzia councilor, mbunge hadi president asiye wa chama yeoyote. Kuhusu wilaya li tuweze kumalisa ukabila kidogo tunataka majina ya wilaya isitwe kwa majina ya kabla fulani kama vile tunasikia Pokot district, Suba district, Teso district yaani yatafutiwe majina tofauti kwa sababu hayo majina kuitwa katika jina ya kabile Fulani kunaleta ukabila mingi na unasikia watu wengine wanasema hii ni district yetu munde district yenu na vile ninajua kwamba kama district ziliwekwa post kwa ajili ya demosstration. Tena hatutaki mtu ama kiongozi yeoyoteawe juu ya sheria, tunataka sheria iwe ndiyo juu zaidi lakini si mtu awe juu ya sheria.

Tunataka vile vitambulisho, mkenya apewe kitambulisho bila kuuulizwa wewe ni kbila gani mradi tu awe na cheti cha kuzaliwa na vle vle mkenya yeoyote apewe kitu kama passport pasipo na mambo mengi pa kumsumbuwa. Vile vle ningetaka mkenya yeoyote aandikwe kazi mahali popote alipo bila kumuliza kabile lake, mradi tu ana kitambulisho na cheti cha kuzaliwa.

Kwa upande mwingine ningetaka watu kama hakimu mkuu, mahakimu kama vle majaji tunataka wawe wanachaguliwa na tume maalum na sio rahisi vle vle na macommissioner, na makatibu wa wizara na wawe na ujuzi wa kutosha.

Kuhuzu ardhi, kuwe na kiwango maalum kama vle tunavyoju ya kwamba watu wengine hawana hata mahali ya kusikwa vle watu wengine wako na hekari maelfu na maelfu, na wengine hawana. Ningetaka kiwango Fulani kuwekwe cha ardhi ambapo mtu anaweza kuwa na kiasi Fulani, kwa mfano kiwe na kiasi ya mwisho mtu apate kama hac. elfu moja iwe ndiyo huwezi kupata zaidi ya zaidi ya hekari elfu moja.

Com. Adagala: na ya chini?

James Muita: ya chini iwe hac. kumi. Vile vile kuziwe na ardhi ambaye isiyotumiwa na watu wengine hawana hata kidogo.

Com. Adagala: pendekero lako.

James Muita: pendekezo langu, tunetaka kwasababu tunaona katika Kenya, kuna ardhi nyingi ambaye haitumiki.

Com. Adagala: pendekezo kuhuzu ardhi ambaye haitumiwi.

Com. Kangu: ile ardhi iko idle, what do you do?

James Muita: okey ile ardhi iko idle ningependa itumiwe. Wale watu hawana wapatiwe au itumiwe kwa mradi Fulani kuliko ardhi hiyo ibaki bure na huku sisi watu wengine hatuna hata chakula inatubidi hata saa zingine tuletewe chakula cha msaada.

Vile vile ningetaka kila wilaya tuanzishe ofisi ya mpokeaji wa malalamiko wa wananchi na ofisi hiyo iwe na ofisi kubwa Nairobi. Tunataka serikali iliyo mamlakani ikiharibu uchumi iweze kushtakiwa. Tunetaka pia serikali iheshimu desturi. Chakula na viywaji nya watu.(laughter) kama vile katika desturi za watu Fulani, mratina ilikuwa ni chakula yao, na pia busaa ilikuwa ni yao wakati wanafanya harusi. Sasa tunaona kila kitu yetu kinapigwa marufuku, ukipika busaa inakuwa ni marufuku, muratina ni marufuku tunataka hiyo, kama tunasema ni kupiga bombe marufuku, bombe yote ipgwe marufuku lakini siku sema hati vitu yetu ina pigwa marufuku.

Kwa kumalizia, napinga kuongezewa kwa muda wa bunge. Ndiyo ninasema wabunge wakatazwe kuchokora chokora katiba maana inaweza kulete madhara nyingi kwa nchi. Kwa kumalizia napinga serikali wa majimbo maana italeta mfurugano kwasababu watu wengi hawaelewi na nikama serikali ya ukabila. Na tena tunataka uchaguzi wa bunge na ya Uraisi ufaywe tofauti tofauti. Haya tena serikali iweke maanane kuwafundisha watu lugha ya Kiswahili ndiyo watu wawe kitu kimoja na lugha moja na inaweza kuongewa kutoka kwa watoto hadi nyanya.

Ya mwisho, Kenya ibaki ya vyama vyingi milele.

Com. Adagala: haya ngoja kidogo, umesema definition yako ya serikali ya majimbo ina ukabila, haieleweki, ikieleweka na isiwe na makabila?

James Muita: ikieleweka na isiwe na ukabila itakuwa mzuri lakini kile tunona hata kwa mfano hata kama imeletwa kama district focus, zimekuja kuharibu maana zinaleta hata mambo ya ukabila ndani katika district focus.

Com. Adagala: okey kwasababu majimbo kwa kiingereza ni federalism, na ina aina nyingi ya federalism na nchi nyingi ziko na federalism bila kuwa na pengine hata zina ukabila ndani na zingine hazina. Lugha ya kiswahili pekee?

James Muita: lugha ya kiswahili ifundishwe kwa sana hata lugha za kina mama zizitupwe lakini lugha ya kiswahili iwekwe maanane kabisa ndiyo iweze kunganisha wana Kenya wote.

Com. Adagala: ngoja kidogo, kwasababu unasema mila zetu na utamaduni halafuunasesma kiswahili, ningetaka tu kama lugha hii, ni vizuri kusema lakini za akina mama zipotee?

James Muita: hapana sisemi sipotee, kama kiswhili iwe ni lugha ya kitaifa amabye inafundishwa na iwe imewekwa maanane kabisa.

Com. Kangu: mbano ikiwa shida ni kumaliza ukabila, tuiseme hizi lugha zingine zifunzwe kila mtu, kwasababu unajua nikielewa lugha yako hautanizengenya, na utaokopa kuzungumza kama hujui ninajua, lakini hizi lugha tunasema hii yetu, hii yetu na hutaki kujua ya mwingine ndiyo inawapatia privacy ya kusengenya wengine na kuplot against others. Mbona tuiseme we encourage the teaching of local languages mtoto anajua yake anajua ya kabilia ngine mbili, tatu inakuwa rahizi ama namna gani?

James Muita: mimi sisemi lugha ya mama itupwe, lakini wakati unaposema lugha ya kiswahili wakati unaongea lugha za kiswahili, lugha ya kiswahiliunaweza kuongea Kenya mzima na hata ukiangalia hata watoto walioko hata hii town, unasikia hata mtoto yako kwa mfano utakuta hao watoto sasa hata haongei lugha yangu, wanaongea lugha moja ya kiswahili na unakuta wanasikizana vizuri.

Com. Adagala: lakini watoto, wakenya tumekuwa wavivu sana. Mtoto kabla hajafika miaka kumi na tano, watalamu wanasema anaweza kufundishwa au kujifunza lugha kumi na mbili. Ukipita kumi ta tano unakuwa kama mimi na wewe na vitu vinakuwa vingumu. Lakini pia mtoto wangu akijua lugha yako, pengine itakuwa rahisi kuo mtoto wako.

James Muita: haya sipingi hiyo, asanteni sana. Nimeshukuru.

Com. Adagala: haya asante, tunataka William Loiriro, ujisajilishe James.asante.

William Loiriro: Asante sana commissioners, ninaitwa William Loiriro, kutoka Maralal na mimi nintoka kutoka community ya Ilkuroto. Na mimi ninaongea maneno mawili, matatu au manne hivi. Ya kwanza ninaongea juu ya serikali ya mtaa.

Com. Adagala: ngoja kidogo, watoto wa shule karibuni. Habari zenu, hii siku ni siku muhimu sana ndiyo tukawambia kamati iende iwatafute ndiyo mje kuhudhuria na kushiriki. Hatuta kuwa na siku nyingine kama hii miaka mia moja au hata miaka hamzini ijayo, sasa mkiwa hapa nidhamu. Wenyele mjiweke nidhamu msikilize yale yanasemwaa mjifunze halafu tunafikiri mumejitarisha pia kutoa maoni. Hii katiba haza ni katiba yenu ya wototo, nyinyi ndiyo mtaishi naye zaidi inafaa mjue nini imesemekana hapa Maralal, mumelewa, asante wale amabo watazungumza kama mtu binafsi au kama unaakilisha shule au darasa njoo huku ujisajilishe, mna walimu wenu? Walimu walikuja? Okey watu wanataka, kama unataka kusema jambo fulani njoo useme, na uko na haki kama yejote isipokuwa mkae kimya kama vile wazee na akina mama wamekaa kimya. Sawasawa,

haya.

William Loiriro: Asante, ya kwanza yangu ni nitazungumza juu ya serikali za mtaa, yaani local authority. Niansema ya kwamba local authority ningependekeza mamlaka au uzito ya community ye yeyote itoke kwa local authority. Ya kwanza wapatiwe, waheshimiwe ile local authorities amabye community wamechaguwa kama ni kiongozi wa local authorities ama matakwa ya local authorities waheshimiwe. Kwa mfano kuna serikali kuu serikali kuu kama administration na kuna hii serikali ya mtaa. Na tunaona katika services au huduma ile tunapata kwa ofisi ya utala na hii local authorities, naona kama sisi nguvu zetu zinapuuzwa na mtu amechaguliwa na community Fulani akisema jambo au neno mkikubaliana na haijakuwa kitu ya kusaidia mpaka iwe na administration. Kwa hivyo ninaona administration kidogo wanatukalia sisi wanataka tuwe nyuma yao na ukiona haki ya mwananchi, mwananchi anahaki kwa mtu amepiga kura yake amechaguliwa na wengi, na mtu kama chief, DC au DO kitu kama hiyo ameshaguliwa labda na watu wawili au watatu waliketi chini na kusema tuchague huyu awe kiongozi. Kwa hivyo tunataka nguvu zetu vilevile wananchi waheshimiwe wapatiwe nguvu, kiongozi wamechagua awe na nguvu ya kutumikia matakwa ya wananchi.

Na vile vile local authorities tupatiwe nguvu mambo kama mambo ya Samburu district, wilaya hii tunaona ile services kubwa ambaye tuanapata hapa, ni ya local authority. Kwa mfano mambo ya pesa, masomo kitu kama hicho huduma ya ngombe au nini maana hiyo ndiyo tunategemea sisi watu wa Samburu. Tunaona yote tunasaidwa na local authority, tungetaka local authority vile vile wakiamua na wananchi kusema kwamba tunataka county council, atufanyie jambo hili watumie pesa yao na iwe ni haki yao wahudumie wananchi.

Nyingine, mambo ya elimu, sisi ni watu wna itwa pastralist sisi ni wafugaji tunahama hama naona elimu kwetu, tunataka katiba ambaye inatulinda sisi hata tukiwa pastrolist, watu wanahama hama wafugaji maana wakati huu tunaona watu wetu wengi wamekuwa nje kwa masomo, kwa elimu wamebaki nyuma sana kwasababu mahali tunategemea, wengine wanakaa area tofauti tofauti, shida ya maji, shida ya malisho huwezi kupata yale matakwa ambaye mtu kutoka Central au mahali kama Nyanza anaweza kupata angweza kupata hapa.

Com. Kangu: sasa utueleze hii elimu unataka iwe namna gani, unasema watu wengi wako nyuma.

William Loiriro: tungetaka katiba ambaye inaangalia hata kama ni pastrolist katika sehemu ya ukame mahali hakuna maji mahali hakuna nini, tuwe na nafasi yetu na sheria ya kutuangalia hata kama tuko wapi hata kama tunahama wapi, lazima tuwe na elimu kama mwananchi mwininge ye yeyote katika Kenya.

Nyingine ni juu ya uchumi yetu, sisi wafugaji tunashida sana kwa upande wa uchumi, ya kwanza unasikia kila pahali pastrolist wako, kila mahali ni vita watu wanapigana, watu wanapoteza maisha yao, na pia tunapoteza mali. Unakuta mtu mtajiri kwa muda tu unakuta amekuwa maskini ya mwisho kama wakati huu sasa. Kwahivyo tungetaka sheria ya kulinda pastrolist na mali

yao zote na uchumi yetu ni ngombe, mbuzi na ngamia. Kwa hivyo sisi hata kwa market tuangaliwe maana wakati mwingine tulikuwa na market mzuri ya wanyama, na tulikuwa tunapata market na tunauza wanyama kiwango ile tunataka kuuza ili tupate mapato yetu. Lakini wakati huu serikali kidogo wamatuwacha kwa kando kidogo hatuna kabisa department amabye inatuangalia sisi kwa upande wa uchumi yetu ili tusipoteze mali. Jilali ikija ngome yetu yote zinaisha halafu uchumi inarudi nyuma sana. Adui tukipigana, wanachukua ngombe zote na wanaenda halafu uchumi inabaki imesoretaka. Kwa hivyo tuanataka serikali sheria ambaye inalinda pastrolist ikiwa kwa msituni, ikiwa kwa mlima na iangaliwe pamoja na mali yake.

Nyingine ni mambo ya ardhi, ardhi kwetu nianogea nikiwa msamburu, ninaongea hali ya samburu. Sisi tulisukumwa na wakoloni tulikuwa na ardhi yetu kubwa sana hii area ya laikipia ilikuwa ni yetu sisi zote, na wakati wakoloni waliingia walitusukuma tukaenda mbali sana tumeenda Samburu North tukapigana mpaka tukarudi hapa. Kwa hivyo tunasema ardhi yetu mahali muhimu yote ambaye msamburu alikuwa anategemea imechukuliwa na wazungu, sasa ikawa Laikipia district. Na bado sisi tnasema ardhi yetu hiyo mara tuna claim ardhi ya Laikipia maana sisi tumbaki mbali na wazungu wamchukua area kubwa na wakati huu wengi wamechukua ile na kuuza, baada ya kuondoka wakauza badala ya kuturudishia wanaiza hiyo ardhi tena kwa community nyingine. Kwa hivyo tunasema sheria ya kutulinda kama pastrolists watu ambaye wanaitwa ilmaa, tunataka ardhi yetu turejeshewe maana wazungu wametunyanganya area kubwa. Nyingine ningesema ya kwamba sheria ya ardhi tuweke sheria ya ardhi kutokana na community maana kama hii sheria ya ardhi wakati hii inatoka Nairobi, ile mahali pastrolist wanakaa maili elfu kumi huko chini yeye anangoja mtu kutoka Nairobi aje atawale ardhi yake. Kwa hivyo ningetaka sana mambo ya ardhi yetu turejeshewe sisi wenyewe utawala wa ardhi ije kwa community na local authority. Wakati huu watu wanagawa mashamba wakiwa Nairobi unakuta mtu ametoka Central mahali zingine Kenya yeye ako na title deed ya hii town amenda Nairobi kwa ardhi house amazunguka zunguka na amekuja na title deed ya Maralal town, tunaona hiyo ni njia moja mbaya ambaye inafanya sisi kukosa ardhina sisi tunakosa kukua community ya wtu wengi na wanakosa ardhi ina chukuliwa na watu kutoka nje. Kwa hivyo tunataka,

Com Adagala: sasa hiyo unataka tufanye nini juu ya upeanaji wa shamba, ofisi iendelee Nairobi ama mambo irudishwe hapa?

William Loiriro: ofisi itoke Nairobi ije kwa district headquater, na nyingine tunataka ardhi vile vile au mashamba. Hii mashamba unakuta mtu ako na pesa anakuja kununua shamba Samburu, ninaongea nikiwa msamburu ninaongea mambo ile ninajua hapa. Unakuta mtu ametoka Nairobi anakuja kununua mashamba hata hac. elfu kumi hapa, na yule msamburu mwenye alizaliwa hapa hata hac moja haja hesabiwa kwake, anaambiwa akae kwa group ya wengi. Kwa hivyo tunaonaardhi yetu kwasababu kuna watu matajir wako na pesa ardhi sio ya kuuza tena, ardhi iende kwa community na hiyo community apewe nguvu ili kila mtu awe na kama ni hac. mia moja. shamba ya kila moja iwe hac mia moja, na sisi tusikubali wenye pesa wanunue mashamba ya wananchi wengine. Nilikuwa na hayo tu ya kusema.

Com. Adagala: haya asante mzee, swali, unasema upande wa Asal, upande wa pastrolists kuna ukosefu wa amani? Nieleze inatoka vipi na ya mtu akinunua hac. elfu kumi na ananunua kwa mtu amabye anaishi hapo? Sasa haya maswali mawili

unifafanulie nielewe.na tunataka kujua sababu mimi vile ninajua

William Loiriro: kwa hii mambo ya pastrolilst kukosa amani, ukisikia katika Kenya leo, kuanzia upande huu, sababu ni hivi sisi tulipatiwa na nini mawazo kama hiyo, kwamba ngombe ni yule ako na nguvu astahili awe na ngombe, sasa unakuta leo ngombe ni yangu na kesho ni yako na uanfanya mwenye nguvu kama ako na silaha kali kali na nini na nini, unakuta kesho asubuhi anaingia kwako na kuhama na mali yako, kwa hivyo ile kitu mbaya tuansema tunakosa labda kulidwa na katiba ambaye iko kwa wakati hii kwasababu katiba inasema serikali lazima walinde mwananchi na mali yake yote lakini tunoana wakati hii sisi wengine tumepoteza wengi sana na hata wengine wamatoka area za kwao kwa mfano area kama za baragoi, na nini ama division ya Baragoi, na division ya Ngiro. Uki compare mbele ya 1996 na leo utakuta communities karibu watu wote wamekuwa katika hii division ya Kirisia na Loroki, kwasababu ya kukosa amani.

Com. Kangu: swal la mwisho mwanzo umesema utawala wa local authorities ni kama zinagongana, ni kama mnachagua local authorities lakini unasema wenyewe hawaja chaguliwa wana intafia na nguvu zao, sasa wewe unataka kuhuzu hayo mambo ya governors utawala hapo tufanye namna gani? Tutakuwa namna gani tupate huu ugomvi hauko ama tupate njia moja ya kuendelesha maneno.

William Loiriro: ningetaka kwanza kujibu swal la huyu, ya kununua. Mambo ya kununua shamba tunaweza kuta mtu mtajiri ako na pesa, sema mzungu ama watu wengine kutoka down country's anakuja kwa location Fulani na wanakuta area kama mahali kunaitwa Poro mahali kama highland, mahali watu wanalima kitu kama hiyo, yeye anakuta wale wachache wako na mashamba ananunua ya huyu leo kama ni hac.hamsini, ana nunua ya mwingine kama ni hac.mia moja, unakuta mwingine ana nunua hac. Ishirini, na unakuta mtu katika location moja ako na karibu mashamba kumi like kwanza hapo ndiyo tunaona pengine yule mtu anauza ako na shida akiuza lile shamba badala shinda kufungua, anasidi kujiongezea shida zaidi. Sasa ninasema tu hata kama uko na pesa namna gani, tuwe na katiba ya kulinda kila mwananchi, asibaki bila ardhi kwasababu unakuta wazee wengi wakija town kama hii wanakuta ndogo ndogo, na wanakuta adaption kwa town, anauza leo hac. ishirini kesho anauza hac. kumi, kesho kutwa ni hac. tano na watoto hawana chochote wanajua kuhuzu hii shamba kwa hivyo tunataka sheria ya kulinda kwamba ardhi hii isiwe ya kuuzwa mwishowe tutauza mpaka community wote watakosa.

Com. Kangu: mambo hiyo unazungumzia, iko kitu inaitwa land control board, ni kama unatuambia hiyo irekebishwe haifanyi kazi sawasawa, na la pili ni kwamba hata kama tunatengeneza sheria kitu nyingine unatuabia ni kwamba kuna haja na civic education kwa hao watu wasitupetupe shamba yao wakikuja hapa si kweli?

William Loiriro: ndiyo. Haafu hii mambo ya kusema, ilkuwa nini masawli yako? Hii mambo ya local authority na administration, utakuta ya kwmab sijui kama ni ile sheria iliwekwa hapa mbeleni ya mzungu ndiyo alikosea kwasababu sisi tulipo toka kwa ukoloni, wale walitoa hiyo sheria labda walitunga na kufuatana na fikira ya wakoloni na kukata kauli kitu kama hiyo,

kwa hivyo tunataka sheria, mtu yejote hata kama itakuwa mimi nimekosea ama nimewakosea kwa kusema ninaitwa Loiriro kama nimekosea mtu yejote katika community anayefanyia kazi community, tena sheria inasema kwamba uwe unachaguliwa kwa kupitia hapa community.

Com. Adagala: kwa hivyo unasema Provincial Administration isiwe inachaguliwa?

William Loiriro: ichaguliwe au tuwe na sheria ya kusema kwamba commuty tubai na wakilishi wa election waache kuchaguliwa kama itakuwa ni administration ndiyo inachaguliwa au tutabaki na local authority pekee yake mambo kama hayo.

Com. Adagala: asante mzee niona n maana sana ukiwa na ujuzi huo. Ningependa watoto wa shule wajipange wale wanataka kutoa maoni, mjipange pole pole, mna walimu wenu hapo? Committee member please find out. Tungependa kusikia George Lenguro. Okey your name and your proposals we are short of time. You have fine minutes.

George Lenguro: mimi ninaitwa George Lenguro na ninasoma maoni ya wazee kutoka Ngare Letamiyoi. Yale ambaye,

Com. Adagala: wapi hawa wazee? Okey utahighlite. Ukitosha ni dakika tano tu na inaisha.

George Lenguro: wako hapa ndani ya watu. Sasa yale tulizungumzia wali sema ya kwamba tunashukuru Mungu kwa wabunge wetu na Serikali kwa kutupatia nafasi hii kutuhuzisha sisi na kushirikisha katika kurekebisha katiba mpya ambayo wanasesma ni katiba ambayo ni ya wanakenya na nitafauti na ile katiba ambye imetengenezwa hapo mbeleni. Walisema ya kwamba hii katiba ambaye tunatengeneza, yale tumepitisha iwe inaheshimiwa na wote. Na yale yanayofuata ndiyo walikuwa wanazungumzia, walisema ya kwamba katika ukuu wa katiba, walisema katika ile bunge kutengeneza sitini na tano katika ukurasa zote za mambo huko bunge walisema ya kwamba hapana. Kulingana na maoni yao waliona ya kwamba hakuna kupitisha kupatia bunge nafasi au ruhusa ya kubadilisha chochote bila kupata 95% kutoka kwa wananchi na baada ya kupata 95% wanarudi hawa wenywewe bunge kwenda kubadilisha na kujadiliana na kupata 95% halafu warudi tena kwa wananchi ili waweze kutoa kura ya maoni na sasa hapo ndiyo wanawenza kupatiwa nafasi ya kupitisha.

Halafu wanasesma tena kutoka uridhi na upokeaji wa ardhi, walisema katiak hiyo sehemu walisema wanaonelea ya kwamba yule ambaye anafaa kuwa kiongozi wa nchi awe ni speaker wa bunge kwasababu wanasesma tya kwamba speaker wa bunge ndiyo anukuwa hapendelei chama yejote. Na yule kama ni Attorney General sababu walikuwa wanasesma ni Attorney General bado ako katika chini ya sheria ile ya raisi yule bado ako mamlakani, sasa wanaona ya kwamba uzito ulienda kwa speaker waa bunge. Wakasema tena kura ya maoni ya raisi itangaswa namna gani? Walisema itangazwa kwa radio na kwa mabaraza na pia kwa Samburu message. Samburu message ni ile inaitwa *Ilkilikway*, yaani ni ile neno unatuma mtu kupeana habari.

Nyingine ni kuhuzu mambo ya mazingira na mali ya asili. Walikuwa wanauliza, je maswali gani inayofaa kwa mazingira wanao

paswa kuingia kwa katiba? Walisema kama forest area ni sehemu kubwa sana ambaye iko na rotuba, madini, mti na sisi, hawa wenyewe wanaishi mahali kidogo ambaye wanataka ishirini na nne kwa mia(24%) wakatiwe hawa wenyewe wamilki ili waweze kuendesha na ku kuistawisha sehemu hizo. Na wakasema tena mali ya asili zipi amabye tunayo penda ilindwe na katiba? Walisema ya kwamba tukiwa wananchi tunapenda mali ya asili kama mchanga, mawe, miti, madini, maji na hata wanyama wetu iwekewe na sheria na katiba ili waweze kuzimamia. Je ni nani ambaye inajukumu ya kusimamia na kulinda mali ya asili? Ile waliona ni kwamba hao wenyewe walisema kwa maoni yao walikubaliana ya kwamba ni wazee kwasababu hoa wenyewe wanajua mali yao ya asili. Je mali zetu za asili zilindwe kwa njia vipi? Walisema njia ya kulinda hii mali yao, ni kulindwa wakati wote na sheria ya wazee mahali pale kama wanyama wetu wakihamia sehemu fulani halafu hiyo sehemu wazee watakuwa wamajua hawa wanyama wamehamia sehemu fulani halafu hawa wenyewe watakuwa wanachunga hiyo wanyama yao. Ile mapato ambaye watakuwa wanapata kutoka kwa ile wanyama yao watakuw wanaweza kulipa wale watu ambaye wanasimamia au kwa wale ambao wanachunga hiyo wanyama yao.

Je katiba itatoa kibali ili Rais aondolewe mamlakani akifanya makosa? Wakisema ndiyo Rais akifanya makosa aondolewe mamlakani kabisa, labda amekuwa Rais sasa anafanya makosa ya kuiba, au kupendelea wengine au kunyanganya, basi sheria iwekwe ya kuweza kutoa yeye asiharibu sheria ya katiba mpya. Na mahuziano gani baina ya Rais, walisema ya kwamba uhusiano baina ya Rais na wabunge wote, walisema wote ni wabunge kwa sababu ni watu ndiyo wamechagua hawa. Halafu tena wakasema Rais awe mbunge, ndiyo awe tu mbunge kama wale wengine kwasababu wanachaguliwa na watu wao. Ile sehemu ambaye wanaoakilisha.

Walisema tunahitaji utawala wa mkoa. Lakini wanasema ya kwamba wanataka ofisi ya katiba iwe katika district na pia ofisi ya mjumbe iwe katika district ili wakati wanataka kumwona mjumbe wanaenda kumwona kwa ofisi yake na pia ofisi ya councilor iwe katika ile ward ambaye anasimamia ili akitaka kuonekana anaweza kuonekana kwa haraka huko ofisini mwake, kwasababu kwenda kuona mtu kwake huwa ni mbaya sana kwasababu unaweza kukuta hata akiwa hajavaa hata nguo. Halafu wakasema haki ya jamii na tofauti za kitamauni, walisema je utamaduni yetu lazima tuifuate? Ndiyo utamaduni wetu ni lazima tuifuate kwasababu muacha mila au utamaduni ni mtumwa, hawa wamesema sisi ni polygamies na tuna tahiri wasichana, na wazee wanaleshimiwa kdesturi yetu au kitamaduni yetu basi iheshimiwe.

Haki ya ardhi na mali, walisema tena kwa hiyo sababu, je ni nani anaye pasa kuwa miliki wa mwisho wa ardhi? Walisema ya kwamba ni jamii ya mahali pale. Halafu wakasema tena je serikali iwe na uwezo wa kutoa ardhi ya mtu binafsi? Walisema la, wasiwe na uwezo iwe ni wa modal au serikali ya mtaa iswe na uwezo. Je serikali ya madola na ya mtaa pia iwe na uwezo? Walisema la, isiwe na uwezo kwasababu hapana, kulingana na katiba ya mbele ilikuwa ni mbaya. Walimaanisha ya kuwa katiba ile ya mbele ilikuwa wana uwezo na walikuwa wanalete picture mbaya kwa wananchi wa Kenya.

Halafu wakasema mapatano, walisema kuwa tunataka mambo ya mapatano yetu kwasababu sisi na Wamasaa tulikuwa tunaishi mahali au tuna pata kwa mahali inayo itwa Ildonyo le Reko, mahali ambayo inaitwa Abedare Ranges na wakati wazungu

walikuja waliweza kutupeleka na pia walisema tunataka tupatanishwe au turudishiwe ardhi yetu ama tulipwe ridhaa compensation. Halafu walisema kwa masomo tunataka watoto wetu tusomeshewe na iwe ni bure kutoka serikali na hata fedha za serikali ambaye tunapatiwa ma Kenya A au Kenya ya pili tunataka isimamiswe na tuiambiwe kwanza sisi tuendelee ili twende pamoja, na pia wakasema tunataka barabara mzuri. Biashara tuwekewe sehemu ya kuchinja ngombe kama KMC hapa Sukuta Marmar.

Halafu kwa upande wa mahakam, walisema ya kwamba tulionelea kwa upande wa mahakama haifai kabisa, tulionelea kwamba inatoshelesa mahitaji yetu, walisema ya kwamba kwa vile majaji na polisi hawafutai ukweli kabisa kwa kutekeleza kazi yao, kwasababu polisi wanashika watu kwa uongo na kupokea hongo na hata majaji wanasiliza hawa wenyewe. Sasa walisema ya kwamba wanataka sheria ya wazee ipatiwe nguvu ili hata waweze kupeana mfano ya kwa wananchi, mtu akifanya makosa au akiua mwingine kulingana na sheria ya wazee anaweza kulipa ngombe themanini na moja halafu pamija na familia yao yote, sasa hiyo inaweza kukoma.

Com. Adagala: Haya tutasoma hiyo memorandum, wajibisha wazee tutasoma. umefanya kosakubwa kusoma na kutoa toa maoni ya wazee yote. Pendekezo lao. Ungeenda na pendekezo, pendekezo, ungemaliza, lakini tutasoma yote, weak yote pamoja iwe au ishike pamoja. Watoto,

Com. Kangu: Ngoja swali mzee, umesema wakati tunaenda kura, speaker wa bunge awe ndiye anakuwa na mamlaka ya President, na ningependa uteleze wakati huo speaker anapatiwa nguvu za president zote, ama tunaweza tu kumbatia sehemu Fulani na zingine zingoje yule atashaguliwa, kwasababu unajua ukipeana zote, mnaweza chagua mwingine kama nimegawanya nchi yote.

George Lengero: Sasa hapa tulionelea ya kwamba speaker ndiyo anaweza kusimamia lakini asipatiwe yote, asimamie tu mpaka kura ishe ili awe kama...

Com. Kangu: Ni kama kusema hii hawezi kufanya, hii hawezi hawezi kufanya, hii anaweza kufanya, hii anaweza fanya.

George Lengero: Sasa zile tunasema ni zile ambayo au wabuge wa serikali ambaye itakuwa inawapatia au inayofaa kutumaini na yeye.

Com. Adagala: Okey asante, officers wetu watakuwa wakigonga dakikatano ikifika kwasababu tunaona watu wanaendelea sana kuchukua muda mrefu a watu wengi wanangojea kuzungumza. Watoto wako tayari? Wako wapi? Kwa nini mko nyuma hivyo? Songeni hapa mbele tena haraka sharp, sharp dotcom,

Joyce Njoroge: My names are Joyce Njoroge, from Moi Girls High School. Maralal

Translator: na keji ana kerrai Joyce Njoroge engwa Moi High School.

Joyce Njoroge: I would like to present my views to the commission.

Translator: Na keyeu na ninye lomon lenyena tana commission.

Joyce Njoroge: My views are about early marriages for the girls.

Translator: Na kejo lomon le nkiyama to nkerra kunini nantoye, nkiyama engolionto erra kunini.

Joyce Njoroge: You see in this place girls are over overlooked and the boys are taken as if they are only students in this place. Like

Translator: Na kejo kore na tale ochon le sambur kengori ngolionto aa ntokitin kunini nengori layok ana nkerra na neata tipat.

Joyce Njoroge: Like now here in samburu, if a girl goes to school up to standard 8, hawezi kumpatia kibali ya kuendelea mpaka katika chuo kikuu ama mpaka secondary. Anaanza kuolewa akiwa na miaka kunazia kumi.

Translator: Na kejo kore na tene kore peye esoma ngoliontoy meatabaki ngaji eissiet, neshori ake meemi meshori mpaash meshomo secondary ana si nkisoma ekwe.

Joyce Njoroge: Tena msichana akianza kuonyesha signs za kustarehe tunaona ana mzee mzima na haolewi na kijana anaolewa na mzee wa miaka sitini na miaka mia moja (laughter) kwa hivyo ningependa katiba iangalie haya maneno isiwe ni katiba ambayo itakuwa ikiwalinda hawa wasichana ni lazima tupatiwe haki ya kusoma. Na ningependa tena kuongea juu ya Female Circumcision, kutahiriwa kwa wasichana, kutahiriwa kwa wasichana hapa Samburu kumeendelea zaidi, weasichana wanaliasimishwa kutahiri na kama hutaki unafukuzwa nyumbani ama wazee wanassema watakulaani, kwa hivyo tunaona kuwa huku kutahiriwa kuna dhuru afya ya wasichana. Kwa hivyo sisi kama wasichana tungependa katiba amabye inaweza kutulinda kutokana na hayo madhara. Na tunaona ya kwamba hata tunapoenda kwa chief ati hatutaki kutahiriwa, chief mwenyewe ama hao viongozi wako msitari wa mbele kuwatahiri wasichana wao kwa hivyo tunataka katiba ambao inaweza kutulinda sisi.
(clapping)

Halafu tena ninataka kuongea juu ya vijana, sisi kama vijana lazima tuwe na wakilishi kule bungeni, tunaona ya kwamba tukimaliza masomo, yaani tunateseka, tukimaliza masomo halafu vile tunamaliza secondary hatupati kazi. Sisi kama youth tukimaliza masomo hatupatiwi kazi na tungependa sana tuwe na representative ya parliament, wale ambao wana represent our problems like now there are many kenyan's youth who are learned but we don't have those, but we have been overlooked at it, so katika katiba tafadhalini tuwe na katiba ambaye itatuwakilisha sisi.

Okey tena ningependa kuongea juu ya, we shold have the constitution which will change the system of leadership in our

government, kama vile wakati wa colonial government tulikuwa na constitution amabye ilikuwa kunaanza na PC mpaka Sub-Chief, lakini tulipo pata uhuru hatukuondoa le constitution, hatukuondoa ile leadership, tuliendelea kuwa na PC mpaka Sub-Chief lakini tukaondoa wale wazungu na tuka weka wa Afrika. Kwa hivyo tunataka our own constitution of Kenyan ile ambao hatutafuata kiile wakoloni walituambia, tutakuwa na yetu sisi wenyewe.

Ningependa tena kuongea juu ya madiwani, Mayors and the councilors must be educated, ni lazima tuwe na madiwani na councilors ambao wamesoma, ambaowafika mpaka kidato cha nne na wameenda katika shule ya kusomea law, wawe wamesoma. (laughter) Halafu sisi kama wananchi tupatiwe haki ya kuwachaguwa sisi wenyewe, kwasababu sisi tukiwachagua tutachaguwa wale watu ambao tunawajua ambao wataweza kutuongoza vyema.lazima tuwe na wale ambao sisi tutawachaguwa na wawe wamesoma ndiyo waweze kutushughulikia.

Ni lazima tuwe na katiba ambaye tutatengeneza, ni lazima tuwe naye na kuprovide free education and compulsory education for all the students. Ninaona uchungu sana nikiwa ninasoma, nilikuwa ninasoma na marafiki lakini wakakosa karo na hakuna kitu serikali ilifanya, kama huna pesa hii Kenya siku hizi wewe ni bure. (Laughter) kwa hivyo lazima tuwe na katiba ambao itatusaidia sisi ambao tumemaliza shule wengine walikuwa werefu sana lakini tunaona wanakosa karo lakini hakina kitu ambacho kinasemwa, inaachwa tu. Kwa hivyo constitution must provide free education to all level kuanzia primary mpaka secondary, ndiyo wale wazazi ambao hawawezani kulipa, wakawewe kulipa.

Kitu kingine ningependa kuongea juu ya our leaders, we should have leaders who mind our welfare not only enriching themselves kwa mfano tunaona kama sasa msaada ikitumwa kutoka pahali pengine tuseme tumetumiwa msaada kutoka Ugermani ama kutoka mahali pengine lakini tuaona ikifika hapa hizo pesa hatujui vile zinaenda, tuwekee nani lakini hatuwekewi lakini hatujui vile pesa sinaenda so the leaders, we should have leaders who are mind our welfare.(claping) okey again we should have the constitution that will use the, ukistudy katika maofisi tunaona those who are leading organization government organization kama za Parastatal, para statal moja ikianguka hawatolewi instead of being sacked wanapelekwa kwa organization nyingine so that , that oraganisation cana also fall ndiyo wapelekwe tena pengine. (Claping) kwa hivyo moja ikianguka wote washtakiwe they should be sacked because they are doing nothing. (Laughter and Claping)

In the ministry of health we should have a Minister who is a doctor, who has qualified to be a doctor, should not be a person who has been leading another ministry may be ya finance halafu anatolewa huko halafu anapelekwa kwa health, na tunaona hawezi akaongoza kwasababu he is dealing with money but not dealing with the medicine, so we should have a minister who is qualified.

Ninataka kuongea juu ya, our parents are being mistreated. Kama sasa hii retrenchment, sisi wenyewe wazazi wetu wana retrechiwa na sisi tumemaliza shule na tuna kosa kazi so we think Kenya is going nowhere, should we have constitution that we remind the retrenchment, tusikuwe na retrenchment amabaye inatuongeza mashida instead of eradicating poverty in Kenya

inaongeza poverty. (Clapping)

Halafu kama unataka kuwa Rais, hiyo statement ya kusema atti the age of a president should be above 35 years if you are under 35 years you won't be a president kwa hivyo tunataka hata the youth tiope a president eve if you are 25 years so long you are qualified with a masters degree in law, you should be patriotic you should have such president. (Clapping) who are leading, tusiwekewe atti barrier wazee watuongoze, hata sisi vijana tuwe na mahali.

And also the disabled people, they should be looked upon kwasababu wakiwa overlooked this people are very clever it is just they are disabled but they can do better than those people who have all organs ikiwa sawa, so they should not be overlooked.

Com. Adagala: Asante, ngoja kidogo, unaona vile watu wamechangamka, ndiyo tunataka mkija mnaweka moto moto ndiyo tunaamuka. Okey.

Com. Kangu: Thank you, that is why we ask for this people wakuje hapa kwasababu wanajua maneno na tunafikiria hawajui, eventually they come up with very interesting points na mimi huwa ninasema mara kwa mara, kazi ya serikali, kazi ya sheria, kazi ya katiba ni kutunza masilahi ya watu, and she is the first person who has talked about it. The welfare of the people that is what the government is all about, that is leaders should be doing. If you are not doing that she is saying you have no business to be there nad I agree with her. Thank you, you can go and sign.

Com Adagala: Excuse me; hold on pia mnaona vile watoto, watoto wanaona mambo, kwasababu anasema wazazi wanakuwa retrenched wanarudi nyumbani, hawa wenyewe youth wako nyumbani unemployed, mnaona lakini kawaida watu wakubwa wakizungumza wanasema tu retrenchment, lakini hawa wanaona ni kitu ambacho kimekuwa kigumu sasa kwasababu watu wote nyumbani wako unemployed. Thank you very much. God bless you and know that this is your constitution you should know always what is happening and thank your school for us for realizing you.sasa tuendele. Kuna watoto wengine? Wa shule gani? Please find out what they want, Peter Lotitio, where is the other girl, Peter ujitarishe wacha msichana aseme hawa watoto wanatakiana warudi shulen. Watu ambao wanataka kutoa maoni please njoo pale kijana yule mwenye kofia anasema mwende, muandike majina yenu ili muweze kuzungumza. Watu watakuwa wengi nafikiri hii ni umati nzuri, sasa tutakuwa tunapunguza saa kabisa ili watu wote wapate nafasi. Endelea msichana jina lako na shule yako.

Amina Juma: Thank you very much my names are Amina Juma,

Amina Juma: I have come to present my views about this constitution of review.

Translator: Na keyewo na ninye aitey mparnot enyena tana constitution.

Amina Juma: First and foremost I will start by saying that we need a constitution which will cater for girls affairs.

Translator: Na kejo ikiyu ta kitanapat naingor naleng mbaa engolionto.

Amina Juma: You see we girls we are less fortunate in this current society especially in this district.

Translator: Kejo kore iyoo ngolionto ketuwana iltungana wotemenayeki wolleng, nallneg tana district.

Amina Juma: Secondly, sisi wasichana tunachukuliwa kama viumbe duni sana, hivi kwamba mpaka hata watu ambaye kwa mfano hawa makanga amabo wanasisimamia maari kule kwenye stages, wanatuchukua kama sisi ni viumbe vy a kutegea tu, kama ukienda kupanda gari wanakunyanganya bag, wanakutukana, wengine wanakufurutafuruta hapa na pale and we see our constitution doesn't include such cases.

Amina Juma: This is because we want to avoid the ex-patriate coming to take position which common mwananchi can take if she or he was given equality education.

Amina Juma: quality education

Amina Juma: My third point is that, the youth to be given first priority in anything, be it job opportunities and also leadership. For that matter since the old people have played their role and the more they become old the more they become rigid in this history.

Translator: *Na kejo keyeu neitibiri nkitanapata naisho iltungana leleru pa nglionto pa layok mppash ekwe te ilkasin wopuku, amu kejo kore iltungana botoro, ararin, keta na ketasa ninche lenche.*

Amina Juma: My fourth point is that our constitution should consist of anti-corruption commission.

Translator: *Neisho etoki kore ana kitapata ngejuk naitibiri ilturur woinguraa iltungana woropi ana woanyaa ntokinin eltungana.*

Amina Juma: I said this because in fact most of us we are worried where we will go after school. We see our current Kenya is that if you don't have money, in any place money talks.

Amina Juma: So we request for a constitution that will cater for all this needs.

Translator: *Na keyeu neitibiri nkitanapata naigorr mbaa pooki natu neja.*

Amina Juma: My fifth point is that the government should involve our local industry so that us the youth can get the employment by restricting the import or by promoting the industry that are coming up.

Amina Juma: Unto my last point is that our cabinet should consist of professionals,

Translator: *Nejo kore etoki te nduata enye ilministani le Kenya meta iltungan woera lariyak te ngoitoy napapasha.*

Amina Juma: As my fellow has said we want for example we get a Minister for education the minister must be professional in education must have Masters or even PHD in education.

Translator: *Na kejo kebaki na kore kuna barnot enyena keya na commissioners pepuo ainguraa na nedol neshakino.*

Com. Adagala: Let us start with the cabinet ministers, how do you think they should be chosen?

Amina Juma: I think the way of choosing the cabinet minister is that we should look at there eucation background, we should look at there professional so that we may know where to place them if it is a minister which is having a PHD in accounts he must be selected to minister for finance.

Com. Adagala: We understand that we want to know how they become cabinet ministers, we know the content, we want to know the method, how do they become cabinet ministers?

Amina Juma: As for me I would say that they should attain the quality that is required.

Com Adagala: Should they be members of parliament or not members of parliament?

Amina Juma: they should not be members of parliament.

Com. Adagala: Did you ask,we have talked about early marriages, FGM, and being forced out of school, there is an issue about bride price. Did you discuss it or do you ever discuss it and what have you think of it?

Amina Juma: Infact this bride price also should be abolished by our parents this is like us girls we are being sold, we are taken as human beings but we taken as objects. So our parents behind me please, we beg you you should stop this issue of bride price.

Com. Kangu: Know you talked about the supporting local industries by restricting importation of goods, and this is avery

serious matter particularly when it comes to the consumption attitude of Kenyan's, what do you think we do with that, do we start by infact criminalized any body who goes for certain imported goods or what will we do? In one country the president took it upon himself to go around preaching that buy first goods that comes from our country before you think of those that comes from outside.

Amina Juma: Actually I don't mean that, I mean the government should try to promote the up coming industries by giving them loans and also by taking them for further education and also exposing them to experiences about the industries.

Translator: *Kore nabbo natejo ana kerrai te mbaa engolionto kejo keshakino na kore nkiyama enkerra nemeatta ntoki nalaki etuwana nochisioom enkauti, kejo peye eaku ake nejokoni iklaiwo pepal mbata metoki elaki meta meatay etoki nkishu nelaki teneemi ngolionto.*

Asante umelete mawaidha mazuri kuna vitu vingi mnafaa mfikirie kama hiyo ya clobilization import, ya media hamjatuambia. Zungumzeni muandike memorandum nyingine mpya kwa district coordinator. Com. Adagala: Wananchi tafadhali tunafanya taping ya mambo haya tafadhali fumilieni siku ya leo pekee na pia kazi yetu ni ngumu sana mkizungumza na hatumzikii mara moja mara ya pili itakuwa ngumu zaidi, asante.

Caroline Chemtai: Okey niko na pendekoz langu, I could like there to be a constitution for equal distribution of resources over all the country.

Translator: *Kore ana kerrai keyeu na kore wororto wo ntokin ana neas serikali neaku kerisio te ngojitin pooki.*

Caroline Chemtai: Unto my first point for example here in Samburu, us Samburu's we very much over looked and in some places like road constructions, Samburu we are not well constructed roads and may be some other places they up come at drought and us here yaani tunapigwa tu na yumbi tunaonekana kama wajinga sana hatujui kujitetea.

Translator: *Kejo kore ngoitey atuwana elbarabarani le nkop e sambur na ketorok na kebaki na metu neja nengule ngojitin.*

Caroline Chemtai: Kwa hivyo ningependa kuwe na katiba ya kutetea equal distribution popote nchini. Pili ningependa kuongea juu ya kuondolewa kwa rais mamlakani iwapo akiwa ana changia mambo ambazo zinapendeza wananchi, kwa mfano hawezি kuendeleza mahali pa makabila zote yaani kuwa na mapendeleo hawezি kuwa ensure that every place kuna development. Kwa

mfano, may be kujenga mashule pengine na mahali pengine wanaacha watu hawana mashule maskini ya Mungu ni kujitetea tu hawana wanafunzi na inasemekana hawawezi kurepresent there people in the government, hii sio ati tunaona wananchi pahali hapa hawana hiyo uwezo, ni vile hawana mashule na kwa hivyo tungependa kuwe na pengine Rais atolewe kama hana hiyo upendelezi atolewe hata kabla wakati wake ya uchaguzi. Kuna wengine amabao hawana uwezo wa kusaidia wengine zaidi yake.

Com. Adagala: Asante sana msichana, hii mambo ya leadership mna zungumzia, ni leadership ya aina gani?

Caroline Chemtai: Tungependa enyewe tuwe na leadership tu tuzitendewe ya ile ya ukoloni zamani, tunajua hata sisi vijana tunaweza kuongoza wananchi, kwa hivyo rais achaguliwe sio ati awe miaka 35, achaguliwe hata akiwa 18years so long as umemaliza shule. (Laughter) hii ni kwasababu hata kijana mwenyewe ako na uwezo wa kuongoza wengine, hata hawa akili zao hazija kuwa old kama wengine. Unajua wengine wakizeeka akili inarudi kuwa kama ya watoto (laughter) kwa hivyo

Com. Adagala: Msichana mbele ya tume si mzuri kutoa madharau ee,

Caroline Chemtai: Sio madharau enyewe ni vile ni pendekezo langu.

Com. Adagala: Yes lakini chukua pendekezo lako bila kufinya mwengine, hiyo ndiyo tunasema hata wewe mwenyewe unasema usifanyie huyu na unafinya yule, huyu rais au viongozi upande wa vijana unaonaje upande wa jinsia (gender) juu ya wasichana na wavulana;

Caroline Chemtai: Tuwe na uchaguzi wa ikiwa msichana amesimama utaka kitu ya may be kuwa president, presidential seat wote wawe na huo uwezo hata wanawake wenyewe wengine wana late wengine down sana, pengine mwanamke anasimama badala nyiyi mnapea kura mnapea mwanaume, yan nini, what for? (Laughter) wanawake hata nyinyi lazima m jitete si ati mnangojea mtetewe tu. You have to struggle for your life.

Com. Adagala: Haya hiyo jambo ya kumi na nane, si kicheko kwasababu inatokea mahali pengine ukiwa na umri wa kupiga kura pia una umri ya kupigiwa kura. Haya asante msichana Mungu akubariki na tuendele Peter Lotitio njoo na sasa tutakaza na officers mtachunga saa. Jina lako na uendelee.

Peter Lotitio: Mimi ni Peter Lotitio, na ninatoa maoni yangu, kama maoni yangu ya kwanza ni hii kutajwa kwa district, kuna district zingine bado wana majina ya ukoloni ambayo ilikuwa kama ni matuzi, najua mkoloni zamani akimpattia sehemu, sehemu jina anampatia tu kama njia ya matuzi, kwa mfano sisi hapa Samburu tunaitwa Samburu, Samburu ni mfuko ya nyama ambao kina mama ndiyo wanabebea nyama, kina mama hawshiki nyama, wakati ngombe ana chinjwa wanapeleka mfuko na wanaweka nyama halafu wanapeleka na inaitwa Sambur, sasa sisi tunaitwa samburu, hii kwa maoni yangu iondolewe kabisa na tubaki kama Loikop, yaani tutaishi.

Maoni yangu tena hii katiba yetu hakuna utambulizi. Tukianagalia ile katiba tuko naye hatuna matangulizi yaani Pre-Amble. Ningependelea katiba hii mpya sasa iwe na pre-amble.(interjection)

Com. Adagala: Tafadhalii punguzeni majadalaiano mtakuwa na nafasi nyingine ya kujidaliana na mtu anaweka kicheko sasa. Hii ni tume ya kurekebisha katiba hakuna kicheko ndani yake, tafadhdali.

Peter Lotitio: Hii pre-amble ambaye ita define itaonyesha nia yetu na vile nchi yetu itakuwa itachukua mambo kama pre-historic na tupatane na fundamental policy, state policy ambayo itaonyesha jukumu la uongiozi la nchi yetu. Ya pili tukiangalia katika ile constitution ambaye ile tulikuwa naye local government is not constituted yaani ukiangalia local, pendekezo langu ni ya kwamba tuwe na local authority ambao ana uwezo kuchukua mamlaka ya wilaya yote. Na katika katiba, katiba ionyeshe function, finance na uchaguzi yaani vile itachaguliwa macouncillors. Na ichukue jukumu la kuangalia elimu, barabara, afya na kazi yote kwa judication areas yao yaani mahali utawala inafika.

Ya mwisho, katika constitution yetu iko tu section 9 inaonyesha tu trust land, tunataka a proper constitution land policy. Ambao hii land policy ran by the land commission na mambo yake yote ichukue mamlaka ya ardhi yetu iwe divided maana kwa katiba ya kwanza tunaona tu trust land, hiyo neno iondolewe na kama itaachwa land should be under he local authority with the central government advisory powers. Nimemaliza.

Com. Adagala: Asante, tuendelee, ningependa James Lerongai, James Lerongai yuko halafu Jane Nenkokwai, James ndiyo anaafuata, tunafuata Orodha. Haraka uko na dakika tano.

James Lerongai: Mimi ninaitwa James Lerongai, kwa hivyo langu ni kushukuru vile mlifika na vile tuko na nyinyi sasa hapa na yangu ni mafupi. Maoni yangu ni hii tunaona vile tunaishi, tunaishi njia nyingine kama ya shida, shida ni kama hii, maji tukiwa nayo hapa na tuseme maji asili ziko mkononi mwa watu wengine. Sio wale watu walikuwa na mali hiyo, wakoloni walitukuta na wakatukuta tukiwa na maji yetu hapa. Mali kama forest, wanyama, na kama mchanga au ardhi hivi. Ardhi hii tunaona kama imeenda kwa upande wa wale watu wako na mfuko nono, ndiyo wanatawala hapo na hiyo sisi tungependa zirudi mkononi wa wenyewe. Na ningerudia pale kama tuseme mpaka, sisi tangu wakoloni watunyanganye sisi wasamburu hatuja songa, tangu wakati wakoloni waliondolewa sisi hatujasonga katika mpaka mahali mzungu alituzukumia na makabla zingine zikaenda mbali. Je kwa nini sisi wasamburu tulinyangaywa haki yetu? Na hatupati. Hapo iko shida kama sasa mahali kama wanyama tukisema hii wanyama ya msituni au forest zirudi kabisa mkononi mwa wenyewe. Kwa kuwa tunaishi na hawa tangu tangu mapaka wa leo, tuko nazo tu na sisi ndiyo tunajua vile tunaishi na hawa, yule mkorofi, na yule si mkorofi na haijaisha lakini tunanyanganywa. Na faida ikipatikana hatuoni.

Com. Adagala: Ungependa vipi? Upande wa faida.

James Lerongai: Ningependa tugawane au zirudishiwe tuwe kama ni upande wa KWS wawe na sehemu kwa wana macho ya kuona bila kuharibiwa.

Com. Adagala: Okey mzee upande huu kuna wild life, kuna reserves au park?

James Lerongai: Reserves.

Com. Adagala: Ziko wapi? Hawa wanyama wa msituni wamepangiwa mahali?

James Lerongai: Bado na wanatembea kwa ndani ya watu.

Com. Adagala: Okey, asante sana mzee. Tuendelee Jane tafadhali.

Jane Lenkokwai: Habari zenu, mimi niniaitwa Jane Lenkokwai. Mimi ni mama tu kutoka nyumbani, mimi ninaye maoni amabye ninataka kueleza.

Kuanzia zamani mimi ninaona kama vile huyo mtoto alisema wasichana hawatambuliwi, mimi ninataka kusaidia huyo mtoto, kusema ya kwamba ni ukweli. Kwa hivyo mimi ningetaka katiba ya sasa itambue wasichana yaani wamama.

Kwa upande wa uridhi kila siku sisi hatuko kabisa na sasa ningetaka sisi wote tuwe equal, watoto wote wasichana na wanaume ili kama ni baba amefariki yaani mzazi wale watoto wawe na equal right kugawa kila kitu equal. Na tena nitaka hii katiba hii inayo kuja iwe ni ya kuhakikishia sisi salama tuwe na amani mtu awe akikaa bila kuogopa, yaani watu walindwe kabisa wasiwe na wasiwasi wawe wakiishi tu kwa usalama. Tena nchi hii yetu ni kubwa kwingi sana ni kukavu, watu hawakai saa zile hakuna mvua, na watu wanafikiri ati inakaa na haitumiwi, kweli haitumiki na si kwa ajili watu hawataki kutumia, hata ni nchi nzuri sana amabye iko na hata rotuba, lakini tungetaka basi ikiwa serikali iko itusaidie iwekwe maji ili watu wawe wakiishi huko na kulima hata basi kutoa chakula cha kuwatoshha.

Tena tunataka iwekwe kwa katiba nchi ya watu kama sasa hii nchi ya wasamburu, iwe ijulikane kama niyao isje mtu mwingine anasema mimi sina nchi ninataka kugawiwa kwasababu haitumiki, kwa hivyo hiyo ni nchi yetu, kawaida, tena tungetaka kama vile tumesema kama wale watu amba ni watu wachache, tungetaka hata sisi tuwe represented kama vile wale watu wanaitwa Blacksmith, ni watu wachache hawawezi kuchaguwa mjumbe wao wala councilor because they are few kwa hivyo tungetaka waangaliwe ili watu wakichaguliwa wapatiwe kama mjumbe maalum na wakiwe nominated councilors kwa hivyo yangu ni hayo tu.

Com. Adagala: Okey mama asante, hawa black smith wako na ndani ya watu wa juu kali?

Jane Lenkokwai: Wao huwa tu katika Samburu lakini ni wachache.

Com. Adagala: Ninasema wao tunaweza kuhesabu kwa watu wa juu kali?

Jane Lenkokwai: Ndiyo,

Com. Adagala: Ninauliza mtu moja pekee, ninataka kusikia sauti ya mama sitaki kusikia base.

Jane Lenkokwai: Ndiyo, hawa ni mafundi hata kuanzia zamani mpaka sasa bado waendesha kazi yao ya ufundu tu kutengeneza kila kitu kama mkuki, na vitu vyote.

Com. Adagala: Upande wa nominated vile mnasema mko wachache, inaweza kuwa nominated akiweko awe awakilishe wale watu wa juu kali wote?

Jane Lenkokwai: Ndiyo anaweza kuwakalisha wao.

Com. Adagala: Na nyinyi ndani yao?

Jane Lenkokwai: Na sisi ndani yao.

Com. Adagala: Okey, mama niambie upande wa akina mama hii mambo ya security, hii mambo ya kukosa amani, inamanisha nini na chanzo cha hiyo ukosefu ni nini?

Jane Lenkokwai: Chanzo cha hiyo, unajua kama wamama hawana nguvu vile sasa mama amepoteza bwana yake, unakuta watu wanakuja wakinyanyaza yeye wakimnyanganya kila kitu anabaki bila, na saa ngine hakuna mahali uanenda una kuta tu umefukuzwa hapo, na tunataka hata serikali ingilie wasaidie akina mama ili wajulikane wako na haki yao.

Com. Adagala: Okey sasa upande wa Wasamburu mnasema si Wasamburu, upande huu wa District ukosefu wa amani inatoke wapi?

Jane Lenkokwai: Inatokea tu saa zingine kwa hao majirani zetu wanakuja na kunyanganya mali na waacha watu hivyo bila chochote, kwa hivyo serikali iingilie na walinde hawa sawasawa hata wao.

Com. Adagala: Okey, asante mama kuchangia na kuunga msichana mkono, nafikiri alikuwa anatafuta hiyo mtu kumuunga mkono. Halafau tunataka Said Lentilalu, Said karibu.

Said Lentilalu: Hamjambo commissioners, mimi kwa kwangu wakati ni kidogo, mimi ninaitwa Said Lentilalu.

Com. Adagala: Una dakika tano,

Said Lentilalu: Ya! Kitu ya kwanza ningependa kuzungumza juu yake ni kwamba wanakenya wanafaa watengeneze ama waunde society, na namna ya kuunda society ni kutupa ukabila, ambaye kwanza katika hii sheria ya kwamba majina za district siondolewe kutokana na majina ya ukabila. Kwa mfano Samburu district, Laikipai district, Turkana, Pokomo, Pokot na mengi na ahayo yote inaweza kuondolewa pia councils kama Laikipia Councils, Samburu councils kwasababu mnafuata ya councilor akisema ya kwamba hii ni district yangu na hii ni council yangu....(interjection)

Com. Adagala: Ungetaka Samburu iitwe nini?

Said Lentilalu: Ningependa iitwe Maralal district kama vile inaitwa Marsabit district.

Com. Adagala: Okey endelea.

Said Lentilalu: Ningependelea pia elimu itengenezwe, elimu ambaye inafundisha mtoto awe mraia, kwa mfano ukiwa mtu mzima unapatikana na wale ambao wanao Linda sheria kama polisi, wanakupiga unapelekwa pale, hujui umefanya nini unakuta mahali umeandikiwa, creating disturbance liable to cause (inaudible) na wewe mwewewe hujui ni nini na hata wewe mwenyewe hukufunja hayo sheria, lakini hawa watu wengine wanafunja sheria bila kujua wamefunja sheria.

Kingine ya tatu ni kwamba, wale ambao wanao fanya kazi ya serikali ambao wanapatikana wakiendesha majukumu zao kulngana na ukabila, sheria pia waangalie hawa. Kwa mfano unakuta mbunge akitafuta bunge, anaenda kwa clan yake. Imefika kiwango ampapo wasamburu tunagawana kiclan, na sasa wanaienda kwa clanship hata kazi enyewe kutafuta mtu anaandika clan yake kwanzandiyo apate kuandika wengine kwa hivyo hiyo iangaliwe.

Nasema ya nne, malugha za ukabila ambayo sasa zinatumika ambaye sasa ukienda upande kwa kikuyu tupu ndiyo inazungumzwa, wakisii wanasungumza yao, sisi wasamburu tunazungumza yetu, inafaa itengenezwe lugha kamili ambaye inatumika kwa maoifisi na kwingineko ote hata kwa mabiashara. Na lugha hiyo iwe ni lugha amabye inaeleweka hata ingawaje kiswahili imekataa kukamata hata sheng ni lugha na inaweza kutengenezwa (laughter)

Com. Adagala: Ungependa vipi, wewe ungependa vipi lugha, Kiswahili na sheng?

Said Lentilalu: Ya, kama sheng inadevelop kuwa ni lugha, so itengenezwe iwe ni lugha.

Com. Adagala: Endelea, iwe moja ama mbili?

Said Lentilalu: Iwe moja, tuko katika mambo ya hii kitu inaye itwa freedom of worship, hiyo iangaliwe sana, kwasababu dini imetoka mingi, zingine mengi na wenginezile zinaleta mafijo, ziko katika laini ya ukabila hizo madini mbili, dini yaani ya kuabudu iangaliwe kama zingine ambazo zinalete shida ama zingine zinaletwa badala mtu kuendesha dini yake anafanya siasa, itengenezwe dini ambaye inajulikana tangu zamani kwamba ni dini ama denomination ambaye ilikuwa inajulikana kama

denomination ambaye ilikuwa inajulikana tangu zamani na ambaye ina ounzozi wa maana na una utaritibu yake iwe inaangaliwa sana.

Com. Kangu: Unataka tu limit number?

Said Lentilalu: Limitation ya number ni mzuri sana lakini iangaliwe sana lengo la hiyo dini ni nini, na mafunzo yake ni kwa watu nin nini.

Ninaingia kidogo kwa plot allocation, wengi wanasema pale ya kwamba Samburu District ni land ambaye haina mtu lakini sisi ni wafugaji ukitoka kutoka Kisima mpaka ufile hapa Maralal unakuta kweli kuna land ambayo mtu mkulima wa kulima shamba atatamani lakini hiyo land ni yetu wenyewe, ni ya watu wa hapa na ndiyo shamba amabye tunaangalia kila mara kama nyazi imemea. Kwahivyo land ikionekana ikiwa wazi haijafenziwa ni land ambaye inatumika, hakuna land Samburu district ambaye haitumiki.

Tunaangalia mambo ya plots allocation, plots hapa iangaliwe sana kwa ujasiri kwasababu, plots unakuta mtu mwingine ako plot kumi na nne, ishirini, kumi na saba tunataka plot iwe ya mtu moja kwa kichwa moja ambaye hiyo ploti mpaka mtu awe anajua anatengeneza plot hiyo na akitaka plot ya pili pengine ya mtoto wake, kwa hayo ninasema asante.

Com. Adagala: Haya asante tuendele, Lepil Lesingaran, first of all John Lengelikuli, John yuko, na pia huyu mwingine, Lebii yuko, Lucas yuko, okey jitayarish, Loyce yuko, jitayarish, Isari yuko, utajitayarish, Philip Letipo okey jitayarisheni. Endelea.

John Lengurikuri: Mimi kwa majina ninaitwa John Lengurikuri, maoni yangu ya kwanza ni kuhuzu ardhi. iwe mkononi ya wenyewe, na ardhi iwe sawasawa ikigawanyiwa kwa maskini na tajiri na iwe sawa.

Com. Adagala: Una maanisha?

John Lengurikuri: Nina maanisha ya kwamba kama sasa nchi ikigawiliwa kila mu awe na shamba sawa kama hac. tano kila mtu awe na tano.

Com. Adagala: Na ya juu sana?

John Lengurikuri: Hac. kumi.

Com. Adagala: Hac. kumi, shamba kubwa ya kulima ikiweko?

John Lengurikuri: Kama iko ni kama hac. mia moja tu kwa kila mtu. Pia hii katiba ya leo tungependa aangalie ma wilaya zingine kama hii ya Samburu kwasababu sisi tulinyanyazwa na ukoloni. Ahala zote sasa tuseme kwa mfano ya Samburu, Samburu yote iko na hac elfu mia tano, kati ya hiyo elfu mia tano 7% ndiyo mzuri. Halafu 2% ni forest. Halafu sasa forest naye

wamechukua mahali kubwa sana na wananchi hawana mahali nzuri ya kulima.

Com. Adagala: 2% ni forest.

John Lengurikuri: 2% ni forest na 5% ni mahali ambaye inalimwa.

Com. Adagala: Na ingine?

John Lengurikuri: Ingine 280 ni desert place hakuna mahali watu wanaweza kulima, ni jangwani kwa hivyo mahali mzuri ndiyo sasa kama forest na wananchi hawapati hiyo. Maoni yangu ya pili pia katiba--

Com. Adagala: Huja sema maoni yako kuhusu hii percentages umesema.

John Lengurikuri: Hizo percentages? Yaani nilisema--

Com. Adagala: Pendekozo.

John Lengurikuri: Pendekozo langu kama iwe sasa kama forest iwe ya wananchi.

Com. Adagala: Unataka wananchi wakule hii forest?

John Lengurikuri: Sio wakule lakini waachiwe hao vile wanaongoza ardhi yao lakinisio serikali. Maoni yangu ya pili ni desturi hata katiba iwekwe desturi ya wasamburu, isiwache desturi ya wasamburu kwa sababu kuna sehemu muhimu kwa desturi ya wasamburu na inasaidia hata maskini inasaidia hata arika, na sehemu zingine mengi sana. Kwa hivyo desturi iwe kwa katiba.

Ya tatu ni masomo, masomo iwe ni ya malipo ya chini kabisa, hata maskini ipate elimu kwasababu ukiona sasa unakuta mtoto ya maskini amemaliza standard eight na anatakikana secondary anarudi nyumbani na kukaa kwasababu hana pesa na ukiona university mpaka secondary ni watoto wa tajiri pekee yao ndiyo wanaenda kwa hivyo elimu iwe ni ya malipo ya chini kabisa. Ya mwisho ni serikali ya mtaa. Kama sasa uchaguzi iwe kwa wananchi.

Com. Adagala: Toa pendekozo.

John Lengurikuri: Pendekozo, wananchi wawe wakichagua councilors, nominated councilors wawe wakichaguliwa na councilors sio MP. Na watachagua hivi, moja ni mkulima, moja ni mfanyi biashara, moja ni mama, moja kiwete, moja ni mchungaji, youth na masikini. Sio yule mtu alikufanya siasa ndiyo unaenda kumchaguwa. Ni hayo tu.

Com. Adagala: Okey asante sana. Com. Adagala: Asante, umeenda Olympics field kabisa umefanya vizuri. Any question, okey imekuwa sawa, asante. Lebii amekuja? Haya Loice, sema jina lako halafu uendelee.

Loice Towon: Good afternoon, jina langu ni Loyce Towon, na mimi ni mama wa hapa Maralal, nashukuru sana kwasababu watu wame taja taja mambo ya akina mama, vile tunajua ya kuwa akina mama 20% ya population ya Kenya ni akina mama, na akina mama ndiyo wale wanajenga taifa letu. Kwa hivyo hapa kwetu samburu wakina mama wengi hawajui mambo ya katiba hawajakuwa educated enough wajue constitution right yao ni nini.

Com. Adagala: Mama, huu sio wakati wa civic education. Utatoa pendekezo one, two, three hiyo kama ilikuwa pendekezo lako useme civic education ya akina mama.

Loice Towon: Okey thank you. Kwa hivyo pendekezo langu akina mama wawe involved katika dicision making ya development activities katika Samburu.

Kwa hivyo nyininge ya pili education ya watoto wetu wasichana na vijana iwe equal, na wakati ya watoto kupatiwa haki yao, msichana na kijana wawe na equal right ya ku inherit mali ya wazazi wao. Kwa hivyo akina mama tunapendekeza ya kuwa katiba iwe ina recognize right ya akina mama. Kwasababu ni human right.

Nyininge wale watu tunataka tena iwekwe kwa katiba ni widows, orphans and old age, hawa ni watu ambaye wamekuwa marginalized, kwa hivyo wanaumia sana.

Kitu kingine kwa kibiashara akina mama wameachwa nyuma sana hawawezi hata kufanya biashara yao vizuri kwasababu hawana right ya kuchukua loans na nini kwasababu hawana title deeds, hawana security ya kuwasimamia, kwa hivyo tunataka iwe ina pitishwa ya kuwa akina mama wawe ya rights ya kuangaliwa yakuwa wanapata haki yao. Na kwa upande ya elimu, tunataka wasichana wetu waachiwe wasome mpaka siku ile wataweza kumaliza education yao na to make there own decision kama wataolewa wakati watakuwa wamefika kuolewa. Na hiyo mambo ya kupeana watoto wakiwa wadogo wakiwa age ya 10 years mpaka 18 years iwe ni kitu ambaye inapitishwa na katiba ya kuwa yule mtu atakuwa responsible ya hawa watoto kutolewa shule na kupeanwa kwa forced marriages na early marriages, wawe watakuwa punished, kwasababu bado hawa watoto bado wako under age.

Na tena mambo ya wasichana wetu kupitia mambo ya tohara, hiyo ni kitu amabye imepitishwa katika parliament kwa hivyo

hiyo nafikiri ni makosa. Tunataka ipitishwe katika Samburu ya kuwa sisi ni wana Kenya na tuko pamoja na wana Kenya wengine.

Mambo ya kina mama wananyanyazwa wakati bwana wake amekufa, tunataka iwe imepitishwa katika katiba ya kuwa mandugu ya bwana wasiwe wana intefere na property ya hawa widows. Hawa akina mama tuna waita *Ngoliak* kwa lugha yetu, wananyanyaswa sana na wale vijana ya wale akina mama wengine wale wa kwanza. Kama wewe ni bibi mdogo unanyanganywa kila kitu na unabaki bila kwa hivyo hiyo ipitishwe na katiba.

Sasa vile children act imekuwa imepitishwa na ndiyo ninasimamia haki ya watoto iangaliwe ya kuwa hata hiyo children act inakuwa applied katika Samburu, kwasababu bado hata watoto wetu wanakuwa marginalized.

Com. Adagala: Okey huo nimeandika, umemaliza?

Loice Towon: Nimemaliza.

Com. Adagala: Okey officers are you keeping time? Okey mama ngoja tukuulize maswali kidogo. Mimi ninitaka ufanue ili tuelewe hii sehemu yenu, kwa ni nini wanawake hawako involve in development projects? Kwanza, ya pili ni nini inakuwa inherited, uridhi ni nini? Ninataka kujua hapa samburu district, mtu akiridhi ana ridhi ni nini? Okey jibu hiyo mbili halafu tutaendelea.

Loice Towon: Okey uridhi ni kama bwana akiaga kuna ngombe--

Com. Adagala: aa, aa, aa, ya family, daughter and son ukisema wanaridhi, wanaridhi ni nini?

Loice Towon: Wanaridhi hata land kwasababu iko land, iko livestock, na hata pesa iko kwasababu watu wengine wako na pesa na huyu mtoto ya kike haisabiwi kwa hivyo ndiyo nilikuwa nikisema,

Com. Adagala: Mama, hata huku niambia kile kina ridhika na ngamia, ngombe na mbuzi.

Loice Towon: Nilisema livestock in general.

Com. Adagala: I am not arguing with you, I am trying to get to find outin deffrent palces we have deffrent things which are inherited I want you to tell me objectively what is inherited in Samburu.

Loice Towon: Ni ngombe, mbuzi, kondoo, ngamia hata punda.

Com. Adagala: FGM hiyo imeshatolewa, sas nani anafanya iendelee? Kwasababu ni against the law.

Loice Towon: Sasa watu wanasema ni desturi yao, wazazi pamoja na yule bwana wanataka kuoa ndiyo wasema hawawezi kuoa wasichana hawaja tahiri kwahivyo wanala simmisha hawa watoto watahiriwe.

Com. Adagala: Na msichana si aolewe mahali pengine basi.

Loice Towon: Si ndiyo tunasema watoto wetu waachwe wasome halafu wa make thre own dicision ni kto gani kitakuwa nzuri kwao.

Philip Letipo: ningependekeza katika katiba itakayoundwa,

Translator: kore na ana kitapata naitibiri,

Philip Letipo: itengeneze mahali pa kutunza watu kama hawa.

Translator: netibiri abaki ngojtin ngangite nairitayeki kulo tungana.

Philip Letipo: jambo lingine ni serikali kuangalia masilahi ya kila mwananchi, kwa mfano hapo Samaburu hatujawahi kuona kitu kinaitwa lami.

Translator: kore abaki keshakino serikali pengorr ngojtin pooki, ana ene anakopang na meti na lam ilbarabara.

Philip Letipo: pole kwasababu saa imeisha, lakini, ndiyo kitu kinacho itwa lami sisi hatujawahi kuiona,

Translator: etu ta kidol iyoo na inia kitibirata elbarabara.

Philip Letipo: na tunasikia katika vitabu na katika msemo inaye sema ati Samburu iko lami na hakuna lami katika Samburu.

Translator: kejo ilkule tungana keti lam nkop esambur nemeti.

Philip Letipo: wengine wanasema mahali penye resouce ya mapato ndiyo inastahili kuwekwa na mimi ninaona hapa kama kuna resource ya mapato pia.

Translator: kejo kore na ngoji natumeki ntokitin ana parakoshio nepiki na inia toki, sababu keti abaki nkopang mparokoshio.

Philip Letipo: sababu kitu kama Kenya Meat Commission hata ingestahili kuwekewa watu wenyewe mifugo wapate faida ya mifugo yao.

Translator: amu kore ta appa inia toki naji KMC anata a ngoji elaramatak eti pemir ntokitin enche.

Philip Letipo: nyama itakyo tengeneswa na mkebe itengenezwe hapa hapa iuzwe mahali panapo stahili, na wananchi wale wanatunza wale wanyama wapate faida ya mifugo yao.

Translator: keidimi abaki aitibira ngiri e mikebeni tene neaku na ketum iltungana parakoshio entokitin enche.

Philip Letipo: asante ni hayo tu kwasababu ya saa.

Com. Adagala: asante sana, ngoja kidogo, kuna kifo cha kawaida ya mzazi na tukisema yatima tunasema watoto, lakini kuna sababu tofauti tofauti kwa sehemu tofauti za nchi. Kama uko ujaluo tunaambiwa sababu ya orphan, hata wale wanaita total orphans, sasa hapa nini inasababisha ophans, ninaona kama.

Philip Letipo: ninaona kama ni umasikini kwasababu hata mama wengi hata wasichana wanasema ni hali ya umasikini inafanya hata wafanye mambo ya ukahaba hata watoto wasiwe na mababa zao wanapatikana pale.

Com. Adagala: so it is poverty decide, in general okey kwasababu kuna tofauti tofauti.

Com. Kangu: ngoja, umesema wazee wajengewe mahali pa kukaa, sijui kama hiyo inampatana na desturi ya wasamburu, nakubali wazee wazaidiwe lakini sijui kama njia ya kuzaidia ni kuwa jengea mahali, kwasababu ki Africa wengi wataona ni watoto wamewatupa huko. Kidesturi ya Samburu hiyo itawezekana ama namna gani?

Philip Letipo: ninasema kwa wale wazee ambao hawana ama watoto wao wamewatupa, hawana uwezo wa kuishi, wasiwachwe wakiwa wanaangaliwa na macho serikali pia wawe na sehemu ya kuwa shughulikia watu kama hawa. Hata wazee wengine hawajawahi kuoa, hawajawahi kuwa na bibi wala watoto.

Translator: *epara ta duoo ninye mbaa eltungana ararin ajo peitibirakini na duoo ngan'gite naweinie, nejo amaa tanaeasi inia kesham santuri le lokop, neaku kebaki na mesham santuri le lelokop, keyare na duoo ake nekoni iltungana ararin pereti nepiki ngan'ngite.*

Com Kangu: so unasema kuna wale hawana watoto wanaweza watanza, so wapelekwe mahali kumejengwa lakini wale wako na watoto, wako na wajukuu mbona tuiseme wapatiwe kama allowance ya kutumia kinyumbani badala ya kumtoa kwa familia yake umpeleke kukaa mahali pengine.

Philip Letipo: ni mzuri kupewa allowance ya kusaidia hawa wakiwa manyumbani.

Com. Adagala: haya mambo ingefaa tufikirie sana, sisemi wewe hukufikiria lakini ukifikiria jambo fikiria kabisa vile itafanya kazi sasa miaka hamzini, mia moja. Msifanye hii kama hiyo commission zingine ambazo zinachukua maoni ya kubadilisha vitu vya karibu karibu, ni kitu pana katiba, ni kitu pana sana. Haya asante, asante sana, ningependa tuwe na Gregory Lolkirik, Gregory ni nini, hakuna mtu anaongea kwa niaba ya mwingine mbele ya katiba kila mtu ako na haki yake, usije hapa kama jina lako si hilo, tunataka Gregory, kabisa.lakini tukikosa kutafsiri watu wanafanya kelele, sasa tunatafsiri, lakini kuna kelele mingi na hivi vitu vizazi vya mbele vitasikiliza na kujuwa samburu walikuwa na kelel hawakuwa na heshima ka katiba, wajukuu wenu watasikia hivyo kwasababu watakuwa wakisikiza kwa tape. Tena uje mbele, ntaita majina uje mbele hapa karibu usichukue mda kuja hapa, la tatu usiponge stories, usitoe stories sisi wote ni wa Kenya hata wale, tumeelewa sasa ya samburu zaidi, kama hatuelewi tutauliza, uje hapa na pendeleko. Pendeleko dakika sasa itaenda kuwa tatu, pendeleko, pendeleko, pendeleko na out.

Com. Kangu: na kitu lingine ni kwamba hii ni siku ya watu wa Samburu West Maralal, tutakuwa na nyinyi hapa mpaka saa kumi na mbili, ikiwa unashughuli unataka kukimbia huko badala ya kupiga kelele nenda maliza rudi. Kama umeingiza jina bado tutakusikiza tutapatia kila mtu nafasi, we are going to seat here mpaka saa kumi na mbili, desturi yetu inasema mkutano yetu inaanza saa mbili na inaisha saa kumi na mbili, so muwe wavumilifu.

Com. Adagala: muwe wavumilifu vile sisi tuko wavumilivu. Endelea mzee, pendeleko.

Gregory Lolkirik: tafadhali sana commissioner patia mimi dakika tanotu, unaanza na mimi haya sasa wacha nienda moja kwa moja. Jina langu ni Gregory Lolkirik, ninaona commissioner ameandika huko. Yaani kwanza introduction, kwanza mimi ningependa kusema hii constitution yetu ama katiba yetu iwe, we should call it national unity and diversity, yaani iwe na nia yote so it can carry the message to the people there should be somewhere where people pledge their loyalty, where people should declare that they are patriotic, their nation and so on.

Kwa hivyo nyingine ningesema ya kwamba types of government definitely tungetaka parliamentary, presidential government kwangu kwa maoni yangu ningetaka kusema ya kwamba president awe ceremonial president, yaani kila kabilo iwe na president yake. Leo samburu yake kesho kabile nyingine mpaka mwisho. (Laughter) ceremonial.

Tena ningependa ya kwamba separation ya hizi judiciary and executive na parliamentary iwe kama ilivyo hapo awali after independence yaani iwe na hiyo balances. Ili kila sehemu iwe ikibalance section nyingine, ikibalance judiciary, ikibalance executive, parliamentary vise vise iwe balanced na mambo itaenda vizuri na corruptin itareduce wakati huo.

Na ningependa sana kusema ya kwamba mkianagalia hii story yetu ya constitution, tafadhali sana sisi wasamburu mnakumbuka wakati ttulienda kufanya the Legistre house conference, na fikiri mheshimiwa Rombo ako hapa ameenda as an observer, most of them don't know this constitution. Sorry sorry madam, let me come to the point,

Com. Adagala: it is to be addressed to the commission and you would address to the commission.

Gregory Lolkirik: okey asante, I apologize and I will withdraw anything I have not be, sasa Mr commissione Sir and Madam, ninasema ya kwamba constitution iwe na continous civic education iendelee and it should be actually established from the institutions right from primary up to the university levels and even into the provincial institutions, na ikiwesekana ifunzwe kwa lugha zote hata kwa lugha ya akina mama lugha ya ki Samburu na lugha yeoyote ambaye wananchi wana weza kuelewa hata kiswahili.

Na tungenesema vise vise tena formations ya ministries, pengine kazi inakuja kutoka serikali sisi wale watu the pastrolist tumekuwa disadvantaged sana na kwa hivyo tungependa ministry of pastrolism iwe formed, iwe iwa absence pastrolist problems quite directly na watu wote na kila kitu iwe huko. Pastrolism development Arid and Semi-arid areas.

Government Resources, tungenesema ya kwamba tena vise vise asili ya serikali iwe equally shared to all and to be divice vice, yaani ya kwamba natural resources kama sasa petroli imapatika upande za Baragoi wacha watu wa Baragoi wapate hiyo petroli ni nchi yao kuliko iwe nationalized, iende Nairobi halafu ije tena upande huu, watu wa benefit hapo hapo.

Kama Wild Life. Sasa hawa wanyama sisi tunaishi nahoa hapa wanauwa watu wanafanya nini, watu wabenefit directly badala

kwanza ati ipelekwe ofisi ya DC iende kwa treasury huko inudi tena ipitie Nairobi, ipitie Nakuru, ipitie Olkalau, mpaka ifike wasamburu wanasema *ilkiti Bisey ake*, percentage should be 95% serikali ichukue intax yake hii ngine 5%. (Laughter)

Human Resources- vile vile human resources should be equally, tafadhali sana yaani (interjection)

Com. Adagala: toa sasa pendekezo.

Gregory Lolkirik: pendekezo letu ni ya kwamba civil servants serikali iseme ya kwamba marginalized areas like Samburu wapate percentage yao according to the population. Civil servants wote.

Policy Making- policymaking vile vile it should not favor, it should not be univied, iwe categorized according to the standard of the district. Kwanza kama juzi sisi tulipewa forms ya kuandikisha youth East, hakuna hata youth moja sisi tumeandikisha Samburu district because of the government policy. Sorry, sorry, sio mbaya madam. (Laughter)

Land- nina propose ya kwamba land, kuna cutom yetu I also accomandate some customary law in the constitution ya kwamba kuna land ambaye ni sacred, kama sasa land yetu kutoka Rumuruti tunaita *Ntoror* mpaka na kuangalisha upande ya Mount Kenya, it is sacred, kwa hivyo hiyo land tunataka iwe accormandated to the customary rituals. Kama mahali kama Kisima, mahali kama Lolenyok, sivyo (Laughter) so those ones should be pro posses by the county council. Ya there some lands that we are actually almost loosing which are very importanat according to Samburu customary, sacred land.

Com. Kangu: like shrines,

Gregory Lolkirik: yes, pplaces of worship like Nyiro we have what we call Kosi Kosi, *ee nkerai aingorita*. sorry.

Now education, pendekezo la education ni kwamba, education iwe lazima kwa Samburu district. Na vile vile tuwe na quarter sysystem right from secondary shools, university, mpaka abroad universities, sio hapa nationals pekee yake, iwe mpaka America hiyo quarters. Kama unataka kwenda America iko qurter ya Samburu iko huko, sorry madam. Na tena provisional instituons kama Medical, kama law and all of this institutions. The marginalized this is the disadvantaged areas we should have at least something or a place where we can place our students, kwasababu nimesikia, (interjection)

Com Adagala: toa pendekezo,

Gregory Lolkirik: okey pendekezo, hatuna PHD hata moja Samburu district. Kwa hivyo at least tunataka tuwe na hiyo quarter system, Haki ya Mungu Hatuna.(Laughter) it is true madam. Ningependekeza tena MPs wawe na ofisi hapa kwa constituency levels not only at the national levels, wakuje hapa.

Com. Adagala: haya pendekezo lingine.

Gregory Lolkirik: pendekezo lingine ni ya kwamba kupika changaa na busaa na nini. Sasa siku hizi watu wanapika tu changaa, na tunataka hiyo kitu iwe legalized. Jambo lingine, wewe ngoja, in livestock madam, livestock the national does not take livestock as an economical investment, seriously we need livestock to be taken in to the consideration, yaani tunataka KMC iwe huko Nairobi na slaughter house iwe kwa kila constituency, ya pastrolists. Kuna nyingine zamani ilkuwa hapa Archers post, imekufa after independence, Sukuta Marmar.pendekezo lingine, nafikiri nimemaliza pigieni mimi makofi.asante (Laughter)

Com.Adagala: kwa katiba makofi sio hoja lakini.

Com. Kangu: na ndugu umesema on human resources ukasema suitable distributions, ningependa, you come out abit more clearly kuhusu hilo jambo, halafu wakati ulizungumzia president, I didn't get very clearly ulisema ceremonial president, ukasema president Samburu wapi, wapi, try to explain clearly what you mean, I don't know whether you meant rotational president ama namna gani.so

Gregory Lolkirik: let me begin with huma resources, with human resources I mean that the governor of the government of the day, we need at least our peole to get involved, you know when it comes to recruiting of Army, let us have people from this area, they are actually known as good army men and also the resources I am talking of human resources should also involve bth sexes, ladies and gentlemen. And when it comes to presidential rotation, rotation of presidential I mean a ceremonias president, this one the president should not have the powers as it used to be I can see that they are now trying to get out the powers they had before and so this would be more less as ceremonias president. And to try to balance the nationa balance, at least let us have this president rotating from one community to another community. Like now the Kikuyu they have had theres Kenyatta, now they would not have any other president. Until the other communities have there's, like the Kalenjin they had there's President Moi they would not have there's. I think this time the Masaai's should have there's thank you very much.(laughter)

Com. Kangu: so that rotation should be on tribe basis.

Gregory Lolkirik: on communities I think or ethnic groups.

Com. Kangu: nikikurudisha kwa mambo ya human resources, unajua ukisema wakati watu wanakuwa recruited kama army watu wetu wachukuliwe, the point that I get ni kwamba watoto wetu wapate kazi, but there is another aspect ya hiyo human resources, kwamba hawa wasamburu wanakaa hapa wapate services, is it , ninajua and its happenin in Kenya hapa na keingine, mnawenza somesha hapa watoto mnasema sisi tumezbaki nyuma lakini the end result ni kwamba wakimaliza masomo wakipata kazi, they are here to serve you wanapotelea Nairobi, so when we are talking about human resources and equitable distribution, we should also address this tutafanya namna gani so that the poor Samburu man and woman who lives here also get services, kama ni madaktari they get services from awell trained doctor.

Com. Adagala: asante, ningependa kukuuliza if yo can draw a map of Samburu, and show the Samburu sacred Places and you can send it through, and take time draw and consult with the others you should look for someone who like to consult and then send it to us so that we can put it in Samburu. Even the map of what people are calling Samburu land, send it to us, we have official map but we also want to know what you also think. Okey youth, (interjection)

Gregory Lolkirik: even the Samburu boundaries?

Com. Adagala: you will draw a map.

Gregory Lolkirik: Okey, up to Nyahururu? (laughter)

Com. Adagala: Leboiarre, Ngare youth group, uko hapa? James Lenanayara, Henry Lesuper yuko? Aje mbele, usonge mbele, Mathew Leyele asonge mbele, David L Lenakola.

Stephen Lekupe: thank you very much my names are Stephen Lekupe, the Town Clerk, Mararal county council and Lenayara was suppose to talk but we I will do it. We have one paper. My recommendations are so many but I will highlite few,I should start with the local government.

Translator: *keji ninye Stephen Lekupe na ninye clerk le Marala town council, nero etoki te mpaash e clerk Samburu county council.*

Translator: *neyeu neas ntokiti ana neasi appa owon appa etu ebelekenyi na ntokitin etuabaki 1970.*

Stephen Lekupe: we are basically well meant to serve people, we know the problem of the people better, we know what there needs are so we want to serve them at this level.

Com. Adagala: some questions from my colleague.

Com. Kangu: know bwana lekupe una sema local authorities siwe strenghtened zirudi sifuanane vle tulikuwa around 1970, na upande huu unaseme malipo ya counilors itoke kwa central government, around 1970, the councils were strong enough na zilikuwa na revenue ya kutosha na kulipa councilors wao, sasa ikiwa tuna rudi kwa sehemu ile na ziwe vle zilikuwa wakati huo, kwa nini tuseme tena mshahara yao itoke central government?

Com. Adagala: na kufuatana na hiyo, kwa nini pesa zitoke hapa ziende central governmet ndiyo zirudi, hata ikiwa direct kwa council, kwa nini sisiwe hapa na council zipeleke sehemu ile na ni sehemu gani unataka?

Stephen Lekupe: kwanza kabisa kama tatarudishiwa nguvu zetu kama 1970s, then we don't need them to say the councilors, the council should be able to pay them directly from here but incase they don't access our proposals then we should pay them from the government treasury fund. na hii swali la pili ni pesa kutoka hapa, kuna serikali iko na pesa kupitia njia mingi kama kuna zingine councilors hawawezi collect like VAT, it is a very big revenue kit so we cannot be able to collect all the money from here, it can be collected from Nairobi and then current local authorities for proper services delivered.

Com. Kangu: lakini tukirudi position ilikuwa ya between 1963 na 1970 sijui kama umechungza na ukajua local authorities zilikuwa zina ruhusiwa ku raise which taxes, sijui kama umefanya hiyo uchunguzi kwasababu kuna revenues mingi local authorities walikuwa nazo hata ndiyo zivunjwe zipoteze nguvu, hiyo ndiyo ilifuatwa ikatolewa huko ikarudishwa central government, ikatolewa ikarudishwa zikajipata hakuna njia ya kuraise pesa walikuwa hata wana ruhuwi kucharge ile inaitwa graduated personal tax, walikuwa wana ruhusiwa kulipisha out patient fees kwa health centre na vitu kama hizo, sasa tukirudi huko nyuma umeshafikiria haya maneno na mumejaribu kueleza watu waelewe ndiyo tu strengthen local authorities they will be required to pay these tax and that tax. Ama namna gani. Na kama unaenda mpakani across Uganda Museveni amerudisha hiyo inaitwa graduated personal tax watu wanalipa.

Stephen Lekupe: we definely believe that if you start charging them all these taxes and we over more taxes to them it will be justified, because we are now crippled they are requiring a lot services and the finances are not there, I think we shall just inform them.

Com. Adagala: you are crippled but these is intensive care what we are in now so you have to think of tomorrow and thi k of fifty years, a hundred years. Secondly una turidhisha kwa kitu kingine, unasema councilors wawe na votes of no confidence you are returning us to msukosuko ile tunayo sasa.

Stephen Lekupe: the reason why we said that is the people elect some councilors, but sometimes they don't even step there until the next election, so people should have right to recall them.

Com. Kangu: mayor umesema achaguliwe na watu lakini ukasema wakati wakuondolewa kama hafanyi kazi iwe ni councilors ndiye ataamua na ukasema wa consult watu, na hiyo ni kama ni kuturudisha mahali watu wanataka kutoka because watu wanasesma, na si hapa pekee ni kila mahali wanatuambia the councilors wanangoa mayor any howly, saa ngne wanasesma they have corrupted wanatoa huyu, kesho wamewika huyu namna hiyo. Sasa tukisema watu wenyewe wachaguwe mbona tusipatie watu wenyewe nguvu ya kumtoa ikiwa hawafurahii, sasa tupaties macouncilor hiyo.

Stephen Lekupe: councilors wanaweza kuja kusema kwa nini mayor hawafanyi hii pengine kuna kazi mayor hafanyi, lazima wakujie waulize na aeletee wananchi kama ameridhika kusema hiyo mayor kweli hakuna kazi ana fanya wapee councilors powers ama authority ya kumtoa yeje arudi back to the people if it could have a by-election and then he should confess within his councilor people will return him back and if he is not another mayor should be elected by the people.

Com. Adagala: okey tumemaliza, okey asante mambo mengi ya kufikira ya local authority, kwasababu sheria yetu the act it says default power, hiyo ndiyo mandate moja tunayo, tuangalie devolution of power, sasa wale wako kwa hiyo nini wafikirie sana. Henry, Henry ako wapi njoo karibu, kwa nini hamtaki kuwa hapa karibu watu wote nimewaita jina waje hapo, Henry endelea.

Translator: neyeu etoki nejo kore ta Attorney General meta ninye woipik sayey ntoki nayeuni neaku sheria e Kenya mara president wosighn.

Com. Adagala: okey thank you. This thing of official opposition leader to be president, acting president where is the vice president, or its official leader a vice president nad therefore the are coalition government.

Mathew Leyele: the reasons why the head of other parties or the head of opposition should take the office is o have the distributed equal powers, because it is as well recognized because I is the head of other party's.

Com. Kangu: now swali tuliuliza kijana ni namna gani tutapunguza vyama vivike tano, we already have forty, what mechanism should we use, halafu swali al pili kuhusu ceremonial president and a prime minister utueleze vile watagawanyana power, ssecondly vile each one of them will be recruited, umetuambia in the absence of the president, official leader of opposition to act as a president, what happens in the absence of prime minister who should act.

Mathew Leyele: I think I will answer the first question is how to reduce the party's or the political parties we have in the country is mainly may be see there manifesto some have even the same guidelines, may be the party's may agree to share the same giide lines and to two to three, four, five party's may join together. I think that is one where I may recommend. And then what the second question?

Com. Kangu: the second one was about the president and the prime minister, how do they share power, how should they be recruited and when prime minister is not there.

Mathew Leyele: that is why we said the head of opposition leader should actually take power when the president is not there, because is what is making to reduce, you the opposition guys thinks that the kanu is dictating many things to them, even if they said right, they feel dictated so someoneto be elected with post of head of oppsion actually it is recognized and he should also be given power.

Com. Adagala: we are now on ceremonial president, how will they come to existence and also who will act when the prime minister will not be there.

Mathew Leyele: I think as many of the speakers that have spoke before me, the ceremonial president is as well important because it enhance and promote how (interjection)

Com. Adagala: how does it come into existence?

Com. Kangu: you know right now we elect the president directly ourselves; you want us to continue electing the president in that manner? We have not been having a prime minister, if we say we are going to have a prime minister do we elect him in same manner or do we say he will come from the majority party or which event he is elected by the members of parliament.

Mathew Leyele: our recommendation is we select in the same manner as we select the president, that is our reccomendation.

Com. Adagala: if the president is ceremonial and the powers are limited, why would any one want to be a president, because

now you know there is a reason to be because there is a lot of powers, but why would a ceremonial president want to go all over the country campaigning to be president. **Mathew Leyele**: I think by saying a ceremonial is rotational let us use that word to be more specific, this is to distribute the national cake to all communities in the country, ya! At least to feel that you are represented, so it will be a system that it will be a chain of communities, after five years is the other community.

Com. Adagala: thank you very much Mathew. David, where is David? Endelea David, jina lako.

David Lenolkulal: kwa jina ninaitwa David Lenolkulal, pendekezo langu ni mambo ya sheria ya kienyeji, pendekezo langu ninataka kama sheria ya Kisamburu iingizwe kwa katiba, kwa mafano sisi tuna sheria mbali mbali. Na inaonekana sasa kama sheria ya sasa haifanyi kazi, na ni ya maana, kwa mfano myama ikiibiwa, tuseme ngombe moja, kwa sheria yetu tunasema ukiiba ngombe moja ya mtu malipo yake ni ngombe tatu. Na ukiiba mbuzi ni ngombe moja.

Na mambo ya uridhi, unajua wazee wanajua mambo ya mashamba ama ya land, mambo ya forest na tunalalamika ya kwamba watu wanachukua mashamba, wanachukua forest kwasababu wale wenyeji ya huko wamenyanganywa uwezo ya kusimamia mambo yao kule. Kwa mashamba hakuna mtu ambaye anaweza kuja kuchukua sehemu ya mwingine kwasababu wazee wanajua hapa ni pahali pa fulani. Na vile vile sheria yetu inasema hivi, ukivunja sehemu ya mtu kama jino kwa mfano, kuna malipo yake na lazima inajulikana kasababu ukutoa jino maoja ni kama mbuzi moja, na ukikata kama ni kidole iko na malipo yake na pendekezo langu ninataka iingizwe ili ijulikane kwasababu kwa sheria ya sasa mambo mengi itapotea, na pendekezo langu vile vile ninatka uundwe kama ni korti la wazee, wawe wakifanya kesi ya kienyeji. Kwa mafano ile shida ambaye tunayo wakati huu kama wasichana wanapata mimba, na wanawachwa tu na kesimikienda kortini wale ambaye wenyewe uwezo, wanashinda wazazi wa yule msichana halafu msichana anabeba ile mzigo lakini ikrudi kwa kienyeji, ukiharibu msichana ya wenyewe iko sheria ambaye itakulazimisha umwoe ama umlipe.

Com. Adagala: korti ya kienyej ya wasmburu inaitwa aje kwa kisamburu?

David Lenolkulal: *loip lo ilpayeni*, yaani mti ya wazee kwasababu hawakuwa na kortini kwa hivyo wanafanya chini ya mti.

Com. Adagala: okey nenda kwa point nyingine.

David Lenolkulal: nilikuwa nimesema mengi kidogo sijui nilisema juu ya uizi kama ngombe ikiibwa (interjection)

Com. Adagala: mzee tunashida na saa.

David Lenolkulal: okey, jamabo lingine basi ni mambo kama ya kunyanganya mtu mwingine mali, kama nchi mtu ambaye ako na uwezo anakuja kusema hi ni shamba langu na akienda kortini inaweza kuwa ni lake lakini ukirudi kwa wazee wanajua, mahali pale ni ya mzee Fulani na kwa hivyo ye ye ndiyo mwenye hapo.

Com. Adagala: hapo ni sawa lakini ninataka utoke kwa customary law sasa, tutasoma hiyo kitu au tutafafanua endelea.

David Lenolkulal: basi vile vile pendekemo langu lingine serikali ya wilaya ama local authority, ipatiwe nguvu ama uwezo ya kusimamia mambo zingine katika wilaya. Kwasababu kama forest (interjection)

Com. Adagala: forest na?

David Lenolkulal: na mambo ya land,

Com. Adagala: Land na?

David Lenolkulal: nafikiri ni hayo tu.

Com. Adagala: very clear, very short, as you said African culture we have problem because people in Southern Tanzania, Malawi and Zambia the women are the ones who are allowed to marry more than one husband, they are the one who are allowed so you better say because the Bajun also have like the Southern cultures, so (interjection)

Yusuf Mohamud Abdi: we better say Kenyan African culture.

Com. Adagala: okey, what would they do?

Com. Kangu: now you said those who are able, are saying that marriage is purely an economic issue or what do you mean by that?

Yusuf Mohamud Abdi: if you are not able you marry one wife, but if you have plenty of property so you can marry up to ten twenty according to that culture. (Laughter)

Com. Kangu: what of if I manage to get three, four ladies who able and they are working can I marry them?

Yusuf Mohamud Abdi: the purpose is to marry more women.

Com. Kangu: why, why must we?

Yusuf Mohamud Abdi: no prostitution, thank you very much (Laughter) no prostitution, and when you marry one wife we are encouraging prostitution in the republic of Kenya.

Com. Adagala: women don't commit prostitution by themselves or among women you know that it happens not among women, so it is men who participate in it?

Yusuf Mohamud Abdi: we control the men also they don't go out if they have many they will stay in their homes.

Com. Adagala: okey, now if you have four wives, are they human beings and equal to you?

Yusuf Mohamud Abdi: yes they are human being and that is the way most of our Kenyan African we live and I think that is highly recommended in this country otherwise prostitution is going to be prevalet.

Com. Adagala: do they have the same rights as you do?

Yusuf Mohamud Abdi: they would have the same right.

Com. Adagala: they have the same right as you do?

Yusuf Mohamud Abdi: yes they would have the same right.

Com. Adagala: then why do you need four? If you are equal so then it should be one to one.

Yusuf Mohamud Abdi: women are more than men (Laughter)

Com. Adagala: because you marry children that is why. (Laughter) okey haya, Lepon Lenyarwa, okey say your name na uendeleee.

Lepon Lenyarwa: asante sana, kwa majina ninaitwa Lepon Lenyarwa, maoni yangu ama mapendekezo langu ni kuhusuwafanyi kazi ya serikali, kama kwa mfano hospitali, mambo ya hospitali ninatoa sasa mfano ya hapa Maralal, (interjection)

Com. Adagala: pendekezo.

Lepon Lenyarwa: pendekezo ni madaktari wenyewe wanafanya kwa hospitali wanaenda kufungua clinics zao wagonjwa wakienda hospitali, (interjection)

Com. Adagala: hiyo ni kusema no private clinics, endelea ukikosa kuweka nini zako nitakuwekea na si ruhusiwi kukuwekea sema pendekezo.

Lepon Lenyarwa: pendekezo ni kwanba kama huyo mtu amekuja kufanya kazi ya seriikali afanye na aache mambo ya biashara, hizo ma clinic ieondolewe ndiyo nadaktari wapate kutibu watu.

Kingine ni kuhusu ardhi, iko kitu inaitwa land board ambaye inagonganisha sana watu kwa upande wa mashamba, pendekezo hilo la land board waondolewe na mambo ya shamba waachie community wenyewe watatue hiyo maneno. Kwa hivyo sina mengi la kusema ni hayo tu.

Com. Adagala: haya asante mzee, sana, ngoja question for you,

Com. Kangu: bwana Lepon kufikia 1971, wafanyi kazi wa serikali wote hawakuwa wanaruhusiwa kufanya biashara, na kuna wale wanasema siku ile waliruhusiwa baada ya ile iliitwa Ndegwa Commission, ndiyo mambo ya corruption kwa chi hii ilianza, sasa wewe unatuambai madaktari wasiruhusiwe kuendesha private clinics, tuache hiyo ya daktari pekee ama tuseme wafanyi kazi wa serikali wote wasiruhusiwe kufanya biashara?

Lepon Lenyarwa: wafanyi kazi wote wa serikali wasifanye biashara wafanye kazi yao.

Com. Adagala: asante, hiyo chorus. Benson Lemako, yes please quickly like that, endelea sema jina lako.

Benson Lemarko: jina langu ni Benson Lemarko, ninatoka milimani ward community, pendekezo langu nitasema kitu kama hii. Pendekezo langu la kwanza ni mambo ya land, inatakikana wakati kama huu ya kubadilisha hii katiba, community wapewe uwezo wawe ndiyo wanatawala area yao.

Ya pili land board, wale walikuwa na hope kwa DC waondolewe, wawe ni kamati ya wazee ndiyo sasa wanafanya kesi kivyao kuliko watu wengine. Nyingine ni kwamba forest irudi kwa wananchi iwe ni wananchi ndiyo wanatawala pamoja na wanyama wao na mifugo na ya msituni.

Nyingine, sisi wachungaji tunataka biashara irudi kwetu. Kutoka hapo tena badala iende kuchukuliwa wanyama ngambo, wakuje hapa Samburu tuwape wanyama ile ya kupeana kwa jeshi, polisi, AP, wild life na kwa idara zote za serikali, ikuwe ni sisi ndiyo tunapeana kwasababu tukop na wanyama wa kufuga, kama mbuzi, ngombe na hakuna haja nyama huko nje badala

ya nchi ya Kenya. kwa upande wa security ninataka hata ya nyumbani wahuishchwe mamboya security, kwasababu kama wazee watapatiwa uwezo hata wale wezi wote wanaweza kutoa hata wale wanajificha. Halafu wapate kusaidiana na serikali kwa kukuwa pamoja ndiyo mambo yote itakuwa mzuri kutakuwa na usalama.

Yangu mbili ya mwisho ni juu ya offisi ya rais, ofisi ya serikali, kwanza tunapatia ofisi ya rais security pekee yake, jeshi wakiwa wana tawala na ofisi ya security pekee yake, isikuwe ni yeye ana chaguwa Ministers, Permanet secretary, ku promote DCs hiyo mamlaka yote irudi kwa wananchi wakiwa na kamati strong ya kuangalia kila upande. Kwasababu ikirudi ikiwa namna hiyo watachaguwa wale wengine kama anapendelea ndiyo mambo yote inakuwa mbaya kwa Kenya. (Interjection)

Com. Adagala: ya mwisho.

Benson Lemarko: ya mwisho ni proposals community kwa upande wa council mayor iwe ndiyo anatawala kwa wilaya zote. Mayo rapewe nguvu ndiyo awe akitawala kwa kila wilaya, na hiyo uwezo irudi kwa council (interjection)

Com. Adagala: na chairman haya endelea

Benson Lemarko: na chairman. Nafikiri hiyo ndiyo mapendekezo langu na ninafikisha hapa.

Com. Adagala: okey asante sana, asante mzee umefanya mzuri sana. Moses, karibu Moses.

Moses Lenairoshi: kwa majina ninaitwa Moses Lenairoshi, highlites ni kwamba in security, mambo ya security katika pastrolists area zote si Samburu peke yake, inapendekeza kwamba serikali iondoe kitu inaitwa bunduki ya haramu yote vile ilikuwa inafanya kule Karamojong. Bunduki yote itolewe ile ya haramu.katika pastrolist yote si pahali pamoja kwasababu wengine wakiwachiwa watapiga wengine.

Ya pili ni elimu, elimu iwe compulsory, na iwe compulsory kutoka primary hata mpaka secondary katika wilaya hii ama katika pastrolist areas ili watoto wasome. Na ikiwa compulsory vile vile iwe free, iwe ya bure kutoka standard one mpaka form four iwe ya bure. Serikali itoe pesa, sikusema iwe compulsory kwa mdomo, compulsory na facilities itolewe ya kusaidia watoto wapate kusoma.na kwa upande ya elimu vile vile, hatuna watoto wanaenda university katika Samburu, they are not going to university any more sijui ni kitu gani imekwama, sisi tunataka facilities tupewe kama vitu za laboratories, tunataka vitu kama libraries, workshops, tunataka vitu kama hizo ziwe imekuwa hapa kwa wingi kwasababu shida tunaye ni kwamba, mtoto ambaye ako katikati ya wasamburu huko anafanya mtihani na mtoto ambaye ako Nairobi. Unajua hapa wanafanya mtihani pamoja, hawatakuwa pamoja kwasababu huyu mtoto hata hajaona gari la moshi, hajaona lami, hajaona hata mambo yale yote mengi.kama sivyo tupewe elimu yetu ya pastrolist kando na ile ya watu wengine.tuwe na elimu tofauti hata tuwe na university wetu tofauti ili tupate kusoma kwasababu hutusomi saa hii.

Ya tatu ni maji, ardhi kubwa katika wilaya hii ama pastrolist areas ni kavu na maji hakuna na wakati ya ukame ngombe hawakai kwasababu hawana maji, tunataka tupewe maji ya kutosha na serikali, borehole na dams. (Interjection)

Com. Adagala: are there rivers?

Moses Lenairoshi: Rivers hakuna they are seasonal,

Com. Adagala: so they can be tapped?

Moses Lenairoshi: yes they can be tapped. Ya nne ni barabara, kuna mabarabara haijaona tractor tangu tupate uhuru mpaka leo, Samburu hakuna lami the whole of Rift Valley ni Samburu pekee yake hakuna lami, in whole Rift Valley, kwani tulifanya makosa gani tusiwekewe lami? Hatuna makosa tunataka tuwekewe lami hata kama haendi mbali ifike tu Maralal, so that it can be connected to the rest of the country.kwa hivyo tunahitaji lami na kwasababu pengine hakuna watu wengine wanapigania huko tupate ile rational cake kugawa, inakuliwa huko watu wengine wanamultiply yao wanaweka lami kumi kwa mabarabara zao na ile moja hakuna. (Interjection)

Com. Adagala: pendekezo kwa hiyo swalí uliuliza.

Moses Lenairoshi: pendekezo ni iwe serikali watupatie lami na barabara zingine amabye si ya lami iwe upgraded itengenezwe, jambo lingine, tafathali nipe muda kidogo. Lingine ni kwamba, hata yule alisimama mbele yangu aliongea juu ya civil servants, (Interjection)

Com. Adagala: hiyo ni majadiliano, toa pendekezo lako.

Moses Lenairoshi: pendekezo langu ni wasifanye biashara, kama wanataka kufanya biashara wafanye kwa mahali penye wametoka, lakini si wilaya ile wanafanya kazi, sisi tulikuwa tunafanya kazi hapo mbeleni wakati hiyo sheria ilikuweko. Kwa upande ya environment tunataka forest, wanyama waporini wapewe kwa wenyewe. Wasamburu wapewe hawa wanyama watunze na watunze misitu yao kwasababun wale weanatunza ndiyo wanaharibu.

Jambo lingine wanyama ambao tunayo kama livestock, hatuna mahali pa kuuzia, pendekezo ni kwaba KMC ifunguliwe. (Interjection)

Com. Adagala: na ikae viper?

Moses Lenairoshi: ikae ili iwe tu nifactori ya kupeleka ngombe kuchinjwa huko na wapewe pesa ya kutosha ya kununua ngombe kutoka pastrolist. Ili tupeleke ngombe kuchinja huko na tuwe na soko.

Jambo lingine ni agriculture, bado tuko na ardhi kubwa sana mahali tuko ambayotunaweza kulima, tunataka serikali watupatie tractors, na vivaa vyote amabye inatakikana ili tujitolee chakulahapa badala ya kutegemea family relief.

Jamabo lingine ni mambo ya wafanyi biashara, unakuta watu ambao wanaitwa wholesalers, wanafanya wholesaler na kufanya retail, kwa hivyo wholesaler awe wholesaler na retailer awe retailer.

Nyingine ni over taxation, wafanyi biashara wamekuwa overtaxed kwasababu wanalipishwa, kama ni license ya council wanalipa zaidi ya elfu ishirini, pendekezo iangaliwe na license irudishwe chini ili yule maskini mwenye anafungua biashara yake aweze kufanya biashara kwasababu akifungua biashara na hana elfu ishirini ya license, sasa ni biashara au kulipa license?

Com. Adagala: haya umemaliza?

Moses Lenairoshi: nimemaliza.

Com. Adagala: haya yalikuwa ni maoni mazuri, hebu nione hapa kidogo, niliuliza mzee mwingine,(interjection)

Moses Lenairoshi: ngoja goja kuna kitu sijamaliza, tafadhali nimesahau kitu, electoral commission of Kenya wapewe uwezo ya kuadhibu wale amba wanakosa wakati ya election kwasababu inaonekana kama hawana uwezo na siku hizi vle Kenya inaendelea ni Survival for the Fitess, mna pigana ndiyo upate hiyo kura hiyo ndiyo sasa imekuwa mtindo, na imekinia ka kichwa ya kila mtu hata mimi ninatafuta hiyo kwahivyo kuna taabu. (Laughter).si tulielezwa hivyo kuwa upigane ndiyo upate.

Com. Adagala:now, now is there a game reserve in this area?

Moses Lenairoshi: yes there is,

Com. Adagala:is it one?

Moses Lenairoshi: yes it is one.

Com. Adagala:is there game park or game reserve?

Moses Lenairoshi: game reserve.

Com. Adagala:it is called what?

Moses Lenairoshi: Samburu Game Reserve.

Com. Adagala: okey thank you very much mzee (interjection)

Moses Lenairoshi: madam ngoja tu, Mayors na chairman wachaguliwe na wananchi, political party's iwe nne na ile political party ambaye hawana followers elfu hamzini waondolewe. Ile ngine ni kwamab tunataka kama magistrates, inaonekana kama hawa terms yao na ile ya judges hawako pamoja wale wealikuwa recognized na constitution na wale wengine na wale wengine hawakuwa recognized hata wanakuwa kama civil servants wamagistrates, na wale wengine. Vile vile tunataka wasaidiwe wapatiwe security, wanafunga watu, kama wakifunga mimi si nitatafuta mtu ya kuua ye? Kwa hivyo watafutiwe security.(interjection)

Com. Adagala: huyo ni wakili ameelewa hiyo.

Moses Lenairoshi: ya mwisho vice president wachaguliwe na wananchi.

Com. Adagala: okey asante sana, watoto wa Maralal High School moja wao atapata nafasi kwasababu saa imeyoyoma sana. Taja jina lako na utawakilisha wengine wote, asante sana kwa kufika tumefurahi kwasababu hii ni katiba yenu mchangie.

Com. Adagala: Asante sana kijana Christopher umezungumzia kuhuzu education more than probably more than any body else.

We have heard who is a student; we are very gald that you focus on that.

Com. Kangu: Christopher why do say that retirement age should be 40 years?

Christopher Lesimo: infact as far as Kenya is concern, most of old people over 70years, 60years and yet tey are in government offices, nad young people are just unemployed they are moving up and down in the country they are not employed, so what I am saying is that they should have to 40 years so that all get employed.

Com. Kangu: in some places someone told us, a youth infact that because this daysyouthtake long to get employment that infact retirement age should be increased, they say some of them end up getting employment when they are 30years and above. That should be increased, secondly to create now for all of us and then after that, how do we say a third so that everybody gets his share, because the population will continue increasing if we just continue sharing what we have and we are not creating more we will get our selves in to problems, I think all of us wil just start thinking along those lives that we make proposals that might anable our economy to grow so that one day we are importing labour instead of telling our children today when they finish university, go and look for employment abroad because today we tell them that isn't it?

Com. Adagala: okey really we have to think, this is a new Kenya, we are not just saying this for the young or for the old but for everybody, this is a new Kenya we are making, it can make a lot of difference if you don't got caught up in the problems of now, you can think also what 50years from now and so fort, the people in North Eastern, let me just share this with you, told us

if they had the political will that the Botswana has, they would be swimming in wealth because there country is just arid like this one but they have political will, the other thing just a few years ago there were few mobile phones but now they are 800,000 and there so many people involved in that sector, so let us think also of sectors where it can open up and all that and we would look forward. Com. Kangu: thank you very much; I have no question for you, you can sign. Michelina A. Lengewa, endelea mama.

Michelina Lengewa: Asante sana bwana chairman, kwa majina ninaitwa Michelina Lengewa, na nitaka kuongea kuhusu mambo ya wamama, hasa wamama na wasichana. Nikiongea mambo ya wamama mara nyingi wanapigwa, wanaumizwa na pengine hata mama akienda kwa mashtaka hayo yote haichukuliwi maanane, na hata wasichana hata saa ngine wakirepiwa (Raped) yaani kuchikwa na nguvu, hata wkijaribu kwenda pengine wakijaribu kwenda pengine kushtaki kwa polisi mara mingi wanakuwa enjoyed yaani watu wana jaribu kuwaliza hawa ilikuwaa aje badala ya kufuatiliwa hiyo mambo na washike yule ambye amefanya madhara kama hayo.

Kuhusu reproductive health, tungependa kwamba wamama wapewe nafasi ama number ya watoto ile wanaweza kulisha, kwasababu mama akizaa watoto wengi pengine kumi na sita ama zaidi inatatiza afya ya wamama. Kwanza tungependa at least kama kila familia pengine watoto kama sita hivi.

Na kuongea kwa upande ya wasichana kuolewa mapema na kulasimishwa kuolewa na hata mara mingi msichana mdogo anapewa aolewe na mzee wa miaka arobainne ama sitini, na tunaona ya kwamab hayo ndiyo inatuletea umaskini zaidi kwasababu huyu mzee pengine anaishi na huyu msichana kwa miaka miwili na huyu mzee anafariki, yule anapata shida

kwasababu pengine akizaa na yule mzee, na pengine amenyangaywa mali na pengine akisumbuliwa hivyo huyu msichana anaona ako na shida anakuja kukaa kuishi town, kuja town pengine ni kufanya usherati na pengine anweza hata kupata HIV/AIDS.

Na kuhusu mambo ya tohara, sababu hata sisi tuko sehemu ya Na lazima tufuate yale imepitishwa na bado inaendelea sana, na sasa wameamua kwamba wanatahiri watoto wakiwa wadogo zaidi kwasababu hawawezi kujitetea kukataa, kwa hivyo wanazidi miaka hata ya kutahiri wasichana na hata saa niyingine mamabo ya kutahiri wasichana iantatiza hata kwa masomo kwasababu hata pengine baada ya kutahiri, huyu msichana anaona ya kwamba amekuwa mtu mzima kwasababu ndiyo vile anaelezwa, anaacha hata masomo na tungependa kila mtu asome, wasichana wetu waasome kama wasichana wa kenya wengine.

Kwa upande ya akina mama tungependa wapewe hata hawa wawe na nafasi ya kuamua au ku discuss hata na familia pengine decision making. Wawe na nafasi ya kutoa maoni yao kwa mfano wakati kama ya leaders meeting wawe encouraged wawe kwa mkutano kama hizo, ili hata hawa waweze kutoa maoni ama mawaidha kwasababu hata hawa ni wanadamu na wana mambo ya kuweza kusema ili waweze kufanya kazi pamoja na wanaume. Kwa upende wetu huu wa Samburu tungependa hata waume zetu wapatie akina mama nafasi pengine wasimame kama councilors kwasababu hata hawa waweza fanya kazi kama wanaume. na upande wa cultural rights watoto wetu wapewe nafasi ili hata hawa waweze kuridhi mali ya wazazi wao kwasababu wengine pengine hawaja bahatika kuolewa wangefaa hata hawa wapewe share ya mali ya wazazi yao. Kwa upande ya parliament, more women should be in parliament wawe wengi zaidi, ndiyo pengine waweze kuchangia pamoja na wanaume wafanye kazi pamoja na wasaidie Kenya yetu, kwasababu nchi kama hawafanyi kazi pamoja na wamama pengine ni kama ndege isyo na mabawa, kwa hivyo tuna encourage wafanye kazi pamoja na wamama.

Tungependa sana kwa upande ya polisi na Provinicial office kuwe na mama ya kuanaglia masilahi ya watoto na wamama, na tena hapa Samburu district hatuna students department office na tungependa tuwe na moja, kwasababu mara mingi watoto wetu hapa wanaenda mpaka Nanyuki na ni safari ndefu kwenda mpaka huko Nanyuki. Na pia tungependa wamama wetu wapewe nafasi ya kufanya mambo ya biashara hata wao waende kama wamama wengine wa Kenya, wanende mbali, kwa maana hapa hawana mapato, tungependa waume wetu wasaidie wamama kama wako na dume wengi wauze na wapatie akina mama pesa kuendesha bishara zao kwasababu hata hawa wakichanganyika na wezetu wakikuyu hapa wanajua mengi zaidi kuhuzu biashara na hata serikali iweze kuwafunza na kuweza kuwapatia skills ya kufanya biashara kwasababu wakiendelea na kuambiwa njia ya kufanya biashara, iwe ndogo au kubwa kwa hakika hata hiyo mambo ya umaskini itapunguwa na hata iwe na security kwenda manyatta kwasababu hapo mbeleni kabla ya hii mambo ya insecurity, akina mama walikuwa wanafanya biashara yao ndogo ndogo huko manyatta lakini wakati insecurity iliaanza iyo yote ikarudi chini na sasa wakawa na uoga wa kufanya biashara hizo ndogo ndogo kwa manyatta, kwa hivyo mambo ya security tunataka government inagalie sana kama kuna sheria iangaliwe na iwe active.

Juu ya leadership tungependa sana sana akina mama wetu kwasababu saa zingine hapa kwetu hawatakuwa headmistress

wanaogopa, na tungependa kuwe na workshops ya ku encourage hawa wawe leaders. Na kwa upande ya akina mama wawe involved na mambo ya mali ya waume wao, na pengine ikiwa na shida kuna separation ama divorce, kwasababu hata mama amekazana kutafuta hiyo mali, wagawane nusu kwa nusu.

Ningependa tena pengine kama waume wetu wakipata pension, familia iwe involved kwasababu mara nyingi hawa wanaume wanachukua pesa wana misuse na hiyo pesa ingeweza kusaidia hata familia wafanye biahsra na hiyo mambo ya poverty itaendelea kuisha. Ningependa kusema kwamba iwe discouraged mambo ya watoto kwa watoto kuoana wakiwa wadogo sana pengine ingefaa watoto wakioana wawe wakona umri wa 25 years and above.

Com. Adagala: let me ask you kila mtu anasema insecurity, halafu tuliuliza mzee hapa na akatuambia insecurity iko mpaka ya waturkana na Samburu, na wewe sasa unasema biashara ilififya manyatta kwasababu ya insecurity.

Michelina Lengewa: community wako na shida baina yao wenyewe kwa manyatta, sio ati kwa ukabila.

Com. Kangu: there is internal conflict among the wasamburu's

Michelina Lengewa: yes there is internal in themeselve than Turkana.

Com. Kangu: na hii umetuambia watoto wanaoana mapema at what age?

Michelina Lengewa: pengine you find that hata 18 years, wanaoana na tena kijana anaoa akiwa mdogo sana.

Com. Kangu: the boy marries at what age?

Michelina Lengewa: wengine wanaoa wakiwa 20 years, wavulana ni afadhali, girls hata wa 12 years anaolewa.

Com. Kangu: at 12, umesema after circumssion wasichana wanajiona sasa I can see I am a grown up I can get married, na vijana na hao what happens?

Michelina Lengewa: hata vijana wansema wamekuwa, lakini sana sana kwa vijana kuna mda ingawa hawafuati lakini kwa sheria ya Samburu ama culture kuna a certain age wanafika wanakuwa na ceremony fulani ndiyo wanakuwa allowed to marry.

Com. Kangu: about what age?

Michelina Lengewa: about I think it is 24years.

Com. Kangu: 24 years, okey.

Com. Adagala: would you like us to retain that custom and see whether in time it will change to include the girls because you see a lot of the things tunataka kufanya, tusifanye tu vitu kwasababu nitechnical lakini kama ina mizizi kwa society, what is it called that ceremony?

Michelina Lengewa: *Ilmuget*.

Com. Adagala: *Ilmuget*, okey

Michelina Lengewa: yaani baada ya *ilmuget* they are allowed to marry.

Com. Adagala: could we have that then? But you have to propose it.

Michelina Lengewa: yes, so ningependa kwa culture ili tu wasimamie hiyo ya zamani ya kwamba at least watu wakae, wakiwa reasonable, wanaweza kuoa wakati wanajua wameoana na ni bibi na bwana, kwasababu wakioana wakiwa wadogo wanapata ama wanazaa mtoto mwininge.

Com. Adagala: haya sasa inaeleweka asante mama uanweza kujulisha kwa tume kuna pia commissioners ambaye ni walemavu wanadisability, oh no it was the other one, okey I wanted kumjulisha huyo pia, wanafuanana kwa nguo, asante kuna walemavu wengine waje mbele kwasababu siku inaendelea na tunajua kwa wao mwenendo ni ngumu, waje mbele watatujulisha. Who are you? Fred Sameri, Anne Nabol waje mbele karibu.

Fred Sameri: my names are Fred Longoyek Sameri; I would like to begin by first by saying that the new costitution should be written in simple, clear and undestanable language.

Com. Adagala: life and property in compensation of wild life just think.

Fred Semeri: you see you are not giving madam you are dictating to me.

Com. Adagala: because you are given time that is what you speaking, you have used up your time. Okey tuendelee Anne Lengesit, okey endelea and please Anne go for proposals because at the end you the one who will blame us for not finishing everything.

Anne Lelesit: proposals and recommendation on women and girls issues.(interjection)

Com. Adagala: Anne say your name.

Anne Lelesit: Anne Kanay Lelesit, there should be the provision of constitution should be comprehensive, women concerns should be addressed in the constitution cloud by cloud. There is need for harmonization of the current illegal of the frame work to address its weaknesses, contradiction and treat in terms of gender issues such as marriage laws, property law, land ownership, right to basic needs like health, education.

For family law- recommendation, the family law needs thorough review and reform as a profile especially to harmonize and consist of tradition customary or Christian, Hindu, and Islamic law. Women had often been victims of manipulated of such laws especially on matters of marriage like divorce, inheritance and as well as ownership of marital properties, in regard to marriage law there is need for unification and harmonization to ensure that the same rights and duties exist for all individuals in the country and does not pertain probation that is to discriminate against some women.

On succession- recommendation, the law of succession act while in general this law make provision for both men and women to inherit family property, this law does not forsake pastoral women who are still governed by the land representative act, whereby women cannot inherit family land. The law should be amended to provide that all family land even when registered in the name of her husband should be seen to be registered in the name of both spouses. To do away with the discrimination against women in matters of inheritance in all forms of property section 824 of the constitution which allow that discrimination should be refilled, the bill of rights or an iniquity cloud should be introduced in the constitution recognizing women equal rights to inheritance of all kind of property.

Custom laws- the place of customary law should be reviewed in the new constitution distansation so that it is application where it is discriminatory against women in subordinated to there application of written law in all matters including personal laws.

Employment-recommendation, the constitution should provide for equal opportunity of employment for men and women and for a formative action in employment in vessel of women in appropriate situations, the constitution should prohibit discrimination against women in employment.

Bill of right- the bill of right or inequality close should be obligate the government to ensure and protect the security of the persons, women and girls. This protection should be extended to cover all forms of violence against women and girls, including election violence, domestic violence and rape, the constitution should provide for right to access information, right to civic education and a right to legal education. Freedom should have freedom to expression, conscious, worship and association.

Culture- the constitution should outlaw those cultural and religious statement which directly or indirectly discriminate against women. Other cultural institution like polygamy, wife inheritance, Female Genital Mutilation, early forced marriages to young girls should also be outlawed by the coming constitution.

Com. Adagala: you are reading us a very general, very abstract document, where did you get it from?

Anne Lelesit: I just wrote it for myself.

Com. Adagala: and you are from Samburu district?

Anne Lelesit: yes, and I am working with women empowerment.

Com. Adagala: you have told us about Samburu.

Anne Lelesit: but you have told me to outline, that marginalization, not involved in decision making, lack of access (interjection)

Com. Adagala: I want it in relationship to Samburu.

Anne Lelesit: but I have summarized it.

Com. Adagala: but does it make any difference, because we can read this to any other document, we have come to Samburu you have to know about Samburu.

Anne Lelesit: like now the Female Genital Mutilation, is it not for Samburu?

Com. Adagala: I don't know, I don't leave in about Samburu.

Anne Lelesit: like we don't inherit I think you have heard from the girls and we have also heard from (interjection)

Com. Adagala: you better talk loud so that people can hear you.

Anne Lelesit: I am saying that I have summarized this thing we have heard from girls that women are marginalized in Samburu district we heard from Loice Towon (interjection)

Com. Adagala: you have to tell us it is your turn to tell us about Samburu, is there domestic violence? But you have said the character of it is their equal opportunity in employment, you have to talk about specific things, otherwise you could have just started Nairobi and have the same thing.

Anne Lelesit: the issues of marginalization, women in Samburu are not involved in decision making and lack of access and control of resources and lack of inheritance, there is domestic violence and violation of their rights there is no equal opportunities for education and employment, there is also insecurity. Those are the issues, and then (interjection)

Com. Adagala: so you can leave the rest of the document that we can read it.because you are reading so we shall read it. Thank you. Paul Arapo please don't read us any document if you see that it is a document that can be read, submit it over there, do not read your document I want highlights.

Paul Arapo: ninaitwa Paul Arapo na ninapendekezo kwa tume ya katiba, na hizi pendekezo zime andikwa na makanisa katika Maralal. Makanisa ni Gospel Outreach, PEFA, KAG, PACA, PEAM, Full Gospel, EAPC, PCEA.

Mapendekezo ni kama yafuatayo lakini kwanza tulianza na freedom of worship, pendekezo kama vile court ya kadhi pia tunapendekeza kuwe na Christian court, na pia katika freedom of worship tuhakikishe kwamba tunaomba Mungu moja na tu out law devil worshipers isiwe ni kama kanisa ambaye linaabudu katika wakristo. Sijui ni free masons ama ni devil worshipers should be outlawed. And then in Christianity also we would like to be under our constitution, badala ya muslim ku slaughter animals for Christian, Christian should have their own people to slaughter animals.

In Christianity also we would like to outlaw homosexual and lesbians, ie men marrying men and women marrying women. In Christian laws also we would appeal in the constitution that we have national prayer day at least every four months in a year, that is three public holidays for national prayer in the country.

We also as Christian we would like, overings and sadaka ambazo zinatolewa kwa kanisa viziwe taxed kama matatu ya kanisa, sadaka sisiwe taxed. Also katika katiba upande ya education na health ziwe free na education iwe up to form four to all.

On the side of women, tumesema at least women wawe 1/3 of the elected in parliament or civics or any other organization wawe 1/3 to constitute to the electorate. Children tumesema under the children act wamekuwa protected lakini ninafikiri watoto wa street that is the street children wamekua in the street because of poverty. Clashes and whatever, some do not have parents, they should budget for the street children and protected in one way or the other.

Na katika normination tumesema normination katika parliament ama civics iwe for special groups that is the disabled, blind, youth and others. Tume propose pia kwamba katika upande wa administration that the chief, DO, PC, and others be elected by the community.

Tumesema presidential powers ziwe cut so that he becomes the president and the head of state, other powers like appointment for commissioners and other people to be effected to be parlement. Tumesema kwa contesting the age limit should be 18 years and above because kutoka 35years kurudi chini mpaka chini ndiyo youth wako and if we want youth to lead our country we should be 18years and above to contest for presidential or parliamentary seats. We have said parliamentary or elected councilor akiwa hafanyi kazi he should be impeached by 65% of the voters in the respected constituency ama ward.

Any amendment in the constitution lazima wa seek nationa revorandum isiwe inabadialishwa na parlairment. Any person appointed to public office like the Arttoney General should be aveted by the parliament.

Land rights should be given to the community. Election day should be stated to in our constitution that it should be either November or December after every five years, it should not be decided by the president or the parliarment, mayor and the chairman to the county council shaoul be elected by the electorate. Salaries of the MPs and extension of the parliament should go to wananchi.

Kenyan should be multyparty permanently with many political parties but we found only four political parties from we found only four political parties from treasury with more than 800,000 members. Drugs, tombacco and bhangi should be abolished constitutionally and not dissolved. Finally we would like constitutional committee or commission to be formed from the ward level going onwards to the national if there is any pertaining to the constitution. Thank you.

Com.Adagala: thank you very much. Okey Reuben ako karibu, fuata hiyo mfano ya huyo mtu, haraka sana.

Reuben Lemunyate: my names are Reuben Lemunyate, and I will make highlights on my paper here. Citizenship – to be regarded as an authomatic citizen of Kenya you must be born by one of the parents whether its here or abroad and spouses of Kenyan citizen should also be automatically be Kenyan citizens regardless of tender. Citizen has a right for basic needs, food, shelter, education and employment and the right to expression and the assemblance nad should also have the right of movement in and out of Kenya. A Kenyan identification card and the passport should be the document of evidence of citizenship and and the passport should have information on the location and sub-location and the address of the holder.

On political parties we say the political parties to continue to be there as we play the mobilization roles and also they could provide civic education through out the period. The constitution should not regulate the management and conduct of political party, and it should not also regulate the formation of political parties.and the paolitical parties represented in parliament shoul be financed from public funds, if you are not represented then you should not get funds from the public.

On the legislator, I said parliament should vet the appointment of senior presidential appointees that means the president appoints people but parliament vets them like the permanent secretary, the cabinet ministers including assistant ministers, commissioners of enquiry, judges, and commissioners of Electoral Commission of Kenya (ECK) commissioners of police, etc and even the Auditor General and the Ambassaders.and the function of that parliament should be expanded to include this vetting. Being a member of parliament should be a full time and it should work from 8am to 5pm on Tuesdays, Wednesday and Thursday. An MP should be compeled by law to report back to constituency after half term and it can be recalled to signature of 50% of voters and the memorandum can be given to the speaker of the Ntional Assembly with the sighnatures of 50% of voters if he seems not to be meeting the expectations of the people. The speaker should then declare the seat facant and order

by elections. Public service commission that also determined the salaries and the benefits of other should determine salaries and public service commission that also determined should determine benefits of the other public servants. And the PAC should therefore be empowered by the law to have these functions, the nominated MPs should be retreched and they should be from minor groups or communities like Elmolo, Wointerois, and disabled. The president can nominate MPS but half of them invited by the parliament and half of them should be women that is how we can increase the number of women.

The president can be impeached by if he seem to be have done something which contradict the constitution and we said we should have parliament calender we suggest the 4th of December of the elections year to be the date and we have a strict structure of system of governors here where we have removed the provincial administration, we have merged the preovision and the electorate.

Com. Adagala: thank you very much I think we would look at it. there a mama Sarah yuko wapi Lemboko, keti mama na useme jina lako halafu utatoa pendekezo.

Sarah Lemboko: jina langu ni Sarah Lemboko, I came to represent the resident of ngwari and the Ntamiyoy women. Women position to be in constitution of Kenya review commission. Tunahsukuru Mungu mbele kwa kuwezesha wabunge wetu wa serikali kwa kutupatia nafasi hii ya kutuwezesha tushirikiane kwa kurekebisha katiba mpya ya wananchi wa Kenya. Basi ifuatayo ndiyo tunataka tutimiziwe na hii katiba na iheshimiwe na wote.

Haki ya jamii na utofauti wa utamaduni, kwa maoni yetu tumeonelea utanmaduni wetu ifutawe na iheshimiwe. Sisis tunataka utamaduni yetu ifuatwe kama wazee wetu wanakubali kuoa zaidi ya mke moja. Na sisi tuliagana kuwa kwa desturi yetu tunatayarisha wasichana na kitamaduni na mila zetu ziheshimiwe.

Kwanza ni juu ya kupiga kura je ni kura gani ambayo inatufaa? Tuendelee na kura ya siri na watu wawe wakipiga kura na wakimaliza kupiga kura kwa kituo tunaolea kura ihesabiwe hapo hapo, mbele ya wote ambaao walipiga halafu makarani warudi na record ya kila mgombea kiti hiki kwasababu hiyo itasuia kura kuibwa.

Masomo- je tunaweza kusomesha watoto wetu? Kwa vile tuliona ya kuwa umaskini umesidi kwa hivyo tunataka tusomeshewe watoto wetu bure, kutoka darasa la kwanza hadi chuo kikuu na hata viwete pia wasaidiwe kwa masomo.

Bunge – tunataka au tunaonelea bunge ispitishé chochote bila wananchi kukubali na kuitisha.

Mahakama- sisi tukiwa akina mama tunaona tunanynyazwa kwa kazi zetu za kutupatia chakula na kutuzaidia kwa mfano ni kuni, makaa, na mengine mengi, na pia tunataka kupanda miti zaidi ya wazungu kwa sehemu ambaye imetihirishwa na serikali watoe faidi ya kununua na kufanya kazi hiyo.

Biashara- tunataka serikali itupatia mikopo kidogo dogo ili tuwe tunafanya biashara ya sha'ngaa, nguo, maridadi zote kama

kushona mshipi na kuuzia watalii na hata nchi za nje.

Matibabu au afya ya binadamu- tunataka hospitali ya bure bila kulipa kwasababu tukiwa wagonjwa na hatuna ngombe, mbuzi, kuku. Hatupati pesa ya kulipia dawa na kama hatutaweza kupata dawa hata tuna weza kufa. Tunaonelea serikali atupatie dawa ya bure.

Maji- pia tunataka ya mfereji ya matumizi yetu na pia ya kunyunyuzia maji mashamba na pia ya wanyama wetu kwa vile hapa tunakuwa na kiangazi mara kwa mara. Wale wanao huzuki ni akina Isabela Lebarkeres, Mary Lepile, Raeli Lempoko na Sarah Lempoko.

Ninakuja kwa serikali kuu- raisi awe akichaguliwa na wananchi na awe hat yeye ni mbunge na lazima awe ni mjumbe na awe na miaka thelatinui kwenda juu. Na makamu wa rais hata yeye achagulliwe na wananchi.

Electral system- electral system izikuwe ni secret ballot na kura ihesabiwe kwa kila polling station baada ya kupiga kura. Wajumbe na councilors wapige kura siku moja na presidential iwe ni siku nyingine tofauti. Electral commission wapewe nguvu na iandikwe katika katiba ya Kenya na watangaze tarehe ya siku nyingine ya kupiga kura.

Bunge- bunge liziwe na jukumu ya kurekebisha katiba yelete, au kufanya amendment ipitiwe kwa national reverandum au ipitie kwa maoni ya wananchi. Asante.

Translator: *na keitey ninye lomon le location le losuk.*

Christopher Lelkalepi: kwsababu ya muda nita jaribu kusema kwa ufupi tu badala ya kusoma memorandum nzima, nitasoma issues important kidogo.(Interjection)

Com. Adagala: some, which have not been raised.

Christopher Lelkalepi: ya somehow, ya! Na proposal ni kwamba kwasababu tulitaka sana constitution wajaribu kuweka sheria katika Kenya ili wasamburu wasiwe custodians ya land, wawe pia wenyewe kwasababu mambo ya trust land imewaumiza sana, hivi kwamab unasemekana tu ni land yako kumbe wengine ndiyo wana uwezo nayo. Natena ninataka kusema kwamba concerning land ambaye iko upande ya county council, county council watalie mamlaka tu katika utawala wa towns lakini si katika lands ya community.concerning transfer ya land opia ninataka kusema ingetiwa mkaso kwamba mzee asiuze pekee yake shamba mpaka awe na sahihi ya mama na mtoto moja wa mzaliwa wa kwanza na family member moja.

Na tena ninataka kupendekeza ya kwamba constitution iwekwe kwamba ile land yote amabye imechukuliwa kwa njia isiyo halali kwa udangayifuna katika hali ya trust land ambaye mtu moja ame acquire katika ignorance ya watu warudishiwe wenyewe

na wananchi.

Jambo lingine kuhusu trust land, constitution iweke kwamab community wa decide kama watapatiana shamba kwa mambo ya wild life au wenyewe hawataki wanataka kuishi pamoja na wanyama yao. Concerning the treaties ambaye kulikuwa treaties iliyo andikwa concerning the land agreement between the Masaai, Samburu I mean the maa lands hivi kwamba after 99 years waturudishia na imefika sasa yafaa yaangaliwe na warudishiwe na mahali amabye wakenya wengine waoccupy, hata serikali ya Waegereza ambaye wametuandikia agreement wacompesate.

Jambo lingine ni land control boards- land control boards ambaye imetunyanyaaza sana katika nchi ya wasamburu ni kwamab every member ya land controkl board iwe imechaguliwa na community na arepresent every group ranche at the total district. Ninataka tena kusema kwamba all Samburu lands should be owned communally kwasababu kuna mahali ambayo kama sasa huko jangwa ukikatiwa sasa haiwezi kukusaidia kwa njia yeote na iwekwe amri tya kusadia hawa ya kwamba isiwe tu inakuwa snached by somebody else. Na tena ninataka kusema ya kwamba outsiders pia wazipatiwe land, wa own land lakini they can lease the land na after the lease period thye give it back to the Samburu's.

Ninataka tena kupendekeza upande wa mwisho wa land, the first registration should be challengable in court in whose so ever case.

Finally ninataka kusema juu ya culture, culture is a life style of a specific community, it manifest itself in many forms, lakini kwa community ya Samburu ni kwamba tunetaka iwe identified the principles of their cultural diversity ili katika hali yao na katika hali ya management yao hnakanika hali ya culture yao ya kuketi ili constitution waweke maanane ya kuwa even the cultures has to be respected na ni kuonekana tu ni Msamburu au Masaai and there after unakuwa marginalized.

Com. Adagala: thank you very much, Hersi Leaduma, ameenda, Samuel Makomi, Joyce Njoroge, Amina Juma, Edwin Masaai, Lantano, Robert Wesonga, Raphael Lepukuni, hawa watu wote waje mbele tuendele na kazi, at least kuna upepo uanenda huko, stima imeenda, endelea.

Samuel Makomi: mimi ni Samuel Makomi lakini ninauliza madam jambo, mimi ningependak kupendekeza, pendekezo langu tusiwe na serikali ya majimbo kwasababu majimbo zingine hazina nguvu za kujisimamia wenyewe. Tukiwa na serikali za majibozile zitakuwa na nguvu zaidi zitanyanyaaza wengine ambaye pesa zao haziwezi kusaidia zile majimbo ambaye hazina nguvu.

Ya pili tuziwe na chifu amabye huteuliwa kutoka kwa askari wa jeshi, AP, yaani askari wote, kwasababu tukiendelea namna hiyo hii serikali huonekana kama ni ya kijeshi na wakitaka kupindua serikali itakuwa ni rahizi sana maana kutoka machifu, headmen ni watu kutoka kwa jeshi.

Ya tatu, masomo ya shule iwe ya bure kuanzia class ya kwanza mpaka secondary kwasababu sisi wenyewe tunalipa kodi, na kwasababu hiyo tunalipa kodi kutoka mtoto mpaka mzee, kwahivyo haimanishi ya kwamba hakuna pesa ya kusomesha watoto mpaka wamalise shule, kodi tulitoa hapo mbeleni kutoshelesha watoto wetu ili wasome bure. Pamoja na hospitali ziwe za bure kama vile tulipendekeza hapo mbeleni.

Ya nne, ninapendekeza watu wa serikali waretire kazi wakiwa na miakasitini kama mbeleni, kwasababu mtu akiretire na miaka michache, amefanya serikali miaka michache sana kwasababu alichelewa katika shule na hata kuwa amesomesha watoto wake wakiwa shulenii (Interjection)

Com. Adagala: pendekezo, make mapendekezo na una mbili halafu uamalize. Endelea

Samuel Makomi: pendekezo ni iwe tukiendelea na katiba ilikuwa ya mbele ya retirement na shule.

Ya tano, mkenya awe anaishi popote apendavyo ye ye mwenyewe bila kudhulimiwa.

Ya sita na ndiyo ya mwisho madam, wakati wa kupiga kura Kenya, kura ihesabiwekatika kituo ambaye inapigiwa ndiyo uiizi wa kura iishe. Ni hayo tu Asante.

Com. Adagala: haya Asante, ningependa kukuliza, watu wanasema education kutoka primary mpaka secondary lakini kuna nursery school, na hiyo ni early childhood education, ile ya nursery na hiyo ni muhimu sana, inaonekana watoto hawataenda shule mpaka wawe miaka sita ama saba ndiyo unataka upande huo?

Samuel Makomi: wa nursery, hapo wazazi walikuwa wanajitegemea mpaka mtoto awe na uwezo ya kuingia standard one, na hiyo tunaweza kuendelea vile ilikuwa tu hapa mbeleni.

Com. Adagala: okey sasa upande wa majimbo, majimbo tunaita hapa majimbo lakini kwa dunia nzima ni federal government, na kuna aina tofauti, kama kuna sehemu ambaye imesahaulika kama hii, inafanya affirmative action ili iendelee iwe na development au vile ulisema inaweza kuleta mgawanyo pia hiyo nchi nyingi ina hiyo, tumeandika yako iko hapa hautaki lakini pengine tuanagalie vile iko kwa nchi zingine na tuone vile inaendelea. Asante, haya twende haraka haraka, Joyce Njoroge ame present, Amina Juma amepresent, Hersi Masaai ameenda, okey na Lantano Nabala.

Lantano Nabala: jina langu ni Lantano Nabala, (Interjection)

Maison Leshomo: mimi ninaitwa Maison Leshomo councilor town hii, norminated (Interjection)

Com. Adagala: sauti kwasababu hatuna stima ya kusikia ili waandike issues.

Maison Leshomo: yangu ni tatu tu ama mbili, ya kwanza hii ni sheria mpya ile ilikuwa inatukaba ni sheria ya ukoloni, wasamburu wengine sisi hatukuja sheria ni nini, kwasababu tulikuwa tunafuata wakoloni hata hatujui, hata ukiuliza saa hii msamburu sheria inaenda wapi ni ngumu akuambie, kwa hivyo mimi nintaka kusema hivi, kwasababu sheria ya mbele sisi hatuelewi kama inatukaba sisi kama wasamburu ama haikabi sisi kama wasamburu. Tunataka hii sasa ya Kenya yetu tuingie ndani na mimi ninataka niseme ninataka tuingie ndani na njia hii, si ni maoni tu ndiyo mnataka? Ile mtu anataka kusema? (Laughter) Mambo ya mchanga yetu, boundary zetu kama wasamburu tunataka irudi kwetu na iwe ni yetu na si bandia. Ile imeenda, kwasababu tuko na land mingi ambaao zimeenda, zirudi ile imebaki, mashamba ile wazungu wamewacha kwasababu kuna zile zilibaki, tunaomba turudishiwe.

Ya pili, ningeomba pia hii mambo ya ngombe kuibwa, ikipatikana mahali hiyo wizi imeingia, tunataka mahali ambapo hiyo mali itapatikana weyeji hapo walipe, walipe mara mbili ama mara tatu ya zile ziliibiwa. Mtu akiuwawa pengine kwa mambo ya uizi wa ngombe kwasababu hiyo ndiyo iko zaidi upande huu wetu, pia kama mtu ameuwawa alipwe kwa hivyo tunataka sheria ya kusimamia ya kuwa kama mtu ameuwawa alipwe, kuna wakati tulipitisha ilipwe ngombe mia moja kwa mtu. Kwa hivyo hiyo iendelee.

Kwa mila yetu pia, mimi ningesema tualkaye na mila yetu na iwe ndani ya sheria kwasababu kimila hatuwezi tupa na tunataka iwe ndani ya sheria, mila zetu tunayo, kwa mfano saa hii bwana akinitupa na niko na watoto si lazima niende kortini, ama sijui niend wapi, kuna wazee wanaweza kuitwa hata wazee ishirini wanakuja kudiscuss kusema nitafanywa nini. Nirudi kwa baba ama nitupwe ama watoto wataenda wapi. Kwa hivyo kimila yetu ikae vile ilikuwa na sheria ikabe, nafikiri yangu ni hayo tu.

Vitu zingine nyingi irudi kwa council na pengine authority iendelee. Jambo moja nimesahau mimi ningeomba pia, kama kitu ya president wananchi ndiyo wanachagua na tungependa kusema pengine kijana achaguliwe, kijana aende hiyo term mbili na kama bado kazi yake ni nzuri na tunahitaji pengine iogezwe iwe term tatu (noise at the back) ninatoa maoni yangu ninasema mambo (Interjection)

Com. Kangu: hii maneno ya economy, unasema money should not go out unless 2/3 of the MPs have voted, I am doubtfull that is the best way to secure our money, Kenyan's are already complaining about MPs, why don't we think of another mechanism of protecting our money not only rely on MPs.

Benson Lochok: currently you know they only withdraw this money with majority votes, (interjection)

Com. Adagala: and we have heard experiences when it comes to what benefits them they will forget all their opposition and whatever kanu differences nad unite, so getting that 2/3 majority would not be a diffucult thing if it favours their interest.

Benson Lochok: already we have the public service commission to determine there salaries and allowances so they are not the one who will determine there allowaces and salary so only what they authorize is withdrawal of money from treasury that is what it is suppose to be.

Com. Adagala: keep thinking about this thing, we are forming a new Kenya so thing also 50years from now when you are a president. Daniel Leshamau, Daniel, Robert Wesonga, Raphael, Lekopon, Wensonga si not around okey.

Com. Adagala: Sammy wait.

Com. Kangu: you have raised three important issues and as I said earlier people must think about this issues, this area is purely livestock and if you want to help it you must develop livestock, and there is alink between the development of ranching and the land tenure system, you have heard Samburu people telling us we want individual title deeds to our small pieces of land and so on, I want you to give us some thoughts about the land tenure system that can enable us to develop the livestock in farming in this area, will webe able to make it with small individual portion or will we be able to make it with large portions probably in the hands of the community.

Sammy Lenanyekwe: okey thank you very much, I encourage tye community to own the land communaly, simply because we cannot use public fund to go and have a trush on our private lands, and something else infact range management needs a lot of area, it needs things like cotroling of grazing, it should need things like control of locust and other things, so I encourage the communal land ownership.

Com. Adagala: thank you Sammy. Ninataka Paul Kimaru, proposals, huyu ni mzaledo, proposals.

Paul Kimaru: ninashukuru kwa kupata hii nafasi, my names are Paul Masai Kimaru, my proposal is something very deep. Nimeandika hapa hivi this affects Samburu and Kenya in general. I am talking about Kenya laws; this is the time to amend the committee.

Translator: *keronaninyelomon le nkitanapat e Kenya,*

Paul Kimaru: I think section 92 cap of Kenya affecting judiciary and prisons act.

Translator: *kejolomon ta le kotini wo si le jela.*

Paul Kimaru: now my first point is one thing that should be admirable, one this matters also,

Translator: *na nejata ejo ninye.*

Com. Kangu: I said propose.

Paul Kimaru: I am proposing one thing the whole sentence what we call remission sentence instead 1/3 of remission of sentence for those who are have been jailed, they know that those who have been jailed they always get 1/3 of remission which, no we want these to be half instead of 1/3 in the prison.

Translator: *maningnanu inia kutukniro iye.*

Paul Kimaru: tafadhali ninasikitika kwasababu interpreter ameshindwa. Ninasema hivi katika kifungo ya jela, mimi ninaongea ka niaba ya magereza wale ambaye wamefungwa, wanajua ya kwamba ukifungwa miaka moja unapatiwa moja kwa tatu ya kifungo yako ambaye inaleta taabu na unashindwa unafunguliwa mapema ama unanyongwa mapema, so hii ikuwe ni nusu, half remission, remission of sentece should be a half.

Com. Adagala: endelea na proposal next.

Paul Kimaru: ya pili, kuchapa kiboko sisi hapana punda, mambo ya kiboko tunataka constitution hii iangalie. Hapana piga sisi kiboko bwana (Laughter) kiboko waachane naye kabisa, hakuna watu wengine wanachapwa kiboko kwa dunia nzima ni Kenya tu. Kiboko ikwishe.

Paul Kimaru: ya tatu na ya mwisho, mambo ya kunyonga watu, dunia mzima hapana nyongwa, kama ni miaka hamzini na mimi ninafanya robo, funga mimi miaka maisha, tunaita presidential pleasure isiwe life imprisonment, presidential pleasure usininyonge, Kenya constitution iangalie hiyo mambo ya death penalty ianchwe. Asanteni sana. That is all (Clapping).

Com. Adagala: ilikuwa ilielewaka vizuri sana asante Kimaru, asante jiandikishe pale. Hassan Abdi, hayuko hapa mbele Christine Letimam hayuko hapa mbele Mac Paul Mwangi endelea Paul.

Paul Mwangi: my names are Mwangi Paul,

Translator: *keji ta ale ayeni Paul mwangi,*

Paul Mwangi: and I am going to talk about the admission to the university.

Paul Mwangi: all this district lack facilities.

Translator: *na kore kuna ngojitin na meata ninche ntokitin na neatay te kunda ngojitin.*

Paul Mwangi: now my proposal is,

Paul Mwangi: the mean grade of entry to the university should lower for the district.

Translator: *na kejo kore duoo ntoki nayeuni pelo nkerai university, woi etodowni na kuna district.*

Paul Mwangi: for example if in Nakuru is B+,

Translator: *na kore te Nakuru na B+,*

Paul Mwangi: in Samburu it should be B.

Translator: *na keyeuni pa kore tanakopang e sambur na B.*

Paul Mwangi: the current entry for the university is B+.(Interjection)

Com. Adagala: all over the world it is C. out of point of facilities of the universities, but if you have C+ at the university of Nairobi in Kenya you can go, cut of point depends on the money that the government has to award those students who did well, marytorious, it is actually a scolarship from the government. Now you want to be B. for Samburu and the rest of the country C+?

Paul Mwangi: no for Samburu it should be C. (Laughter)

Paul Mwangi: another thing I am going to talk about is school fees,

Translator: *na kejo etoki lomo le fees le sukul*

Paul Mwangi: the primary school fees should be free.

Paul Mwangi: if you multiply by about one-million students in school,

Paul Mwangi: we are going to get about two hundred million per year.

Translator: *netum na neina ngalifuni iip arre.*

Paul Mwangi: this can be used to fund students in colleges and universities.

Translator: *na ketosh nanapeta keshori iltungana te colleges.*

Paul Mwangi: such a fund should come in under higher education loans board.

Translator: *na kejo kore duoo nana silingini pa keji ne nkisoma ekeper.*

Paul Mwangi: college funds and such a thing.

Translator: *aya,*

Paul Mwangi: the last thing is,

Translator: *kore ne nkiti 'ngoto,*

Paul Mwangi: I am going to call upon the government,

Translator: *na keomon ninye serikali,*

Paul Mwangi: to scrap all the public holidays in this country.

Translator: *meta keturari public holidays ana noch ikyengye 'ngat tatua ana kop.*

Paul Mwangi: they have no use.

Paul Mwangi: the public holiday that should remain it is only Labour Day.

Translator: *pa kore inia public hoilidy nabo neyuu neatay te Kenya na ana echu naji labour day*

Paul Mwangi: but instead,

Translator: *kore nkule pooki,*

Paul Mwangi: the speech should be read through television, radio and the newspapers.

Translator: *nesomi ta duake speech etuwana nachi e sirikali te radio wo si te televishen.*

Paul Mwangi: this way we are going to ave a lot of money that can be used to fund our education.

Translator: *na nikinte 'ngelu sislingini kumo duoo nappuo mbata enkisoma.*

Paul Mwangi: because we use a lot of millions in one year for the holidays.

Translator: *amu ikintumia silingini kuumo woleng te ngaraki eneina holidays neatay.*

Paul Mwangi: thank you.

Com. Adagala: kijana,

Com. Kangu: actually it is good what you have proposed about time, in Japan infact they say schools work 11months a year, the holidy is only one month, because they say they have to work and the preparation of the younger generation is very important thing infact teachers are said to be the highest paid professionals in that country. So when you say that we are wasting time I agree thank you. (laughter)

Com. Adagala: Mungeson Lelechet, kama anakuja let us have Willy Mwangi, endelea haraka three points.

Translator: *keji ale ayeni Willy Mwangi engwa Maralal high school.*

Willy Mwangi: okey and I have the following recommendations.

Translator: *na kuna baa eata ninye.*

Willy Mwangi: one we should have equal distribution of teachers, even if we have 50 teachers in Starehe, even Maralal high school we want 50 teachers.

Translator: *kejo keyeu newori ilmalimoni aitiris tana kore Starehe ilmalimoni onom, woi eti Maralal high school onom.*

Willy Mwangi: some topics even canot be applied in life and therefore should be strictly removed.

Translator: *kejo kore abaki nkule tokitin neitengeni ninche kejo meaku te nkishui eltungani na woi eitaini.*

Willy Mwangi: for example electro chemistry in chemistry, they cannot be applied anywhere, okey a board of setting examination should be set, instead of the teachers of high schools that is Starehe, Alliance setting the examination so they have advantage than us.

Translator: *kejo kore abaki board nainguraa mbaa e ntemata woi eitaini kando pemeaku ilmalimoni.*

Willy Mwangi: all teachers participating from each district.

Translator: *na kejo kore iltungana wojing inia board na ilamalimoni woingwa district pooki.*

Translator: kejo koer si nkerra napuo university woi a kerisio siana iltungana wopuo university tana keyay le lokop tikitam, neyay le Nyandarua tikitam, neyay le Nakuru tikitam.

Translator: kejo kore abaki si ngarsisicho enkop woi aa kore meta district nemeti atuwana factory naiteinyeki ntokitin peyeetum iltungana ilkasi.

Willy Mwangi: thank you.

Com. Adagala: Com. Kangu comes from Mumias sugar; it is a very big industry.

Com. Kangu: you re saying you want equal distribution of teachers, if one school has 50 teachers another one has 50 teachers, but we are aware that some schools have 400 hundred students, somehave 100 students, some have a thousand you that would not be equaled, infact it will be one way of marginalized in some people. Starehe will come and tell you we have a thousand students or they will give you fifty teachers in a school of athousand student then you loose.

Willy Mwangi: but you see if now you have equal numbers of teachers, the student will be eagerly going to that school now will have equal distribution of teachers country wide.

Com. Kangu: why don't you say equitable so that you have a thousand students the number of teachers should be proportionate to the number students and that is what they call equitable let equal so that you take in the account the circumstances. So that even when you are distributing resources you say Samburu is dry so we should give them a distribution that they take in there account there circumstances.

Willy Mwangi: exactly, to add one point, (Interjection)

Com. Adagala: you have heard Proffesor has told you there is difference between equal and equitable and equality? (Laughter)

Willy Mwangi: yes, okey to add one point the headmaster should not have the power to deregister students. Thank you. Yes from this year.

Joseph Lepario: may I also contribute one point, just one more please?

Com. Kangu: make it before you waste your time.

Joseph Lepario: yes, on management and use of national resources I propose that poor districts to receive higher proportion of

resources until all are expired.

Com. Adagala: which resources?

Joseph Lepario: in budgetary allocation.

Com. Adagala: you don't want to get your resources then keep, you know there is a lot of resources here but the problem is they go and then they go somewhere else.

Joseph Lepario: but the central government takes and doesn't bring much back.

Com. Adagala: that is what I am telling you, and you want it to go?

Joseph Lepario: we want those resources to be here.

Com. Adagala: so it is okey affirmative action I think is adequate. Pastorlist people you have to really to think very hard all over the world the pastrolism is under pressure and you don't seem to have looked around except for the young man here who have looked at the Botswana what the Botswana are doing. The pastrolist every where all over the world, but hey are under treat because the US who are actually been expanding its three hundred million people who have examined we have people in Parmbers in Latin America we have all manner of places and you seem to think here you should know what happens all over the world because you can learn strategies from all over Asia they are pastrolist. So you need to know what is happening and why it is happening and not just money has been taken and put in Kiambu. I want to ask you should land cost the same everywhere in Kenya if every one is to settle wherever he wants in Kenya?

Joseph Lepario: cost of land?

Com Adagala: one hac of land, should it be the same cost?

Joseph Lepario: I think it should depend on the potential and the needy so it should just go like the as it is now.

Com. Adagala: so that if in Kiambu one hac is one million and here is ten thousand so person in Kiambu can come and buy here.

Com. Kangu: that is buying the whole village after selling one hac.

Joseph Lepario: but the point I make is that there should be some is that there should be some constitution provision to safeguard the resources of the minorities.

Com. Kangu: Odero's husband tell us in Nyanza that you put one leg in Kisii and another one in Nyanza, the one in Kisii a hac is a hundred thousand and in Nyanza one hac is seven thousand and you say this is unfair.

Com. Adagala: you know you cannot tell the government says that and you say lete fare, everybody as they want. Let me ask you something, you have also to think on what you can do to say that not just the government.

Joseph Lepario: yes what we saying is that the constitution should mist plate that the Samburu district, land in Samburu district should be communally owned and therefore it becomes unsellable.

Com. Adagala: okey that is at least, but you youself (inaudible) the colonial agreement, just tell me what is this communal agreement said and why do the people are not be able to buy the land?

Joseph Lepario: I really do not have the specific word for (interjection)

Com. Adagala: any body? Iwant to know this, coodinator what does this colonial treaties says? Come we want to put it in

records.

Bernard Saidimu: that is a Masai treaties of 1904, the 1904 to 1911 which says that the wazungu must live in highlands that the Masai were going to stay at the Southern Side merit, which is the Southern side of the railway line through the line which the northern side (inaudible) so after 100 years or 99 years the treaties must suppose to expire and the lands must come back to the real owners.

Com. Adagala: so how comes people have got it?

Bernard Saidimu: I think by violation of the local union.

Com. Adagala: okey.

Com. Kangu: then the question is those who have bought have they bought simply the remainder of the lease, and you need to find out this when leases 99 years leases expire in this country, what does the government do? Sometimes people apply for extension I think you need know that and then know at what point you can go and block extension, say this land was suppose remain back to us so the owner who is applying for the extension should not be given that extension. Infact the points she was making and which I think our people need to take seriously if that some of this thing require and you have young men and women here well informed they require intensive comparative studies, so that you bring to us heavy documents with comparative study when we seat in the board room and we start arguing on your issues we have all the information in our hands so we are taking abuse but we not saying that this is the close of the matter if you people can go and do further memorandum and write (inaudible) make sure they reach us before the end of this month, they will be considered in the process of analyzing them.

Com. Adagala: tell them we just want to go and to visit how the other pastrolist are living in the Tadra in the Northern, find out there are lots of people who aged on pastrolist. Pastrolism is under treat don't see someone buying ten hac of land and they cultivate it and you think just someone with money, it is under treat. Now it is a good thing change this one because where we come from it is very day and night, so hii mambo ya ukavu is something else. And also we don't have cows, if somebody has five they are too many everybody thinks he is a rich person. So you need to really take this thing by the rule of (inaudible) so that you can defend pastrolism, and it is defenciveable. Haya let us see Reuben, is Reuben here, thank you very much for your contribution.

Reuben Loikuk: thank you very much madam I am Reuben Loikuk. And first point is about independent electoral commission that is free from political influence and it should have the powers to dissolve the parliament. Number two, we like a state where by when a female citizen married to a man from outside, the man should be a citizen.

Translator: *keji ta ale payan Reuben, na kejo kore tene elotu iltungani neyem ana loingwa hay kop neyem ngoirei enne naaku na kore ilo payan woyama inia ngoirey neaku si ninye lope'ny nkop.*

Reuben Loikuk: we want a system where by the president he is not an MP, when the citizen elects him but he should not have a constituency.

Translator: *kejo kore president mara iltunangani egeluno neaku keyeuini na eata si ninye ngoji netegellunyeki.*

Reuben Loikuk: when comes to land,

Translator: *kore etoki teneopoinii nkulupo,*

Reuben Loikuk: we have incased of where there are land, which is not used that land should be capital it belongs to somebody and he is not using it.

Translator: *tene eatay nkulupo neaku metumia lope 'ny.*

Reuben Loikuk: commission of enquiries should be the government to seat down and have that idea that we need that commission of inquiry and not the responsibility of the president.

Translator: *tene eatay commission na nainguraa nkule tokitin,*

Reuben Loikuk: the semi arid land,(interjection)

Com Adagala: the ones, which have been there, the enquiries?

Reuben Loikuk: like community commission,

Com. Adagala: as I am saying those once they have been there already understands work like the others who have been called (inaudible) what should happen?

Reuben Loikuk: as I come back with my recommendation, the recommendations should be taken to parliament and be discussed. About the irrigation of land the government should irrigate semi arid lands so that there is food distribution.

Translator: *kejo na kore nkulupo nemeasishereki na woi eya serikali peye eworokini ilkule tungana.*

Com. Adagala: that is about five and I said three, did you choose the ones you want to talk about? Okey.

Reuben Loikuk: if you contest and loose it you cannot be norminated to the parliarment.

Translator: *kejo kore na peitashe iltungani tekura neishinday woi megelluni.*

Reuben Loikuk: he should not be an MP through normination.

Translator: *woi na pemegeluni aisho normination.*

Reuben Loikuk: now to become a clerk should be elected. Thank you very much

Com.Adagala: Reuben you said that when a Kenyan woman who marries a foreign man, a man should become acitizen, currently the Kenyan men who marry foreign women those women became citizens, I would like you to talk a little more on the proceses involves before that current spause to recognize their possition because right now along the boader areas there are many men who are complaining that they want the constitution to provide for that to live with wives for ten, twenty, thirty years before they are recognized before they are given there wives they cannot vote and so on, what procedure do we put in place that can have them this, again to add on that we have several systems in marriages in our country, those who goes to church or

marriages registry at the end of the ceremony the pastor declares them the husband and wife, and you know from there that this is a spouse, but under the customary law marriages are processes some times you don't know at point is the process the marriage has taken place and there is a husband and wife, how do we deal with this kind of marriages. In some communities unless the entire dowry has been paid the marriage hasn't taken place and it may be completed after ten or twenty years, how do we do with that. And then the other question is about the land that which is not (inaudible) we need you to come out very clearly what you mean by use, because seating here from morning there those who have complained we need title deeds so that we can use our land to take loans from bank, is that use of land? We have heard that young man who was very quite lighten he said and people laugh, that we need sort our land to know this is rock land and it can be used for housing, this is agricultural land it can should be used for farming and unless we sort and then identify specific views for which land in a particlur area suppose to be pool, we may not be able to know what pool is, and you come out and tell me that I want my land and I will tell you that I used it to take a loan so abuse me. (Laughter)

Reuben Loikuk: thank you very much let me go to the question of marriage (interjection)

Com. Adagala: before you go to the marriage one, my brother can marry a wife who is a British citizen, but she marries him and in her background she (inaudible) and she can't be a Kenyan citizen or someone can marry a non citizen and you become a citizen and then you want to stand for president.

Reuben Loikuk: I think for the man to be a citizen the first thing is that there should be a certificate of marriage and the customary marriage should not work in this thing because the government should know that this is te real spouse.

Com. Adagala: but there are people who want to marry under customary law. (noise from the audience) especially people on the boarder and they are asking let it me hear you don't (inudible) so much (interjection)

Reuben Loikuk: but those who are living along the boarder (interjection)

Com. Adagala: the house is there and the other one is here, one is in Tanzania and the other one in Kenya.

Com. Kangu: Uganda, and Kenya everywhere. So what is your proposal?

Reuben Loikuk: my proposal is how can you know we should use the customary marriage we cannot actually tell that this person is really married so it is better for outsiders to undergo the other two types of marriage the church or they get the certificate of marriage from DC.

Com. Adagala: go to the next thing.

Reuben Loikuk: the next thing is about land, in this case what I mean the land which is not used is actually fertile land, you have bought a land may you have very big land somewhere but you are not using it in the same as that there is a land in Laikipia area and in trust land should be used for other purposes like grazing animals. So those fellows who have those pieces of land are the ones who suppose to be fertile because they are not put in to practise.

Com. Kangu: there was a question on the security of the country and this foreign spouses being given citizenship and then of course she asked about the right of the citizens, do we distinguish? If I brought my wife from out there should she be entitled to become a president in this country?

Reuben Loikuk: I think that is very impossible and the same time people should have ID cards, he/ she actually be a citizen by having all the necessary documents but he should not be a president.

Com. Kangu: you need think about not only your self but even other because when you make these proposals there are certain implications you must think about it. What we are talking about I was also in Teso and that was the major complain that we have wives here from Uganda it takes 20 years before they are given ID cards come they cannot vote, they are saying make the processes back but in the other hand we must also be careful because whether the election comes and we are not careful I can go and bring a whole village from Uganda and call them wives of my constituency to just vote for me so we need to be very very careful when we think about all things. Thank you very much. Now we have Gitonga Gichuki.

Gitonga Gichuki: my names are Gitonga Gichuki and my views or my proposals are, as far as the political parties are concerned we need to be funded from the consolidated funds that is to control the sections and collapse of powerful political party's opposition parties. Now when it comes to electoral system the president decides the 25% from every province.

Com. Kangu: asante, now no questions thank you, tupate Peter Tebanyane,

Peter Tebanyan: kwa jina ni Peter Tebanyan kutoka kanisa la seventh day Adventist (SDA). Proposal yangu anbayo ninaweza kusema hapa ni kuhusu kanisa la seventh day Adventist na kuhusu pia sikuya jumamosi itambulike katika katiba tupewe uhuru kwamba ni siku ya mapumziko na pia wale ambaowwanapumzika katika siku hiyo ikiwa kwamba ni wafanyi kazi

ya serikali na pia ni wakati w mtihani kwa watoto na pia upande wa shule watoto ambao wanasona siku ya jumamosi hiyo siku ipeanwe iwe huru kwao na hawa watu wapumzike.

Basi la pili ni kwamba ni kuhusu ni uchinjanji wa wanyama kama ngombe wakichinjwa, mimi ningependekeza hivi, ningeona kwamba katiba inasema kwamba hata wakristo wawe na uhuru ya kujichinjia wawe na kichinjio yao ambao wanawenza kujichinjia wanayama wao. Wanyama ikichinjwa na wakristo pia wakichinjia ikubalike.ninafikiri ni hayo tu.

Com. Kangu: watu wengi wameleta hili mambo la kuchinja wanyama, waislamu desturi zao wanasema hawawezi kukula nyama ambaye imechinjwa na tu si muislamu, wakristo kuna kitu yeote kama hiyo ndiyo tuanz ekusema hata sisi tuwe na watu wetu huko ama what is the problem? Wacha tusikie kama huyu ako na majibu, uko na majibu kwa hiyo ndugu? Ama huyu atujibie, kuja useme tusikie.

Speaker: Matendo ya mitume inasema mkristo yeote asile nyama ambayo imetolewa kafara kwa miungu wengine na wakristo na waislamu wana miungu tofauti asante.

Com. Kangu: asante basi you go, basi tupate Simon Leparsaya, basi kama hayuko Kanon David Letoya.

Kanon David Letoya: jina ni Kanon David Letoya, ningependa kupendekeza kwa katiba mpya ya Kenya kwamba president awe na term mbili pekee yake (interjection)

Com. Kangu: ya miaka ngapi?

Kanon David Letoya: ya miaka kumi. Yaani tano tano. Ningependa katiba ya Kenya mpya iwekwe kinagananga kabisa ya kwamba kila minister ya Kenya awe graduate. Tena ninapendekeza katiba mpya kila mbunge elimu yake isiwe chini ya O-Level.

Ninapendekeza pia katika katiba ya Kenya ya kuwa hakuna councilor anawenza kukubalika akiwa hajafika elimu ya O-Level. Pia katika nchi ya Kenya anti-corruption commission iwe katika kila district. Na pia katika nchi ya Kenya aina yeote ya bombe ipigwe marufuku. Pia mambo ya security iziendelee katika mkono ya watu wengine bali ibaki tu kwa wana wanajeshi, polisi na wle wanao husika stock theft na army. (Interjection)

Com. Adagala: sema ya mwisho kabisa.

Kanon David Letoya: itoke kabisa katika mkono ya homeguards, na mambo kama illegal guns. La mwisho kabisa ni muhimu kabisa ni kwamnba elimu iwe free kuanzia primary mpaka university.

Com. Adagala: asante,(Interjection)

Kanon David Letoya: tafadhali unipe moja tafadhali, ninapendekeza tena katiba ya Kenya ikubali serikali ya majimbo.

Com. Adagala: asnate sana, una swali kwa mzee?

Com. Adagala: mzee hii ya mwisho ya majimbo tuwe power itoke juu ikiptekwa kwa majimbo iwe provinces, iwe district ama tuchore boundary mpya?

Kanon David Letoya: iwe kwa provinces.

Lakini kuna ya mobile, North Eastern pia wakasema wanataka hiyo ya traditional hata siku hizi kuna what they call home school na mama au baba anasomesha tu watoto wake nyumbani, hiyo pia iko vitu kama hiyo lakini kama nchi imeendelea sasa baba anajua a mama anajua kile inaendelea. Com. Adagala: you are letting this technician run your duty, (Laughter) haya hawa watu wa mwisho ni watu walikuja wakiwa siku ikiwa imeenda sana, sasa every one will have two points so that we can finish okey, Joel Logiran, hakuna Joel, Leteri, Paul Nderitu, Andrew aa huyu mtu amezungumza but Lenanyekwe talked but this name has been here, endelea.

Joel Logila: Mimi ninaitwa Jeol Logila na nina pendekezo ya land, kwamba wakenya wote wapatiwe ardhi katika katiba mpya na ile independent grass land ambaye imekuwa grapped by wazungus to be returned to the owners.

The county council and the local community to be empowered to control and allot land to the people. The title deed to be given to the owners of the land. Kenyan to own land anywhere in the country with or without restrictions. All Kenya to be granted access land.

Na kwa proposal nyigine nitaongea juu ya customary law. Hii ina husu mambo ya urithi, kwamba kama mtu ameo na pengine amefariki katika desturi ya kisamburu na pengine haja oa kikamilifu huwa ana nyanganywa, kwa hivyo pendekezo katika katiba mpya ni apewe arithi kama ni watoto, kwasababu kwa kisamburu kama ujaoa unaweza kunyanganywa watoto kwa hivyo tunasema mzazi (Intejection)

Com. Adagala: kama hujaoa kisamburu?

Joel Logila: kisamburu kikamilifu.

Com. Adagala: nani ananyangaywa kama bwana amekufa bibi ana nyangaywa watoto ama kama bibi amekufa bwana ana nyanganywa watoto?

Joel Logila: kama pengine mkikosana na bibi na hujaoa kikamilifu, una nyanganywa kwa desturi y a Samburu, una nyangaywa watoto na una haki.

Com. Adagala: wanaenda kwa?

Joel Logila: wanaenda kwa wazazi ya msichana kwa hivyo ninapendekeza ya kwamba bwana ama bibi kama wameoana wasipo oana wawe na haki ya watoto.

Com. Adagala: this man is not wasting time he is telling us something nobody else has told us please, ngoja watakuwa na haki gani ya kuchukua watoto na kwenda na hao ni bilogia tu kama ngombe inazaa na...

Com. Adagala: na kuoa kwa kisamburu ni nini?

Joel Logila: ni mpaka unaua ndume halafu sasa unatambulikana kabisa,lakini pengine kama huja fanya hivyo sasa wakati mnakosana, watoto wanaenda na una haki tena.

Com. Adagala: na mahari? Hii bride price.

Joel Logila: kama huna mahari (interjection)

Com. Kangu: ngombe ngapi?

Joel Logila: inategemea kulingana na familia ya msichana.

Com. Adagala: you gave us an idea, ya chini enyewe ni ngapi?

Joel Logila: inaweza kama ni ngombe sita na kuelekea, kwa hivyo tena hapa katika mila za kisamburu kama wasichana hawana haki kama pengine mwanamke hana kijana huwa hana uridhi huyu mtu anaweza kuridhiwa na wengine kama mandugu zake. Kwahivyo wasichana hawana haki. Tuseme kama yule mtu ako na msichana anaweza kuridhi wazazi wake. (Interjection)

Com. Kangu: unasema wasichana wachukuwe kuliko wa ndungu?

Joel Logila: kuliko ndugu kuchukua, basi watoto wake wasichana wamridhi. Kwa hivyo ni hayo tu.

Com. Adagala: hii ilkuwa ya wasichana mwisho ulisema nini?

Joel Logila: nilisema msichana anaweza kuridhi mali ya wazazi wake kama hakuna kijana.

Com. Adagala: na kama kuna kijana?

Joel Logila: kama kuna kijana, kijana ataridhi.

Com. Adagala: na hawa wasichana?

Joel Logila: kwa kawaida kwa kisamburu hawana uridhi.

Com. Adagala: okey mimi ninataka kukuliza tu, umesema hapa mtu aishi popote and he can own land anywhere and all Kenyan should have access to land, halafu unasema wanawake hawana hiyo right, hawa ni wa Kenya au half Kenyan?

Joel Logila: ni wa Kenya lakini kama sasa kwa upande wa wazazi wake hana mahali ya kuweza kupatiwa pahali ya kuishi kama ni ngombe anaweza kupatiwa hana.

Com. Adagala: msichana wangu akioa mvulana wako atukuwa na shamba?

Hiyo yote unasema uliona wasichana walikuwa hapo walilalamika, as if sisi si watu tunauzwa, tunatahiriwa, tunafanya nini halafu hakuna hata watu wanatufikiria tutaishi viyi hakuna shamba, walilia sana hapa.haya wakasema wazazi mtuhurumie na sijui itakuwa aje. Com. Adagala: ni akiba ama ni katiba?

Kennedy Leteri: nilisema ni matiba, (laughter) you know if you are not experienced with our people (inaudible) okey what brought me is only one point, na hii point yangu ninataka kueleza nyinyi kwa heshima yenu, okey ile kitu mii m niniataka, point yangu ni moja tu, ninataka bwana commissioner mtuzaidie, sisi tuko na ngombe na tunaweka kw lorry na zinaanguka upande ule, tunataka train itoke rumuruti mpaka Maralal. Sasa hiyo ndiyo point yangu mimi ninaomba mkazane wa hii constitution hiyo train izukumwe ifike Maralal ndiyo tuweke ngombe yetu pole pole (Inadible)

Com. Adagala: na train ikianguka?

Kennedy Leteri: na gari ikanguka? (Laughter)

Com. Adagala: tumekubaliana gari ikianguka, sasa train ikianaguka?

Kennedy Leteri: madam train inaanguka kweli lakini train inabeba ngombe mimngi kuliko gari kidogo. (Laughter)

Com. Adagala: lakini ninataka ungependa kuwa na insurance kwa ngombe?

Paul Nderitu: tutamkataza.

Com. Adagala: okey tena kuna waislamu, kuna wakristo, wakristo zaidi wanasema iwe monogamous na waislamu wanasema four wives, itakuwa aje?

Paul Nderitu: hiyo tungependa twende kwa traditional ya mwaAfrica.

Com. Adagala: but you see what I am saying is that Christian can have a Muslim then they say this man is polygamous we don't want him for aleader he is not a role model; it is a bad role modeling. Andrew Lenanyekwe, alizungumza huyu hapo awali. Daniel Lekume charp, charp. Steel Lemengani, Boniface Wachira, Isaac Juma, Bernard Kihara, Mbaye, Daniel Arap Juma, Stephen Lemosio, Leshoyi m jitayarishe na two points.

Daniel Lekume: asante sana madam commissioner na wenzako. Mimi kwa introduction ni Daniel Lekume kutoka Shabaha sublocation Samburu district. I am a Kenyan, indeginous Kenyan, (inaudible) mimi ninatoa nikifupisha yale yametusumbua au kutuweka shida katika serikali yetu au nchi yetu. Ya kwanza mimi ningependelea irekebishwe poor district au arid district, yale ambaye hakuwa wamepata matunda ya uhuru wapate, wale waliokuwa wna fukuzwa na wakoloni. And (Inaudible) imeonelea hawa wapatiwe 1st priority kwa jambo lolote yanaweza kufanyika katika serikali ya Kenya au katika katiba ile inarekebishwa kwasababu wamewekwa mbali sana badala ya kwenda kutafuta chakula nje ya Kenya hawa watu wasaidiwe na njia fulani, badala (inaudible) ni yetu atembee huko kama maskini. Kijiji wanakaa kuongojea. Mwombaji ni kitu kibaya sana. Borrowing ni kitu mbaya sana hata ni aibu, ingebaididlishwa mahali hiyo sheria iko katika katiba ya Kenya.

Iwe hivi katyika hii district ya wasamburu kuna forest kubwa kabisa ukienda kabis Mr. na madam commissioner, katika Kenya samburu district ndiyo iko na land kubwa zaidi katika Kenya ambaye ni forest tu na hakuna miti, ni kiwanja kama hi tu.

Com. Adagala: ungependa aje?

Daniel Lekume: ningependa hivi, mahali ambapo hakuna miti watu wapewe walime mashamba. Wafuate maendeleo yao kule sababu Samburu district karibu nusu ni mahali ya jilali, semi desert areas.

Com. Adagala: okey point nyingine,

Daniel Lekume: point nyingine, president not very bad lakini kuna mahali ambapo tunapata shida hapa na mimi ninawashukuru na nina shukuru serikali ya Kenya kwasababu ya kutusaidia tupate mahali pa kuongea. Hii kitu imetusumbua akili kabisa, mambo ya trust land, trust land (Interjection)

Com. Adagala: unataka president sasa afanye nini?

Daniel Lekume: president afuatilie yale ambaye anaweza kukuja kueleza wananchi, hapana kusema kwa mdomo na hakuna kitu inafanyika. Hakuna kitu ya kusema tu kwa mdomo na hii ni kutudanganya. Ministers powers yao ifupishwe, they are becoming monotonous kwasababu the president can say a directive or to direct the ministers to do something at least (inaudible) when he comes (inaudible) na ministers hapana (inaudible).

Com. Adagala: haya umepata nafasi yako ya pili. (interjection)

Daniel Lekume: please madam,

Com. Adagala: this (inaudible) okey one sentence.

Daniel Lekume: loye *kaa ta taata*, alright I am very much great ful madam and I am sorry, (interjection)

Com. Adagala: (inaudible and noises from the audience)

Daniel Lekume: I come to the poor district of the arid areas.

Com. Kangu: you have said we give them affirmative action, is there any thing else about those districts?

Daniel Lekume: All right with the district I think what (inaudible) madam can't you just (noises from the audiences)

Com. Kangu: we have been leasing iniambie another point niadike (noises from the audiences)

Daniel Lekume: with the local government the community should allthe time elect the chairman of the county council or a Mayor. Not the (inaudible) councilors. One thing madam please, for the time respect would you mind? Just a minute.

Com.Kangu: and the last point.

Daniel Lekume: not the last, the last but not the least, with the education surely we cannot all have money to hold the kids to go to (inaudible) any way there must be a way ya kutafuta ya kuendelesha watoto katika shule, serikali watafute njia pamoja na community ya kusomesha watoto ya citizen.

Com. Adagala. Asante, wakati si wangu, asante sana Daniel

Daniel Lekume: thank you madam.

Com. Adagala: yes,

Stephen Lemingani: jinalangu ninaitwa Steve Lemingani, sasa mimi ninasema maneno mawili, asnte kwa kutusaidia kulete katiba mpya kuhusu biashara ya mifugo, ya kwanza sisi hapa kuna watu wanafanya biashara na wana (interjection)

Com. Adagala: sasa pendekeza

Stephen Lemingani: sasa watu hapa (interjection)

Com. Adagala: tunataka pendekezo maelezo sisi hatutaki.anza pendekezo lako.

Stephen Lemingani: shida yetu hapa ni maneno ya kupimiwa masaa ya kusafirishwa mifugo kutoka hapa mpaka Nairobi, sahuri (interjectio)

Com. Adagala: sitaki shauri ninataka pendekezo, ungependa vipi?

Stephen Lemingani: sasa tutanaka tubebe mifugo kutoka saa kumi na mbili ya asubuhi mpaka saa kumi na mbili ya jioni.na sasa hiyo inatumiza sisi.sisi tunataka kusafirisha kwa yale masaa yote mtu anaweza kusafirisha.

Com. Adagala: okey nyingine.

Stephen Lemingani: nyingine sisi ni wafugaji na ni wafanyi biashara wakiona mahali mifugo iko nyingi anaenda upande ho na anaenda kulete, kwa mfano, (Interjection) ya tatu tena sisi ni wachunga na mifugo yetu inasumbuliwa na ugonjwa sana. Kwa mafano (Interjection)

Com. Adagala: sitaki hiyo mfano, ninataka pendekoz.

Stephen Lemingani: kwa hivyo tunataka tupewe ruhusaya kulete upande huu kidogo, kuna barua tunatafuta hapa kwa veterinary tunajaribu lakini hawa hawatupatii mabrua na tukienda huko haturuhusiwi kupeleka ngombe bila hiyo barua kutoka samburu.

Com. Adagala: asante sana kwa hiyo view, Boniface, Isaak juma yuko.

Isaac Juma: jina langu ni Isaac Juma, maoni yangu ninapendekeza hii mambo ya watoto hawa ambaye wanasurura yaani chokora, kwa hivyo mambo ya chokora hii imeletwa na ugonwja na mambo ya kupigana wenyewe kwa wenyewe wakati wazazi wamepoteza watoto wanaenda kuzurura town na ningependekeza serikali yetu tukufu itafute namna ya kusaidia hawa watoto, kwasababu kesho hawa watakuwa viongozi wa kesho.

Com. Adagala: na community inafanya nini? Kwasababu mkitaka shamba mnasema community, mkitaka kitu kinguine mnasema community inafika watoto amba ni hatima mnasema serikali.

Isaac Juma: ndiyo tunaegemea serikali pamoja na community sihrikiane pamoja tuona penye tutapeleka hawa watoto wetu kwasababu ni wengi sana, na (inaudible) kama hapa Samburu watoto wengi wamapotelea huklu wakizurura na hawana wenyewe, (inaudible) na ujinga.

Na nyingine ambaye ninependelea kwa hii katiba itengenezwe kama sasa hapa kwetu serikali watafute namna ya kutusaidia kwa ukulima, tukuze mamba ya matunda kwa kupanda matunda, miti ili hapa kunyesha mvua tuache kuomba omba, miti ndiye inalete mvua kama tunakata miti hakuna kitu itaendeleas hat mvua haitanyesha.

Com. Adagala: sasa hiyo ni aforestation na hiyo ya miti?

Isaac Juma: ninapendelea tuongeze bidii kama wasamburu.

Com. Adagala: na pia agriculture

Isaac Juma: ndiyo.

Com.Adagala: haya asante Mungu akubariki, Bernard Kihara hayuko, Mbaye.

John Mbeye Mtwambogo: mimi ninaitwa John Mbeye Mtwambogo, pendekezo langu ya kwamba ukulima iangaliwe sana katika Samburu kwa sababu tuna fuga mifugo na hii mifugo kama vile moja wetu alisema iangaliwe kama KMC ingewekwa karibu hata kama ni nyama iwafiriswe na ndege, kwq hivyo tuliterwe ile ndege ya Wilson iwe apaeleke ngombe huko ili mkulima wa huko mabali aweze kupata faida kutoka kwa hiyo ukulima wake.

Pendekezo ya pili powers ya President siweze kuregeshwa chini kwa ajili ya yule president mwenye atakuja atakuwa rubani akijua kwamba kama president ni self centred (Inaudible) na kama ako overroll anaweza kuleta shida katika nchi yetu.

Ya tatu unipatie nafasi tafadhali, ya tatu ninaomba wale watu wako na fire arms weapons (inaudible) hiyo yote iregeshwe kwa kila mtu na ile ako na certificate na ile hana akihitaji, serikali waweke watu amba wanaweza kulinda raia, lakini raia hawawezi kulinda serikali.

Haya kitu ngine ni mambo ya (interjection)

Com. Adagala: kijana tulikuwa hapa tangu asubuhi umekuja saa hii, tafadhali tuge nafasi. Daniel Arap Juma, yuko asante.

Daniel Arap Juma: mimi ninaongea mambo ya group ranch kule upande ya Loruwa (Interjection)

Com. Adagala: sema jina lako,

Daniel Arap Juma: jina langu ni Daniel Arap Juma,

Com. Kangu: regesha chini kidogo mzee okey

Daniel Arap Juma: mimi ninaongea kuhuzu ranch ya watu mia nne kumi na mbili, na wakati wa kurudiwa ilikuwa miaka wa 1972, na sasa wale wamefariki ni watu themanini katika hiyo group na hiyo shamba tuapaga kelele kila siku kwa bwana DC na bwana (Inaudible) na tukamwambia watupatie hii shamba tugawe, na ile shida ambaye tuko nayo, ninatoa hii kama si hii committee hakuna kitu itafanyika hawa kamati wamekwisha. Sasa hapo ninafiakisha hapo. Na niaongea kuhuzu watoto wasichana, msichana akiwa ni mtoto ya shule na yeze anafanya mtihani wa standard eight, mwanaume wanakuja na kutega nyara na kumchukua huyu mtoto kwa nguvu bila kuomba wazazi wake. Kuna wakati sisi commanders wa group (Inaudible)

tunachukua zamani loan kutoka 1984, kuna wengine wamelipa na kuna wengine wameshidwa kulipa, na wale wameshidwa kila wakati tunapata malalamiko wakisema ya kuwa waru wengine walipatiwa na siku hiyo ilikuwa jilali mbaya na walikuwa wamepewa na rais. Mambo hayo tu.

Com. Kangu: mzee ile ulisema juu ya msichana ambaye anachukuliwa kwa nguvu eleza katiba ni msicahan fulani ndiyo alichukuliwa ama unasema kuna watu wanachukua wasichana wadogo wadogo?

Daniel Arap Juma: msichana alikuwa nyumbani na mzee ako na wasichana wake na hii mtoto anapata mimba, wakati ana pata mimba yule alimpa mimba ni mtoto mwingine wa shule halafu akakataswa kufanya mtihani wa standard eight na walimu, mimi nikalete huyo mtoto akuje afanye mtihani ya watu wazima, nikaandikisha halafu huyo mtoto akapata mtoto wake, akamzaa mtoto halafu siku wanafanya mtihani atafanya, mwingine akapotea na si yule ambaye alipewa mimba mwingine alipotea (Inaudible) anakuja anabeba huyu mtoto na nguvu akamchukua na kumwaoa wakati anaolewa yeye hajaenda kuishi huko (inaudible) mimi nikaaenda ni kuambia mtoto arudi nyumbani na akurudi nyumbani wakati anarudi nyumbani yule mtu anakuja tena na kuchukua yule mtoto tena kwa nguvu.

Com. Kangu: asante nimepata point sasa, nielewa sasa.

Com. Adagala: asante mzee wacha nikuulize mzee, hawa watu wa 1972 walifariki lakini jamii wako wapi wa hawa watu?

Daniel Arap Juma: sijui wazazi lakini wale wazee walifariki na wale watoto wao ama familia wako moja moja, hata hawa failia yao hata hawajulikani kama wataweza kufanya mambo ya hii mashamba (Inaudible) sasa mambo group sisi hatuwezijua.

Com. Adagala: haya umeeleza kitu ambacho mtu mwingine hakuweza (Interjection)

Daniel Arap Juma: sisi tunataka kila mtu apewe shamba lao kwasababu sisi ni maskini hatuna chochote, ngombe walikufa na wengine wakmna ngombe hawajui kusema huyu ni maskini apewe shamba lake, sasa mimi ninajitolea kusema ninataka shamba langu nipewe.

Com. Adagala: Stephen Okech one point. Stephen Okech yuko, hawa watu wa Ngare youth group wlikuweko na wakaenda. Stephen Okech, unajua umetufanyia madharau, sisi tyumeketi hapa kutoka asubuhi na wewe unaregister, unaenda, tunaita jina lako unarudi na unaregister tena. Unajua hii kitu ndiyo tunataka vitoke kabisa na siwe haza kwa nyinyi vijana tena wa Maralal High School wamefanya hivyo, vijana muache ukora.

Stephen Lemosio: ninaitwa Stephen Lemosio.

Com Adagala: one point, na iwe ile moja kwasababu hujakuwa hapa kusikia watu wamesema nini, hukufumilia. One point amabye ni muimu kwako.

Stephen Lemosio: okey ningependa kuzungumzia juu ya point moja, about the minority, the rights ya Ilkunono katika Samburu.

Stephen Lemosio: black smith,

Com. Adagala: kuna tribe ambyo wako na black smith?

Stephen Lemosio: yes.

Com. Adagala: hiyo ndiyo mama alikuwa amezungumzia? Ni tribe ama ni clan? Is it a big clan? Lakini kwa uridhi wanafanya hiyo kazi?

Stephen Lemosio: ukiangalia hao ilkunono or the black smith wakaliwe katika jamii ya wasamburu, sasa ningependa waangaliwe sana kwasababu hawa tayari wanaujuzi ya kutengeneza vitu afadhali wawe na technical hivi ama wapewe loans ya kuweza kujsaidia kuendelea kazi yao, hawaitaji kuelemishwa tayari hawa wako na elimu na wanadharauliwa katika jamii.

Com. Adagala: haya nipe moja ya youth.

Stephen Lemosio: sasa sisi tuinataka at least youth wawe macouncilor.

Com. Adagala: endelea, umesema juu ya councilor hapa uko nanyingine ya youth?

Stephen Lemosio: hakuna.

Com. Adagala: kwasababu ulikosa ulikuwa na nafasi nzuri ya dakika kumi au dakika tano lakini wakati wako umeenda. Mwisho ni Loroyan Leshoyi, yuko ameenda, ameenda, haya hiyo ndiyo mwisho wa registration yetu tunawashukuru sana kwasababu mlikuja kwa wengi kwa nyinyi mlikuja manhudhuria tu na pia hiyo ni kitu kikubwa, tumefanya hapa watu karibu mia moja na tutapeleka mbele report yenu vile tumekaa hapa. Tumesikia mambo ya wasamburu pia hamtaki kuuitwa wasamburu na turapeleka hiyo mbele.

Hii repoti tutakapo toka hapa itatoka itaenda ichapishwe na itarudi hapa, mnasikia, mnasikia, repoti itarudi hapa itakaa hapa kwa miezi miwili mtachukuza na kuona kile mlisema imewekwa hapo constituency report na pia mtaona kama mnataka kuongeza au ile haikutokea vizuri ungependa kwasababu mda ulikuwa mfupi, bnaadaye kutakuwa na national constitutional conference ambayo watu mia sita watahudhuria Kenya mzima, na itkuwa hivi district ya Samburu watapata wakilishi watatu, moja lazima awe ni mwanamke, wa pili councilor au inaweza kuwa mtu mwagine na watatu mtachakuwa nyinyi wenyewe ni nani atakuja inaweza kuwa mtu yejote. Hapo wabunge watakueko, sisi macommissioners tutakuweko, makanisa mosque, watu wa NGOs watakuwa hapo na tutajadiliana hapa National Report anabayo sisi tutakuwa umeandika haya mambo tumepata ndiyo tutatumia kuandika national report.

National report itakuwa kitu muhimu kwasababu tutajadiliana tukisikizana point zote itaenda mbele kwa bunge na bunge iangalie na ipitishe na iwe katiba mpya. Watu wakikosa kusikizana hapo itakuwa kile kinaitwa referendum, mlisikia vijana wakisema hapa referandum maoni, maoni, kura ya maoni, titarudi na mtapiga kura kwa maoni ili isiwe kura ya mtu lakini kuhusu maoni kitu fulani pengine dini ama pengine afya ama pengine mashamba ndiyo tutapiga kura yes or no. hiyo hakuna tena kujadiliana na kusema ninapenda hiki au kile, hiyo ndiyo referendum na pia itarudi kwa sisi tutaweka hayo yote pamoja na tupeleke kwa bunge, wakati hiyo bill itazungumziwa bunge na ipitishwe na iwe katia ile ya sasa itakufa na tutaendelea mbele na katiba mpya.

Sasa tumeshukuru kwasababu mumeona hii ni siku muhimu na mumefika kwa wengi, tumefurahi tuko hapa wengine wamenda Wamba, wengine walienda wapi? Baragoi na hapa. Sasa tutaenda upande wa Nyahururu, Ndodol, Rumuruti huko tutaenda huko na Archers Post. Sasa kile tungependa ikiwa uko na jambo lingine umefikiria zaidi, andika memorandum umpe district coodinator ama member ya kamati itafika Nairobi, muandike memorandum kwasababu kuna provinces zingine ziko na memorandum machache na zingine nyingi, sasa district coordinator ujitalidi walimu wako hapa waandike, madakitari wako hapa waandike watu. Na tume furahi kwa sababu tumepata mambo mapya hapa na itaongeza maana ya katiba.

Vitu fulani nyinyi wenyewe mfanye kama Map, district coordinator hiyo ya certain places ama map ya mashamba imekuwa vipi mchore. Mambo nyingine yejote kama imebakia mnawenza kuandika na kulete, kile tungependa sasa kama tungepata mtu amabye atatuombea tutafurahi, asante sana district coordinator, hata committee kwa mobilization tumefurahi isipokuwa akina mama wangkuwa wengi, watoto wachanga wa primary hawakufika natungependa pengine siku nyingine watapata nafasi au wandike memorandum asante, tuombe.

Speaker: Tuombeni, Baba wa mbinguni katika jina la Yesu tunakushukuru na tunainua jina lako kwa vile ulikuwa nasi mahali hapa, tunakushukuru kwa mambo yote ambaye imeendeshwa mahali hapo kwa amani yote, tunakushukuru kwasababu ya watumishi wako ambayo wametutumikia sisi siku ya leo bila kuchoka, tunaomba ukawapa nguvu Mungu wetu, hata tukifika mwisho ya mambo haya Mungu wetu siku ya leo tunaomba baba wetu ukaendelea na sisi ukatuhifadhi na ukahifadhi hata watumishi hawa wako Mungu wetu na hata wakihudumia watu wengine mahali pengine na wakiendelea kukusanya repoti kama

vile wanaendelea kukusanya Mungu wetu ukaendele kuwapatia nguvu Mungu wetu, tunakushukuru kwasababu ya mweelekeo mzuri ambayo unaelekesha taifa letu tunakushukuru kwa sababu ya mambo mapya umetufanyia Mungu wetu, tunaomba Baba amani yako ikatutawala na furaha yako itatutawala na ulinzi wako ikatutawala kwasabab u tunaomba katika jina la Yesu Mwokozi Wetu,
