Eliud Gacanja: Njitagwo Gacanja Eliud King'ari, ngwendaga kwanza kwamba kunyita mbaru muthuri ucio waria uhoro wa age ya Presidential candidate. Ya seventy years. Ngona hari bill of rights, mundu ndangi discriminatwo nitondu wa age yake and the religion and the like. I think there is a contradiction there tondu ingikirumaga ndiwa miaka eighty, na turauga Constitution ndira discriminatwo mundu ri, niki gigutuma ati gwakinya ndirarumaga giti gia President gutwike miaka nikungiria? Having said that, ndina kiuria kingi, mundu uyu ugwitwo Prime Minister, ungirora ndandikiirwo academic qualifications ciake, apart from that niara make basic qualification cia, MP naicio ni form four, na akorwo ina pass. In my opinion, ngona iyo ni a very low academic qualification for a Prime Minister; ni gukorwo agitongoria cabinet ina technocrats. I would want to believe kuri hindi ari free-aga kana aga-suffer inferiority complex, tondu niaratongoria andu athomu muno kumukira. My proposal is, akorwo nake ena qualification onake ota cia President. Which is a degree. Undu uri ungi hari andu aya metagwo uniformed officers, andu ta jeshi, ma vote-gira kuria barracks-ini, na andu acio ngwiciria tondu barracks ikoragwo iri restricted area no mahuthirwo hari ku- rig githurano. Tondu ithuii tutikiingira kuu twone number iria ya thurana niyo iringanite na miti iria irama kuu barracks-ini. Thank you.

Muiru King'ori: Nii njitagwo Muiru wa King'ori kuma guku Muhito. Kiuria giakwa ndirenda guki-base na chapter ten

devolution of powers. Kuringana na Chapter ten, draft Constitution, niratwitikiria turi ta raia guthura members a village councils, location councils, na district governor. Ngenda kuria atiriri, tondu nii nditaraiya ni ndaheo hinya ucio wa guthuura a member acio akanju icio ri, Constitution ino njeru ri, ni hete muraiya powers cia kubuta mundu ucio angioneka ti effective? Tondu in the current Constitution, nituheagwo rutha rwa guthura councillors na Members of Parliament. No riria twamathura ri, tutikoragwo twina hinya wakumaruta itini icio nginyagia full term yao irithiira. Tondu meragwo maguikara Bunge miaka itano. Ndirenda gu-suggest atirir, in the draft Constitution, kuringana na term iria Members a councils icio mariheagwo ri, mundu angiona ni andu aria mamuthurite ndaramarutira wira ri, andu acio no maheo hinya wa kumubuta? Thank you.

Karuiki Kimaru: Nii njitagwo Kariuki wa Kimaru na ndiwa Muhito. Kiuria ni giki, uyu ni mundu ni anyitwo, na athitangwo, na atwarwo njera, kana aturio rumande matuku maingi muno, mundu ucio ringi na ringi ri, anyitirwo kwanja tuhu, kana hihi ni tugoti turia tuciiiragirwo nakuu thutha, mundu ucio nia ciirirwo Igoti ini agicoka akirekio ni appeal, na matuku make mothe ni muriire kuu, kana agiturio remand agicoka akirekio ni igoti, mundu ucio ri, rights ciake, agiriirwo kuigwo ha, hari muraia?

Wanjohi Mwaniki: Maritwa makwa ni Wanjohi wa Mwaniki, kuuma Giathugu. Kiuria giakwa kiria ingienda kuria, ni kia mwena wa administrator ucio wa location. Tondu niatwika niaguthurwo ni andu, nguria Commission kana hihi, nirorete, niakuhota ku-perform duties iria ikuo. Ni tondu ndagathurwo ni andu othe, no duties arirutagira andu othe. Kiuria kiria kingi ni ati, ni tondu twathoma Constititon ya Narc nirouga nigucokia police shukuru, mathomithio discipline njeru, na tondu thiini wa administration, kindu gigitwo corruption ni official, ndiroria kana hihi ni kuri handu muthondekete tugwo mwouga, chifu no aheo wira ungikorwo ni mwega. Kana niuthondekete handu angiamba gucokio course, nigetha ucorruption ucio mega naguo wonekane kana niugugithira? Ndiri na kiuria kingi.

Nderitu Gakonya: Haritwa njitagwo Nderitu wa Gakonya, nyumite Gakindu location, I am a retired officer. Kiuria giakwa ni kihuthu, ndirenda kuria tondu bururi uyu witu niukoretwo na andu aingi muno matari nginya hagwaka. Na tondu ninjiguire hari hand hakwaritio ha land and property, hihi Commissioners kana Commission iyo yanyu nireciiririe uhoro wa kunyihia number ya andu acio aria metagwo squatters, tondu ona tuiguiga ta Okiek, matiri kwao, no haria mangithii na matiri kindu. That is one question. The second question ni ya quorum. Tuiguaga hindi ya kaberange, andu mirongo itatu, tu nima ngiraikarire nyumba na matuikie ati, ni full. Hihi mugikinya haria muragwetire thirty per cent ni mura consider-ire the people? Uro kiuriani kiu gia quorum, ni matuku maigana mundu ageria guciira kirumaniririo ari thiini wa Bunge? Icio nicio nyuma nacio.

Muturi Muthigani: Thank you very much. Njitagwo Muturi wa Muthigani. Na gwitu no guku Mukurweini, Muhito location. Nii ndiri na kiuria nguria, tiga no comment ngwenda gwika. Nithomete Constitution ino, nginya riria yaumire last week, gutiiri itathomete, ni thiiti through, na ninyonete ni njega muno. This one let me thank the Commissioners so much, niundu wa wira uria mwega marutite, tondu nii onandieciragia draft ni kuma ati na njega uguo. Secondly twarikia gu compare Constitution iyo ne iria irariho, ino ina makiria ma twenty chapters. Niyo ingi, ngwiciria irari na Chapter ta ikumi uguo. Like that. Na nikuonania ati maudu maingi maria maheanitwo ni mahotete gukwirio ho.

Two, comments ciakwa ti nyingi muno. Imwe ni on chapter seven and eight of this draft Constitution, ikonainie na Presidency, na Government set up, uria muthuranire wa President, na icio ingi, na Government Set up. Iyo ni njira njega muno na noguo tworagia uhoro wa Prime Minister, Deputy Prime Ministers, running mate, hari Vice Presidency, na iyo noguo ihana. Nyingi uhoro wa nyumba igiri, ni provided, na ni njira njega muno, tondu nyumba imwe ingikararania, iria ingi niguthii guthondeka ndeto icio. The same section hari set up. Nitui ati thiini wa republic kwina Constituency 210. Na kuringana na new drafts, kuronania gugwikirwo 90 Mps gucoke gwikirwo 30 ministers outside the Parliament. Gucoke gwikirwo seventy, from the upper house. For senate. Kuringana na nii maoni makwa ri, that is too much. Kiria turona kwi na so many Ministers na Assistant Ministers, na niturona nimara rihwo mbeba nyingi muno. Kunyihia size, toguo Commissioner oigire ni wega muno no tinyihu. Ingi suggest uu, Mr. Commissioner nigetha riria muriikara thi, mwike uria mugwika. 200 MPs tondu Constutuencies itingiminwo no muhaka magio ho. Ngona ati thirty Ministers, icio ni Ministries njega muno. Fifteen only. Na ciume nja onagutwika haria mutiugite clearly kuringana na Constitution, mugite they can be, uguo nikuga ni open. Upper House ni njega tondu ina mwenaini wa district kuringana na district. No haha ha nominated Members 90. Hau onanii ninguga manyihe nyihe. Ninguona ta mari aingi muno na no tax payer urakiruta mbeba. Ngona andu acio na suggestion iyo muri nayo ya kuringana na muturanire wa voters na ciana no ikwo orougwo na manyihio. Infact mangi base-wo na provinces. Ma base-wo na provinces, tondu provinces voters ni ciuikaini province voters maigana ona. Na kiama kuria kiri na hinya githiaga mwena wa provinces. Ko no ma reduce-wo we have about eight provinces including Nairobi and if we say there are anything between four and five, in every province ni makwirehe. Na noguo makunyiha akorwo ni North Eastern tondu population no nini. Ma base-wo na ciana tondu ituikite strong nakuo provinces orougwo. We can reduce the number of nominated MPs to between thirty and forty. Kwoguo tungiehutia kindu ta fifty MPs nitukwoneka ati handu ha 400, tondu kuroneka riu nyumba icio cieri, igukorwo na over 400 MPs niundu wa un official Member ta Attorney General na aria angi, no manyihe nyihe, na no moke anything between three hundred and three hundred and twenty. Iyo ni my calculations.

Devolution of powers. Iyo ni chapter ten of the draft. Iyo nindirona ni njega muno, utogwo twataririo but I can say ina hinya muno. Ni complicated. Na niku need further scrutiny, further legislation, nigetha ikwo civic education wega ituike expounded nigetha andu maminyite. Kogwo ingiuga my suggestion ni ati implementation ye iyo, iheo time. And I am happy ndathoma Constitution, ni ndirona sections nyingi ni mugute registration ikwo and the time limit given. That is a good provision.

Lastly, It is all about chapter five, section 44 of the draft Constitution, and that is about religion. Freedom religion belief and opinion. Nimwikite wega muno hau ni njega no I have some reservations. Ndiu ni ati aria angi. Uhoro wa kuga ndini itwike open gutari ka legislation ga gwikirwo ga ku-curb imwe it is not the best. We have experienced. Nituiugwite uhoro wa ndini cietagwo ndini ma msabwa. Ka tigwo, nituiugwite ingi cia Jame Jong, iria ciaheanaga poision niundu wa beliefs ciao. Ona guku, guku Uganda, nituraigwire uhoro na turathoma magathitiini. Ona guku Kenya ri, ni tukiagite Mungiki na other sects. Twina cio kuu riu kugwo niturona ni hakuenda hatuikite expounded wega, registration, whether their will be a regulating body, ya kuhota ku regulate relations, tondu ingirekererio ugwo they can bring up so much and it can be a problem to the ordinary mwananchi.

Thank you very much Commissioner and you have done a good job. Thank you.

Dan Wachira: Haritwa njitagwo Dan Wachira kuma uguku Muhito. Kiuria giakwa kiria ndirenda kuria ni atiriri, ni tondu turona magathitiini tukaigua ati uhoro uyu wa Katiba ino tiuria ithu twa ririirie niundu wandikitwo ni mugeni kana ni Muthungu kuma na nja ri, na ndaruthiriria ndirona tariuria twaririirie thiini wa hall ino ri, ndirenda kuria atiriri, ni Muthungu uyu waikarite na haha rugito rwa hall ino agithikiriria uria twa cirire turithiini wa hall ino? Na akorwo arikihori, kai hakiri mahitia mariku na arauga uria twa ciriire hall ino?

Patrick Gathumbi: Njitagwo Patrick Gathumbi wa Muriuki, lay leader, nyumite kuria location ya Mutune. Ni ndacokoho ringi nigetha njurie kiuria kana ni habatarie kwongererwo uhoro wa Bill of Rights. Ni chapter five, uhoro wa the aged, andu aria akuru, na aria older and the aged members of the society, and the unemployed. Ni hindi ndona hau bill of rights, thiini wa andu acio ndagweta, ni heritwo ati ni mariheagwo assistance ni undu ni akuru, no ningwendaga kuuga na kuona ati ni hagiriirwo kwandikwo uguo hari ati ni hagiriire andu acio, older and the aged members of the society and the unemployed, kugie na kigina gia tubeca, andu acio riria maremereirwo na matiri kindu marathukuma maheagwo kindu at least muicoini wa mweri, ni undu wo menyereri niundu wa andu acio akuru tondu ni makeretwo magitungata bururi mahinda maingi riria mari na hinya. Niwega muno ni guthikiriria.

Jane Wanjiru: Thank you very much. Ni ndarumaga uringi. Ndarugama nigetha ndume sister Margaret tondu niaguthii Conference.
