follow. Haya, Kiswahili, Kijaluo. Ana kiki mago te, abiro temo kaka anyalo.

Kwanza nataka kuwalishwa staff yangu nilio nao. Nimekuja na wafanyikazi wawili kutoka kwa Commission upande wa secretariat. Hapa, Vivian hebu simama? Huyo mnaona huyu ni Vivian anatufanya kazi katika Commision lakini ametoka huko mbali Ukambani, Kang'undo. Mnataka awasalimie na Kikamba?

Audience: Ndiyo.

Com. Pastor Ayonga: Vivian salimia hawa watu na Kikamba, hawa watu hawajasikia Kikamba na wao wasikie Wakamba wakisalimu watu wanosalimu namna gani. Salimia wao kwa Kikamba tu, watasikia.

Vivian Muli: Ovo wenyu (*Laughter*)

Com. Pastor Ayonga: Ndio, si leo mmepata salamu ya Kikamba?

Audience: Eeh.

Com. Pastor Ayonga: Huyu Vivian anatufanya kazi katika ofisi na katika wakati huu ambao tuko hapa nje kazi yake uitaona akitembea na hii kitu. Hii kitu mlionna wakati wa kuchukua views? Hii kitu hatujawachana nayo, hii kitu kinashika maneno yako na kinashika maneno yangu na kwa hivyo, hata ule wimbo ambayo wale waimbaji wametuimbia hapa wa Katiba, ule wimbo umeingia hapa. Ni wimbo mzuri na wimbo ambao nimeona mtungi leo for the first time, nimeona jinsi mtungi inatumika, nimeona tena vitu vingine kule vijana wamechanganya vizuri na nikaona imechemsha na ndio imetuitia hawa watu. Kwa hivyo nyinyi waimbaji nawashukuru sana, nimewashukuru sana kwa wimbo wenu na tena mtakuja mtuimbie tena wimbo moja ambayo tutaweka hapa. Nitauliza kila mtu anyamaze, ili wimbo tu inaswe.

Halafu huyu kazi inakuwa ya kunasa maneno. Mwingine kule, hebu simama nyar Kisii. Simama, nataka wewe pia usalime hawa watu wetu hapa na Kikisii, mimi nawasalimia kwa Kijaluo, Vivian amewasalimia kwa Kikamba na wewe, huyu ni Mkisii kutoka Nyaribari...

Speaker: Nyaribari Chache.

Com. Pastor Ayonga: Ndio Nyaribari Chache umesema vizuri, ni kweli. Yeye ni lawyer by profession. *Munene ni otin ni, to en a lawyer, ka ng'ato otimo na gimoro ka to ondiko case, case odonjo tayari.* Hata nilisikia hapa ule wimbo wa Katiba unasema sasa akina mama ndio mbele. Na tena nikasikia wakisema *chuon nindo, oooh.* (*Laughter*) *Chou muamke,* nasikia nyinyi mnalala tu hapa upande wenu, eeh. Lakini wimbo imesema kwamba *chuo nindo* akina mama ndiyo mbele. Wacha hata wao wakitangulia bora tupate ugali na akirudi jioni atengeneze samaki vizuri, ile *magira* alete watu wakule. Sisi

tuna shida?

Audience: Hakuna.

Com. Pastor Ayonga: Hakuna shida. Haya salamia wao Kikisii.

Lydia Manyoni: *Mbuya mono.*

Audience: *Mbuya mono sana.*

Com. Pastor Ayonga: *Okay, neye.* Eeh, umeambiwa *mbuya mono sana*. Basi sasa tuko hapa kwa mkutano na mkutano huu ambao imetuleta hapa siku ya leo. Tulianza pahali fulani na leo tunaenda kumaliza pahali fulani. Mara ya kwanza tulipochaguliwa, tulichaguliwa ili tufanyie Wanakenya kazi. Wanakenya wanasema wamechoka na Katiba ya zamani, nasikia kuna mzee hapa ambaye amechoka na amechoka na akipewa nafasi, siku ngapi? *Angwen.*

Angwen: *Angwen.*

Com. Pastor Ayonga: *Angwen mangima.* Na sisi hatuna siku hizi, sisi tuna saa kidogo kwa maana mnajua hata mbio tunakimbizwa sawa sawa kwa kugeuza hiyo Katiba. Si mnaona vile tunakimbizwa? Tunakimbizwa sawa sawa na sisi pia tunakuja sawa sawa, tunasema tutaenda tutawaambia. Mara ya kwanza tuliambiwa kwamba tuje tuwafundishe, tukafanya ile civic education. Wangapi hapa walikuwa waalimu wa civic education? Mnaona mkono hapa, kulikuwa na watu wa civic education ambao walikuja kuwafunza na sisi pia kama Commissioners tulihusika kufundisha civic education na tulipomaliza civic education tukaona tena maneno inataka kuenda namna hii, namna hii. Tena tukasema kwamba tukimbia haraka, tuchukue maono, tukaja hapa kwenu mkatupa maneno tuka-record. Mkatupa maandishi ambao tuliita memoranda, hayo pia mkatupa na zingine mkatutumia.

Kwa hayo maneno yenu yote tumechukua, tulienda tukakaa ndio haya meneno yenu. Tumeyaangalia, ofisi yetu ukienda utapata watu wanajaa huko kama soko, ukiangalia katika vyumba vingine makaratasi yamejaa, yamejaa na hawa watu wanafanya kazi na shifts. wengine wanafanya mchana, wengine wanafanya usiku. Hata hizi tapes ni nyingi huko kabisa na tuna watu, kana ni ya Kijaluo tuna mjaluo ambaye atasikiza hiyo sawa sawa atoe hayo maneno, atuambie huyu amesema nini. *Kowachnwa ni chuo nindo to mano bende wawinjo ni chuo nindo, kowachi ni gichiew be wawijo ni gichiew, gima giduaro, gima mon duaro. Duto mago, Jaluo nitie mawachonwa ni jogi owacho kama kama. Magi e gima jopiny duaro, jopiny duaro ni mondo olok Katiba. Bas gindiko piny and then we have done all that.*

Wasebedo piny kaka Commissioners to try to find out kila kitu ya Kenya. Huyu Mnandi alisema nini, huyu Mjaluo alisema

nini, ja Kisii *ma jagot koni owacho ang'o*, ja Maasai *owacho ang'o kuom gini?* Eka wasekawo gik moko duto te mane *uwacho* and before we close our work the Act ilutuambia hivi, baada ya watu kuwapa views zao kwa maana hii ni Katiba ya Wanakenya tena tunawarudishia na kusema yale maneno nliotuambia ni hivi na vile. Hivyo ndivyo mliituambia Kenya iwe, hivyo ndivyo mliituambia mnataka hii iwe namna hii, sasa hii ndio kazi yetu. Mnataka?

Sasa tumewaletea hiki siku ya leo na katika Act ya Parliament ilikuwa inafanywa namna hii. Hii itolewe kwenu, musome siku thelathini kabla ya sisi kuita National Constitutional Conference ambayo italeta MPs wote na ndipo inaleta three representatives from each district katika Kenya, ndipo inaleta viongozi wa Makanisa, ndipo inaleta viongozi wa wafanyakazi, ndipo inaleta professionals, wale watu wana ujuzi ya namna fulani fulani. Hao watu wote watakuwa watu mia sita na zaidi, hawa watu si ni wengi? Kutoka all over Kenya, ndio huyu mama yuko hapa leo, huyu mama atakuwa mmoja wao na nasikia nyinyi wa Nyatike mmenyakua viti mbili. Eeh, wale wengine wasije wasikie, wasikie tu baadaye kama hawa wameshafika huko na wamemaliza maneno lakini wakisika *sani, ekoren i unyalo nuang'o wach.*

Lakini hiyo ilikuwa uchaguzi wa nini, wa District, si ndiyo? Tayari katika paper ya leo, sikupata nafasi ya kusoma majina ya hawa watu waliochaguliwa amba wanakuja yamebekwa. Wewe umeona jina lako? Mama ameangalia jina lake iko na ikishaandikwa hivyo, hiyo imekuwa gazetted yeye ni delegate, upende usipende atakuja. Kwa hivyo hawa watu, nataka kuwaeleza kidogo. Ni kwa nini wanakuja, hawa watu mia sita na kitu, ni kwa nini wanakuja. Kwa maana tunasema hii Katiba ni ya Wakenya na hii Katiba kama ni ya Wakenya hawa watu watakuja kule Nairobi, wataketi na watasoma neno kwa neno kwa hii Katiba ambayo tumeandika. Katiba ambayo tumeandika ni hii, manaona hiki kitabu, hii si kitabu rahisi. Hii kitabu ni nzito, hii ndio Katiba yenye tumeandika lakini hii Katiba tumeiita hivi? Tumeiita draft, kitu kikiitwa draft maana yake ni nini?

Speaker: ...(Inaudible)

Com. Pastor Ayonga: Sema kwa sauti watu wasikie. Kiti kikiitwa draft maana yake nini? Maana yake hiki kitu hakijakua kamili, hii ni mchoro wa Katiba ambayo mwagine atawenza kusema room hii ambayo naoni ni kubwa kidogo nataka iwe namna hivi, shape iwe hivi. Maneno haya ambayo naona hapa mlifunga nut zaidi hapa mtaumiza watu, legeza kidogo ndio maana ya hii inaitwa draft. Maana yake kuna nafasi wa mtu kutoa na wa mtu kuongeza, ndio maana tunaiita a draft Constitution ambayo ina nafasi kwa hawa Wajumbe amba wanakuja kusema hii tunesoma. Ndio maana tumewaletea hii, the Choice of People ili musome na nyinyi mupate nafasi ya kusoma. Na unaona kitu unapewa siku thelathini kusoma, wewe unaona hicho kitu ni rahisi.

Audience: Hapana.

Com. Pastor Ayonga: *Usome, utafune, uongea gi Jadiung' ng'ane, naye pia umuulize. In ka to ineno ni nade?* Muwe na debate nyinyi kwa nyinyi. Ndipo sasa hawa watakapokuja, huyu mama na wale wengine na Mjumbe wenu, watakapokuja wanaanza kuja na mawazo tofauti. Wanaweza kuwa wanaweza kuona mambo yote yako hapo iko sawa na kusema ndio,

kamani e kaka newa duaro.

Katiba ifanye kazi, hii ndio ifanye kazi, hiyo itakuwa maneno rahisi, wapitishe. Lakini hawa watu wanaweza kuja halafu wakiangalia ndio hii iko namna hii, hapa sisi hatutaki. Kama hutaki unatakaje? Tunataka hii mstari huu ubasilishwe. Kama unababishwa tusema nini? Tunataka usema hivi na hivi au hii itolewe kabisa, hii bado haijakuwa vizuri. Unajua mawazo ambao tumeweka hapa ni ya Wakenya wote, si mawazo ya Nyatike peke yake, ni mawazo ya Wakenya wote na utakuja kupata huko watapambana.

Mtu kutoka Coast atakuja kusema hapana, hii haiwezi kuwa namna hii, na wa Nyatike anasema sasa hii itakuwa namna hii, hapa hatubadilishi. Watu wawili wakipigana, si wanataka mtu watatu, eh? Kwa hivyo hawa watu wakishindana kuna maneno mengine wanaweza kusema tubadilishe hii na wakubaliane. Tutabdalisha hapo tu, wakikubaliana kwamba hii tuigeuze iwe namna hii, hiyo tutafanya namna hiyo lakini ikiwa watakuenda wasikubaliane na unaona wame split, basi sisi tunasema wakati huo jibu itatoka kwa nani, kwa wale walioituambia hii. Go back to the people na wale people ni nani? Ni nyinyi ndio mtaamua na hiyo inaitwa, tunakuja kwa referendum.

Ikiwa ni referendum hiyo ni kazi ngumu, hiyo sasa tunaanza kusema watu wale wa election, Electoral Commission to take over, enda kwa watu waulize watu, hii maneno ni hivi na hivi, wewe unatakaje? Mimi nasema no, na wewe unatakaje, mimi nasema yes. Na yes's zitahesabiwa na no's pia zitahesabiwa for every change that is going to take place na ile itakayokuwa nyinyi ndio tunasema watu wamesema hivi. Hii section itakuwa jinsi hawa wanavyosema na hiyo itachelewesha mambo. Tunatumaini kwamba watakapokuja huko hata kama wanaweza kufanya mabadiliko itakuwa tu si mabadiliko ngumu ile ambayo itahitaji nyinyi kuamua lakini itakuwa mabadiliko yale ambao yatakuwa madogo madogo.

Lakini sheria inasema watu ndio mwisho wa kila jambo, kwa hivyo nyinyi ni very important. Nyinyi ni very important kwa maana nyinyi ndio mmefanya hii iwe jinsi ilivyo na tunawashukuru kwamba kutoka mwanzo mlikuwa mnakuja wengi kutoa maoni yenu na maoni yenu tumeshaandika na sasa leo nimekuja ku-launch document hii. Hii document kama ingalikuwa vizuri ni kitu ambacho kingekuwa mmekipata sometimes back mkisome mimi nikija hapa mtaniambia kwamba upande huu tungalipenda iongezwe namna hii na tu-record hiyo tuende nayo. Lakini kwa maana hivi vitu hamkupata mimi leo kazi ambayo nitafanya ni ya kuwaeleza juu juu, kuwaambia hii iko, hii haipo, hii ipo, hii ipo, hiyo iko hapa ndani na kama mwishowe nikimaliza unaweza kuwa na wazo fulani tofauti basi unaweza kuongeza.

Leo si siku ya kuchukua maoni, la, si ile siku ya juzi. Leo ni siku ambao ninataka kuwaambia juu ya hii document, yale maneno mlituambia halafu nikishawaambia nitakuja kuwagawia haya magazetti ambayo ni draft Constitution na nitafuata register ile jinsi mlivyo-register na ninaona pengine hazitawatosho na ikiwa yoyote atakuja pungukiwa sasa mtapata copies zingine kutoka kwa Coordinator lakini hizi ni zangu ambazo nitawapatia hapa kwa maana siwezi kutembea bure. Kwa hivyo nitawagawia hizi, tumeelewana?

Audience: Sawa?

Com. Pastor Ayonga: Sawa kuna wangapi walikuwa wameshapata hiki? Hebu inua mkono juu, wale ambao mlishapata hii draft. Naoni ni hawa wachache wako hapa mbele yangu nyinyi wengine hamjapata, si hivyo?

Audience: La

Com. Pastor Ayonga: Basi kwa hivyo sitaki kutoa wakati huu, kwanza nitawaeleza ndipo nitaanza kuwapa ili muende kusoma na mtakaposoma, kama kuna jambo ambalo linauzito kuna nani? Unaona huyu mama hapa, mtampa mawaza kwamba hii tunataka hivi na hivi halafu mwambie Mjumbe wenu wa hapa. Mjumbe hii tunataka hivi na hivi, basi na hiyo italetwa katika National Constitutional Conference. Nanaweza kuanza kwa kuwaeleza?

Audience: Ndio.

Com. Pastor Ayonga: Sasa wale ambao mmesimama si mtachoka.

Speaker: Endelea tu.

Com. Pastor Ayonga: Mimi niendelee, mkichoka si hata mimi pia nitakuwa nimechoka nitataka niketi chini. Sawa.

Sasa hii draft Constitution tulipokuja kwenu, kwanza hii draft ina chapters ishirini na chapter moja inatosha kama ningekuwa nazungumzia Pastor word by word niendelea itachukua kipindi mzima na mimi sitatumia hiyo. Nitawaambia yale juu juu, maneno makubwa juu juu halafu details, yale maneno mengine mtayapata ndani.

Katika hii draft Constitution, tulipokuja hapa kuchukua maoni mltuambia hii Katiba ya kwanza haina preamble. Nyinyi watu wa Nyatike mlisema hivyo? Kitu hicho mimi naita preamble, haina utangulizi, haina mwelekeo inaonyesha Wakenya tunaelekea wapi? Halafu tukawauliza hebu mtupe samples, mfano ya preamble. Tutakusanya preamble nyingi Kenya mzima na tukapata preamble. Ukienda uko ofisi yetu ma preamble yamejaa, yamejaa, yamejaa. Ukiandika preamble tu peke yake itakuwa kubwa namna hii na nani atabeba na nani atasoma. Kwa hivyo sisi tukaanza kuona, kwa jumla Wakenya wanataka nini na tukaandika preamble, tukasema Wakenya wamesema wanataka preamble na preamble hiyo tukaiweka katika utangulizi wetu. Kwa hivyo kuna preamble na hiyo preamble utakuja kuipata katika hiki kijitabu ambacho nitatoa baadaye na utaona kuhusu hiyo preamble. Wakenya wanataka hii, wanafikiri hivi, these are the expressions of the people of Kenya.

Ndipo katika hiyo preamble baadaye katika chapter ya kwanza mltuambia tuseme ni nani mkubwa hapa Kenya. Mkasema sisi

watu ndio wakubwa, the people of Kenya are sovereign. Ni sisi, people ni nani? Ni sisi na mkatuambia tena tunataka Constitution ndio iwe Supreme. Sheria ndio iwe juu, mkatuambia kuna watu wengine wako juu ya sheria na wengine wako chini ya sheria. Tukasema sasa haya maneno ni namna gani, mnatakaje? Mkasema sisi zote tunataka kuwa level, si mlituambia?

Audience: Ndio

Com. Pastor Ayonga: Kila mtu chini ya sheria, kama unavunja unaambiwa umevunja sheria na sisi tukasema Wanakenya wamesema kila mtu ni sovereign lakini sheria ya Kenya ni supreme, ni supreme kwa kila mtu. Basi hiyo tukaweka halafu mkasema na tunataka hii sheria itakapowekwa, Katiba ikiwekwa itunzwe, isiwe inalegea upande ingine. Kama ni kwa Onyango inakazwa, ikifika kwa Ochieng' inalegezwa, hapana tunataka ilindwe kabisa kwamba itatumikia kila mtu sawasawa, na hiyo tumeweka. Hiyo ukisoma utaelewa kwamba hivyo ndivyo tumefanya. Ndipo mkatuambia mnataka Kenya iitwe Republic, ndiyo na ikiwa republic mkasema mnataka muone mipaka ya Kenya imewekwa sawa sawa.

Mnajua kwamba kuna sehemu zingine nadhani kama hapa Lake Victoria, si viko viziwa vingine huko ng'amo ile ingine ambao wakati mwingine tunasikia watu wetu walienda huko wakanyang'anywa samaki? Watu wetu wamefanyiwa hivi na watu wa jirani na nyinyi mkauliza hii ni maneno gani? Hapa Kenya hajulikani mipaka yake, hapa Kenya kila mtu anaingia au Kenya imekuwa namna gani. Kutoka upande wa North Eastern si kuna mambo kwamba tunasikia wengine wameiingia hivi na wengine wameingia hivi na mkasema mipaka wa Keny tunataka uwekwe, uwe defined kwamba hapa ndio *tong'* kabisa ya Kenya. Hakuna tena mtu mwingine anasema huko au vile. Kwa hivyo, hiyo utakuja kuipata tumeweka katika hiyo draft. Halafu mkatuambia maneno ingine mkasema, lazima capital ya Kenya ijlukane, iandikwe kwa Katiba. Mnajua hii Nairobi haikuandikwa kama ndio capital ya Kenya katika Katiba iliyopita ni nyinyi mlituambia.

Tukawauliza, mnaogopa nini si tunajua ni Nairobi, mkasema hapana tunataka iandikwa kwa maana *orucha gi oru machielo* mwingine atatokea hapa anasema mimi nataka kuweka headquarters ya Kenya iwe Narok, si atakushinda, utakataa.

Speaker: Huwezi.

Com. Pastor Ayonga: Yeye atasema mimi naona hapa ndio mzuri na mwingine aseme itakuwa Nakuru au Eldoret au ipelekwa Mombasa. Lakini ikiwekwa kwa Katiba mtu ataambiwa anavunja sheria ya Kenya, kwa hivyo mkatuambia weka, andika iwe katika Katiba na sisi tumefanya hivyo. Tumesema capital of the Republic of Kenya itaitwa Nairobi, kwa hivyo yoyote anayeitoa hapo atakuwa amefanya nini?

Speaker: Amevunja.

Com. Pastor Ayonga: Amevunja sheria, mnaona nchi zingine zimekuwa zikibadilisha capitals zao, *leo ni hii orucha ni ile, oru machiel ni ile ingine*. Sasa hii imekuwa kitu ambayo mwagine akiingia kwa power anaweza kubadilisha. Wazee mlipoenda shulen na ile geografia mlisosoma huko kwa Primary School, capital ya Nigeria ilikuwa inaitwa nini? Lagos lakini leo capital ya Nigeria iko wapi? Abuja. Hata ukusema Abuja haingii kwa kichwa yetu sisi old timers kwa maana sisi inakuja automatic, computer yetu ina-read Lagos na hii ya kuingiza ya dot.com hii inakwenda Abuja. Tanzania ua Tanganyika tulijua capital yake ni wapi? Dar es salaam. Lakini wakatu huu...

Audience: Dodoma.

Com. Pastor Ayonga: Dodoma hata wanafunze wengine hawaweze kujuu hiyo wataanza kufikiri. Hata nilisikia mtu mwagine akiniambia ni Arusha, unaona? Kwa maana kitu ikiwekwa sawa sawa mambo inakuwa sawa sawa, kwa hivyo na sisi tumefanya yale mliotuambia. Ndipo mkatuambia habari ya lugha, kwamba lugha ya Kenya hapa ni lugha gani? Tukawauliza mkatuambia mnataka lugha ambazo zitatumika hapa Kenya, national language iwe Kiswahili, hii mlikubali?

Audience: Ndiyo

Com. Pastor Ayonga: Halafu mkatuambia official languages ambazo zitatumika zitakuwa Kiswahili na ...?

Audience: Kiengereza.

Com. Pastor Ayonga: Halafu tena mkatuambia, tunaona watoto wetu wadogo wanapotea, wanapoteaje, mtoto Mjaluo siku hizi unaongea naye Kijaluo hasikii, eh! Kwa maana anafundishwa lugha zingine za kigeni na mtoto anasahau yeye ni Mjaluo, lazima mtoto ajue kwanza yeye ni nani? Ni Mjaluo halafu asome hiyo Kiswahili, halafu hiyo Kingereza na sisi tukasema vernacular languages wakati ambapo mtaenda kusoma, utakapoangalia sehemu ya culture, utamaduni ya watu utakuja kuona tumazungumzia juu ya languages, venacular languages. Kwa hivyo, hiyo pia iko ndipo vitu vingine ambavyo mlietuambia....(End of tape A, side A)

Mipaka ya dini na mnataka akuona mipaka ya serikali na tukawauliza, mnatuambia hii ni nini mnasema. Tunasema kwamba dini ikichanganywa na serikali italeta madhara kwa watu kwa maana mmeona sehemu zingine ambapo dini na serikali hakuna tofauti.

Kwa mfano mnaona shida iko Sudan, Waislamu na Wakristo. Ile inakuja kwa maana serikali inakuwa ya Kiislamu na kwa hivyo Mkristo akiwemo anaambiwa yeye ni adui, yeye hafuati serikali. Kwa hivyo sisi tumeweka dini na serikali as separate, mtua abudu jinsi anavyotaka kuabudu, serikali itawale watu wote bila kutumia dini katika utawala. Kwa hivyo tuliweka hivyo jinsi mlivyotuambia.

Ndipo tena mkatuambia National symbols, alama zitakazotumika kwa mfano, mmeshatuambia habari juu ya pesa. Hii pesa sasa kila President akija atawekwa, kila anayekuja atawekwa au tungefanya namna gani na hiyo watapigana huko Nairobi

watakapokuja. Kwa maana mmetuambia mnataka mifana inayowekwa isiwe ya mtu, inaweza kuwa pengine kitu kimewekwa kama Lake Victoria ambayo ni bahari au mlima fulani au kitu fulani cha Kenya inaweza kuwa ni samaki, inaweza kuwa ni mahindi, inaweza kuwa ni chai. Kitu kinachoweza kuwekwa ambacho si cha mtu lakini cha watu wote na kwa hivyo hiyo iko subject kwa kubadilisha hii au ile, ni ipi itakayopendwa lakini mawazo ya watu ni kwamba tuwache kutumia vichwa vya watu.

Audience: Sawa sawa.

Com. Pastor Ayonga: Mambo mengine mlitoambia ni habari ya holidays pia. Mlisema sasa holidays zinazidi kuwa nyingi sasa kila mtu akija naye atawekewa holiday yake na miaka jinsi inavyoolekea itakuja kuwa kwamba holidays za watu zimekuwa nyingi. Kwa hivyo tuchukue tu National days ambazo ni za holiday. Kitu kama Christmas ambayo uwezi kutoa, kitu kama siku ya Jamhuru, kitu kama siku tulipopata uhuru na mambo mengine. Wengine mkatuambia hivi au vile hayo yote tumeshaweka katika hii draft. Halafu mmetuambia habari juu ya raia, citizenship. Hii mliongea, mkaongea, mkatuambia watoto wetu wameoa huko nje wakija mtoto amekuja na Mzungu, huyu anasumbuliwa hapewi uraia wa Kenya na mtoto wetu ameolewa nje akija na huyo mgeni na wanataka kuishi kama Wakenya haya mambo tuyaangalie. Hayo yote tumezungumza jinsi mlivyotaka, jinsi Wakenya walivyotaka na tumeyaweka na utayasoma hapa katika hii draft.

Kwa hivyo, tumeweka sheria ikiwa mtu ametoka hivi, huyo atachukua muda huu ndipo aweze ameangaliwa mwenendo wake, amejua lugha yetu, amejulikana mguu yake haikukanyaga huku na kule. Mkatuambia juu ya uraia wa namna mbile, ule mnaita dual citizenship. Mtoto watu ameenda kusoma ng'ambo, ameenda huko akawa mwa Amerika na akija hapa Kenya Ukenya wake utakuwa namna gani. Hayo yote tume-deal nazo, tumesema Mkenya ni Mkenya awe amekanyaga ng'ambo au awe amekanyaga hapa, hapo ndio kwao hawezi kunyimwa uraia wake wa nyumbani. Ule mwininge anaweza kunyang'anywa lakini huyu wa kuzaliwa wa baba yake ametoka pahali fulani hiyo bado atarudishiwa na ataendelea nayo.

Kwa hivyo tumefanya hayo mambo yote juu citizenship ndipo tumeenda pahali pengine ambapo mlitoambia mnataka kujua ile bill of rights. Haki za binadamu, misingi ya haki na uhuru wa watu na tukasema ni sharti serikali iangalie, kuongeza na kuweka mkaza juu ya haki za watu. Mtu ana haki ya kuishi, una haki ni mtu na ni lazima uishi, ni lazima utunzwe na ni lazima Chifu akupe security. Chifu, hawa watu wako wote lazima wapate security.

Joseph Omoyo (Chief): Kutoka kwangu.

Com. Pastor Ayonga: Kutoka kwako, hakuna mtu atakayenyanyaswa kwa maana kuna sheria na mkatuambia lazima tuwe equal, tuwe sawa sawa. Usawa, yule kama ni *ngane* ye ye atafanyiwa hivi na mwininge akija anaambiwa wewe hakuna kitu kama hiyo. Una haki ya kuweza kutendewa kama Mkenya mwininge yeyote, kila kitu ambacho kinachotakikana.

Una haki ya kutobaguliwa, usibague kwamba huyo ni fulani wa huko hatujali, huyo ni fulani wa huko hatujali, la kila mtu yuko

equal na ni lazima tujali juu ya huyu mtu. Halafu, akina mama nao wanalia, hata siwaoni hapa ingawa walikuwa discriminated sasa wako wapi?

Audience: Wako.

Com. Pastor Ayonga: Wengine wako wapi? Akina mama hebu inua mikoni nioni akina mama wale wako hapo? Akina mama hao wamelia Kenya nzima, hao akina mama mnaoona hapa, wametoa maneno makala ni maneno ya haki kwamba haki za akina mama lazima ziheshimiwe. Haki za akina mama, akina mama wawe na haki ya ku-own property, akitaka kufanya biashara yake afanye azalishe mali, akitaka kununua property anaweza kununua property hawezি kuzuiliwa. Naye afanyiwe kama Mkenya yoyote, hiyo equality akina mama wameitaka na kuna mambo mengi ambapo utakapoingilia hayo mambo kwa wingi utakuja kuona vile vitu akina mama wanataka wafanyiwe na vitu wanataka wafanya, ndio maana yake hata tuna huyu mama hapa. Ilipowekwa kwamba watu watatu watatu kutoka kwa kila district lazima mmoja awe nini?

Audience: Mama

Com. Pastor Ayonga: Awe mama. Hii wanapigani uhuru wao na kwamba older members of the society. Yaani wazee waheshimiwe, wazee wapewe haki zao. Mnaona wakati mwingine sijui kama hapa kwenu ilipatikana views hivi. Tulienda pahali pengine, tumebahatika kutembea pahali pengi na tulifika pahali ambapo watu wanasema hivi. Mtu yoyote baada ya miaka sitini anakuwa nini? Huyo mtu anakuwa expensive to feed, serikali iende ijenge pahali pa kupeleka hawa watu, boma waende wawekwa huko na tunapouliza, wanaenda kufanya nini huko? Hawa wazee sasa hawazalishi mali, wanakuwa too expensive to care for waache ma dot com waendelee na kazi na watu wamekataa, wamekataa hiyo maneno kwamba wazee wakae miji yao, wazee wanahaki ya kuishi kama mtu yoyote, afanye mambo yake, akule mali yake na atengeneze mali ingine akitaka. Kwa hivyo haki za wazee, older members of the society lazima iangalia, kwa hivyo ma dot com wasahau habari ya ku-discriminate wazee kwa maana Kenya iko where it is because of these wazee and at one time wazee hawa pia walikuwa vijana. Hiyo msisahau, walikuwa vijana.

Kitu kingine ni juu ya watoto: Watoto ni wa community, watoto wasiwe discriminated, watoto wameumia. Mnaona katika miji mikubwa tuna machokoro, wale ni watoto ambao wazazi wao they don't care about their children kwa hivyo watoto wanaanza kutangatanga. Sasa kama mtoto atakuwa awe mtu mzima akitangatanga na aende apate mwingine pia anayetangatanga wakaoana, hiyo ya barabarani na wakazaa mtoto ambaye pia atakuwa wa kutangatanga na mwingine wa kutangatanga, wajukuu wanakuwa wa kutangatanga. What kind of nation are we going to have, mnaona tutakuwa na nation mbaya. Kwa hivyo inatakikana watoto katika society, watoto wa Kenya, watoto wapewe haki zao ambao ni umpende, kuchungwa vizuri, kulishwa vizuri, kusomeshwa na kukuzwa vizuri kwa maana the family is the most important unit katika serikali. Wakenya tuko 31 Million lakini the most important person au unit ni ile ya family, bwana na bibi kwa maana out of these two tutapata Kenya nzuru au tutapata Kenya *kibago*.

Kwa maana hawa watu wawili wasipoishi vizuri matunda tutakayopata au mazao yatakuwa mabaya, kwa hivyo lazima tuangalie habari ya watoto, tuangalie habari ya family. Tuangalie habari ya masilahi ya disabled, wale watu ambao ni walemavu, watu wasiojiweza kwa njia moja au ingine. Tumechukua chapter ambayo inaendelea kuonyesha walemavu wafanyiwa hivi, wawe na equal rights kwa hivi na vile na wao watendewe haya na yale bila ubaguzi.

Halafu tuna freedom of religion, belief and opinion. Kila mtu anahaki ya kuchagua dini ambayo anaweza kufuata au kufuata mambo ambayo ameamini bila ya kuingiliwa na mwingine na hayo ni mambo ambayo yilio ya muhimu. Mtu asilazimishwe kuwa hivi au vile lakini mwenyewe haruhusiwi kufanya ni nini anataka kufanya katika beliefs zake.

Halafu tuna habari juu ya property, ownership of property. Una haki ya ku-own property ambayo inaitwa yake. Mwanamke ana haki ya ku-own property ambayo inaitwa yake na hawezi kuzuiliwa, hiyo ni mojawapo ya those rights ambazo zinatakikana mtu kuwa nayo.

Habari ya afya: Uko na haki ya kupata madawa, unahaki ya kugangwa ukiwa mgonjwa kawa maana tulipokuja kwenu hapa mlituambia oh, dispensaries, mahosiptali siku ukienda hakuna dawa. Ni jukumu la serikali kuona kwamba they care for the health of their people. Kwa hivyo un haki ukiugua ugangwe. Una haki ya kuwa na afya nzuri, ya kuwa na mazingara mazuri, haki ya kula, haki ya kuwa na maji safi na utunzaji wa mazingara yetu, environment.

Ndipo tutakuja kupata tumeandika juu ya electoral system. Mlituambia kwamba mnataka wakati huu katika Katiba yetu mpya kwamba watu wanapochaguliwa, kura zinapopigwa kura hizi zihesabiwa hapo hapo. Si mlisema hayo maneno.

Audience: Ndio.

Com. Pastor Ayonga: Na tumesema katika Katiba yetu mpya ikiwa watakubali kwamba kama kura ziliwa zimepigwa hapa, kama mlolongo ilikuwa inafanywa hapa ya kuweka kura katika debe, baada ya watu kwisha zihesabiwa hapo hapo watu wakiona na isemekane ng'ane umepata 200, huyu akapata mia saba, huyu akapata nini katika polling station ili kila mtu akitoka ametosheka. Kwa maana kama inapelekwa Migori, ikifika kona kona zenu hizi ambazo nimeona ingine itaongezeka, ingine itapotea na mambo yanaenda yakawa namna ngumu. Kwa hivyo hata kazi ya kuhesabu kura inakuwa rahisi kama inafanywa hapa mbele ya watu, sasa ni number 2 ndio inayotumwa na number ikienda kuongezwa hata na wewe unajua ilikuwa hipi.

Halafu mkatuambia pia, watu ambao mnataka waende Bunge mnataka watu ambao wamesoma na sasa tukaenda tukapata Kenya nzima inasema mtu akienda Bunge lazima awe ana degree na sisi tukasema hivi. Mlisema kwa hivyo tumeandika hiyo mtasoma. Halafu mkatuambia Bunge iwe na nyumba mbili, Upper na Lower House na sisi tumeweka hiyo na utakaposoma utaona hawa watafanya nini na nini.

Tukaenda pahali pengine, ninapoguza Bunge nimeingia Parliament. Mkasema kwamba mnataka hawa watu wa Parliament wawe Wabunge tu, wakienda huko wao wawe watchdogs wa kuangalia kule kunafanyika nini, kule kunafanyika nini na wawe wanahusikana na mambo ya Bunge tu. Mkatumbia wasiwe Ministers, ikiwa hapa kwenu hamkusema tumeambwi Kenya mzima na tukauliza mnatakaje, mkaesema mmeanza kuona Ministers ambao wamewekwa katika Ministries ambazo hatajuhi what is going on. Mkatumbia mnataka Ministries kuongozwa na professionals, basi tukasema kila ambacho mmesema ndicho hicho tumesema, tunajua hiyo joto itakuja kutokea watakapo pambana lakini sisi tumeweka mawazo yenu.

Halafu mkatumbia katika uchaguzi mnataka President achaguliwe na watu wote na President asiwe na constituency, tukasema President ambaye atakuwa constituency yake itakuwa Kenya. Kenya mzima ndio constituency yake lakini hana constituency yake kama President alikuwa anatoka Nyatike tena hapa yeye ndiye MP wa Nyatike, hapana. Tunataka huyo mtu anatoka Nyatike awe yeye Kenya nzima ndiyo Nyatika yake halafu mkatumbia hamtaki Vice President ambaye anachaguliwa na President ndipo tukasema basi huyu Vice President yeye atakuwa a running mate ya President wakati ule wa kuchaguliwa. Basi atakuwa mtu ambaye naye amechaguliwa na watu na kwa maana amechaguliwa na Watu President hana uwezo wa kutoa huyu.

Speaker: Sawa.

Com. Pastor Ayonga: Mkaesema hamtaki hii radio ya saba unasikia fulani ameangukia pahali fulani. (*Laughter*) Mkaesema mnataka Vice President ambaye ataendelea na yeye na ku-define kazi yake, anajua yeye ni Vice President. President akienda ng'ambo ile yeye kama yuko ng'amo hii anatawala kwa hivyo asije akawa yeye ni mfanyakazi wa huyu. Awe ni Vice President ambaye anafanya kazi ya Kenya mzima, basi hiyo tukaweka.

Na mkatumbia mnataka Prime Minister na Prime Minister mkaesema achaguliwa kutoka Parliament na kile chama ambacho kina watu wengu na huyu ndiye awe leader of the government business. A-run serikali from day to day work, hiyo ndio kazi ya Prime Minister na huyu Prime Minister awe na ma-Deputy wangapi?

Audience: Wawili.

Com. Pastor Ayonga: Wawili, hiyo tumeweka mtakuja kusoma hapo muone kazi ambayo atakuwa anafanya. Kitu gani ingine mlituambia?

Mkatumbia kuamba Parliament iwe na uwezo au hata kwanza kabla hatujaenda katika uwezo mkaesema nyinyi mnatakiwa muwe na uwezo. Kwamba mkituma mtu Parliament na huyu mtu alikuwa ameenda huko amewaambia maneno matamu matamu hapa mkafikiri ataweza na akienda huko mkapata hafanyi chochote. Kwamba tuwape power of recall, ya kuweza

kusema turudishiwa, back to the sender.

Audience: Sawa. (*Applause*)

Com. Pastor Ayonga: Na sisi tukasema wananchi wa Kenya wamesema kama a non performing Member of Parliament ameonekana kwamba wananchi wanaweza kusema rudisha na tutachagua mwingine. (*Applause*)

Halafu mkatuambia hizi three arms of the government, Executive, Parliament na Judiciary kwamba ziwe truly independent. Kwamba mnaona jambo likifanywa huko na executive litaenda likageuza mtu hapa na ataitikia sauti ya huyo. Mkatuambia koti mnaona hazifanya kazi viziru kwamba corruption imeja na corridors zake hazina harufu nzuri zina mambo mabaya mabaya huko na mkaesema mnataka tuangalie maneno ya koti. Na sisi tulipoenda kuangalia sasa mnaona tuliguza nyuki, tukaguza nyuki mpaka nyuki inapiga sisi, inasema tupelekwe kotini na sisi ndio maana yake tuko hapa tukikimbia tunaendeshana hatujaenda kotini. Wao wanatukimbiza sisi kotini na sisi tukohapa tunaweka yellow ribbon, bendera yetu, tunaweka kwamba sisi kazi tuliopewa tunatumikia wananchi na wao waendelee kujenga jela kubwa nyinyi nyote mtakuja kuchukuliwa kwa maana maneno sisi tulioandika ni maneno yenu.

Kwa hivyo mkaesema mnataka these three Arms of the government ziwe independent na mkaesema tupunguze uwezo au kazi za President na pia hapo tukapunguza. Tukasema ndio maana yake tuliweka Vice President ambaye anaweza kufanya kazi, ndio maana yake tuliweka Prime Minister ambaye anaweza kuendesha mambo ya day today running of the government. Kwa hivyo hawa watu wakiwa-independent, tukasema President anaweza ku-appoint mtu lakini awe vetted na Parliament. Parliament inaweza kukataa, hapana huyu hawezekani lete jina lingine, lete jina lingine huyu haiwezekani na kwa maana mtu wa hakuandikwa na President huyo mtu atakuja kuja kuwa independent ka kazi anayofanya. Kama fulani amesemwa atakuwa Judge wacha CV yake iende kwa Parliament, Parliament iangalie kweli, what is the past performance ya huyu mtu. Amefanya hivi na hivi, huyu amefanya hivi na hivi, ndio we agree huyu mtu ataweza. Kwa hivyo huyu mtu atakuwa anafanya kazi kwa maana anaaminika kwa hivyo, vetting imekuwa jambo la maana sana.

Ndipo, maneno ni mengi niliwaambia nitaguza kidogo kidogo. Ndipo tukasema Parliament ijifanyie programme yake, ni wakati gani itafungwa, ni wakati gani ita-sit, ni wakati gani itakwishi? Hayo maneno, ili hata mwananchi yoyote awe anajua, isiwe ni siri, hakuna kitu cha siri. Tuwe tunajua kwamba hata uchaguzi ukija unakuja mwaka fulani, mwezi fulani, tarehe fulani, hiyo itafanya kwa hivyo hayo yote tumeweka na hata tumelema ni lini ingekuwa inafanya. Na mkatuambia kwamba mnataka President awe kwa miaka kumi ya vipindi vyta miaka mitano mitano, kwa hivyo hiyo tuliweka.

Tukaingilia maneno ya natural resources: Mlituambia mnaona vitu vingi ambavyo watu wanavyo katika sehemu yao, katika Country Council yao, katika district yao. Unapata viti hivi vinaweza kutolewa hapa na vikatumika pahali pengine bila ya hawa watu kupata kitu. Kwa hivyo mkaesema mnataka kuona vitu ambavyo mko navyo na nyinyi mnafaidika na hivyo vitu, visiwe ni

mwingine ndiye anavyevitumia na nyinyi hamvitumii. Kwa hivyo mkataka hivi vitu muweze kufaidika kutoka kuwa na vile vitu na kulinda natural resources, County Council jinsi ambavyo inaweza kulinda vitu hivi ili County ile iweze kufaidika. Kama ni maji au ni electricity au ni misitu, vitu hivi viweze kufaidisha watu wa upande ule.

Pia mkatuambia mnataka Provincial Administration itolewe, hiyo bado ingali inapingwa lakini mltuambia na sisi tumeweka. Provincial Administration, Chifu wanasema mtolewe wewe ng'oj tu. Wanasema kwamba Provincial Administration tulionayo ni relic ya mkoloni lakini tena na wengine wakaenda wakauliza, sasa kama kutakuwa hakuna Chifu na mwingine aliiba kuku yangu hapa tutafanyaje? Ndipo mkatuambia, tunataka watu ambao wanafanya mambo hayo wawe wanachaguliwa na sisi. Mkasema DC aende sisi tutachagua mtu wetu, eh! DO aende, sisi tutachagua mtu wetu na Chifu, tutachagua mtu wetu si mtu wa kuwekelewa na hawa watu watapewa tu majina tofauti ila kazi ambazo watafanya ni ile. Na mkasema mzee wa kijiji alipwe mishahara, eeh!

Audience: Sawa. (*Applause*)

Com. Pastor Ayonga: Kwamba hawa wazee ndio wanafanya kazi nyingi sana, kwa maana wao ndio wana-settle cases za jamii na mkasema pia mnataka mambo mengi ya kinyumbani yafanywe kinyumbani yasipelekwa High Court kwa maana nyinyi ndio mnayajua hayo mambo. Mkasema title deeds ziwe zinapatika hapa karibu usiende huko mbali hata mtu anaenda akaiza shamba chake na akaenda akampa mwingine title deed ambayo haijulikani. Wazee wa kijiji ndio wa-settle, ndio wanajua hapa ni kwa fulani, *tong'* yake iko kule na kweli hii shamba ilikuwa ya mzee fulani na inauzwa sawa sawa. Sasa kuna mashamba mengi unauziwa kumbe ni shamba la mtu unauziwa na kwa maana unafanya huko mbali hamwezi kujua fulani ana-title. Kwa hivyo mwenye title naye ataenda auziwe mwingine ampe pesa na mambo haya yameleta shida, kwa hivyo mlikuwa mnataka mambo yote yaletwe karibu na hiyo kuleta karibu tumeweka katika hii Katiba. Na nyinyi sasa musome pole pole, mtafunе na msema hapa haijawekwa sawa sawa. *Ka ok ayiego*, hawa watu hapa waliweka hiyo lakini si hiyo mimi nilitaka hivi na hivi na hivi, kwa hivyo mnawambia huyu mama.

Sasa mambo yote ambayo mlisema kwa ufupi yako hapa na tena mkasema, kabla sijaketi ili niwape nafasi. Mkasema mnataka hii Katiba iandikwe kwa lugha ambayo mnawenza kusoma. Ile ya zamani mkasema imeandikwa kwa lugha ngumu thelathini, maneno mengi yameja huko hata lawyers wengine hawaelewi, wanataka utoe pesa kwa fulani ndipo akueleze hiyo maana yake ni nini. Watu wanafungwa fungwa na huwezi kuelewa kwa maana clause hii, kumbe ina-mean kitu namna hivi na wewe unakwenda *gikori ka iparo ni ing'eyo tiende* lakini hukuelewa. Kwa hivyo tukasema, hii Katiba itaandikwa in a simple language ambayo ni straight forward, si ile ya kuenda kando kando, ya kutaka dictionary. Ni ile ya kusoma straight, hauelewi Katiba iko namna hii, inasema hivi. Nikifanya hivi nimepotea na iwekwa kwa lugha mbili, Kiingereza na Kiswahili.

Kwa hivyo hii Katiba itapatikana katika hizo lugha if it issued na mwingine aliniuliza. Commissioner sasa hiyo unasema hiyo kitu mimi naona wewe unabeba ni kubwa sasa hii kitu kubwa nani atakuja kubeba hii. Nikawammbia hivi, unataka hii Katiba

itakapo andikwa iwe imeandikwa katika kijitabu ambacho kitakuwa rahisi kubeba, kitabu ambacho unaweka hapa, wakati ule mtu anakuja kukushika unamwambia, unanishika ni section gani unafuata. Ni ipi ile ambayo unafuata? Unaweza kufungua page au yeye afungue akuambie, kufuatana na (a), clause B, number hii umevunja sheria ya Kenya zile ambazo wewe mwenyewe ndiye uliyeweka, basi fuata lakini mtu tu kukujia ata random. Wewe unaketi huko na unapata unavutwa huko kuenda nyuma huko, unapelekwa juu juu na mguu moja nusu juu. (*Laughter and applause*) Hiyo haiwezekani, inatakiwa Kenya...kwanza musikie hii, nataka muelewe hii.

Audience: Ndio.

Com. Pastor Ayonga: Anayevunja sheria atashikwa, hiyo nataka muelewe kabisa.

Audience: Sawa sawa.

Com. Pastor Ayonga: Yaani tukienda kukubali kwamba, these are the laws of Kenya na ukivunja utashikwa. Wale wanaoshika watu pia wamepewa uwezo kwamba mtu akivunja sheria afanye nini?

Audience: Ashikwe.

Com. Pastor Ayonga: Na afanyiwe nini? Ahukumiwe na tumewaambia watu wa koti katika hii, kwamba kesi viziwe vikicheleweshwa. Mtu akishikwa na aambiwe, umeshiwa kwa maana umekosa sheria ya Kenya, section fulani, fungu ili, mstari huu na kufuatana na hiyo umeshtakiwa, ujibu, ukubali au ukatae na date yako ya hearing ifanywe upesi iwezekanavyo. Watu wasiwe wanawekwa pahali anasalisa huku, hajuhii why he is there in the first place na akija kutoka anapatikana alikuwa at a wrong place na hakuna sababu iliyomfanya awekwe huko.

Kwa hivyo hii maneno, transparency of the law lazima iwe. Kila mtu na sisi pia tusaidie Constitution, to withhold the Constitution kwamba ni supreme na ni kitu kizuru na ni case. Kwa hivyo kwa ufupi haya ndio maneno yalionileta hapa na hayo ndio maneno yamenileta hapa ku-launch hii draft Constitution na ndio maana yake nimebeba hivi vitu vyangu vya kuwapa kila mtu aende ajisomee mwenyewe ndipo muanze kuulizana maswali. Kwa maana kama hukusoma wakati huu utaanza kuniuliza swali ambalo linajibu hapa tayari, mmeona point yangu?

Audience: Ndio.

Com. Pastor Ayonga: Na tumeelewana?

Audience: Ndio tumeelewana.

Com. Pastor Ayonga: Sasa kama kuna mtu yoyote hapa ambaye ananeno anataka kusema tutafanya hivi. Utakuja hapa au utasimama kule, utasema jina loko, mimi ni ng'ani au fulani fulani na ninataka kusema hivi halafu atajiandikisha wapi? Halafu ataenda kule tuna register ya kuijandikisha, kama jinsi tulivyofanya when we came to collect views, kwa hivyo hamna tofauti. Je, kuna ye yoyote ana jambo?

Speaker: Hujaguza upande wa local authority.

Local authorities ndiyo, wewe ni Councillor ma-councillor wanataka kujua mambo yao na timesema juu ya Local Authorities vilivyo, I wish you had read that. Local Authorities wamepata wapatiwe nguvu, yaani nguvu yote ambayo ilikuwa imewekwa huko juu, tunataka irudishwe to the district. District focus yetu sasa ni ile ya kuona kwamba jinsi inavyofanya, iwe ni mali, iwe ni resources na vitu ambazo zinatakiwa kufanywe kusiwe na hii maneno, kitu inatoka Nairobi, iende Kisumu, hapana. Kitu inaenda straight Migori na watu wa Migori ndio wa pale, hao watu wa Local Authority wachaguliwe na watu. Unaona maneno ya Mayors, si ma-Councillors ndio wanakaa huko peke yao halafu wanaanza kunung'una, lili na lile.

Kwa maana huyo Chairman ni Chairman wa branch, serikali itakapokubalika kwamba yanarudi hapa chini katika hii draft bill, Local authorities watakuwa na maana. Na hata pia tumeweka juu ya masoomo yao kwa maana timesika ma-Councillor wengine hata hawajuhi kusoma na kuandika, eeh? Hawajuhi kusoma na kuandika yeye anatoka tu ng'ambo ile kwa maana ni mtoto wa ng'ambo ile na anawatu lakini hawezি kusoma, hawezি kuelewa hata wakata wanapoongea juu ya budget. Hawezি kuelewa hata wanapoongea juu ya development, yeye yuko kule tu kwa kupata allowance na anaenda without contribution. Tumeweka lazima awe mtu msomi na tena chairman wa Council lazima awe mtu msomi na achaguliwe na watu, si ma-Councillors wengine, hapana, achaguliwe.

Audience: Na raia

Com. Pastor Ayonga: Ndio na raia. Kwa hivyo, kitu ambacho nataka musome vizuri, tumetoa jinsi ambavyo hawa watu watachaguliwa. Tumeweka kiwango cha elimu, niliwaambia kwamba watu ambao watakuwa MP's watakuwa watu ambao wana-degree na hawa tumewaweka lazima watakuwa watu ambao ni form four's, chini ya hiyo itakuwa hatari. (*Laughter*) Na lazima mtu awe ameelewa mambo ya kile anachochaguliwa, kwa hivyo tunataka serikali za nyumbani zile ambazo tunaita local authorities ziende kuwa na nguvu, ikiwa Provincial Administration lakini provincial na hayo mambo yatakuwa ana-debate kwa maana tayari hata wengine tunanuka anasema aah aah!

Kwa hivyo tunangojea watakuja kupigana lakini mwishowe Wakenya wote will come out with a solution kwa maana kitu ambacho kinafanya mambo kuwa mabaya ni kuwapa watu service. Lakini kama watu wanaweza kupata service yalazima watu(Inaudible). Kwa hivyo nataka kuwapa nafasi, nimeongea mpaka nasikia mdomo imekauka, si ndiyo? Sasa na nyinyi

muongee.
